

**INDIANA MICHIGAN POWER COMPANY  
MARCH 30, 2026 COMMENTS  
ON IURC 170 IAC 1-2 STRAWMAN, RM #26-04**

**I. INTRODUCTION**

Indiana Michigan Power Company (I&M or the Company) submits these comments on the Indiana Utility Regulatory Commission's (IURC or Commission) updated Strawman proposal on changes to 170 IAC 1-2. I&M appreciates this opportunity to provide these comments.

**II. GENERAL COMMENTS**

1. The Company seeks confirmation that the proposed revisions to Section 4, subsection (5), will not preclude the Company from continuing to include the date of issue and effective date on its tariff schedules. The Company believes that providing this information is beneficial to both our customers and our customer service personnel, as it supports transparency and helps ensure that all parties are referencing the most current tariff provisions

**III. CONCLUSION**

I&M appreciates the opportunity provided by the Commission for interested stakeholders to provide these additional comments on the updated 170 IAC 1-2 Strawman Revisions. I&M submits these comments for consideration by the Commission to assist with the final decision to updated 170 IAC 1-2.

Respectfully submitted,

INDIANA MICHIGAN POWER COMPANY BY
