OKI Interagency Consultation (IAC) Group,

We are reaching out to the OKI IAC Group to seek your review of **Draft Amendment 8 to the OKI FY2026-2029 TIP**.

The proposed Amendment 8 to the TIP is scheduled for adoption by the OKI Executive Committee on May 14, 2026. Amendment 8 includes funding revisions to five highway projects in Ohio, and the addition of one new project in Indiana. The amendment also includes three Ohio transit projects. **Two Ohio highway projects are non-exempt in regards to air quality conformity requirements and OKI is relying on a previous regional emissions analysis. A short conformity report is attached.**

Kindly review the proposed amendments and **provide any comments or feedback to me by May 8, 2026**.

Thank you.

Happy Friday, Andy.

We appreciate the opportunity to review the stated TIP Amendment. We have no concerns at this time and defer to our FHWA-OH and FHWA-IN counterparts, as this amendment only contains projects in their states.

Please let us know if you require anything further.

Thanks Again,
