## Why do we need this information?

Facilities need to share the results of the environmental improvement initiative that was pursued during the reporting period. IDEM needs to report cumulative program reduction results.

## What do you need to do?

Reference Section F for "Category" and "Indicator" options to complete this section. Summarize your facility's progress on achieving the initiative you identified in the application or last year's APR. For assistance, please call (800) 988-7901 or email [esp@idem.IN.gov](mailto:esp@idem.IN.gov).

Briefly describe *how* you achieved improvements for this environmental initiative or, if relevant, any circumstances that delayed progress.

We planted flowers, trees, and shrubs on the lot beside our facility. This lot sits on a very busy intersection between a major road and the Greenway Passage. The field used to be an old, run-down baseball field years ago. By beautifying the landscape we hope to make the area seem more inviting to the residential community and Greenway Passage Users.
