Subject: TARC Reply to HDA-IN

Please see below a response from TARC through Aida Copic, who is out of the office and has been unable to get an email transmission to you. Thank you.

Re: HDA-IN

Dear Ms. Osadczyk,

In response to the Draft SEIS Purpose and Need White Paper and the specific factors cited as demonstrating the need for action, TARC has no objections.

Thank you for the opportunity to review this document and to comment.

Best regards,
Aida Copic, AICP
