Re: Crown Point Community School Corporation
Request for Approval of Revised Local Public Question

Dear Ms. Crisler and Mr. Marusarz:

Pursuant to the authority granted to me by a resolution of the Board of School Trustees of Crown Point Community School Corporation (the "School Corporation") which was adopted on January 27, 2025, I hereby request that the following revised question be reviewed, approved and finally certified to the School Corporation as soon as possible, in order for it to be submitted to the County Election Board and placed on the ballot for the voters at the election held on May 6, 2025, in the following form:

"Shall the Crown Point Community School Corporation continue to impose increased property taxes paid to the school corporation by homeowners and businesses for eight (8) years immediately following the holding of the referendum for the purpose of funding academic and educationally related programs, to manage class sizes, to retain teachers, and student safety initiatives, while changing the maximum referendum tax rate from \$0.21 to \$0.1828? The property tax increase requested in this referendum was originally approved by the voters in 2018, and if extended will increase the average property tax paid to the school corporation per year on a residence within the school corporation by 21.83% and if extended will increase the average property tax paid to the school corporation per year on a business property within the school corporation by 21.04%."
