Surveyors Report

Chasity was able to get with GIS to run a report of all parcels that are not inside a watershed. There are approximately 15,000 parcels on the report but roughly 5,000 of them are less than 1/10 of an acre so those will not be taxed.

The following is a list of the current watershed assessment rates. The current watershed assessments were determined by taking the average cost of maintenance and dividing that by the number of parcels.

<u>Watershed</u>	<u>5 acres or less</u>	<u>More than 5 acres</u>
Huffman	\$5.00	\$0.75
Baker Creek	\$5.00	\$0.72
<u>Watershed</u>	<u>2 acres or less</u>	<u>More than 2 acres</u>
JC Haines / Hoople	\$5.00	\$2.10
Muddy Creek	\$5.00	\$2.00
Lake Drain	\$5.00	\$2.00
JB Chrisney	\$5.00	\$2.00
Caney Creek	\$5.00	\$2.00

Tyler will bring the purposed tax rate to the next meeting.
