

## Head Procurement Agent List

The Procurement Division of the Indiana Department of Administration has delegated purchasing authority up to the dollar amount listed for each agency.

If you are a supplier interested in receiving solicitation notices below the dollar amount indicated, you should contact the agency/facility directly to make that request. Also, before you contact the procurement agent(s) listed below, we recommend that you register your company with the Procurement Division by becoming a bidder with the State. You can register by going to <https://www.in.gov/idoa/procurement/supplier-resource-center/requirements-to-do-business-with-the-state/bidder-profile-registration/>. By registering as a bidder, you also will be eligible to receive solicitations based on your UNSPSC choices from the Department of Administration's Procurement Division.
