in.gov/medicaid/providers**Overview**

This addendum must be completed by behavioral health providers with a provider specialty **613 – MRO Clubhouse**. The purpose of this addendum is to provide the Indiana Health Coverage Programs (IHCP) with information about the rendering clubhouse provider that will be providing psychosocial rehabilitation services. The rendering clubhouse provider must:

- Be certified by the Indiana Family and Social Services Administration (FSSA) Division of Mental Health and Addiction (DHMA).
- Be enrolled as an IHCP rendering provider linked to a DMHA-approved IHCP-enrolled Medicaid Rehabilitation Option (MRO) provider.

A copy of the DMHA certification must be attached to this addendum and included with the enrollment packet.

Please complete all sections of this form. Nonprofit providers must provide information for the business entity that owns their taxpayer identification number (TIN).

Disclosure Information

When completing this form to make changes to the list of disclosed individuals, make sure to include the names of **all** individuals that meet the disclosure requirements, even if the individuals had been previously disclosed. When an update is processed, any previously disclosed individuals that are not shown on the update form will be removed. In other words, the previous list of disclosed individuals will be **replaced** with the updated list of disclosed individuals.

Disclosure of Social Security Numbers

This addendum is used to collect information required by state and federal regulations. Social Security numbers disclosed on this form are used to determine whether persons and entities named in an enrollment packet are federally excluded parties. Refusal to provide a Social Security number will result in rejection of this enrollment packet.

Consent to Release Social Security Numbers

Submission of information on this schedule indicates that consent has been given to the Indiana FSSA and its contractors to use the information, including the Social Security number, for the sole purpose of verifying eligibility to participate in the Medicaid program through the Office of the Inspector General, the Centers for Medicare & Medicaid Services, relevant licensing bodies and other appropriate state and federal agencies. It is further understood that the FSSA and its contractors may use a Social Security number so the office may determine eligibility for continued participation in the Medicaid program.

This addendum must be submitted with your *IHCP Rendering Provider Enrollment and Profile Maintenance Packet*.
