

Blasting Considerations

- **Neighborhood-specific meetings to be held prior to start of blasting**
- **Pre-blast survey of all area structures**
- **Monitoring during all blasting activities**

Homes within 500-foot radius of blasting sites

Ohio River Bridges Project - East End Crossing

Overview Schedule

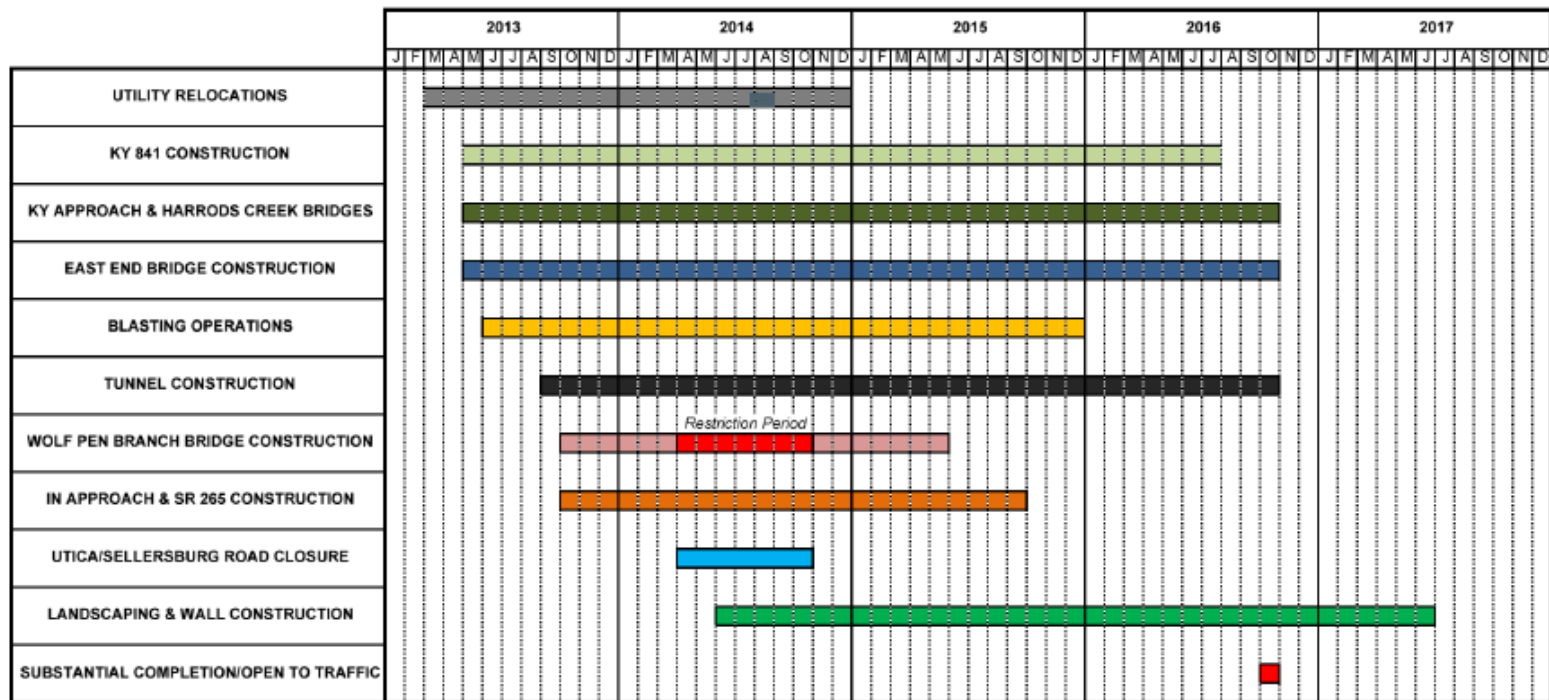

Preliminary - April 16, 2015

¹ During this restriction period, Wolf Pen Branch Road will be shifted to one lane of traffic from Springdale Road to Olde Creek Way. Traffic will be maintained at all times through temporary traffic signals allowing alternating Eastbound and Westbound traffic.

About WVB East End Partners

WVB East End Partners is a consortium of three companies charged with the design, finance, construction, operation and maintenance of the East End Crossing – linking Louisville to Southern Indiana. The consortium consists of Walsh Investors, Vinci Concessions Investments USA, and Bilfinger Project Investments, North America.

Through a public-private partnership and under a contract awarded by the Indiana Finance Authority, WVB is scheduled to complete construction by the end of 2016, and will be responsible for operation and maintenance of the Indiana approach and the main bridge for 35 years.

East End Crossing Project Employment Opportunities
