IHCP reminds FFS providers about benefits of submitting claims electronically

The Indiana Health Coverage Programs (IHCP) would like to remind fee-for-service (FFS) providers of the time-saving benefits of submitting claims electronically.

Submitting claims electronically to the IHCP can reduce paperwork, increase accuracy, cut down on claim denials and minimize disruptions to cash flow as claims submitted electronically are processed more quickly, resulting in faster payment.

Electronic claims can be submitted through a *Health Insurance Portability and Accountability Act* (HIPAA)-compliant 837 transaction or using the [IHCP Provider Healthcare Portal](#) (IHCP Portal).

To learn more about electronic claim submissions see these resources at in.gov/medicaid/providers:
