Q1. PLEASE STATE YOUR NAME AND BUSINESS ADDRESS.

A. My name is Bonnie J. Mann; my business address is 1776 North Meridian, Suite 500, Indianapolis, Indiana 46202.

Q2. WHAT IS YOUR OCCUPATION?

A. I am a certified public accountant specializing in public utility matters.

Q3. ARE YOU AFFILIATED WITH ANY ACCOUNTING FIRMS?

A. Yes I am. I am affiliated with LWG CPA's & Advisors ("LWG")

Q4. DOES LWG REGULARLY ADVISE PUBLIC UTILITIES ON TAX MATTERS?

A. Yes it does.

Q5. ARE YOU FAMILIAR WITH THE COMMISSION'S INVESTIGATION INTO THE TAX CUTS AND JOBS ACT OF 2017 UNDER CAUSE NO. 45032.

A. Yes I am.

Q6. ARE YOU WORKING WITH ANY PUBLIC UTILITIES IN THAT IN THAT CAUSE?

A. Yes, I and my colleagues are working with the respondents: Midwest Natural Gas Corporation; Indiana Utilities Corporation; South Eastern Indiana Natural Gas Company, Inc.; Fountaintown Gas Company, Inc.; Community Natural Gas Co., Inc.; Boonville Natural Gas Corporation; Indiana Natural Gas Corporation; and Switzerland County Natural Gas Co., Inc.

Q7. HAVE YOU PREVIOUSLY WORKED WITH THESE COMPANIES?

A. Yes, I and my colleagues at LWG assisted all of these companies in establishing their current base rates.

Q8. WHAT IS THE PURPOSE OF YOUR TESTIMONY HERE?

I, along with my colleagues at LWG, have been asked to assist the above public utilities to respond to the Commission's Order in Cause No. 45032 dated February 16th, 2018 under the heading Phase 1.

Q9. WHAT IS YOUR UNDERSTANDING OF THE COMMISSION'S ORDER OF FEBRUARY 16TH AS IT RELATES TO FILING NEW TARIFFS?

- A. It is my understanding that the Commission's Order requires these Respondents, with whom I am working, to file new tariffs based on changes in the federal income tax rate created by the Tax Cuts and Jobs Act of 2017.

Q10. IS THIS A SIMPLE MATHEMATICAL CALCULATION?

- A. Yes for some issues. The revenue requirement previously established in base rates used a different tax rate than is now provided through the Tax Cuts and Jobs Act of 2017. Thus in a sense it is mathematical by removing one element of the revenue requirement and replacing it with a new element. However for some of these Respondents, the revenue requirement has changed since the last base rate case due to updated compliance filings to remove rate case amortization. For some of these Respondents, the tax rates included in the base rate case revenue requirement was not the highest corporate tax rate, thus the current tax rates are lower than 34%. Finally some aspects of the new tax rate are complex and have been delayed to the Phase 2 proceeding under the Commission's Orders.

Q11. CAN YOU EXPLAIN WHAT YOU MEAN BY THE TAX RATE INCLUDED IN THE REVENUE REQUIREMENT NOT BEING THE HIGHEST TAX RATE?

- A. Yes I can by pointing out two examples. The highest corporate tax rate prior to this recent Tax Cuts and Jobs Act of 2017 was 39%. Midwest Natural Gas' effective tax rate used to establish its base rate case revenue requirement was 34%. Switzerland County Natural Gas' tax rate used to establish its base rates was 15%.

Q12. HOW DID YOU DETERMINE WHAT TAX RATE WAS INCLUDED IN THE BASE RATE REVENUE REQUIREMENT?

- A. Each of these gas companies were required to file compliance tariffs and revenue proofs when establishing base rates. We reviewed our records at LWG, which included the final revenue requirement used to generate those revenue proofs. By matching the filed revenue proof to our final revenue requirement we were able to ensure that the compliance tariff in the last base rate case correctly reflected the tax rate.

Q13. YOU REFERENCE ABOVE THAT SOME COMPANIES HAVE FILED UPDATED COMPLIANCE TARIFFS WHICH ACTUALLY REDUCED THE REVENUE REQUIREMENT. PLEASE EXPLAIN WHAT YOU MEAN.

- A. In the case of Switzerland County Natural Gas, Boonville Natural Gas, and Fountaintown Gas, those companies were asked to change their tariffs to reduce the revenue requirement to eliminate rate case recovery several years after the base rates were established. That reduced revenue requirement was calculated, and updated compliance tariffs were filed with the Commission in August 2017

for Switzerland County Natural Gas and Fountaintown Gas and December 2017 for Boonville Natural Gas.

Q14. FOR PURPOSES OF ESTABLISHING NEW TARIFFS AS REQUIRED BY THE COMMISSION IN CAUSE NO. 45032 PHASE 1, WHERE DID YOU AND LWG BEGIN?

A. For each utility, we started with the actual tax rate included in the revenue requirement in the last base rate case. We determined if the revenue requirement had been changed because of any updated compliance tariff filings. With those as starting positions we removed Federal income taxes from the revenue in total and then recalculated Federal income taxes on the resulting revenue requirement at 21% for all Respondents. Once those taxes were calculated the revenue was adjusted accordingly for each utility to allow them to continue the opportunity to earn their authorized return as approved in their last base rate case proceeding.

Q15. DID ALL TAX RATES GO DOWN?

A. No. Switzerland County Natural Gas, due to its small size and an authorized operating income that qualified it to be in the lowest tax bracket, actually has a lower tax rate in its base rates than the corporate tax rate created by the Tax Cuts and Jobs Act of 2017. In Switzerland County Natural Gas' case, its tariff actually increased in order to collect revenue based upon the new corporate income tax rate.

Q16. IN THE CASE OF SWITZERLAND COUNTY NATURAL GAS, IS YOUR CALCULATION STILL ONLY A SIMPLE MATH CALCULATION?

A. Yes it is.

Q17. WILL THE NEW TARIFF THAT IS BEING FILED RESOLVE ALL IMPACTS OF THE TAX CUTS AND JOBS ACT OF 2017?

A. No. As the Commission has recognized there are a number of other impacts that will have to be considered as part of a Phase 2 proceeding or a base rate case.

Q18. DO YOU BELIEVE THAT THE TARIFF, WHICH YOUR TESTIMONY IS ACOMPANYING, HAS BEEN ACCURATELY CALCULATED AND FOLLOWS THE COMMISSION'S ORDER UNDER PHASE 1 OF CAUSE NO. 45032?

A. Yes I do. Further all of the companies LWG is representing in this Cause have been calculated the same way.

Q2. WHAT IS YOUR OCCUPATION?

I am an independent utility rate consultant specializing in cost of service, rate design and other regulatory and ratemaking issues.

Q. PLEASE BRIEFLY DESCRIBE YOUR BUSINESS EXPERIENCE AND QUALIFICATIONS.

A. I have approximately 40 years of experience in the rate and regulatory areas, having performed cost of service and rate design studies for gas, electric, steam water and wastewater utilities. I have also represented both utilities and customers in various public utility proceedings as well as court proceedings.

Q4. ARE YOU FAMILIAR WITH THE COMMISSION'S INVESTIGATION INTO THE TAX CUTS AND JOBS ACT OF 2017 UNDER CAUSE NO. 45032?

A. Yes I am.

Q5. HAVE YOU BEEN ENGAGED BY ANY PUBLIC UTILITIES TO ASSIST THEM IN RESPONDING TO AND COMPLYING WITH THE COMMISSION'S REQUIREMENTS AS SET FORTH IN CAUSE NO. 45032?

A. Yes, I have been engaged by the following Respondents to assist them with the rate design requirements of Cause No. 45032: Midwest Natural Gas Corporation; Indiana Utilities Corporation; South Eastern Indiana Natural Gas Company, Inc.; Fountaintown Gas Company, Inc.; Community Natural Gas Co., Inc.; Boonville Natural Gas Corporation; Indiana Natural Gas Corporation; and Switzerland County Natural Gas Co., Inc.

Q6. HAVE YOU PREVIOUSLY WORKED WITH THESE COMPANIES?

A. Yes, I have assisted all of these companies in establishing their rate tariffs, in various rate proceedings, and on other regulatory matters.

Q7. WHAT IS THE PURPOSE OF YOUR TESTIMONY HERE?

I was asked to assist each of these Respondents in preparing new tariffs in response to the Commission's Order in Cause No. 45032 dated February 16th, 2018 under the heading Phase 1.

Q8. WHAT IS YOUR UNDERSTANDING OF THE COMMISSION'S ORDER OF FEBRUARY 16TH AS IT RELATES TO FILING NEW TARIFFS?

A. It is my understanding that Phase 1 of this proceeding is intended to ascertain the existing customer rate impact directly related to the change in the federal income tax rate created by the Tax Cuts and Jobs Act of 2017 (the "Act") on the ongoing revenue requirement for each of Respondents. Accordingly, it is my understanding that the Commission's February 16th Order requires each Respondent to submit for Commission approval revised tariff sheets reflecting the new tax rate applicable to each Respondent as a result of the Act, for all affected rates. The revised rates should be designed to reflect the amount of federal taxes that would have been embedded in the given rates had the new tax rate applicable to Respondent been in effect at the time of approval of those base rates. The Commission's February 16th Order further provides that the difference in rates resulting from the application of the new federal tax rate should be allocated among customer classes in accordance with the allocation methodology used at the time that the current base rates were approved.

Q9. PLEASE DESCRIBE THE PROCESS THAT EACH RESPONDENT USED TO DEVELOP THE NEW RATES AND CHARGES PROPOSED TO BE INCORPORATED INTO THE REVISED TARIFFS IN ACCORDANCE WITH THE PHASE 1 PROVISIONS OF CAUSE NO. 45032.

A. LWG CPAs & Advisors prepared the new revenue requirement as more fully described by Respondent's Witness Mann. I then utilized the resulting change in revenue requirement and recalculated each rate based on the cost allocation and rate design utilized in the last establishment of base rates to implement the new revenue requirement.

Q10. DID YOU PREPARE NEW RATE TARIFFS?

A. Yes. The tariff sheets accompanying this testimony were prepared by me using the same cost allocation and rate design approach that was used to establish the current base rates.

Q11. HAVE YOU PREPARED A RATE DERIVATION THAT DEMONSTRATES THE PROPOSED REVISED RATES AND CHARGES ARE BASED ON THE REVISED REVENUE REQUIREMENTS AND THE SAME COST ALLOCATION METHODOLOGY?

A. Yes, I have attached rate derivations to my testimony.

Q12. WILL THE NEW TARIFFS THAT ARE BEING FILED PURSUANT TO PHASE 1 OF CAUSE NO. 45032 RESOLVE ALL IMPACTS OF THE TAX CUTS AND JOBS ACT OF 2017 AS IDENTIFIED BY THE COMMISSION?

A. No. As the Commission has recognized, there are a number of other impacts that will have to be considered as part of a Phase 2 proceeding or a base rate case.

Q13. DO YOU BELIEVE THAT THE TARIFFS, WHICH ACCOMPANY YOUR TESTIMONY, HAVE BEEN ACCURATELY CALCULATED AND FOLLOW THE COMMISSION'S ORDER UNDER PHASE 1 OF CAUSE NO. 45032?

A. Yes I do.

Q14. DOES THIS CONCLUDE YOUR TESTIMONY IN PHASE 1 OF THIS PROCEEDING?

A. Yes, at the present time.
