Explanatory Notes

Although the salaries of judges of circuit, superior, and probate courts are paid by the state, the counties are permitted, but are not required, to supplement those salaries up to \$5,000.¹ The detailed sections of this report that set out the number or compensation of judges refer to judges whose salaries were supplemented at the county level.

Some courts report their revenue and expenditures separately and others in a county combined their figures into a consolidated report. Where a consolidated report was filed, the figures are reported under the name of one court only.
