General Regulatory Issues	Under the authority provided by IC 27-4-1-4, 27-8-5-1, and 27-8-5-1.5, the Department monitors various issues that have been determined to be unjust, unfair, inequitable, misleading, deceptive, or that encourage misrepresentation of the policy or potentially constitute unfair trade practices. The following issues will also be reviewed.		
IC 27-8-5-1(c)	SUMMARY OF BENEFITS COVERAGE: The Summary of Benefits Coverage must reflect the covered Essential Health Benefits, cost-sharing and Actuarial Value (metal level) that the final approved rates and forms permit. Submission of the Summary is not required as a part of this filing; however, filer must certify to the completion and conformity with regulatory requirements of the Summary.		
IC 27-8-5-1.5(l)(2)	APPLICATION QUESTIONS: 1. Questions regarding an applicant's health cannot inquire about non-specific conditions prior to the most recent five years. 2. Questions inquiring if an applicant has had signs or symptoms of a condition are not permitted. 3. IC 27-8-5-1.5(l)(2)	LARGE ENDORSEMENTS: The Department does not allow use of large or confusing endorsements to bring contracts into compliance. In such cases the entire contract should be refiled to incorporate the multiple changes. On a similar note, Indiana specific certificates should be filed rather than file an endorsement to revise another state's certificate.		
IC 27-8-5-1.5(l)(2)	OPEN ENDORSEMENTS: Highly flexible or "blank check" type endorsement forms that provide unlimited ability to revise forms without regulatory review are not allowed.		
IC 27-8-5-1.5(l)(2)	PROHIBITED PROVISIONS: The policy form cannot contain provisions that are unjust, unfair, inequitable, misleading, or deceptive, or that encourage misrepresentation of the policy.

One-time fees such as may be charged to issue a policy are acceptable providing they are clearly labeled and accompanied by a disclosure that the fee is fully refundable if the policy is not issued, not taken or returned during the "free look" period.		
IC 27-8-5-19(c)(6) IC 27-8-5-2.5 IC 27-8-15-27	FIRST MANIFEST LANGUAGE: Typically first manifest type language creates a permanent exclusion of coverage related to a condition present any time prior to the effective date of coverage contrary to any pre-existing condition provisions included in the form. Such inconsistencies are not permitted.
