Re: Central Noble School Corporation
Request for Approval of Revised Local Public Question

Dear Ms. Crisler and Mr. Marusarz:

Pursuant to the authority granted to me by a resolution of the Board of School Trustees of Central Noble School Corporation (the "School Corporation") which was adopted on February 3, 2025, I hereby request that the following revised question be reviewed, approved and finally certified to the School Corporation as soon as possible, in order for it to be submitted to the County Election Board and placed on the ballot for the voters at the election held on May 6, 2025, in the following form:

"Shall Central Noble Community School Corporation increase property taxes paid to schools by homeowners and businesses for eight (8) years immediately following the holding of the referendum for the purpose of funding operating costs including funding increased utility costs, maintaining and expanding academic programs, recruitment and retention of teachers and staff, maintaining student safety and expanding security services, curriculum and other educational needs? If this public question is approved by the voters, the average property tax paid to schools per year on a residence would increase by 29.7% and the average property tax paid to schools per year on a business property would increase by 23.7%."

If you need any additional information or have any questions, please contact me at (260) 636-2175.
