**FY 2026-2030 TIP Amendment
Area Plan Commission**

**Staff Report
December 3, 2025**

BACKGROUND AND REQUEST:

While reviewing the local project quarterly reports, it became apparent that the construction funding shown in the FY 2026 TIP was incorrect for Tippecanoe County's Bridge #64 and #65 projects. Looking back through various TIP reports and information, it appears that the incorrect funding amounts were used at the very early stage of development.

The correct funding information is shown in the previous FY 2024 TIP.

Through correspondence with INDOT Central Office, they asked that the corrections be made through a TIP amendment.

The following tables show the correct funding amounts.

Bridge 64, Lilly Road over a branch of the Wea Creek. (des # 1802907)

Bridge Replacement

Phase	Year	Federal Funds	Federal	State	Total
CN	2028	Group IV	3,060,000	765,000	3,825,000

Bridge 65, Lilly Road over the Wea Creek, (des # 1802905)

Bridge Replacement

Phase	Year	Federal Funds	Federal	State	Total
CN	2028	Group IV	4,986,000	1,386,500	6,372,500

The Technical Transportation Committee reviewed the amendment request at its November 19, 2025, meeting and recommended approval.

RECOMMENDATION:

Staff recommends approval of this amendment to the FY 2026-2030 Transportation Improvement Program by adoption of the attached Resolution T-25-17.
