Adam Clay briefly walked the committee through Marion County's system for Rule 2.17 information requests. Marion County uses The Record Xchange at https://marioncounty-in.trxchange.net/index.php?route=trx/marioncountyin_rule217. There is a main information landing page with overall details and specific guidance. The landing page also includes any request that has come in for Marion County along with details on the status. Other information shown includes how to submit a request, terms and conditions, and examples of the CCS. Anyone interested in more information can contact Adam for Marion County contact details.

Additionally, OCEO has updated a sample trial court decorum order to allow for Rule 2.17 for high profile cases. OCEO will send to committee for review with feedback requested to be sent to Adam.

5. **Constitution Day.**

Look for information in the weekly message in April about finding a school to speak at before the end of the school year. Contact Sarah with questions.

6. **IJA Excellence in Public Information and Education nominations.**

Chair Persin indicates that the committee should keep their eyes open for examples of good reporting that could be submitted for these awards. The August meeting will be for discussion of those nominations.

7. Judges Speakers Bureau.

OCEO (Cathrin Verano) sent out emails to those on the list asking for updated information. Once that deadline has passed, the online list will be updated and OCEO will message appropriate groups.

Judge Steele asked about a letter template to the school for requesting photos. Commission Shadle indicated that his school has a blanket approval. Chair Persin recommends keeping it on the agenda and thinking about it further. Chair Persin and staff may develop something for review.

8. County State of the Judiciary.

Chair Persin has been in contact with Grant County that has done presentations in the past. Chair Persin will share information, including a video and a PowerPoint presentation, with the committee. Grant County is not doing one this year but will present again in February or March of 2026.

2. **Staff present.**

3. **Approval of minutes.**

The committee approved the February 7, 2025, minutes.

4. **Constitution Day.**

Sarah Kidwell indicated that registration opens in August through the weekly message, but that judges are encouraged to reach out now before school is out for summer. Chair Persin is hoping for 100% participation with the Community Relations Committee. Remember it's not necessarily on September 17, but any time on or around Constitution Day. In regard to Judge Steele's request for a form for judges to use to get permission for photos, Chair Persin investigated with his school corporation and found that teachers know which students have opted out of photos. John McGauley indicated that he takes photos and that he hasn't had any problems. However, John's photos highlight the judicial officer with typically back of students' heads. The Community Relations Committee does not adopt a form at this time, but suggests that judges discuss this issue with teachers or school administrators if they have concerns about consent.

5. **IJA Excellence in Public Information and Education nominations.**

Sarah indicates that the plan needs approval but will be open in June with an early August deadline. Chair Persin asks if the committee notices anyone that deserves recognition. Judge Shadle will be submitting a nomination for a specific reporter. Be on the lookout to make nominations.

6. **Judges Speakers Bureau.**

Sarah indicated that anyone who requested to be added to the Judges Speakers Bureau from the committee service email will be added once that deadline passes. Confirmation

will happen after that point. Community Relations members should already be on the list.

7. Cameras in Court Updates.

Adam Clay indicated that AR14 and AR 23 are out for public comment. The deadline to submit is Monday, May 5 at noon. The committee will not make a combined comment, but individual judges are invited to submit their own. Adam will circulate information on media compilations of county 2.17 policies.

8. County State of the Judiciary.

Chair Persin indicated that there is a template available with what Grant County has done in the past. Judge Bright is looking into this as something that would be done in Jennings County. John McGauley indicates that before the end of 2025 Allen County will have a video annual report. Chair Persin indicates that if someone develops a presentation, we should share with others, perhaps through the weekly message.

9. Other business.

Chair Persin reminds everyone to be careful in supporting local organizations if it seems too political and brings up ethical concerns.

John McGauley will have a powerful podcast coming up that is a testament to the impact of problem-solving courts.

10. Next meeting dates.

The next meeting dates for 2025 will be held via Zoom on Fridays at 1:00 p.m. (Eastern) on August 8 and November 7. All members are encouraged to attend the August 8 meeting, as the committee will be voting on IJA Awards.

Respectfully submitted,
