SECTION D **ADDITIONAL INFORMATION**

Why do we need this information?
 This information will help IDEM to effectively manage the Environmental Stewardship Program.

What do you need to do?
 Answer the questions as completely as possible.

1. In addition to ESP, please list environmental awards received or voluntary programs participated in during the past twelve months.
We have applied to partners for Pollution Prevention.

2. Has your facility taken advantage of any ESP incentives? If so, please describe the implementation process and list additional benefits IDEM should consider.
We did request a specific permit writer for our Air permit renewal, but they were not able to assign him to our permit.

3. If your facility was not registered to the ISO 14001 standard prior to becoming an ESP member, has ESP helped you to pursue registration? If so, how has ESP been instrumental in achieving registration?

SECTION E **ENVIRONMENTAL IMPROVEMENT INITIATIVE RESULTS**

Why do we need this information?
 Facilities need to share the results of the environmental improvement initiative that was pursued during the reporting period.

What do you need to do?
 Summarize your facility's progress on achieving the initiative you identified in the application or last year's APR.
