Subject: Larry Chaney (KIPDA comments on P&N)

Larry Chaney, KIPDA, provided the following verbal comments on the P& N. Please incorporate the comments when we finalize the document:

- 1) Use the 2007 model for reference to KIPDA in Table 1
- 2) Table 4, repeat the footnote
- 3) Figure 1, 2007 KIPDA model configuration was not a VMT calculation
- 4) Pg.8 – Horizon 2030 states that the commitment came from the identified project needs. Might want to check 2030 against what we wrote in the P&N for consistency.
