3. **Update regarding court security plans & security assessments:** Amanda has received court security plans from 76 counties (83% compliance). Sheriff Joe Dowdell most recently assessed Goshen City Court. Jennings and Plainfield City Court are next.

5. **Discuss goals/plans for 2025:** The Committee brainstormed ideas for 2025, which included: training on personal security/optional self-defense class at the Annual Conference, uniform account for judicial threats, update/remind judges to use the judicial profile and send to their local sheriff, stop the bleed and CPR training. Chair Matt Headley and Amanda will work on a reporting form for judicial threats for the committee to review.
6. **The meetings for 2025 are scheduled for 12:30 (Eastern) on the following Fridays:**
 - April 11
 - July 11
