ArcGIS Experience Information:

- Copy and paste the link below into the web browser:

  https://experience.arcgis.com/experience/9c016f4dd24d49188de7e26a34448684/

- Navigate to the search bar in the upper right corner
- Type in an address (the map will automatically zoom to the location) or zoom in on the map to a specific location
- Locate the white callout with the page number reference for the plans (example: Page 253 of 476)
- Cross reference this number with the plans to see activities taking place at any specific location
