The board decided to table getting a VPN to see if Brian may have information on it. The board did not make a final decision on a webpage.

Marshal Report

- Marshal Braunecker worked 40 hours.
- Officer Kelly Reinke is attending the Marshals Conference.
- The console lights on the truck had an issue but are not working.
- A Vehicle camera and some body cameras have been ordered for the police department.
- Marshal Braunecker said the department no longer has a need for the Crown Victoria police car and asked the town council to decommission the vehicle.

Lavon motioned to decommission the Crown Victoria police car at the end of March. Daniel seconded the motion. All Aye, Motion passed.

Town Manager Report

Water

- Repaired 2 Leak.
- Replaced 1 Service.
- Repaired 6 meters.
- The first quarter stage 2 disinfectant testing has been completed and the results came back good.
- Looking into a service line upgrade for Frakes Avenue due to potential new builds in the future.

- Hoping to avoid the need for a service line relocation on County Road 100 E. Indiana Department of Transportation has a project near the water line. If the line needs to be moved it will have to be done at the utilities expense due to the line having been laid in the state right of way.

Sewer

- Discharging at the lagoon has been completed. Should be good until November.
- Master lift control issues have been fixed.

Town

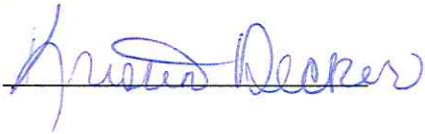

- Town employees have been cleaning up trees in the town park and along town streets.
- Preparation has begun for the pickle ball court. Weather permitting the plan is to have the concrete poured in April.

Daniel motioned to adjust water leak charges based on data log and Marty's verification. Lavon seconded the motion. All Aye, Motion passed.

Daniel motioned to approve the claims and payroll dockets. Lavon seconded the motion. All Aye, Motion passed.

March 6, 2025 Meeting adjourned at 4:27 p.m.
