*On August 18, 2014, the Honorable Loretta Rush became Chief Justice.

ON THE COVER

History of the Tippecanoe County Courthouse

History provided by the Historic Landmarks Foundation of Indiana

Built in 1884, the Tippecanoe County Courthouse, which cost \$500,000 to build, was the largest construction project in the state during the time of its construction embodying the “county capitol” idea behind many of Indiana’s late-nineteenth century courthouse designs.

The building, which looks over downtown Lafayette, is a mixture of the most popular, late-nineteenth century architectural styles. The *mansard* roofs are typical of the Second Empire, a French-influenced style used in many Indiana courthouses, yet the building’s one-hundred columns are a nod to Neoclassical and Greek temples. Its white exterior reflects the *Beaux Arts* principle later seen on Chicago’s Columbian Exposition’s white buildings.

Statuary sit above each of the courthouse’s entrances; George Rogers Clark, George Washington, and Tecumseh greet visitors at the north and south entrances while representations of Justice, Industry, and Agriculture are perched on the east and west entrance’s pediments. The courthouse also includes aspects of Baroque, Gothic, and Georgian architecture, making it a true amalgamation of high Victorian styles.

The Tippecanoe County Courthouse was added to the National Register of Historic Places in 1973. The county undertook a major restoration project in 1991, spending over \$15 million dollars to return the courthouse to its historic appearance. During this time, up to thirteen layers of paint were stripped off walls so the original colors and 1885 stencil work could be restored.

Research determined that the ceilings, which had always been unfinished and barrel-vaulted, were intended to be flat, so contractors finished them according to the original plans. The attic area had been used for storage since the courthouse opened, but the 1990s restoration turned it into much needed office space. This added fifth-floor now has some of the best views of the courthouse’s distinctive dome and downtown Lafayette.

Even the statute topping the courthouse’s dome received a make-over. It seems county commissioners originally intended the female figure to be the Goddess of Liberty, brandishing a sword and shield. However, while clearing the courthouse’s attic, a set of scales was found, leading some to believe the statue was supposed to represent Justice. Now the scales are back in the statue’s grasp, 212 feet above the ground.

INTRODUCTION

Caseload Information

Volume II of the *Indiana Judicial Service Report* consists of caseload information for every trial court in Indiana, with subtotals for each county. This volume is produced with the assistance of the trial court staff using the quarterly reports on case statistics filed with the Division of State Court Administration (Division).

For a description of the Indiana judicial system, data on Indiana's appellate-level courts, statewide totals, and comparison tables and trends, please refer to Volume I of the *Indiana Judicial Service Report – Judicial Year in Review*. Volume III of the *Indiana Judicial Service Report* contains data on the expenditures and revenues of every court in Indiana.

The Indiana Probation Report, a separate report, contains data on adult felony, adult misdemeanor, and juvenile probation activity. This volume has comparison tables, summaries and contains data by county and individual probation departments.

Caseload Reports and Case Type Descriptions

Indiana Code 33-24-6-3(2) requires the Division to collect and compile statistical data on the judicial work of the courts. Each quarter, Indiana's trial courts report caseload information to the Division by electronically filing a Quarterly Case Status Report (QCSR) using the Indiana Courts Online Reports (ICOR) system, through

INcite, the judicial system's secure extranet for court information. The QCSR reports contain summary information, by case type, on the number of cases filed and pending, the movement of cases between courts via transfer or venue and the method by which the cases were disposed during a reporting period.

In addition to the cases administered by a specific court, the Quarterly Case Status Reports track the amount of judicial resources available to a court and the time a judge spends hearing cases in another court. The QCSR also captures other case-related information used to administer and improve court projects and initiatives. For example, data is collected tracking the number of cases:

- referred to alternative dispute resolution;
- requiring the appointment of pauper counsel;
- requiring the service of a court interpreter; and
- requiring the appointment of a guardian *ad litem* or court appointed special advocate (juvenile cases only).

Case information is grouped into four categories: criminal, civil violation, juvenile, and civil and is tracked using the case type classification code outlined in Indiana Administrative Rule 8(B)(3). An administrative case type called "court business record" is recorded, but is not counted, in a court's weighted caseload. Case type designations and categories are as follows:

Criminal Case Types

If a defendant is charged with multiple offenses, the case is counted only one time under the most serious charge. Although the prosecutor may amend the charges after filing, for administrative purposes a case continues with its initial case designation in the statistical reports. Each defendant is assigned his or her own case number.

As a result of new felony levels required by House Enrolled Act 1006, Public Law 158-2013, beginning July 1, 2014, criminal felony filings, except for Murder, are categorized and reported on the quarterly case status report on ICOR either as Class A felony (FA), Class B felony (FB), Class C felony (FC), Class D felony (FD) or as Felony Level 1 (F1), Felony Level 2 (F2), Felony Level 3 (F3), Felony Level 4 (F4), Felony Level 5 (F5) and Felony Level 6 (F6) depending on when the alleged crime occurred. Felonies occurring prior to July 1, 2014 are reported as a Class A felony (FA), Class B felony (FB), Class C felony (FC), or Class D felony (FD). Felonies occurring on or after July 1, 2014 are reported as a Felony Level 1 (F1), Felony Level 2 (F2), Felony Level 3 (F3), Felony Level 4 (F4), Felony Level 5 (F5) or Felony Level 6 (F6).

1. **MR - Murder:** All murder cases are filed under this category. If the State seeks either the death penalty or life without parole, that information is also collected and reported in the QCSR under the additional information section.
2. **CF - Criminal Felony:** This category includes all cases filed prior to January 1, 2002, as Murder or Class A, B, and C felonies. Although new filings are not permitted for this category, existing cases with a CF designation are still reported and disposed of in this category. Administrative Rule 8 was amended by Supreme Court Order effective January 1, 2002.

Felonies committed between January 1, 2002 and June 30, 2014

1. **FA - Class A Felony:** Cases in which the defendant is charged with a crime defined as a Class A felony are filed under the FA category. Examples include kidnapping, voluntary manslaughter with a deadly weapon and arson involving bodily injury.
2. **FB - Class B Felony:** Examples include aggravated battery, rape, child molesting, carjacking and armed robbery.
3. **FC - Class C Felony:** Examples include involuntary manslaughter, robbery, burglary and reckless homicide.
4. **FD - Class D Felony:** All Class D felonies filed on or after January 1, 2002, plus all Class D felonies filed before January 1, 2002 that have the case type DF are filed under the FD category. Examples of crimes in this category include theft, receiving stolen property, computer tampering and fraud.

Felonies committed on or after July 1, 2014

1. **F1 – Level 1 Felony:** Examples include Dwelling Burglary with Serious Bodily Injury.
2. **F2 – Level 2 Felony:** Examples include Voluntary Manslaughter and Armed Dwelling Burglary.
3. **F3 – Level 3 Felony:** Examples include Aggravated Battery and Child Molesting.
4. **F4 – Level 4 Felony:** Examples include Dwelling Burglary and Dealing in Cocaine (1 – 5 grams).
5. **F5 – Level 5 Felony:** Examples include Kidnapping, Involuntary Manslaughter and Reckless Homicide.
6. **F6 – Level 6 Felony:** Examples include Theft and Battery with Moderate Bodily Injury.

Misdemeanors and other Criminal Case Types

1. **CM - Criminal Misdemeanor:** This category includes all criminal cases filed as misdemeanors. Examples of crimes in this category are criminal trespass, check deception, harassment and battery.
2. **PC - Post-Conviction Petition:** This category includes all petitions for post-conviction relief filed under the Post-Conviction Rules. Although this case type is a civil case, it is listed after the criminal case types on the QCSR and in this report.
3. **MC - Miscellaneous Criminal:** This category includes all criminal matters which are not easily classified as felony or misdemeanor and are not part of an ongoing proceeding. An example of a case falling into this category is a probable cause hearing for a criminal charge not yet filed. A search warrant issued before charges are filed, is assigned an MC case and results in a bench disposition. If charges are filed, then a case in the appropriate category is opened.

Civil Violations

Infractions and Ordinance Violations are civil violation case types. They are listed after the criminal case types on the QCSR and in this report.

1. **IF - Infractions:** Infractions are typically traffic-related offenses brought in the name of the State and prosecuted by the prosecuting attorney. Similar to criminal cases and ordinance violations, multiple offenses (i.e., multiple tickets or citations issued to the same individual or arising from the same circumstances) result in only one case filing.
2. **OV/OE - Ordinance Violations:** Local ordinance violations are enforced through court proceedings or a municipal corporation's ordinance violations bureau. Ordinance violation cases are

brought in the name of the municipal corporation and prosecuted by the municipal attorney. All moving traffic violations are enforced through a court proceeding. If a local ordinance violation is heard in court, an OV case type is assigned. Local ordinance violations enforced by municipal ordinance violations bureaus are not court cases and, therefore, are not assigned a case type/case number. The OE case type is not currently used.

Juvenile Case Types

Each child considered by the court system receives a separate case number, regardless of his or her familial relationship to another child. Cases of related children and other related cases can be linked and tried together.

1. **JC - Juvenile CHINS:** This category reflects those cases where a child is alleged to be a child in need of services as defined by Indiana Code 31-34-1-1 *et seq.* Examples include a child who is not receiving or is unlikely to receive care, treatment or rehabilitation without court intervention.
2. **JD - Juvenile Delinquency:** Cases in which a child is charged with a delinquent offense are filed in this category. Indiana Code 31-37-1-2 defines a delinquent act as one committed by a child before becoming eighteen (18) years of age and is a criminal offense if committed by an adult. The case is recorded as a new filing when a petition for detention hearing or a petition alleging delinquency is filed.
3. **JS - Juvenile Status:** Cases in which a child is charged with committing an offense which is not a crime if committed by an adult are filed in this category. Examples include curfew violations, school truancy and underage alcohol purchase or consumption.
4. **JP - Juvenile Paternity:** This category includes paternity actions filed by any of the parties specified by statute, including

the prosecutor. Indiana Code 31-14-4-1 identifies who may file paternity actions.

5. **JM - Juvenile Miscellaneous:** This category applies to juvenile matters which are not specifically listed in the previous juvenile case type categories including court approval of informal adjustments. An informal adjustment is a disposition by a court order approving a signed agreement resolving a potential juvenile delinquency or CHINS case.
6. **JT - Termination of Parental Rights:** This category includes all proceedings for termination of parental rights. In termination of parental rights cases involving multiple children, a separate case number is assigned to each child.

Civil Case Types

Civil cases are filed when the plaintiff or petitioner seeks monetary damages or court redress.

1. **CP - Civil Plenary:** All Civil Plenary cases filed before January 1, 2002, have the CP case type designation. Although new filings are not permitted for this category, existing cases with a CP designation are still reported and disposed of in this category. Administrative Rule 8 was amended by Supreme Court Order effective January 1, 2002.
2. **PL - Civil Plenary:** All Civil Plenary cases filed on or after January 1, 2002, receive the PL designation. Basic civil cases, not otherwise specifically included as separate categories, are filed with this designation. Generally, these cases may be more complex, do not involve a mortgage foreclosure or the collection of an outstanding debt. Frequently cases involving contract disputes and actions seeking equitable or injunctive relief are assigned this case type.
3. **MF - Mortgage Foreclosure:** All Mortgage Foreclosure cases filed after January 1, 2002, are reported in this category.
4. **CC - Civil Collection:** All Civil Collections filed after January 1, 2002, are reported in this category and may include the following: suits on notes and accounts, general collection suits, landlord/tenant suits for collection, ejectment and tax warrants. If these cases are filed on the small claims docket of a court or the small claims division of a multi-division court, the SC case type is used.
5. **CT - Civil Tort:** Cases founded in tort and filed on the regular civil docket of the court are included in this category. Small claims, which also could be founded in tort, are included in a separate category.
6. **SC - Small Claims:** This category includes cases filed on the small claims docket of circuit or superior courts, as well as cases filed in the nine Marion County Small Claims Courts. While city and town courts may have cases that fall within the monetary limits of small claims jurisdiction, those cases are not defined as small claims by statute and are counted as PL – Plenary or CC – Civil Collection depending upon the nature of the action. Small claims actions include cases where the amount in dispute is \$6,000 or less, landlord-tenant ejectment actions and landlord-tenant disputes.
7. **DR - Domestic Relations:** Actions involving petitions for dissolution of marriage, legal separation, and petitions to establish child support are filed in this category.
8. **RS - Reciprocal Support:** Actions for reciprocal enforcement of child support and petitions for modification of support or custody and/or support under the 2007 Amended Uniform Child Custody Jurisdiction Act are counted in this category.
9. **MH - Mental Health:** Proceedings involving mental health commitments, including temporary commitments, an extension of temporary commitment, regular commitment, or termination of a commitment are filed under this category.

10. **AD - Adoption:** Petitions for adoption are filed under this category. Additionally, on or after January 1, 2002, petitions seeking release of adoption records are filed in this category.
11. **AH - Adoption History:** All petitions seeking release of adoption records filed prior to January 1, 2002, are still reported and disposed in this category even though no new filings are permitted. The AH case type is no longer included in Indiana Administrative Rule 8.
12. **ES/EU/EM - Estates:** This category includes both supervised and unsupervised administration of estates. Claims against the estate are transferred for trial and are listed as civil, or PL matters. EM, a new category since January 1, 2009, includes all matters related to estates that do not require payment of filing fees. Examples include filing an inheritance tax return, petition to open a safety deposit box, and “spreading a will upon the record.” In the examples given, court costs are not assessed unless proceedings beyond the court’s approval of the tax return or spreading a will of record become necessary. Indiana Code 33-37-4-7(c).
13. **GU - Guardianship:** Petitions for appointment of guardians are filed under this category. A guardianship case is considered “closed” when the court enters an order appointing and approving the guardianship.
14. **TR - Trusts:** This category includes trust matters before the court. This case type includes trusts that have been created through an estate and are separately docketed and reported from the estate or trusts that by their terms require court docketing.
15. **PO - Protective Order:** New petitions for protective orders which are not part of an ongoing process (such as marriage dissolution) are filed in this category. However, if the parties subsequently file a petition for dissolution, the cases remain separate for reporting, enforcement and retention purposes.
16. **MI - Civil Miscellaneous:** Routine civil matters which are not easily categorized in other areas and which are not part of any other pending litigation are reported in this category. Examples are: petitions for name change, appointments of appraisers, petitions for emancipation, a proceeding to reinstate a driver’s license that was administratively suspended, a Habeas Corpus case from DOC and marriage waivers.

Court Business Record

1. **CB - Court Business Record:** This category is intended for non-case specific matters, such as the appointment of a judge *pro tem*, drawing the jury, adopting or amending local rules or recording a foreign protective order. This designation provides a way to number and locate records that do not pertain to any specific case. These matters are not counted as cases and do not affect the court’s weighted caseload.

Methods of Disposition

The Quarterly Case Status Reports also include summary dispositional information. A brief description of the methods of disposition is as follows:

1. **Jury Trial:** This category reflects cases where trial was commenced with a jury. This type of disposition is limited to cases where the jury is seated and sworn and the court has received evidence and the jury rendered a verdict or the case was resolved in some manner prior to the announcement of a verdict.
2. **Bench Trial:** Cases are disposed in this category by the court after a trial without a jury in which a witness has been sworn

in to testify and the court entered a judgment or the case was resolved prior to the announcement of a judgment. Until 1999, cases in which a trial did not take place were also counted as disposed by bench trial. After 1999, such cases have been included under “bench disposition.”

3. **Bench Disposition:** Cases that are disposed by final judicial determination of an issue, but where no witnesses are sworn and no evidence is introduced, are counted in this category. These dispositions include decisions on motions for summary judgment, hearings on other dispositive motions, and settled cases in which the parties tender an agreed judgment to the court for approval which can then be enforced through proceedings supplemental to execution. Approval of informal adjustments in juvenile matters and issuance of search warrants unrelated to any pending case also generally fall into this category.
4. **Dismissed:** This category applies to cases which are dismissed either by the court on its own motion (Indiana Trial Rule 41(E)), upon the motion of a party, or upon an agreed entry as the result of settlement between the parties.
5. **Default:** This category is applicable only in civil cases, infractions and ordinance violations where the defendant fails to comply with the trial rules and a judgment of default is entered by the court.
6. **Deferred/Diverted:** This category was added in January 2002. If a prosecutor and defendant agree to defer prosecution or for the defendant to enter a diversion program, the case is disposed in this category. Even though the case is not formally dismissed until the completion of the deferral obligations, this category permits the criminal courts to reduce their pending caseloads by the number of cases where the cases will eventually be dismissed. Likewise, even though diversion programs are often part of a guilty plea, they fall into this category as a way for the state to track the number of defendants consenting to the diversion programs.
7. **Guilty Plea/Admission:** Cases in which the defendant pleads guilty to an offense or admits to the commission of an infraction or ordinance violation are counted under this category. Infraction and ordinance violation cases are only reflected in this disposition category if the case actually comes before the court for decision. An admission by mail or through a court clerk or violations bureau clerk is counted as being disposed by Traffic Violations Bureau. Also included in this category are dispositions of juvenile cases where the juvenile admits the claims, or the father admits paternity and in protective order cases where a party admits to the claims in the protective order.
8. **Traffic Violations Bureau:** This disposition category only applies to infraction and ordinance violations. Indiana Code 34-28-5-7 permits any court to establish a traffic violations bureau and appoint a violations clerk to serve under the direction of the court. The court must designate those traffic violations that are within the authority of the violations clerk. This category is used when the defendant elects to pay the penalty for the violation by mailing or delivering payment to the violations clerk or by making payment online and without going to court.
9. **Closed:** Routine closing of an estate or adoption proceeding, as well as the routine termination of a trust or guardianship, are counted in this disposition type. Also included in this category are cases where the defendant has filed bankruptcy or the case is removed to federal court.
10. **FTA/FTP:** This category includes ordinance violation cases and infraction cases in which the defendant fails to appear or fails to pay. Once counted in this category, the case is not recounted even if the defendant later appears, pays, or proceeds to a full trial.

11. **Other:** Any case disposition that is not otherwise accounted for in the preceding categories is included here. Example: a case was opened in error.

Movement of Cases

In addition to cases filed and disposed, cases are venued or transferred between courts.

1. **Venued In/Out:** Cases filed in a court that are later moved to another county for any reason are listed in this category.
2. **Transferred In/Out:** Cases transferred from one court to another within the same county, or from one court docket to another (such as a move from small claims docket to the civil plenary docket), are recorded here. In the event a motion for change of venue from the judge results in a transfer of the case to another court in the same county, the case is also counted in this category.

Court Services Information

The cases filed in the courts are assigned to a particular court according to the county's local caseload allocation plan. Various court services are provided based on the individual needs of the litigants and the judges. The following are services and judicial provisions the courts track on the quarterly statistical forms.

1. **Special Judge Service:** According to Rules 76, 79 and 79.1 of the Indiana Rules of Trial Procedure, and Rule 13 of the Indiana Rules of Criminal Procedure, a special judge can assume jurisdiction on a case under certain circumstances. The courts report cases where the reporting judge serves as a special judge on other court's cases and reports cases where a

special judge is serving in the reporting court. The assignment of a special judge is reported in the quarter in which the special judge is assigned.

2. **Cases with Unrepresented (Pro Se)**

Litigants: The courts report cases in each case type category in the first quarter in which any party proceeds without attorney representation at any point in the case while the case remains open. A case is only reported once; even if several parties in the same case proceed without attorney representation, or if the status of the litigants changes one or more times during the course of the case. The criminal and juvenile courts count a criminal or juvenile case as unrepresented if, after the hearing in which the defendant is offered an attorney, the defendant refuses one and acts on his/her own behalf thereafter. For a civil case, the courts determine unrepresented status starting from the moment the complaint or petition is filed. If a plaintiff files a civil case without the assistance of an attorney, the court counts that case as unrepresented. If a defendant files a document or attends a hearing without an attorney, the court counts the case as unrepresented, unless the plaintiff's unrepresented status was already included. Frequently, those courts that exercise small claims jurisdiction and/or handle infractions and ordinance violations have multiple cases falling into this category. Litigants who are defaulted are not counted as unrepresented since information about representation was not obtained. A case may be counted as unrepresented at any time the court believes at least one party is acting on his or her behalf without the assistance of counsel. **Each case may be counted a maximum of one time as unrepresented in the life of the case and is reported in the quarter that the Court first determines a litigant's unrepresented status.** Courts may look to appearance forms, filings (if a person files something or appears without an attorney), attendance at hearings without attorney representation or any other factor for this determination. The

Supreme Court uses the statistics reported on this line to provide enhanced resources tailored to the case type for unrepresented litigants. Litigants previously referred to as *Pro Se* are now often referred to as Unrepresented Litigants.

3. **Cases Referred to Alternative Dispute Resolution:** As defined by Indiana Rules of Alternative Dispute Resolution Rule 1.1, recognized alternative dispute resolution (ADR) methods include arbitration, mediation, conciliation, facilitation, mini-trials, summary jury trials, private judges and judging, convening or conflict assessment, neutral evaluation and fact-finding, multi-door case allocations, and negotiated rulemaking. A court may order any covered case to proceed with a form of ADR prior to conducting further court proceedings. If ADR is successful on all issues before the court, then the court will report the case dismissed as the disposition type. Regardless of whether ADR is ultimately successful, the courts report the referral on the quarterly statistical report in the quarter of the ADR referral. These statistics are used by the Supreme Court to encourage ADR plans and other services for the courts in resolving the cases outside of the courtrooms. Currently, the Indiana Judicial Center and the Division administer Family Court ADR plans for domestic relations cases and juvenile paternity cases.

4. **Appointment of Public Defenders:** The courts report the cases where a public defender was appointed at county expense or partial county expense.
5. **Appointment of GAL/CASA:** Guardians *Ad Litem* (GAL) and Court Appointed Special Advocates (CASA) are reported in certain case type categories and the reported numbers should correspond with the related GAL/CASA program for that county. The Indiana Supreme Court uses these statistics to track the appointments to support grant proposals as well as identify counties needing more resources. The courts report the case in the first quarter in which a guardian or advocate is appointed during the life of the case.
6. **Use of Court Interpreters:** The courts report the appointment of a court interpreter as well as the language interpreted in the first quarter an interpreter is used in the case. Currently, the interpreter certification program offers candidates certification opportunities in more than 20 languages, including Spanish, Russian, Chinese (Mandarin and Cantonese), Polish, Vietnamese, Arabic, Somali, and Korean.

For more detailed information regarding case assignment and case disposition, three resources are available: the QCSR Application Guide, the Case Type Quick Reference and the Administrative Manual. These three resources can be found at: courts.in.gov.

*These case types are no longer used for new filings

**These case types are subtypes of Murder and are used for statistical reporting purposes only.

Appointed Judicial Officers

Appointed judicial officers assist the elected judge with the court’s caseload. Frequently courts share appointed officers based on case types, caseload, extended absences, etc. Magistrates, Commissioners, Referees and Hearing Officers are considered “regularly assigned” judicial officers and are included when the Division compiles the Weighted Caseload Report. The following describes each type of appointed officer.

MAGISTRATES – Magistrates are full-time employees who serve in one or more courts. A magistrate is an attorney, appointed by the county judges but paid by the state. A magistrate has most of the powers of a judge; however, they cannot issue judicial mandates and their power to issue final orders is limited to small claims and protective order cases, plus cases in which the magistrate is sitting as a judge pro tempore or special judge. A magistrate may also issue a final order, conduct a sentencing hearing and impose a sentence in a criminal case if the magistrate is sitting as the judge. The presiding judge must countersign all other final appealable orders.

Juvenile court magistrates may be appointed in judicial circuits with a population of at least 50,000. A juvenile court magistrate is paid partially by the state and partially by the county.

COMMISSIONERS/MASTER

COMMISSIONERS – All counties with a voting population over 7,000 may appoint a probate commissioner. The titles “Commissioner” and

“Master Commissioner” appear to be interchangeable. Specific statutes permit the appointment of commissioners or master commissioners:

- Indiana Code 33-33-5-4 – Blackford County;
- Indiana Code 33-33-15-4 – Dearborn County;
- Indiana Code 33-33-49-16 – Marion County;
- Indiana Code 33-33-59-4 – Orange County;
- Indiana Code 33-33-84-9 – Vigo County; and
- Indiana Code 33-33-89.3-6 – Wayne County.

Commissioners, generally, have the same jurisdiction as magistrates but are paid by the county. The presiding judge must countersign all final appealable orders.

REFEREES – A referee is appointed by a circuit or superior court judge and serves at the pleasure of the judge and performs the duties assigned by the judge. Referees are appointed to serve in various courts including special courts such as domestic relations courts (Indiana Code 31-12-1-9), certain juvenile courts (Indiana Code 31-31-3-6) and small claims divisions of superior and circuit courts (Indiana Code 33-29-3-3). Based on assignments, the referee will make ruling recommendations to the presiding judge but does not enter rulings independently. Some Small Claims Referees are paid by the State but most referees are paid by the county.

Alternate Judge Service

Judges *Pro Tempore*, temporary judges, senior judges and transfer judges are considered provisional and are not considered when determining the weighted caseload report for each court. The following explains each type of Judge referred to in the following pages.

TEMP JUDGE - This term refers to Temporary Judges. Presiding judges of circuit or superior courts may appoint attorneys to serve as temporary judges. If the appointment is for juvenile law cases, two judges must agree to the appointment (Indiana Code 33-38-11-1). Temporary judges may also be appointed to fulfill a magistrate's duties as well. A temporary judge has the same authority as the presiding judge but may not exercise the power of judicial mandate. He or she may sit as a temporary judge even if the presiding judge is present and presiding in court as well. This is the distinction between judge *pro tempore* and temporary judge. The presiding judge may limit the powers of the temporary judge under Indiana Code 33-38-11-6 and a temporary judge may only serve for 60 days or less, with some exceptions (Indiana Code 33-38-11-10).

PRO TEM – This term refers to Judges *pro tempore* who sit in the place of the regular judge who is unavailable. Indiana Trial Rule 63 permits the regular judge to appoint a judge *pro tem* to conduct the business of the court when the judge knows he or she will be unable to attend and preside for any cause. If the presiding judge has

not made such an appointment, the clerk of the court may make the appointment. Such local appointments are usually for a short period of time. In the case of lengthier unavailability of a judge, such as absence due to military service, Trial Rule 63 provides for the appointment of a judge *pro tem* by the Indiana Supreme Court. During the period of his appointment, the judge *pro tem* has the same authority as the judge temporarily replaced.

SENIOR JUDGE – Indiana Administrative Rule 5 permits certain courts to apply for appointment of a senior judge. The Indiana Supreme Court appoints the senior judge to serve for the specified length of time requested. Only the Circuit, Superior, Probate, Indiana Court of Appeals and Indiana Tax Courts may request senior judges. Senior judges have the same jurisdiction as the presiding judge of the court but only during the days that the senior judge is serving.

TRANSFER JUDGE – Transfer Judges are judges who perform duties in other courts in accord with case allocation plans adopted based on Indiana Administrative Rule 1(E). Transfer judges have the same authority as the presiding judge of the court to which the case has been assigned.

CAP SVC DAYS – Caseload Allocation Plan (CAP) Service Days. This number is the total number of days or fractions of days that a judge served as a transfer judge in other courts.
