Dear Mr. McNeil:

RE: Emergency Amendment #26-07.1

The Northwestern Indiana Regional Planning Commission (NIRPC) is submitting Amendment #26-07.1 to the 2026-2030 Transportation Improvement Program (TIP) via Emergency Amendment for inclusion in the Statewide Transportation Improvement Program.

There are nine (9) projects on this amendment and the summary is as follows:

- 1901948 – Crown Point, Intersection Improvement at US 231 & 113th/South St.; Adding PE funds. An Air Quality Conformity Exempt project.
- 2101119 – Griffith, Intersection Improvement at Avenue H & Broad St.; Adding PE funds. An Air Quality Conformity Exempt project.
- 2300018 – City of La Porte, Comprehensive Plan; Adding PE funds. An Air Quality Exempt project.
- 2101711 – La Porte County, Bridge #166 Replacement; Adding RW funds. An Air Quality Exempt project.
- 1902676 – Lake County, Veteran's Trail Bridge over St Rd 53/Broadway; Adding PE funds. An Air Quality Conformity Exempt project.
- [REDACTED]
- 2101148 – Michigan City, Singing Sands Trail Phase III – D; Adding PE funds. An Air Quality Exempt project.
- 2003097 – INDOT, Intersection Improvement at US 231 & Iowa St.; Adding PE & RW funds. An Air Quality Exempt project.
- 2401489 – INDOT, Pavement Rehabilitation I-80; Adding PE funds. An Air Quality Exempt project.

It is necessary to submit this amendment in an expedited manner in order to allow a proper amount of time to process INDOT allocation of federal funds for these projects. According to NIRPC's Public Participation Plan, Engage NWI, the Executive Director can authorize a TIP amendment without public process or Commission approval in two rare exceptions: life and safety, or the lapse of federal funds allocated to Northwestern Indiana. In this case, funds will become unavailable for programming after May 1, 2026, and will lapse on July 1, 2026. The attached amendment report contains the addition to be included in NIRPC's TIP.

Should you have any questions, please contact Charles Bradsky, Transportation Projects Manager, at 219-254-2509.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tyson Warner", with a stylized flourish extending to the right.

Erica & Tony,

Thank you for your quick responses. I appreciate it.

Erica,

There are two bridge projects on this amendment. One is adding PE funds to a new bicycle & pedestrian bridge. I am assuming that you are not asking about that project. The other project is a bridge replacement in rural La Porte County. I have reviewed the scope in RTIP and it does not include adding any travel lanes to this bridge.

Tony,

It was good to see you and talk with you at the Air Quality Conformity training last week in Chicago.

Members of the ICG,

Good morning, It has been brought to my attention that I forgot to show the two INDOT projects on the project list that was attached. Attached to this email is the corrected list of projects on this amendment.

The NIRPC MPO has 9 projects on an Emergency Amendment 26-07 to the FY 2026-2030. The Amendment contains exempt projects only. There are 10 projects (7 projects by the LPAs, 2 projects by INDOT).

Our proposed schedule for these amendments is:

- 3/16/2026 – deadline for ICG questions or comments on the included project amendments
- 3/16/2026 – Date of NIRPC Amendment. We do not believe a formal consultation will be required.

In lieu of a conference call, we are providing an attached spreadsheet of approval and/or amendment requests for the plans/programs listed below and their exemption status. Please consider this an informal request for review and comment regarding the need for air quality consultation for the proposed amendments. We are requesting that you reply to this email by 3/16/2026. If you have any questions, comments, or would like to request a conference call to discuss further.
