# History of the Hancock County Courthouse

*History provided by the Indiana Landmarks*

Sitting a proud distance back from the National Road/US 40, the Hancock County Courthouse commands respect with its Roman arches and heavy stonework—both characteristic of the Romanesque Revival style. Carved stone grotesques in the form of monkeys, dogs and other creatures keep watch over all who enter.

On the interior the courthouse resembles a Gothic cathedral with its ribbed ceiling, fan vaulting, and plaster cherubs. Standing on the north side of the courthouse lawn is Greenfield's favorite son, James Whitcomb Riley. The bronze sculpture by Hoosier artist Myra Reynolds Richards was dedicated in 1918.

Because the north side of the courthouse is located along busy US 40, motorists seldom take the time to drive around the square. Nonetheless, the Hancock County Courthouse is designed in

the popular Shelbyville plan, with the streets intersecting at each corner of the square.

Fort Wayne architects, Wing & Mahurin, designed the Hancock County Courthouse that was constructed from 1896-97. It is no coincidence that the courthouses in Hancock and Starke counties resemble each other; both were designed by Wing & Mahurin. In 1896 construction costs for the courthouse were just over \$250,000.

A 2012 restoration effort included restoring the decorative domed ceiling of the third floor courtroom and upgrading mechanical systems. The bond issue to pay for the courthouse restoration was approximately \$5 million. The Hancock County Courthouse was listed in the National Register of Historic Places in 1985.

# INTRODUCTION

---

Volume III of the *Indiana Judicial Service Report* reflects detailed revenue and expenditure information on every trial court in the state. Indiana Code 33-24-6-3(a)(2) directs the Division of State Court Administration (the Division) to collect and compile statistical data on the receipt and expenditure of public monies by and for the operation of the courts. Each court, whether single or unified, must file with the Division its Report on Court Revenue (Revenue Report) and its Report on Budget & Expenditures (Budget & Expenditure Report).

The Fiscal Reports of Indiana Trial Courts section in Volume I, *Judicial Year in Review*, presents a general financial overview of the reported expenditures of Indiana's courts and revenues generated through their operation. This volume contains a more comprehensive review of the revenues and expenditures generated by the trial courts. While the trial courts' requested and approved local budgets are reported to us, they are not published. The financial information is gathered on an annual basis at the close of each calendar year.

A description of the Indiana judicial system, data on Indiana's appellate-level courts, statewide totals, and comparison tables and trends, is available in Volume I, *Judicial Year in Review* of this report.

## Expenditures

Indiana's judicial system is funded by a combination of county tax revenues, state appropriations, and user fees. The Indiana Supreme Court, Court of Appeals of Indiana, and Indiana Tax Court are funded through appropriations from the State General Fund. The Indiana State Auditor's Report is online at [in.gov/auditor](http://in.gov/auditor) and contains information about the expenditures of these courts and other state-level expenditures for judicial functions. Relevant portions of that report are reflected in Volume I, *Judicial Year in Review*, Fiscal Reports of Indiana Trial Courts section.

Indiana's trial courts are funded primarily through county funds; however, state funds pay for judges' and magistrates' salaries, senior judges, and some special judge expenses. Counties may choose to pay an additional amount towards the judges' and magistrates' salaries. Counties may also receive state funds for reimbursement of approved pauper defense services and for GAL/CASA services for abused and neglected children. Courts also generate user fees that are partially expended on court services.

Criminal indigent defense in Indiana is paid through a mixture of county funds and partial state reimbursements. The majority of counties (55 of 92) follow standards established by the Indiana Public Defender Commission for caseload limits and creation of independent public defender boards. They do so in order to qualify for 40 percent state reimbursement of qualified non-capital (death penalty) cases. However, the General Assembly provides 50 percent reimbursement to all counties for capital cases.

The counties provide indigent defense services for the remainder of criminal cases through a variety of structures. The state’s appropriation for reimbursement to the local indigent defense expenses was \$21.1 million for Fiscal Year 2014-2015.

Municipalities fund city and town courts. In many instances the local government does not maintain a distinct city or town court budget and all expenses are paid directly from the local general fund. This practice makes it difficult to provide accurate expenditure information for the city and town courts.

Marion County (Indianapolis) townships directly fund the nine Marion County Small Claims Courts through budget appropriations.

The Budget & Expenditure Report filed by each court categorizes the trial court expenditures as

follows: salaried and unsalaried personnel expenses including fringe benefits and travel – 10000 series, supplies – 20000 series, professional services – 30000 series, and capital outlays – 40000 series. In 2013, these categories were combined/changed to reflect a better coordination in how courts supply budget and expenditure information to the Department of Local Government Finance Authority. If any of the expenditures are facilitated by mandate, the report reflects information related to the mandate as well.

Line items “Grants,” “Distributions to Other Local Governments” and “Social Service Payments” from the State Auditor’s report are now combined into one total for the chart below. See Volume I, Judicial Year in Review, State Fund Expenditures on the Judicial System chart for a breakdown of the total state expenditures.

# Revenue References

Trial courts generate revenue primarily from filing fees, court costs, fines and fees assessed to litigants. Revenues generated through the operation of the trial courts are collected, accounted for, and disbursed by the Clerk of the Circuit Court, an independently elected office for each Judicial Circuit. The Clerk of the Circuit Court also functions as the Clerk of the county and, as such, performs many other functions unrelated to court operations, including issuing marriage licenses, coordinating the election board, and conducting county, state, and national elections.

Revenues generated through the city, town, and Marion County Small Claims Courts are collected by the local clerk and disbursed to state, county, or local general funds or to a list of specific funds established by the Indiana General Assembly for specific programs and services. The only direct payment fee is the personal service of process fee charged to small claims litigants in the Marion County Small Claims Courts. This fee is paid to the constable and his or her deputies.

In 2015, there were many fees which were potentially applicable and collectable from litigants in Indiana’s courts depending on the case type, the court, and the nature of the offense.

The chart below reflects a summary of the total revenues collected by the State court system and sent to each level of government. The heading “County Courts” refers to Circuit, Superior, and Probate Courts. The revenues sent to each level of government are deposited in general funds that are not designated for a specific purpose, court related services funds that provide funding for specific court programs like probation, or special funds designated for purposes outside of the judicial system.

The State User Fee Fund is administered by the State Treasurer. After each semiannual distribution, the State Treasurer distributes the funds remaining in the State User Fee Fund to the Judicial Technology and Automation Project Fund established by Indiana Code 33-24-6-12.

## County and City/Town User Funds

Each county has a County User Fee Fund, administered by the county auditor, to finance various programs such as a pretrial diversion or deferral program, informal adjustment programs for juveniles, marijuana eradication programs, alcohol and drug services programs, continuing education for law enforcement, payment for jurors, and for problem solving courts.

Every city or town that has established a city or town court is authorized by state statute to have a user fund for the purposes of supplementing the funds available to operate a pretrial diversion or deferral program, to provide for the continuing education of law enforcement officers, for local problem solving courts, and for a local alcohol and drug services program. ## Explanatory Notes

Although the salaries of judges of circuit, superior, and probate courts are paid by the state, the counties are permitted, but are not required, to supplement those salaries up to \$5,000.<sup>1</sup> The detailed sections of this report that set out the number or compensation of judges refer to judges whose salaries were supplemented at the county level.

Some courts report their revenue and expenditures separately and others in a county combined their figures into a consolidated report. Where a consolidated report was filed, the figures are reported under the name of one court only.
