DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

1. Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.
2. Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.
3. [**Working Spouse Rule:** The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.
 - a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.
 - b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).

c.

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days

after the Effective Date. The Effective Date of coverage for eligible Employees and Dependents enrolled during the initial open enrollment period will be _____. Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.

2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption.
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

- E. Misstatement of Age** If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.
- F. Incontestability** The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.
- G. Health Insurance Portability and Accountability Act of 1996** This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

“Actively Working” means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer. For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO's discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a physiatrist or licensed physician overseeing the care on staff.

“Agreement” means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

“Alternative Health Benefits Plan” means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

“Appeals Hearing Committee” means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger's disorder, Pervasive developmental disorder, Rett's disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

"Centers of Excellence" means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

"Clean Claim" means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance reasons; (4) performed in the most cost-effective setting appropriate for the injury or

illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or "PCP" means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or "SNF" means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and have satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- • In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
 - (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - Federally funded; or
 - Sponsored by FDA; or
 - A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- National Institutes of Health
- Centers for Disease Control
- Agency for Healthcare Research Quality
- Centers for Medicare and Medicaid Services
- Department of Defense
- Veterans Administration; or the
- Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from our home infusion therapy administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

[Treatment of Morbid Obesity

The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.
9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.

14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft palate. Covered Benefits also include anesthesia and hospital services for dental care for an Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.
22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
23. The cost of durable medical equipment, except as provided in this Agreement.
24. The cost of prosthetic devices except as provided in this Agreement.
25. The cost of medical supplies except as provided in this Agreement.
26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.

27. Reversal of voluntary sterilization.
28. Genetic counseling.
29. Sex therapy and counseling.
30. Vocational rehabilitation.
31. Family or marriage counseling.
32. Blood tests required in order to obtain a marriage license.
33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
35. Chiropractic or manipulative services except as provided in this Agreement.
36. Speech therapy, except as provided for in this Agreement.
37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.

42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services, drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.
51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.

54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
55. Abortion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.
56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.
2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for

medically acceptable treatments for the condition otherwise covered by the Health Plan.

3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided. If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.
- c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:
 - (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
 - (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance

Programs, of the United States Social Security Act, as amended from time to time).

- (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
- (4) The medical benefits coverage in group, group-type, and individual automobile “no-fault” and traditional “fault” type contracts.
- (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
- (6) Medical care components of long term care contracts, such as skilled nursing care.
- (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

- d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period commencing on the anniversary of Employer's Coverage under this Health Plan.
- e. **"Primary"** or **"Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary"** or **"Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.
 - (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
 - (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
 - (a) the Plan of the parent with custody of the Child is Primary;

- (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
- (c) the Plan of the parent without custody of the child is the last Plan to be Primary.

If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.

- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law, rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.
3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any

Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;
4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in this summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.
4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to

prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider, within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. **Claim Forms.** Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.
3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of

its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);

5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.

- a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.
- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.

- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.
- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.

2. Urgent Care Grievances. In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
3. Other Grievances. In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available

is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";

8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.
3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members

throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.

7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.
10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.
2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

H. Department of Insurance

Questions regarding your policy or coverage should be directed to:

SIHO Insurance Services
417 Washington St.
Columbus, IN 47203
(812) 378-7070

If you need the assistance of the governmental agency that regulates insurance; or have a complaint you have been unable to resolve with your insurer, you may contact the Department of Insurance by mail, telephone or email:

State of Indiana Department of Insurance
Consumer Services Division
311 West Washington Street, Suite 300
Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461

Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special

communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or

Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.

2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.
 - a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate,

SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.

3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.
4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

[Bartholomew	Marion
Brown	Martin
Cass	Monroe
Clark	Morgan
Crawford	Ohio
Daviess	Orange
Dearborn	Owen
Decatur	Perry
Dubois	Pike
Floyd	Posey
Franklin	Ripley
Gibson	Rush
Greene	Scott
Harrison	Shelby
Jackson	Spencer
Jefferson	Switzerland
Jennings	Vanderburgh
Johnson	Warrick
Knox	Washington]
Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR:_____
ADDRESS:_____
PHONE NUMBER:(_____)-_____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
---------	--

Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
-------------	--

[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$__, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
------------	---

[Biotech or Specialty Injectable Drugs other than insulin and anti neoplasm drugs
[10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does
[not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]

[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited]

[Rx defined as 1 to 30 day supply]

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered.

Affected Enrollees will be notified of the Step Therapy Program prior to its effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee's current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee's Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

SCHEDULE OF BENEFITS
PEDIATRIC VISION ESSENTIAL BENEFIT

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
VISION CARE SERVICES	
Vision Examination	Covered in Full
VISION CARE MATERIALS	
Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees**	Covered in Full
Materials	Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

~~1. An individual who is eligible to be a Participant may not enroll as a Dependent.~~

~~2.1.~~ Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.

2. Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.

3. [Working Spouse Rule: The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.

a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.

b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).

Formatted: Font: 11 pt

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days after the Effective Date. The Effective Date of coverage for eligible Employees and Dependents enrolled during the initial open enrollment period will be _____. Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.
2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption. ~~+~~ ~~-~~
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

E. Misstatement of Age If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.

F. Incontestability The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

“Actively Working” means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer. For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO’s discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a psychiatrist or licensed physician overseeing the care on staff.

“Agreement” means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

“Alternative Health Benefits Plan” means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

“Appeals Hearing Committee” means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger’s disorder, Pervasive developmental disorder, Rett’s disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

| **"Centers of Excellence"** means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

| **"Clean Claim"** means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance

Formatted: Normal, Justified, Indent: Left: 0.5", No widow/orphan control, Tab stops: 0.5", Left + 1.5", Left + 2", Left + 2.5", Left + 3", Left + 3.5", Left + 4", Left + 4.5", Left + 5", Left + 5.5", Left + 6", Left + 6.5", Left

reasons; (4) performed in the most cost-effective setting appropriate for the injury or illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or "PCP" means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or "SNF" means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and **have** satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must- be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

Formatted: Indent: Left: 1"

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
 - (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

Formatted: Indent: Left: 1.5", Hanging: 0.06"

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the ~~vertical~~vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions ~~relevant~~applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or —injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - Federally funded; or
 - Sponsored by FDA; or
 - A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- National Institutes of Health
- Centers for Disease Control
- Agency for Healthcare Research Quality
- Centers for Medicare and Medicaid Services
- Department of Defense
- Veterans Administration; or the
- Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from Our Home Infusion Therapy Administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

~~L. [Pediatric Dental Essential Benefit~~

~~The Health Plan provides Coverage for pediatric dental benefits as mandated under the ACA and further described in a separate point of service agreement made available to Enrollees.. Pediatric dental benefits are provided until the Child attains age 19.]~~

~~M. [Treatment of Morbid Obesity~~

~~The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]~~

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.

9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. ~~Major~~ Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.
14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft ~~palate~~ palate. Covered Benefits also include anesthesia and hospital services for dental care for an

Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.

- 22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
- 23. The cost of durable medical equipment, except as provided in this Agreement.
- 24. The cost of prosthetic devices except as provided in this Agreement.
- 25. The cost of medical supplies except as provided in this Agreement.
- 26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.
- 27. Reversal of voluntary sterilization.
- 28. Genetic counseling.
- 29. Sex therapy and counseling.
- 30. Vocational rehabilitation.
- 31. Family or marriage counseling.
- 32. Blood tests required in order to obtain a marriage license.
- 33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
- 34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
- 35. Chiropractic or manipulative services except as provided in this Agreement.
- 36. Speech therapy, except as provided for in this Agreement.

37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.
42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services,

drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.

51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.
- 53:54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
- 54:55. ~~Abort~~ion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.
- 55:56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.

2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for medically acceptable treatments for the condition otherwise covered by the Health Plan.
3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided.

If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have

Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:

- (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
- (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time).
- (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
- (4) The medical benefits coverage in group, group-type, and individual automobile "no-fault" and traditional "fault" type contracts.
- (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
- (6) Medical care components of long term care contracts, such as skilled nursing care.
- (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period

commencing on the anniversary of Employer's Coverage under this Health Plan.

- e. **"Primary" or "Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary" or "Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.

- (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
- (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
- (a) the Plan of the parent with custody of the Child is Primary;
 - (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
 - (c) the Plan of the parent without custody of the child is the last Plan to be Primary.

If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.

- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the

other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.

- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law,

rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.

3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment

applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

~~SIHO will notify the Employee and Employer in the event SIHO terminates Coverage under this Subsection.~~

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;

4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in ~~the Employer's~~^{this} summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without

limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.

4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider,

within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. Claim Forms. Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.

3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);
5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.

- a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.

Formatted: Normal, Indent: Left: 0.44", First line: 0", Space After: 12 pt

- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.
- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.

- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.
- 2. Urgent Care Grievances. In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
- 3. Other Grievances. In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

- 1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
- 2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
- 3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";
8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.

3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.
7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.

10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.

2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461
Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.
2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.

- a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate, SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.
3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.

4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

Bartholomew	Marion
Brown	Martin
Cass	Monroe
Clark	Morgan
Crawford	Ohio
Daviess	Orange
Dearborn	Owen
Decatur	Perry
Dubois	Pike
Floyd	Posey
Franklin	Ripley
Gibson	Rush
Greene	Scott
Harrison	Shelby
Jackson	Spencer
Jefferson	Switzerland
Jennings	Vanderburgh
Johnson	Warrick
Knox	Washington
Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR:_____
ADDRESS:_____
PHONE NUMBER:(____)-____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
---------	--

Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
-------------	--

[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$__, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
------------	---

[Biotech or Specialty Injectable Drugs other than insulin and anti neoplasm drugs
[10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does
[not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]

[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited]

[Rx defined as 1 to 30 day supply]

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.}]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered.

Affected Enrollees will be notified of the Step Therapy Program prior to its effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee’s current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee’s Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

SCHEDULE OF BENEFITS
PEDIATRIC VISION ESSENTIAL BENEFIT

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
VISION CARE SERVICES	
Vision Examination	Covered in Full
VISION CARE MATERIALS	
Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees** Materials	Covered in Full Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)
---	--

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

| There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

**RE: JULY 25, 2014 QHP SMALL GROUP ON AND OFF-EXCHANGE OBJECTION
QUESTIONS (SERFF TRACKING NUMBER: SEIH-129537816)**

Dear Rick:

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This correspondence responds to the question about the rate filing sent by the Indiana Department of Insurance to you on July 25, 2014. The question from the Indiana Department of Insurance appears in bold italic font below and is followed by our response.

LIMITATIONS

The letter is subject to the terms and conditions of the Consulting Services Agreement between SIHO and Milliman dated January 1, 2004. This letter has been prepared for the use of SIHO. We understand that this letter will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of this letter may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

In performing this analysis, we relied on data and other information provided by SIHO. We have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of our analysis may likewise be inaccurate or incomplete. We performed a limited review of the data used directly in our analysis for reasonableness and consistency and have not found material defects in the data. If there are material defects in the data, it is possible that they would be

uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of our assignment.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

RESPONSES

1) We would like to know how many groups and lives are projected to see rate increases of 20% or greater. Please provide these estimated figures.

We estimate that 14 of SIHO's 297 small groups and 113 of SIHO's 4,756 small group lives will see rate increases of 20% or greater.

————— ◆ ◆ ◆ ◆ —————

Guidelines issued by the American Academy of Actuaries require actuaries to include their professional qualifications in all actuarial communications. I am a member of the American Academy of Actuaries, and I meet the qualification standards for performing the analyses in this report.

Please contact me at (317) 524-3538 or jill.herbold@milliman.com with any questions or comments.

Sincerely,

Jill S. Herbold, FSA, MAAA

SOUTHEASTERN INDIANA HEALTH ORGANIZATION

Health Maintenance Organization Small Group Product Actuarial Memorandum Forms POS 97-03.052014 and QHP SG-05.2014

A. INTRODUCTION

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This actuarial memorandum has been prepared in accordance with Indiana insurance laws, specifically Section 27-8-15, and ACA Market Rating Rules. The purpose of this actuarial memorandum is to present the premium rates for SIHO's medical and prescription drug plans for small groups to be effective in the first quarter of 2015. This material should not be used for any other purpose.

This actuarial memorandum has been prepared for the use of SIHO. We understand that the actuarial memorandum will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of the actuarial memorandum may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

The rating factors were developed from information published in the Milliman Health Cost Guidelines, and applicable state and federal regulations, as well as from information provided by SIHO. The memorandum does not guarantee that the rates will be adequate. Rather, the filing shows that the rates will be adequate if the assumptions underlying their development are realized.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

B. STATE OF INDIANA 8.0 (A) AND 8.0 (B) SMALL GROUP RATE REQUIREMENTS

1. Benefit Structure

This is a group medical expense service agreement offered as a point of service or a health maintenance organization product. It provides for hospital, medical, and surgical expenses resulting from an eligible illness or injury. It also provides for prescription drug expenses and certain preventive care services. It is subject to various managed care provisions as described in the group certificate.

This policy provides for coverage of medical expenses with applicable member cost sharing, *i.e.*, co-payments, deductibles, and coinsurance amounts. Various benefit provisions are

available under this policy form. Covered benefits and copayment schedules have been included with the group certificates.

Attachment 1 provides a summary of benefit provisions for the benefit plan designs that are the subject of this actuarial memorandum. Complete descriptions of covered benefits and cost sharing arrangements are contained in the group certificates.

The benefit plan designs included in this rate filing will be sold to small employer groups in Indiana. All plans will be offered off-exchange. Four qualified health plans (QHPs), as noted below, will be offered on-exchange.

Pediatric dental services are no longer covered; rather the required pediatric dental services will be covered via a rider. There are no other changes in covered services from the most recent filing.

Cost-sharing amounts have been adjusted and several benefit plan designs will no longer be offered in order to comply with federal laws and regulations. New benefit plan designs, including QHPs, are also introduced. The QHPs are included in Exhibits 6 and 7 of Attachment 1. All will be offered off-exchange. In addition, the following QHPs will be offered on-exchange:

- QHP HMO HSA \$1,300/10%;
- QHP HMO \$3,500/0%;
- QHP HMO HSA \$2,000/20%; and
- QHP HMO HSA \$5,000/30%.

The prior SERFF tracking number was SEIH-129096393.

Covered services include the Indiana essential health benefits, inclusive of state mandated benefits. The following supplemental benefits are also covered:

- Diabetes education;
- Nutrition counseling; and
- An additional 3 chiropractic visits.

2. Current Rates

Section B.3 of the actuarial memorandum for the most recently approved rate filing describes the steps and factors used to determine group premiums. The most recently approved rate filing is included in SERFF tracking number SEIH-129096393.

3. Proposed Rates

a. Premium Rate Revision

The proposed premium rating factors are estimated to generate an average premium rate change of approximately 8.3% versus previously filed rates for first quarter 2014 effective dates. The proposed premium rating factors reflect the following significant adjustments:

- Trend, *i.e.*, medical inflation and increased utilization;
- The exclusion of pediatric dental services;
- The morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015; and
- A reduction in retention components.

b. Premium Rate Calculation

Consumer Adjusted Premium Rates are calculated as the product of three factors:

- i. Plan Adjusted Index Rate (Calibrated);
- ii. Geographic rating area factor; and
- iii. Age factor.

Monthly Premium Rates to be charged to a specific individual group are determined by summing the Consumer Adjusted Premium Rates for each member of the group, provided at most three child dependents under age 21 for each family are taken into account. For groups electing composite rating, a composite premium will be calculated for members age 21 and older by averaging the Consumer Adjusted Premium Rates for each member age 21 and older. Similarly, a composite premium will be calculated for members under age 21 by averaging the Consumer Adjusted Premium Rate for all covered members under age 21. The composite premium will be applicable to members under age 21, provided at most three child dependents for each family are taken into account.

i. Plan Adjusted Index Rate (Calibrated)

A Plan Adjusted Index Rate (Calibrated) is the estimated cost to provide coverage under a given benefit plan design for a member with a geographic rating area factor and an age factor of 1.00. The Plan Adjusted Index Rates (Calibrated) are provided in Exhibit 1 of Attachment 2. The actuarial value, as calculated using the CMS Actuarial Value (AV) calculator, and metal tier for each plan are also shown in this exhibit.

ii. Geographic Rating Area Factors

The geographic rating area factor is based on the region of the employer's principal business location. The regions are defined by IDOI Bulletin 197, dated March 22, 2013. The geographic rating area factors are provided in Exhibit 2 of Attachment 2.

iii. Age Factors

Age factors are based upon each member's age as of the premium rate effective date. The HHS Default Standard Age Curve is used for the age factors and is provided in Exhibit 3 of Attachment 2.

c. Administration Fees

SIHO also provides, at the option of the policyholder, certain administrative services to groups that are not insurance related. These fees represent service fees unrelated to the insurance risk and will be charged in addition to the monthly premium rates.

Groups electing to have SIHO provide administration of COBRA provisions are charged a monthly per subscriber administration fee.

4. Projected Experience with Requested Rate Change

SIHO's anticipated experience for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3. The values reflect that rate changes occur on each group's renewal date during the year. We have assumed that premium rates will be increased quarterly in 2015 since we intend to submit quarterly rate filings.

5. Projected Experience without Requested Rate Change

The requested rate change is required in order to comply with federal laws and regulations effective January 2015. However, SIHO's anticipated experience without the requested rate change for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3.

6. Assumptions

The premium rates for this filing are based upon SIHO's recent and anticipated experience. SIHO's combined large group and small group point-of-service experience for the 12 months ending December 2013, representing 125,498 member months, provided the basis for the premium rates proposed in this filing. 2013 incurred claims PMPM were estimated to be \$329.92.

The following table illustrates how the point-of-service experience was adjusted for cost sharing changes, additional benefits, morbidity changes, reinsurance, and trend to estimate incurred claims for the 12 months beginning the first quarter of 2015 (1Q2015).

2013 Incurred Claims PMPM	\$329.92
Net Impact of Reinsurance	x 1.0147
Withhold	x 0.9784
Additional Benefits	x 1.0028
Population and Benefit Changes	x 1.0138
Morbidity Changes	x 1.0937
Trend	x 1.1776
Subtotal	\$428.84
Pediatric Vision	<u>\$0.75</u>
Estimated Incurred Claims PMPM for 1Q2015 Effective Dates	\$429.59

Note: Values have been rounded.

The net impact of reinsurance includes the estimated gross cost of specific stop loss and quota share reinsurance, less estimated recoveries. The net impact of reinsurance is not reflected in the 2013 incurred claims PMPM starting point.

The withhold adjustment removes the provider withhold from the experience period. A withhold is only incurred if SIHO achieves favorable operating performance.

Additional Benefits not covered during the experience period include private duty nursing and Temporomandibular joint disorder. Pediatric vision services are covered under a capitation agreement effective January 2015. Please note that pediatric dental services will not be covered within the policy beginning in 2015.

The adjustment due to population and benefit changes includes the impact of differences in age, area, and plan design between the projected population, which is SIHO's April 2014 small group book of business, and the experience period.

The adjustment due to morbidity changes reflects the morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity underlying the experience period. The adjustment factor is based upon an analysis of calibrated claims experience for SIHO small groups that continued and did not continue on non-ACA compliant policies in January 2014. The adjustment factor reflects that we anticipate continued migration of small groups to ACA compliant policies during the remainder of 2014 and in 2015.

Net incurred annual trend of approximately 8.0% was applied for a total of 25.5 months to estimate claims experience for 1Q2015 effective dates. The 8.0% annual trend is the composite of medical trend of approximately 7.0% and prescription drug trend of approximately 14.3%. SIHO provided the medical trend estimate based upon anticipated changes in their provider contracts and a review of recent experience. The prescription drug trend estimate was developed using 2014 and 2015 projected trends from SIHO's pharmacy

benefit manager for its health plan book of business and experience from 2010 to 2013 as reported by the pharmacy benefit manager for its health plan book of business and for SIHO. Prescription drug trend is expected to increase in comparison to our prior estimate due to rising utilization and unit price inflation for generic, brand, and specialty drugs, as well as the introduction of new specialty drugs.

The following table shows the adjustments made to the estimated incurred claims for 1Q2015 effective dates to estimate the required revenue.

<i>Estimated Incurred Claims PMPM for 1Q2015 Effective Dates</i>	\$429.59
Administrative Expense Load	\$48.58
Profit and Risk Load	\$63.24
Taxes and Fees	\$8.48
<i>Required Revenue PMPM</i>	\$549.88

Note: Values have been rounded.

The administrative expense load includes amounts for commissions, network access fees, and operating expenses. SIHO's small group commission schedule and network access fees are on a per employee per month (PEPM) basis. The PEPMs were applied to SIHO's small group membership as of April 2014, which is the basis for the projected membership. The resulting average PEPM was converted to a PMPM for the table above.

SIHO provided a PMPM assumption plus a percent of premium assumption for operating expenses. These estimates were developed by SIHO by applying anticipated changes in operating expenses to 2013 operating expenses and estimates of 2014 operating expenses. Operating expenses are expected to be lower on a PMPM basis in 2015 because SIHO affiliated companies have achieved economies of scale.

The proposed rates reflect a 6.0% profit and a 5.5% risk charge load converted to a PMPM for the table above. These loads were provided by SIHO and are applied to all products and plans.

The following taxes and fees are reflected in the table above:

- \$3.67 PMPM for the Federal Transitional Reinsurance Program;
- \$2.12 Per Member Per Year for the Patient Centered Outcomes Research Institute Fee;
- \$0.96 Per Member Per Year for the Risk Adjustment User Fee;
- \$0.43 PMPM for the Indiana Department of Insurance audit fees; and
- 0.75% for the Health Insurer Fee.

7. Premium Guarantee Provision

The policies are guaranteed renewable and will be sold on a guarantee of issue basis for group sizes of 2 – 50 lives.

8. Rating Factors

a. Rate Structure

The calculation of monthly premiums and the rating factors, including geographic rating area and age factors, were described in Section 3 above.

b. Non-benefit Expenses

Non-benefit expenses are included in the Plan Adjusted Index Rates (Calibrated) discussed in section 3 of this memorandum. The non-benefit expenses include amounts for administrative and other expenses, sales and marketing expenses, net cost of private reinsurance, taxes, fees, risk margin, and profit.

c. Impact of Contractual Arrangement

Contractual agreements with health care providers and administrators are expected to result in medical cost and premium changes in line with market averages.

9. Historical Experience

SIHO does not have business outside of Indiana so the information in this actuarial memorandum represents both Indiana and nationwide. SIHO's historical experience for policies under this form is provided in Exhibit 2 of Attachment 3.

a. Three Year Rate Change History

The three year rate change history for this form is shown in the table below.

Effective Date	Average Premium Rate Change versus Previously Filed Rates
January 2012	(3%)
January 2013	18%
January 2014	8%

b. Rate Changes Indicated and Requested

The requested rate change effective January 2015 for small group policies under this form is 8.3%. The requested rate change includes the impact of benefit plan changes required to comply with federal laws and regulations, such as changes to cost-sharing provisions, and the exclusion of pediatric dental services. The estimated impact of these benefit plan changes is 0.1%. The rate change indicated to achieve the target retention levels is the same as the change requested.

The maximum and minimum rate changes for a group are estimated to be approximately 118% and approximately -41%, respectively. Since most groups have not yet

transitioned to plans where the ACA rating rules apply, the estimated rate changes reflect the change in rating rules in 2014 due to ACA. Under the rating methodology applicable to grandfathered plans, SIHO applies underwriting discretion factors ranging from 0.65 to 1.35, group size factors ranging from 1.0 to 1.2, and industry factors ranging from 0.95 to 1.05 to calculate premiums. Rate increases approach the 118% maximum rate increase when current rates are based on underwriting discretion factors, group size factors, and industry factors at the lower end of the ranges listed above coupled with increased demographic and benefit factors. Rate increases approach the -41% minimum when current rates are based on underwriting discretion factors, group size factors, and industry factors at the upper end of the ranges listed above coupled with decreased demographic factors.

SIHO does not target a specific loss ratio. Rather, retention components are established consistent with SIHO's administrative expense structure and its target underwriting margin. The retention components are added to the claim cost estimates in order to determine the total premium need. This approach does not result in a constant loss ratio target. The retention components as applied to SIHO's anticipated book of business for the 12 months beginning January 2015 result in an estimated effective target loss ratio of approximately 78.1%. This target loss ratio assumes that all groups renew 1Q2015 and it therefore reflects only 2015 rates and benefits. The target loss ratio has increased versus the prior filing primarily due to the reduction in SIHO's operating expenses.

10. Projection of Lifetime Target Loss Ratio

This section is not applicable to group HMO business.

11. Company Financial Position

SIHO's risk-based capital ratio as of December 31, 2013 was 472.8%.

C. CERTIFICATION AND ATTESTATIONS

I am a Consulting Actuary with the firm of Milliman, Inc. SIHO engaged me to provide this actuarial memorandum.

Guidelines issued by the American Academy of Actuaries require actuaries to include their professional qualifications in all actuarial communications. I am a member of the American Academy of Actuaries, and I meet its qualification standards to perform the analysis and render the actuarial opinion contained herein.

I believe this rate filing is in compliance with all applicable state and federal insurance statutes and regulations and with applicable actuarial standards of practice. I am familiar with the applicable statutory provisions of small group health insurance premium rating restrictions as contained in Indiana Code 27-8-15 and believe that this rate filing is in compliance with it.

I attest that the same premium rate is being charged without regard to whether the plan is offered through an Exchange, or whether the plan is offered directly from SIHO or through an agent.

This memorandum should not be interpreted as a guarantee that the rates will be adequate. The rates will be adequate if the assumptions underlying their development are realized. The adequacy of the rates will be dependent on numerous factors, many of which are not subject to management control (e.g., medical care cost trends in the community, demographic characteristics of the enrollees, etc.).

In developing the rating factors and other values in this actuarial memorandum, I relied on data, other information, and assumptions provided by SIHO. I have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of the analysis may likewise be inaccurate or incomplete. I performed a limited review of the data used directly in the analysis for reasonableness and consistency and have not found material defects in the data. If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of my assignment.

Jill S. Herbold, FSA, MAAA
Consulting Actuary

Indiana Department of Insurance
Company Filing Checklist - Policy Review Standards

22(A) Non-Grandfathered
HMO Small Group Major Medical & Dental
HMO Small Business Health Option Program (SHOP) Major Medical and Dental

This checklist must be submitted with any form filings for HMO Small Group Major Medical or Small Group Dental plans that are not Grandfathered. This checklist should also be used for Small Group Major Medical or Dental plans that are seeking certification as a Qualified Health Plan for SHOP Exchange participation.

Please attach this completed checklist as a PDF to your electronic filing.

Company Name Southeastern Indiana Health Organization NAIC # 95812
[POS 97-03.052014] [QHP SG-05.2014]

Form number(s) _____ Filing date 05/09/2014

Product Type: ☒ Major Medical ☐ Pediatric Stand-Alone Dental
Exchange Participation: ☒ Off-Exchange ☒ On-Exchange

Adult Dental: Adult Dental (all dental plans other than Pediatric Stand-Alone Dental plans) should use the Grandfathered Company Filing Checklist (either non-HMO or HMO, as appropriate). It is assumed that Adult Dental plans will not apply for Exchange participation. Contact the Indiana Department of Insurance for further clarification, if needed.

Requirements in this checklist include:

Contents

A. General Filing Requirements	2
B. Required Provisions.....	4
C. HMO Group A&H <i>Must Provide</i>	6
D. Group A&H Policies <i>must offer</i>	9
E. General Regulatory Issues	9
F. ACA <i>Must Provide</i>	10
G. Specific Requirements for Qualified Health Plans in SHOP	24
H. Specific Requirements for Exchange Certified Stand-Alone Dental Plan	26

Instructions:

This document is intended to provide a checklist for form filings of the applicable Accident and Health product. The checklist contains (1) specific requirements/provisions and (2) certifications that the Insurer has acknowledged and is in compliance with particular laws, regulations and bulletins. Additionally, this checklist is intended to provide supplementary information regarding certain laws, regulations and/or bulletins. When providing the completed checklist, the Insurer is expected to address each checklist line item in the column labeled "Response" as follows:

- Provide the specific location(s) in the documents provided which address the requirement; or
- Provide an affirmative statement or initial that the certification is being given; or
- Provide an explanation as to why the Insurer believes the item is not applicable for the product submitted for review.

All checklist line items require a response. Failure to provide a fully completed checklist may result in a delay of regulatory approval.

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
A. General Filing Requirements			
IC 27-1-3-15	FILING FEES: The fees are \$35 per form plus \$35 for rates or the retaliatory fees based on your state of domicile, whichever is greater. Filing fee compliance includes general compliance with SERFF user/filing fees as related to utilizing Electronic Funds Transfer (EFT) payment method.	N/A	
IC 27-8-5-1(c)	TEMPLATE: Complete the data templates via SERFF: For Form Filings Only • Plans and Benefits Template For Rates and Forms Filing • Administrative Data • Essential Community Providers • Plans and Benefit • Prescription Drug • Network • Service Area • Rates • Business Rules • Unified Rate Review Template Templates are available at http://www.serff.com/plan_management_data_templates_2015.htm	N/A	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
Bulletin 125	RATE FILING REQUIREMENTS: 1. All new product filings must include rates 2. Any form filing that impacts rates must be accompanied by the related rate justification 3. If rates change for any reason, they must be submitted for review. See the IDOI website for filing instructions indicating which Rate Filing Requirements document is applicable to the product being filed.	N/A	
Bulletin 125	FILING DESCRIPTION/COVER/LETTER/NAIC TRANSMITTAL: Each filing must contain a complete description of the filing using one of the following methods: (1) In SERFF on the General Tab - Filing Description; (2) As a note referring to an NAIC Transmittal Document. If using a Cover Letter, please attach the document to the Supporting Documentation Tab within SERFF.	Included	
Bulletin 125	CONSULTING AUTHORIZATION: If the filing is submitted by an outside consulting firm, a letter giving authorization to file on behalf of the company. If you are filing for multiple companies, you must submit an authorization from each Company, list each company separately on the cover letter by NAIC #, Company Name and form #. Separate filing/retaliatory fees for each company will be applicable.	Included	
Bulletin 125	ACKNOWLEDGEMENT: All IDOI instructions, checklists and requirements for accident and health rate and/or form filings have been satisfied and are in compliance with PPACA and state requirements. Please acknowledge.	Acknowledged	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
Bulletin 125	ESSENTIAL HEALTH BENEFITS CROSSWALK TOOL: Must be completed and include it in your SERFF filing under supporting documents tab for both QHP and Non-QHP filings.	Included	
B. Required Provisions	The following rights of Insurers and insureds must be disclosed in group accident and sickness policies issued in Indiana. Exact wording is not required, as long as the substance matches the statutory language, or is more favorable to the insured or policyholder.

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
D. Group A&H Policies <i>must</i> offer			
IC 27-8-14.1	MORBID OBESITY: Coverage for the surgical treatment of morbid obesity. For groups that choose to offer this benefit on the exchange, any premium related to this benefit would not be eligible for premium tax credit.	28	
E. General Regulatory Issues	Under the authority provided by IC 27-4-1-4, 27-8-5-1 and 27-8-5-1.5, the Department monitors various issues that have been determined to be unjust, unfair, inequitable, misleading, deceptive, or encourage misrepresentation of the policy or potentially constitute unfair trade practices. The following issues will also be reviewed.		
IC 27-13-7-2	APPLICATION QUESTIONS: 1. Questions regarding an applicant's health cannot inquire about non-specific conditions prior to the most recent five years. 2. Questions inquiring if an applicant has had signs or symptoms of a condition are not permitted. 3. Small employer applications may not require applicants declining coverage to complete health questions.	Comply	
IC 27-13-7-2	ARBITRATION: Mandatory and/or binding arbitration provisions are prohibited.	Comply	
IC 27-13-7-2	LARGE ENDORSEMENTS: The Department does not allow use of large or confusing endorsements to bring contracts into compliance. In such cases the entire contract should be re-filed to incorporate the multiple changes. On a similar note, Indiana specific certificates should be filed rather than file an endorsement to revise another state's certificate.	Comply	
IC 27-13-7-2	OPEN ENDORSEMENTS: Highly flexible or "blank check" type endorsement forms that provide unlimited ability to revise forms without regulatory review are not allowed.	Comply	
IC 27-13-7-2	PROHIBITED PROVISIONS: The policy form cannot contain provisions that are unjust, unfair, inequitable, misleading, or deceptive, or that encourage misrepresentation of the policy.	Comply	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-13-7-2	PRIVACY OF HEALTH INFORMATION: Employers cannot be asked to reveal or certify the accuracy of any knowledge they may have regarding an individual's health condition.	Comply	
IC 27-13-7-2	VARIOUS FEES: Fees charged to accept or process an application are not allowed. One-time fees such as may be charged to issue a policy are acceptable providing they are clearly labeled and accompanied by a disclosure that the fee is fully refundable if the policy is not issued, not taken or returned during the "free look" period.	Comply	
IC 27-8-5-2.5 IC 27-8-5-19(c)(6) IC 27-8-15-27	FIRST MANIFEST LANGUAGE: Typically first manifest type language creates a permanent exclusion of coverage related to a condition present any time prior to the effective date of coverage contrary to any pre-existing condition provisions included in the form. Such inconsistencies are not permitted.	Comply	
Bulletin 103	FULL AND FINAL DISCRETION: No full and final discretion clauses except where policy is governed by ERISA.	Comply	
Bulletin 106	FOREIGN LANGUAGE FORMS: Foreign language forms must comply with Bulletin 106.	Comply	
F. ACA Must Provide	All Essential Health Benefits and related Essential Health Benefit requirements are applicable for plans with effective dates on or after January 1, 2014. All other requirements are effective currently unless otherwise noted.

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	ESSENTIAL HEALTH BENEFIT FORMULARY REVIEW: The plan (1) Covers at least the greater of: (i) One drug in every United States Pharmacopeia (USP) category and class; or (ii) The same number of prescription drugs in each category and class as the Essential Health Benefit-benchmark plan; and (2) Submits its drug list to the Exchange, the State, or Office of Personnel Management (OPM). <i>Please acknowledge</i> 45 CFR §156.122(a)	Acknowledge	
IC 27-8-5-1(c)	SUMMARY OF BENEFITS COVERAGE: The Summary of Benefits Coverage must reflect the covered Essential Health Benefits, cost-sharing and Actuarial Value (metal level) that the final approved rates and forms permit. Submission of the Summary is not required as a part of this filing; however, filer must certify to the completion and conformity with regulatory requirements of the Summary. <i>Please acknowledge</i> PHSA §2715	Acknowledge	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	NO PRE-EXISTING CONDITION EXCLUSIONS: A pre-existing exclusion includes any limitation or exclusion of benefits (including denial of coverage) applicable to an individual as a result of information relating to an individual's health status before the individual's effective date of coverage. <i>Please acknowledge</i> PHSA §§2704; 1255 75 Fed Reg 37188 45 CFR §147.108	Acknowledge	
IC 27-8-5-1(c)	MARKETING: Insurer and its officials, employees, agents and representatives comply with any applicable state laws and regulations regarding marketing by health insurance Insurers and do not employ marketing practices or benefit designs that will have the effect of discouraging the enrollment of individuals with significant health needs in health insurance coverage or discriminate based on an individual's race, color, national origin, present or predicted disability, age, sex, gender identity, sexual orientation, expected length of life, degree of medical dependency, quality of life, or other health conditions. Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.104(e)	Acknowledge	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	PROHIBITION ON DISCRIMINATION: The plan's benefit design, or the implementation of its benefit design, does not discriminate based on an individual's age, expected length of life, present or predicted disability, degree of medical dependency, quality of life, or other health conditions. Applicable for plans with effective dates on or after January 1, 2014. 45 CFR §156.125	Acknowledge	
IC 27-8-5-1(c)	GUARANTEED AVAILABILITY OF COVERAGE: Insurer is aware that if it offers health insurance coverage in the individual market in Indiana it must offer to any individual in Indiana all products that are approved for sale in the individual market, and must accept any individual that applies for any of those products, subject to exclusions allowed by the Affordable Care Act. Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.104(a)	Acknowledge	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	OPEN ENROLLMENT: Insurer must allow an employer to purchase health insurance coverage for a group health plan at any point during the year. Insurer may limit the availability of coverage to an annual enrollment period that begins November 15 and extends through December 15 of each year in the case of a plan sponsor that is unable to comply with a material plan provision relating to employer contribution or group participation rules defined in the Affordable Care Act and pursuant to applicable state law. If the plan is offered in SHOP, coverage must be effective consistent with the dates mandated by the SHOP Exchange even if plan is off Exchange. Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.104(b)	Acknowledge	
IC 27-8-5-1(c)	SPECIAL ENROLLMENT: Insurer has special enrollment periods for qualifying events as defined under section 603 of the Employee Retirement Income Security Act of 1974, as amended. These special enrollment periods are in addition to any other special enrollment periods that are required under federal and state law. Enrollees must be provided 30 calendar days after the date of an event, described in this section, to elect coverage. Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.104(b) 45 CFR §155.410	Acknowledge	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	SPECIAL RULES FOR NETWORK PLANS: (1) If Insurer offers health insurance coverage through a network plan, the Insurer may: (i) Limit the individuals who may apply for the coverage to those who live or reside in the service area for the network plan. (ii) Within the service area of the plan, deny coverage to individuals if the Insurer has demonstrated to the IDOI the following: (A) It will not have the capacity to deliver services adequately to enrollees of any additional individuals because of its obligations to enrollees. (B) It is applying this section uniformly to all individuals without regard to the claims experience of those individuals, or any health status-related factor relating to such individuals. (2) An Insurer that denies health insurance coverage to an individual in any service area may not offer coverage in the individual market within the service area to any individual for a period of 180 calendar days after the date the coverage is denied. This does not limit the Insurer's ability to renew coverage already in force or relieve the Insurer of the responsibility to renew that coverage. (3) Coverage offered within a service area after the 180-day period is subject to the same requirements. Applicable for plans with effective dates on or after January 1, 2014. 45 CFR §147.104(c)	Comply	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	APPLICATION OF FINANCIAL CAPACITY LIMITS: Insurer is aware that it may deny health insurance coverage in the individual market if it has demonstrated to IDOI limitations provided in the Affordable Care Act. An Insurer is also aware that if it denies health insurance coverage to any individual in Indiana under the financial capacity limitations, it may not offer coverage in the individual market in Indiana for at least 180 days. This limitation does not however limit the Insurer's ability to renew coverage already in force or relieve the Insurer of the responsibility to renew that coverage. Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.104(d)	Acknowledge	
IC 27-8-5-1(c)	GUARANTEED RENEWABILITY OF COVERAGE: Insurer is aware that if it offers health insurance coverage in the individual market in Indiana it must renew or continue in force the coverage at the option of the individual, subject to exclusions allowed by the Affordable Care Act. Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.106(a)	Acknowledge	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	GUARANTEED RENEWABILITY OF COVERAGE EXCEPTIONS: Insurer may non-renew or discontinue health insurance coverage offered in the individual market based only on one or more of the following: (1) Nonpayment of premiums (2) Fraud (3) Violation of participation or contribution rules (4) Termination of plan (5) Enrollees' movement outside service area (6) Association membership ceases Applicable for plans with effective dates on or after January 1, 2014. 45 CFR §147.106(b)	Acknowledge	
IC 27-8-5-1(c)	DISCONTINUING PRODUCTS: Insurer is aware of the requirements to discontinue a particular health insurance plan in Indiana including: (1) Notice provision (2) Requirement to offer other health insurance coverage currently offered (3) Acting without regard to claims experience or health status-related factor Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.106(c)	Acknowledge	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	DISCONTINUING ALL COVERAGE: Insurer is aware of the requirements to discontinue all individual, group or all markets of health insurance coverage in Indiana including: (1) Notice provision (2) 5-year discontinuation period Applicable for plans with effective dates on or after January 1, 2014. <i>Please acknowledge</i> 45 CFR §147.106(d)	Acknowledge	
IC 27-8-5-1(c)	UNIFORM MODIFICATION OF COVERAGE: Insurer may only modify coverage at the time of coverage renewal. Applicable for plans with effective dates on or after January 1, 2014. 45 CFR §147.106(e)	Comply	
IC 27-8-5-1(c)	COVERAGE THROUGH ASSOCIATIONS: Any reference to "plan sponsor" is deemed, with respect to coverage provided to an employer member of the association, to include a reference to the employer. Applicable for major medical plans with effective dates on or after January 1, 2014. 45 CFR §147.106(f)	Comply	
IC 27-8-5-1(c)	CLINICALLY APPROPRIATE DRUGS: Insurer has procedures in place that allows an enrollee to request and gain access to clinically appropriate drugs not covered by the health plan. Applicable for plans with effective dates on or after January 1, 2014. 45 CFR §156.122(c)	Comply	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	EMERGENCY DEPARTMENT SERVICES: Cannot require prior authorization; Cannot be limited to only services and care for participating providers Must be covered in-network cost-sharing level PHSA §2719A 75 Fed Reg 37188 45 CFR §147.138	Comply	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
IC 27-8-5-1(c)	CATASTROPHIC PLANS: If plan is a catastrophic plan, it meets the following conditions: (1) Meets all applicable requirements for health insurance coverage in the individual market and is offered only in the individual market. (2) Does not provide a bronze, silver, gold, or platinum level of coverage. (3) Provides coverage of the Essential Health Benefits once the annual limitation on cost sharing is reached as defined in the Affordable Care Act (4) Provides coverage for at least three primary care visits per year before reaching the deductible. (5) Covers only individuals who meet either of the following conditions: (i) Have not attained the age of 30 prior to the first day of the plan year. (ii) Have received a certificate of exemption in accordance with the Affordable Care Act. A catastrophic plan may not impose any cost-sharing requirements (such as a copayment, coinsurance, or deductible) for preventive services. For other than self-only coverage, each individual enrolled must meet the age or certificate of exemption requirements above. Applicable for plans with effective dates on or after January 1, 2014. 45 CFR §156.155	N/A	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
G. Specific Requirements for Qualified Health Plans in SHOP	Under the authority provided by IC 27-8-5-1 the Department is responsible for determining whether the health plan submitted has met certain form requirements. Accordingly, the following items will be reviewed. All regulation references listed in this section are that of the final law or regulations of the Patient's Protection and Affordable Care Act unless otherwise indicated. All Qualified Health Plan requirements are applicable for plans on the Exchange with effective dates on or after January 1, 2014.		
	NETWORK ADEQUACY: Insurer's provider network meets the following standards: (1) Includes essential community providers in accordance with the Affordable Care Act; (2) Maintains a network that is sufficient in number and types of providers, including providers that specialize in mental health and substance abuse services, to assure that all services will be accessible without unreasonable delay; and, (3) Is consistent with the network adequacy provisions of the Affordable Care Act. 45 CFR §§156.230 (a) & (b)	Will Comply	
	TERMINATION OF COVERAGE DUE TO NON-PAYMENT OF PREMIUM: Insurer must establish a standard policy for the termination of coverage of enrollees due to non-payment of premium. This policy for the termination of coverage: (1) Must include the grace period for enrollees receiving advance payments of the premium tax credits as described in paragraph (d) of this section; and (2) Must be applied uniformly to enrollees in similar circumstances. 45 CFR §156.270 (c)	Will Comply	
	SEGREGATION OF FUNDS FOR ABORTION SERVICES: Insurer must provide to the State Insurance Commissioner an annual assurance statement attesting that the plan has complied with section 1303 of the Affordable Care Act and applicable regulations. 45 CFR §156.280 (e)(5)	Will Comply	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
	NOTICE FOR ABORTION SERVICES: Insurer that provides for coverage for abortion services must provide a notice to enrollees, only as part of the summary of benefits and coverage explanation, at the time of enrollment, of such coverage. 45 CFR §156.280 (f)	N/A	
	PARTICIPATION RULES: Insurers offering a QHP through the SHOP may impose group participation rules for the offering of health insurance coverage in connection with a QHP 45 CFR §156.285 (e)	Will Comply	
	ENTIRE YEAR: Insurer must set rates for an entire benefit year. 45 CFR §156.255 (b)	Comply	
	WAITING PERIODS: Group health plans may not impose waiting periods in excess of 90 days from the date on which an employee would be otherwise eligible for participation in the group health plan. Any special enrollment for newly eligible employees would occur at the expiration of any waiting period. PHSA §2708	Comply	
	NOTIFICATION TO THE FFM FOR CHANGES IN ELIGIBILITY REDETERMINATIONS: QHP issuer to notify policy holder to contact the FFM for any changes to their eligibility determination. <i>Please acknowledge</i> 45 CFR §155.330	Will Comply	

Statute/Regulation	Requirement	Response	FOR IDOI USE ONLY Yes/No/Comments
H. Specific Requirements for Exchange Certified Stand-Alone Dental Plan	Under the authority provided by IC 27-8-5-1 the Department is responsible for determining whether the plan submitted has met certain form requirements. Accordingly, the following items will be reviewed. All regulation references listed in this section are that of the final law or regulations of the Patient's Protection and Affordable Care Act unless otherwise indicated. All Exchange-Certified Stand-Alone Dental Plan requirements are applicable for plans intending to satisfy the Pediatric Dental Essential Health benefit, at a minimum, <u>either on or off the Exchange</u> . This type of plan has an effective date on or after January 1, 2014.		
	EXCHANGE CERTIFIED STAND ALONE DENTAL: Insurer meets all requirements applicable to be considered Exchange-Certified. Insurer should provide the IDOI with requirements, if any, which are pending certification by the Exchange.	N/A	

By signing below, I am certifying on behalf of my company pursuant to Ind. Code 27-8-5-1.5(i)(1)(C) that our policy form(s) submitted with this checklist meets all of the applicable requirements of Indiana law and meets all the applicable requirements of federal law contained in the Patient Protection and Affordable Care Act. I understand and acknowledge, on behalf of my company, that the Indiana Department of Insurance is relying on this certification in making its determination whether to approve or disapprove this policy filing. If any policy provision is not in compliance with Indiana law or the Patient Protection and Affordable Care Act, the Indiana Department of Insurance may take regulatory action against my company.

SOUTHEASTERN INDIANA HEALTH ORGANIZATION

Health Maintenance Organization Small Group Product Actuarial Memorandum Forms POS 97-03.052014 and QHP SG-05.2014

A. INTRODUCTION

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This actuarial memorandum has been prepared in accordance with Indiana insurance laws, specifically Section 27-8-15, and ACA Market Rating Rules. The purpose of this actuarial memorandum is to present the premium rates for SIHO's medical and prescription drug plans for small groups to be effective in the first quarter of 2015. This material should not be used for any other purpose.

This actuarial memorandum has been prepared for the use of SIHO. We understand that the actuarial memorandum will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of the actuarial memorandum may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

The rating factors were developed from information published in the Milliman Health Cost Guidelines, and applicable state and federal regulations, as well as from information provided by SIHO. The memorandum does not guarantee that the rates will be adequate. Rather, the filing shows that the rates will be adequate if the assumptions underlying their development are realized.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

B. STATE OF INDIANA 8.0 (A) AND 8.0 (B) SMALL GROUP RATE REQUIREMENTS

1. Benefit Structure

This is a group medical expense service agreement offered as a point of service or a health maintenance organization product. It provides for hospital, medical, and surgical expenses resulting from an eligible illness or injury. It also provides for prescription drug expenses and certain preventive care services. It is subject to various managed care provisions as described in the group certificate.

This policy provides for coverage of medical expenses with applicable member cost sharing, *i.e.*, co-payments, deductibles, and coinsurance amounts. Various benefit provisions are

available under this policy form. Covered benefits and copayment schedules have been included with the group certificates.

Attachment 1 provides a summary of benefit provisions for the benefit plan designs that are the subject of this actuarial memorandum. Complete descriptions of covered benefits and cost sharing arrangements are contained in the group certificates.

The benefit plan designs included in this rate filing will be sold to small employer groups in Indiana. All plans will be offered off-exchange. Four qualified health plans (QHPs), as noted below, will be offered on-exchange.

Pediatric dental services are no longer covered; rather the required pediatric dental services will be covered via a rider. There are no other changes in covered services from the most recent filing.

Cost-sharing amounts have been adjusted and several benefit plan designs will no longer be offered in order to comply with federal laws and regulations. New benefit plan designs, including QHPs, are also introduced. The QHPs are included in Exhibits 6 and 7 of Attachment 1. All will be offered off-exchange. In addition, the following QHPs will be offered on-exchange:

- QHP HMO HSA \$1,300/10%;
- QHP HMO \$3,500/0%;
- QHP HMO HSA \$2,000/20%; and
- QHP HMO HSA \$5,000/30%.

The prior SERFF tracking number was SEIH-129096393.

Covered services include the Indiana essential health benefits, inclusive of state mandated benefits. The following supplemental benefits are also covered:

- Diabetes education;
- Nutrition counseling; and
- An additional 3 chiropractic visits.

2. Current Rates

Section B.3 of the actuarial memorandum for the most recently approved rate filing describes the steps and factors used to determine group premiums. The most recently approved rate filing is included in SERFF tracking number SEIH-129096393.

3. Proposed Rates

a. Premium Rate Revision

The proposed premium rating factors are estimated to generate an average premium rate change of approximately 8.3% versus previously filed rates for first quarter 2014 effective dates. The proposed premium rating factors reflect the following significant adjustments:

- Trend, *i.e.*, medical inflation and increased utilization;
- The exclusion of pediatric dental services;
- The morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015; and
- A reduction in retention components.

b. Premium Rate Calculation

Consumer Adjusted Premium Rates are calculated as the product of three factors:

- i. Plan Adjusted Index Rate (Calibrated);
- ii. Geographic rating area factor; and
- iii. Age factor.

Monthly Premium Rates to be charged to a specific individual group are determined by summing the Consumer Adjusted Premium Rates for each member of the group, provided at most three child dependents under age 21 for each family are taken into account. For groups electing composite rating, a composite premium will be calculated for members age 21 and older by averaging the Consumer Adjusted Premium Rates for each member age 21 and older. Similarly, a composite premium will be calculated for members under age 21 by averaging the Consumer Adjusted Premium Rate for all covered members under age 21. The composite premium will be applicable to members under age 21, provided at most three child dependents for each family are taken into account.

i. Plan Adjusted Index Rate (Calibrated)

A Plan Adjusted Index Rate (Calibrated) is the estimated cost to provide coverage under a given benefit plan design for a member with a geographic rating area factor and an age factor of 1.00. The Plan Adjusted Index Rates (Calibrated) are provided in Exhibit 1 of Attachment 2. The actuarial value, as calculated using the CMS Actuarial Value (AV) calculator, and metal tier for each plan are also shown in this exhibit.

ii. *Geographic Rating Area Factors*

The geographic rating area factor is based on the region of the employer's principal business location. The regions are defined by IDOI Bulletin 197, dated March 22, 2013. The geographic rating area factors are provided in Exhibit 2 of Attachment 2.

iii. *Age Factors*

Age factors are based upon each member's age as of the premium rate effective date. The HHS Default Standard Age Curve is used for the age factors and is provided in Exhibit 3 of Attachment 2.

c. Administration Fees

SIHO also provides, at the option of the policyholder, certain administrative services to groups that are not insurance related. These fees represent service fees unrelated to the insurance risk and will be charged in addition to the monthly premium rates.

Groups electing to have SIHO provide administration of COBRA provisions are charged a monthly per subscriber administration fee.

4. Projected Experience with Requested Rate Change

SIHO's anticipated experience for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3. The values reflect that rate changes occur on each group's renewal date during the year. We have assumed that premium rates will be increased quarterly in 2015 since we intend to submit quarterly rate filings.

5. Projected Experience without Requested Rate Change

The requested rate change is required in order to comply with federal laws and regulations effective January 2015. However, SIHO's anticipated experience without the requested rate change for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3.

6. Assumptions

The premium rates for this filing are based upon SIHO's recent and anticipated experience. SIHO's combined large group and small group point-of-service experience for the 12 months ending December 2013, representing 125,498 member months, provided the basis for the premium rates proposed in this filing. 2013 incurred claims PMPM were estimated to be \$329.92.

The following table illustrates how the point-of-service experience was adjusted for cost sharing changes, additional benefits, morbidity changes, reinsurance, and trend to estimate incurred claims for the 12 months beginning the first quarter of 2015 (1Q2015).

2013 Incurred Claims PMPM	\$329.92
Net Impact of Reinsurance	x 1.0147
Withhold	x 0.9784
Additional Benefits	x 1.0028
Population and Benefit Changes	x 1.0138
Morbidity Changes	x 1.0937
Trend	x 1.1776
Subtotal	\$428.84
Pediatric Vision	<u>\$0.75</u>
Estimated Incurred Claims PMPM for 1Q2015 Effective Dates	\$429.59

Note: Values have been rounded.

The net impact of reinsurance includes the estimated gross cost of specific stop loss and quota share reinsurance, less estimated recoveries. The net impact of reinsurance is not reflected in the 2013 incurred claims PMPM starting point.

The withhold adjustment removes the provider withhold from the experience period. A withhold is only incurred if SIHO achieves favorable operating performance.

Additional Benefits not covered during the experience period include private duty nursing and Temporomandibular joint disorder. Pediatric vision services are covered under a capitation agreement effective January 2015. Please note that pediatric dental services will not be covered within the policy beginning in 2015.

The adjustment due to population and benefit changes includes the impact of differences in age, area, and plan design between the projected population, which is SIHO's April 2014 small group book of business, and the experience period.

The adjustment due to morbidity changes reflects the morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity underlying the experience period. The adjustment factor is based upon an analysis of calibrated claims experience for SIHO small groups that continued and did not continue on non-ACA compliant policies in January 2014. The adjustment factor reflects that we anticipate continued migration of small groups to ACA compliant policies during the remainder of 2014 and in 2015.

Net incurred annual trend of approximately 8.0% was applied for a total of 25.5 months to estimate claims experience for 1Q2015 effective dates. The 8.0% annual trend is the composite of medical trend of approximately 7.0% and prescription drug trend of approximately 14.3%. SIHO provided the medical trend estimate based upon anticipated changes in their provider contracts and a review of recent experience. The prescription drug trend estimate was developed using 2014 and 2015 projected trends from SIHO's pharmacy

benefit manager for its health plan book of business and experience from 2010 to 2013 as reported by the pharmacy benefit manager for its health plan book of business and for SIHO. Prescription drug trend is expected to increase in comparison to our prior estimate due to rising utilization and unit price inflation for generic, brand, and specialty drugs, as well as the introduction of new specialty drugs.

The following table shows the adjustments made to the estimated incurred claims for 1Q2015 effective dates to estimate the required revenue.

<i>Estimated Incurred Claims PMPM for 1Q2015 Effective Dates</i>	\$429.59
Administrative Expense Load	\$48.58
Profit and Risk Load	\$63.24
Taxes and Fees	\$8.48
<i>Required Revenue PMPM</i>	\$549.88

Note: Values have been rounded.

The administrative expense load includes amounts for commissions, network access fees, and operating expenses. SIHO's small group commission schedule and network access fees are on a per employee per month (PEPM) basis. The PEPMs were applied to SIHO's small group membership as of April 2014, which is the basis for the projected membership. The resulting average PEPM was converted to a PMPM for the table above.

SIHO provided a PMPM assumption plus a percent of premium assumption for operating expenses. These estimates were developed by SIHO by applying anticipated changes in operating expenses to 2013 operating expenses and estimates of 2014 operating expenses. Operating expenses are expected to be lower on a PMPM basis in 2015 because SIHO affiliated companies have achieved economies of scale.

The proposed rates reflect a 6.0% profit and a 5.5% risk charge load converted to a PMPM for the table above. These loads were provided by SIHO and are applied to all products and plans.

The following taxes and fees are reflected in the table above:

- \$3.67 PMPM for the Federal Transitional Reinsurance Program;
- \$2.12 Per Member Per Year for the Patient Centered Outcomes Research Institute Fee;
- \$0.96 Per Member Per Year for the Risk Adjustment User Fee;
- \$0.43 PMPM for the Indiana Department of Insurance audit fees; and
- 0.75% for the Health Insurer Fee.

7. Premium Guarantee Provision

The policies are guaranteed renewable and will be sold on a guarantee of issue basis for group sizes of 2 – 50 lives.

8. Rating Factors

a. Rate Structure

The calculation of monthly premiums and the rating factors, including geographic rating area and age factors, were described in Section 3 above.

b. Non-benefit Expenses

Non-benefit expenses are included in the Plan Adjusted Index Rates (Calibrated) discussed in section 3 of this memorandum. The non-benefit expenses include amounts for administrative and other expenses, sales and marketing expenses, net cost of private reinsurance, taxes, fees, risk margin, and profit.

c. Impact of Contractual Arrangement

Contractual agreements with health care providers and administrators are expected to result in medical cost and premium changes in line with market averages.

9. Historical Experience

SIHO does not have business outside of Indiana so the information in this actuarial memorandum represents both Indiana and nationwide. SIHO's historical experience for policies under this form is provided in Exhibit 2 of Attachment 3.

a. Three Year Rate Change History

The three year rate change history for this form is shown in the table below.

Effective Date	Average Premium Rate Change versus Previously Filed Rates
January 2012	(3%)
January 2013	18%
January 2014	8%

b. Rate Changes Indicated and Requested

The requested rate change effective January 2015 for small group policies under this form is 8.3%. The requested rate change includes the impact of benefit plan changes required to comply with federal laws and regulations, such as changes to cost-sharing provisions, and the exclusion of pediatric dental services. The estimated impact of these benefit plan changes is 0.1%. The rate change indicated to achieve the target retention levels is the same as the change requested.

The maximum and minimum rate changes for a group are estimated to be approximately 118% and approximately -41%, respectively. Since most groups have not yet

transitioned to plans where the ACA rating rules apply, the estimated rate changes reflect the change in rating rules in 2014 due to ACA. Under the rating methodology applicable to grandfathered plans, SIHO applies underwriting discretion factors ranging from 0.65 to 1.35, group size factors ranging from 1.0 to 1.2, and industry factors ranging from 0.95 to 1.05 to calculate premiums. Rate increases approach the 118% maximum rate increase when current rates are based on underwriting discretion factors, group size factors, and industry factors at the lower end of the ranges listed above coupled with increased demographic and benefit factors. Rate increases approach the -41% minimum when current rates are based on underwriting discretion factors, group size factors, and industry factors at the upper end of the ranges listed above coupled with decreased demographic factors.

SIHO does not target a specific loss ratio. Rather, retention components are established consistent with SIHO's administrative expense structure and its target underwriting margin. The retention components are added to the claim cost estimates in order to determine the total premium need. This approach does not result in a constant loss ratio target. The retention components as applied to SIHO's anticipated book of business for the 12 months beginning January 2015 result in an estimated effective target loss ratio of approximately 78.1%. This target loss ratio assumes that all groups renew 1Q2015 and it therefore reflects only 2015 rates and benefits. The target loss ratio has increased versus the prior filing primarily due to the reduction in SIHO's operating expenses.

10. Projection of Lifetime Target Loss Ratio

This section is not applicable to group HMO business.

11. Company Financial Position

SIHO's risk-based capital ratio as of December 31, 2013 was 472.8%.

C. CERTIFICATION AND ATTESTATIONS

I am a Consulting Actuary with the firm of Milliman, Inc. SIHO engaged me to provide this actuarial memorandum.

Guidelines issued by the American Academy of Actuaries require actuaries to include their professional qualifications in all actuarial communications. I am a member of the American Academy of Actuaries, and I meet its qualification standards to perform the analysis and render the actuarial opinion contained herein.

I believe this rate filing is in compliance with all applicable state and federal insurance statutes and regulations and with applicable actuarial standards of practice. I am familiar with the applicable statutory provisions of small group health insurance premium rating restrictions as contained in Indiana Code 27-8-15 and believe that this rate filing is in compliance with it.

I attest that the same premium rate is being charged without regard to whether the plan is offered through an Exchange, or whether the plan is offered directly from SIHO or through an agent.

This memorandum should not be interpreted as a guarantee that the rates will be adequate. The rates will be adequate if the assumptions underlying their development are realized. The adequacy of the rates will be dependent on numerous factors, many of which are not subject to management control (e.g., medical care cost trends in the community, demographic characteristics of the enrollees, etc.).

In developing the rating factors and other values in this actuarial memorandum, I relied on data, other information, and assumptions provided by SIHO. I have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of the analysis may likewise be inaccurate or incomplete. I performed a limited review of the data used directly in the analysis for reasonableness and consistency and have not found material defects in the data. If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of my assignment.

Jill S. Herbold, FSA, MAAA
Consulting Actuary

DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

1. Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.
2. Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.
3. [**Working Spouse Rule:** The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.
 - a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.
 - b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).

c.

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days

after the Effective Date. The Effective Date of coverage for eligible Employees and Dependents enrolled during the initial open enrollment period will be _____. Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.

2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption.
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

- E. Misstatement of Age** If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.
- F. Incontestability** The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.
- G. Health Insurance Portability and Accountability Act of 1996** This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

"Actively Working" means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer. For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO’s discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a physiatrist or licensed physician overseeing the care on staff.

"Agreement" means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

"Alternative Health Benefits Plan" means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

"Appeals Hearing Committee" means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger’s disorder, Pervasive developmental disorder, Rett’s disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

"Centers of Excellence" means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

"Clean Claim" means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance reasons; (4) performed in the most cost-effective setting appropriate for the injury or

illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or "PCP" means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or "SNF" means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and have satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- • In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
 - (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - Federally funded; or
 - Sponsored by FDA; or
 - A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- National Institutes of Health
- Centers for Disease Control
- Agency for Healthcare Research Quality
- Centers for Medicare and Medicaid Services
- Department of Defense
- Veterans Administration; or the
- Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from our home infusion therapy administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

[Treatment of Morbid Obesity

The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.
9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.

14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft palate. Covered Benefits also include anesthesia and hospital services for dental care for an Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.
22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
23. The cost of durable medical equipment, except as provided in this Agreement.
24. The cost of prosthetic devices except as provided in this Agreement.
25. The cost of medical supplies except as provided in this Agreement.
26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.

27. Reversal of voluntary sterilization.
28. Genetic counseling.
29. Sex therapy and counseling.
30. Vocational rehabilitation.
31. Family or marriage counseling.
32. Blood tests required in order to obtain a marriage license.
33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
35. Chiropractic or manipulative services except as provided in this Agreement.
36. Speech therapy, except as provided for in this Agreement.
37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.

42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services, drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.
51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.

54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
55. Abortion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.
56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.
2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for

medically acceptable treatments for the condition otherwise covered by the Health Plan.

3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided. If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.
- c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:
 - (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
 - (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance

Programs, of the United States Social Security Act, as amended from time to time).

- (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
- (4) The medical benefits coverage in group, group-type, and individual automobile “no-fault” and traditional “fault” type contracts.
- (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
- (6) Medical care components of long term care contracts, such as skilled nursing care.
- (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

- d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period commencing on the anniversary of Employer's Coverage under this Health Plan.
- e. **"Primary"** or **"Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary"** or **"Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.
 - (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
 - (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
 - (a) the Plan of the parent with custody of the Child is Primary;

- (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
- (c) the Plan of the parent without custody of the child is the last Plan to be Primary.

If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.

- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law, rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.
3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any

Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;
4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in this summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.
4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to

prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider, within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. **Claim Forms.** Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.
3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of

its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);

5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.

- a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.
- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.

- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.
- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.

2. Urgent Care Grievances. In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
3. Other Grievances. In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available

is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";

8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.
3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members

throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.

7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.
10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.
2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

H. Department of Insurance

Questions regarding your policy or coverage should be directed to:

SIHO Insurance Services
417 Washington St.
Columbus, IN 47203
(812) 378-7070

If you need the assistance of the governmental agency that regulates insurance; or have a complaint you have been unable to resolve with your insurer, you may contact the Department of Insurance by mail, telephone or email:

State of Indiana Department of Insurance
Consumer Services Division
311 West Washington Street, Suite 300
Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461

Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special

communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or

Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.

2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.
 - a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate,

SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.

3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.
4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

[Bartholomew	Marion
Brown	Martin
Cass	Monroe
Clark	Morgan
Crawford	Ohio
Daviess	Orange
Dearborn	Owen
Decatur	Perry
Dubois	Pike
Floyd	Posey
Franklin	Ripley
Gibson	Rush
Greene	Scott
Harrison	Shelby
Jackson	Spencer
Jefferson	Switzerland
Jennings	Vanderburgh
Johnson	Warrick
Knox	Washington]
Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR:_____
ADDRESS:_____
PHONE NUMBER:(_____)-_____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
---------	---

Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
-------------	---

[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$__, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
------------	--

[Biotech or Specialty Injectable Drugs other than insulin and anti neoplasm drugs
[10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does
[not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]

[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited]

[Rx defined as 1 to 30 day supply]

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered.

Affected Enrollees will be notified of the Step Therapy Program prior to its effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee's current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee's Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

SCHEDULE OF BENEFITS
PEDIATRIC VISION ESSENTIAL BENEFIT

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
VISION CARE SERVICES	
Vision Examination	Covered in Full
VISION CARE MATERIALS	
Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees**	Covered in Full
Materials	Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

- ~~1. An individual who is eligible to be a Participant may not enroll as a Dependent.~~
- ~~2.1.~~ Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.
2. Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.
3. [Working Spouse Rule: The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.
 - a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.
 - b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days after the Effective Date. The Effective Date of coverage for eligible Employees and Dependents enrolled during the initial open enrollment period will be _____. Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.
2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption. ~~+~~
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

E. Misstatement of Age If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.

F. Incontestability The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a

Formatted: Font: Bold

covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.

- | G. **Health Insurance Portability and Accountability Act of 1996** This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.

Formatted: Font: Not Bold

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

“Actively Working” means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer. For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO’s discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a psychiatrist or licensed physician overseeing the care on staff.

“Agreement” means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

“Alternative Health Benefits Plan” means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

“Appeals Hearing Committee” means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger’s disorder, Pervasive developmental disorder, Rett’s disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

| **"Centers of Excellence"** means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

| **"Clean Claim"** means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance

Formatted: Normal, Justified, Indent: Left: 0.5", No widow/orphan control, Tab stops: 0.5", Left + 1.5", Left + 2", Left + 2.5", Left + 3", Left + 3.5", Left + 4", Left + 4.5", Left + 5", Left + 5.5", Left + 6", Left + 6.5", Left

reasons; (4) performed in the most cost-effective setting appropriate for the injury or illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or "PCP" means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or "SNF" means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and **have** satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must- be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

▸

Formatted: Indent: Left: 1"

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
 - (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

Formatted: Indent: Left: 1.5", Hanging: 0.06"

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the ~~vertical~~vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions ~~relevant~~applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or —injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - Federally funded; or
 - Sponsored by FDA; or
 - A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- National Institutes of Health
- Centers for Disease Control
- Agency for Healthcare Research Quality
- Centers for Medicare and Medicaid Services
- Department of Defense
- Veterans Administration; or the
- Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from ~~Our Home Infusion Therapy~~ Administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

~~L. [Pediatric Dental Essential Benefit~~

~~The Health Plan provides Coverage for pediatric dental benefits as mandated under the ACA and further described in a separate point of service agreement made available to Enrollees. Pediatric dental benefits are provided until the Child attains age 19.]~~

~~M. [Treatment of Morbid Obesity~~

The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.

9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. ~~Major~~ Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.
14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft ~~palate~~ palate. Covered Benefits also include anesthesia and hospital services for dental care for an

Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.

- 22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
- 23. The cost of durable medical equipment, except as provided in this Agreement.
- 24. The cost of prosthetic devices except as provided in this Agreement.
- 25. The cost of medical supplies except as provided in this Agreement.
- 26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.
- 27. Reversal of voluntary sterilization.
- 28. Genetic counseling.
- 29. Sex therapy and counseling.
- 30. Vocational rehabilitation.
- 31. Family or marriage counseling.
- 32. Blood tests required in order to obtain a marriage license.
- 33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
- 34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
- 35. Chiropractic or manipulative services except as provided in this Agreement.
- 36. Speech therapy, except as provided for in this Agreement.

37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.
42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services,

drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.

51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.
- 53:54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
- 54:55. ~~Abortion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.~~
- 55:56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.

2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for medically acceptable treatments for the condition otherwise covered by the Health Plan.
3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided.

If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have

Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

- c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:
- (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
 - (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time).
 - (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
 - (4) The medical benefits coverage in group, group-type, and individual automobile "no-fault" and traditional "fault" type contracts.
 - (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
 - (6) Medical care components of long term care contracts, such as skilled nursing care.
 - (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

- d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period

commencing on the anniversary of Employer's Coverage under this Health Plan.

- e. **"Primary" or "Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary" or "Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.

- (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
- (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
- (a) the Plan of the parent with custody of the Child is Primary;
 - (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
 - (c) the Plan of the parent without custody of the child is the last Plan to be Primary.

If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.

- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the

other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.

- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law,

rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.

3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment

applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

~~SIHO will notify the Employee and Employer in the event SIHO terminates Coverage under this Subsection.~~

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;

4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in ~~the Employer's~~this summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without

limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.

4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider,

within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. Claim Forms. Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.

3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);
5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.

- a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.

Formatted: Normal, Indent: Left: 0.44", First line: 0", Space After: 12 pt

- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.
- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.

- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.
- 2. Urgent Care Grievances. In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
- 3. Other Grievances. In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

- 1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
- 2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
- 3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";
8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.

3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.
7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.

10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.

2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

H. Department of Insurance

Questions regarding your policy or coverage should be directed to:

Formatted: Normal, Indent: First line: 0.5"

SIHO Insurance Services
417 Washington St.
Columbus, IN 47203
(812) 378-7070

If you need the assistance of the governmental agency that regulates insurance; or have a complaint you have been unable to resolve with your insurer, you may contact the Department of Insurance by mail, telephone or email:

State of Indiana Department of Insurance
Consumer Services Division
311 West Washington Street, Suite 300
Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461
Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.
2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.

- a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate, SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.
3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.

4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

Bartholomew	Marion
Brown	Martin
Cass	Monroe
Clark	Morgan
Crawford	Ohio
Daviess	Orange
Dearborn	Owen
Decatur	Perry
Dubois	Pike
Floyd	Posey
Franklin	Ripley
Gibson	Rush
Greene	Scott
Harrison	Shelby
Jackson	Spencer
Jefferson	Switzerland
Jennings	Vanderburgh
Johnson	Warrick
Knox	Washington
Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR: _____
ADDRESS: _____
PHONE NUMBER:(_____)-_____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$__, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
[Biotech or Specialty Injectable Drugs other than insulin and anti neoplasm drugs [10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does [not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]	
[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited] [Rx defined as 1 to 30 day supply]	

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.}]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered. Affected Enrollees will be notified of the Step Therapy Program prior to its effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee's current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee's Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
VISION CARE SERVICES	
Vision Examination	Covered in Full
VISION CARE MATERIALS	
Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees** Materials	Covered in Full Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)
---	--

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

| There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

SOUTHEASTERN INDIANA HEALTH ORGANIZATION

Health Maintenance Organization Small Group Product Actuarial Memorandum Forms POS 97-03.052014 and QHP SG-05.2014

A. INTRODUCTION

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This actuarial memorandum has been prepared in accordance with Indiana insurance laws, specifically Section 27-8-15, and ACA Market Rating Rules. The purpose of this actuarial memorandum is to present the premium rates for SIHO's medical and prescription drug plans for small groups to be effective in the first quarter of 2015. This material should not be used for any other purpose.

This actuarial memorandum has been prepared for the use of SIHO. We understand that the actuarial memorandum will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of the actuarial memorandum may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

The rating factors were developed from information published in the Milliman Health Cost Guidelines, and applicable state and federal regulations, as well as from information provided by SIHO. The memorandum does not guarantee that the rates will be adequate. Rather, the filing shows that the rates will be adequate if the assumptions underlying their development are realized.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

B. STATE OF INDIANA 8.0 (A) AND 8.0 (B) SMALL GROUP RATE REQUIREMENTS

1. Benefit Structure

This is a group medical expense service agreement offered as a point of service or a health maintenance organization product. It provides for hospital, medical, and surgical expenses resulting from an eligible illness or injury. It also provides for prescription drug expenses and certain preventive care services. It is subject to various managed care provisions as described in the group certificate.

This policy provides for coverage of medical expenses with applicable member cost sharing, *i.e.*, co-payments, deductibles, and coinsurance amounts. Various benefit provisions are

available under this policy form. Covered benefits and copayment schedules have been included with the group certificates.

Attachment 1 provides a summary of benefit provisions for the benefit plan designs that are the subject of this actuarial memorandum. Complete descriptions of covered benefits and cost sharing arrangements are contained in the group certificates.

The benefit plan designs included in this rate filing will be sold to small employer groups in Indiana. All plans will be offered off-exchange. Four qualified health plans (QHPs), as noted below, will be offered on-exchange.

Pediatric dental services are no longer covered; rather the required pediatric dental services will be covered via a rider. There are no other changes in covered services from the most recent filing.

Cost-sharing amounts have been adjusted and several benefit plan designs will no longer be offered in order to comply with federal laws and regulations. New benefit plan designs, including QHPs, are also introduced. The QHPs are included in Exhibits 6 and 7 of Attachment 1. All will be offered off-exchange. In addition, the following QHPs will be offered on-exchange:

- QHP HMO HSA \$1,300/10%;
- QHP HMO \$3,500/0%;
- QHP HMO HSA \$2,000/20%; and
- QHP HMO HSA \$5,000/30%.

The prior SERFF tracking number was SEIH-129096393.

Covered services include the Indiana essential health benefits, inclusive of state mandated benefits. The following supplemental benefits are also covered:

- Diabetes education;
- Nutrition counseling; and
- An additional 3 chiropractic visits.

2. Current Rates

Section B.3 of the actuarial memorandum for the most recently approved rate filing describes the steps and factors used to determine group premiums. The most recently approved rate filing is included in SERFF tracking number SEIH-129096393.

3. Proposed Rates

a. Premium Rate Revision

The proposed premium rating factors are estimated to generate an average premium rate change of approximately 8.3% versus previously filed rates for first quarter 2014 effective dates. The proposed premium rating factors reflect the following significant adjustments:

- Trend, *i.e.*, medical inflation and increased utilization;
- The exclusion of pediatric dental services;
- The morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015; and
- A reduction in retention components.

b. Premium Rate Calculation

Consumer Adjusted Premium Rates are calculated as the product of three factors:

- i. Plan Adjusted Index Rate (Calibrated);
- ii. Geographic rating area factor; and
- iii. Age factor.

Monthly Premium Rates to be charged to a specific individual group are determined by summing the Consumer Adjusted Premium Rates for each member of the group, provided at most three child dependents under age 21 for each family are taken into account. For groups electing composite rating, a composite premium will be calculated for members age 21 and older by averaging the Consumer Adjusted Premium Rates for each member age 21 and older. Similarly, a composite premium will be calculated for members under age 21 by averaging the Consumer Adjusted Premium Rate for all covered members under age 21. The composite premium will be applicable to members under age 21, provided at most three child dependents for each family are taken into account.

i. Plan Adjusted Index Rate (Calibrated)

A Plan Adjusted Index Rate (Calibrated) is the estimated cost to provide coverage under a given benefit plan design for a member with a geographic rating area factor and an age factor of 1.00. The Plan Adjusted Index Rates (Calibrated) are provided in Exhibit 1 of Attachment 2. The actuarial value, as calculated using the CMS Actuarial Value (AV) calculator, and metal tier for each plan are also shown in this exhibit.

ii. Geographic Rating Area Factors

The geographic rating area factor is based on the region of the employer's principal business location. The regions are defined by IDOI Bulletin 197, dated March 22, 2013. The geographic rating area factors are provided in Exhibit 2 of Attachment 2.

iii. Age Factors

Age factors are based upon each member's age as of the premium rate effective date. The HHS Default Standard Age Curve is used for the age factors and is provided in Exhibit 3 of Attachment 2.

c. Administration Fees

SIHO also provides, at the option of the policyholder, certain administrative services to groups that are not insurance related. These fees represent service fees unrelated to the insurance risk and will be charged in addition to the monthly premium rates.

Groups electing to have SIHO provide administration of COBRA provisions are charged a monthly per subscriber administration fee.

4. Projected Experience with Requested Rate Change

SIHO's anticipated experience for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3. The values reflect that rate changes occur on each group's renewal date during the year. We have assumed that premium rates will be increased quarterly in 2015 since we intend to submit quarterly rate filings.

5. Projected Experience without Requested Rate Change

The requested rate change is required in order to comply with federal laws and regulations effective January 2015. However, SIHO's anticipated experience without the requested rate change for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3.

6. Assumptions

The premium rates for this filing are based upon SIHO's recent and anticipated experience. SIHO's combined large group and small group point-of-service experience for the 12 months ending December 2013, representing 125,498 member months, provided the basis for the premium rates proposed in this filing. 2013 incurred claims PMPM were estimated to be \$329.92.

The following table illustrates how the point-of-service experience was adjusted for cost sharing changes, additional benefits, morbidity changes, reinsurance, and trend to estimate incurred claims for the 12 months beginning the first quarter of 2015 (1Q2015).

2013 Incurred Claims PMPM	\$329.92
Net Impact of Reinsurance	x 1.0147
Withhold	x 0.9784
Additional Benefits	x 1.0028
Population and Benefit Changes	x 1.0138
Morbidity Changes	x 1.0937
Trend	x 1.1776
Subtotal	\$428.84
Pediatric Vision	<u>\$0.75</u>
Estimated Incurred Claims PMPM for 1Q2015 Effective Dates	\$429.59

Note: Values have been rounded.

The net impact of reinsurance includes the estimated gross cost of specific stop loss and quota share reinsurance, less estimated recoveries. The net impact of reinsurance is not reflected in the 2013 incurred claims PMPM starting point.

The withhold adjustment removes the provider withhold from the experience period. A withhold is only incurred if SIHO achieves favorable operating performance.

Additional Benefits not covered during the experience period include private duty nursing and Temporomandibular joint disorder. Pediatric vision services are covered under a capitation agreement effective January 2015. Please note that pediatric dental services will not be covered within the policy beginning in 2015.

The adjustment due to population and benefit changes includes the impact of differences in age, area, and plan design between the projected population, which is SIHO's April 2014 small group book of business, and the experience period.

The adjustment due to morbidity changes reflects the morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity underlying the experience period. The adjustment factor is based upon an analysis of calibrated claims experience for SIHO small groups that continued and did not continue on non-ACA compliant policies in January 2014. The adjustment factor reflects that we

anticipate continued migration of small groups to ACA compliant policies during the remainder of 2014 and in 2015.

Net incurred annual trend of approximately 8.0% was applied for a total of 25.5 months to estimate claims experience for 1Q2015 effective dates. The 8.0% annual trend is the composite of medical trend of approximately 7.0% and prescription drug trend of approximately 14.3%. SIHO provided the medical trend estimate based upon anticipated changes in their provider contracts and a review of recent experience. The prescription drug trend estimate was developed using 2014 and 2015 projected trends from SIHO's pharmacy benefit manager for its health plan book of business and experience from 2010 to 2013 as reported by the pharmacy benefit manager for its health plan book of business and for SIHO. Prescription drug trend is expected to increase in comparison to our prior estimate due to rising utilization and unit price inflation for generic, brand, and specialty drugs, as well as the introduction of new specialty drugs.

The following table shows the adjustments made to the estimated incurred claims for 1Q2015 effective dates to estimate the required revenue.

<i>Estimated Incurred Claims PMPM for 1Q2015 Effective Dates</i>	<i>\$429.59</i>
Administrative Expense Load	\$48.58
Profit and Risk Load	\$63.24
Taxes and Fees	<u>\$8.48</u>
<i>Required Revenue PMPM</i>	<i>\$549.88</i>

Note: Values have been rounded.

The administrative expense load includes amounts for commissions, network access fees, and operating expenses. SIHO's small group commission schedule and network access fees are on a per employee per month (PEPM) basis. The PEPMs were applied to SIHO's small group membership as of April 2014, which is the basis for the projected membership. The resulting average PEPM was converted to a PMPM for the table above.

SIHO provided a PMPM assumption plus a percent of premium assumption for operating expenses. These estimates were developed by SIHO by applying anticipated changes in operating expenses to 2013 operating expenses and estimates of 2014 operating expenses. Operating expenses are expected to be lower on a PMPM basis in 2015 because SIHO affiliated companies have achieved economies of scale.

The proposed rates reflect a 6.0% profit and a 5.5% risk charge load converted to a PMPM for the table above. These loads were provided by SIHO and are applied to all products and plans.

The following taxes and fees are reflected in the table above:

- \$3.67 PMPM for the Federal Transitional Reinsurance Program;
- \$2.12 Per Member Per Year for the Patient Centered Outcomes Research Institute Fee;
- \$0.96 Per Member Per Year for the Risk Adjustment User Fee;

- \$0.43 PMPM for the Indiana Department of Insurance audit fees; and
- 0.75% for the Health Insurer Fee.

7. Premium Guarantee Provision

The policies are guaranteed renewable and will be sold on a guarantee of issue basis for group sizes of 2 – 50 lives.

8. Rating Factors

a. Rate Structure

The calculation of monthly premiums and the rating factors, including geographic rating area and age factors, were described in Section 3 above.

b. Non-benefit Expenses

Non-benefit expenses are included in the Plan Adjusted Index Rates (Calibrated) discussed in section 3 of this memorandum. The non-benefit expenses include amounts for administrative and other expenses, sales and marketing expenses, net cost of private reinsurance, taxes, fees, risk margin, and profit.

c. Impact of Contractual Arrangement

Contractual agreements with health care providers and administrators are expected to result in medical cost and premium changes in line with market averages.

9. Historical Experience

SIHO does not have business outside of Indiana so the information in this actuarial memorandum represents both Indiana and nationwide. SIHO's historical experience for policies under this form is provided in Exhibit 2 of Attachment 3.

a. Three Year Rate Change History

The three year rate change history for this form is shown in the table below.

Effective Date	Average Premium Rate Change versus Previously Filed Rates
January 2012	(3%)
January 2013	18%
January 2014	8%

b. Rate Changes Indicated and Requested

The requested rate change effective January 2015 for small group policies under this form is 8.3%. The requested rate change includes the impact of benefit plan changes required to comply with federal laws and regulations, such as changes to cost-sharing provisions, and the exclusion of pediatric dental services. The estimated impact of these benefit plan changes is 0.1%. The rate change indicated to achieve the target retention levels is the same as the change requested.

The maximum and minimum rate changes for a group are estimated to be approximately 118% and approximately -41%, respectively. Since most groups have not yet transitioned to plans where the ACA rating rules apply, the estimated rate changes reflect the change in rating rules in 2014 due to ACA. Under the rating methodology applicable to grandfathered plans, SIHO applies underwriting discretion factors ranging from 0.65 to 1.35, group size factors ranging from 1.0 to 1.2, and industry factors ranging from 0.95 to 1.05 to calculate premiums. Rate increases approach the 118% maximum rate increase when current rates are based on underwriting discretion factors, group size factors, and industry factors at the lower end of the ranges listed above coupled with increased demographic and benefit factors. Rate increases approach the -41% minimum when current rates are based on underwriting discretion factors, group size factors, and industry factors at the upper end of the ranges listed above coupled with decreased demographic factors.

SIHO does not target a specific loss ratio. Rather, retention components are established consistent with SIHO's administrative expense structure and its target underwriting margin. The retention components are added to the claim cost estimates in order to determine the total premium need. This approach does not result in a constant loss ratio target. The retention components as applied to SIHO's anticipated book of business for the 12 months beginning January 2015 result in an estimated effective target loss ratio of approximately 78.1%. This target loss ratio assumes that all groups renew 1Q2015 and it therefore reflects only 2015 rates and benefits. The target loss ratio has increased versus the prior filing primarily due to the reduction in SIHO's operating expenses.

10. Projection of Lifetime Target Loss Ratio

This section is not applicable to group HMO business.

11. Company Financial Position

SIHO's risk-based capital ratio as of December 31, 2013 was 472.8%.

C. CERTIFICATION AND ATTESTATIONS

I am a Consulting Actuary with the firm of Milliman, Inc. SIHO engaged me to provide this actuarial memorandum.

Guidelines issued by the American Academy of Actuaries require actuaries to include their professional qualifications in all actuarial communications. I am a member of the American Academy of Actuaries, and I meet its qualification standards to perform the analysis and render the actuarial opinion contained herein.

I believe this rate filing is in compliance with all applicable state and federal insurance statutes and regulations and with applicable actuarial standards of practice. I am familiar with the applicable statutory provisions of small group health insurance premium rating restrictions as contained in Indiana Code 27-8-15 and believe that this rate filing is in compliance with it.

I attest that the same premium rate is being charged without regard to whether the plan is offered through an Exchange, or whether the plan is offered directly from SIHO or through an agent.

This memorandum should not be interpreted as a guarantee that the rates will be adequate. The rates will be adequate if the assumptions underlying their development are realized. The adequacy of the rates will be dependent on numerous factors, many of which are not subject to management control (*e.g.*, medical care cost trends in the community, demographic characteristics of the enrollees, etc.).

In developing the rating factors and other values in this actuarial memorandum, I relied on data, other information, and assumptions provided by SIHO. I have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of the analysis may likewise be inaccurate or incomplete. I performed a limited review of the data used directly in the analysis for reasonableness and consistency and have not found material defects in the data. If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of my assignment.

**RE: JULY 7, 2014 QHP SMALL GROUP ON AND OFF-EXCHANGE OBJECTION
QUESTIONS (SERFF TRACKING NUMBER: SEIH-129537816)**

Dear Rick:

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This correspondence responds to the questions about the rate filing sent by the Indiana Department of Insurance to you on July 7, 2014. The questions from the Indiana Department of Insurance appear in bold italic font below and are followed by our responses.

LIMITATIONS

The letter is subject to the terms and conditions of the Consulting Services Agreement between SIHO and Milliman dated January 1, 2004. This letter has been prepared for the use of SIHO. We understand that this letter will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of this letter may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

In performing this analysis, we relied on data and other information provided by SIHO. We have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of our analysis may likewise be inaccurate or incomplete. We performed a limited review of the data used directly in our analysis for reasonableness and consistency and have not found material defects in the data.

If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of our assignment.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

RESPONSES

1) Please help us to understand what is driving the wide variation between the minimum increase of -41% and the maximum increase of 118%. When we looked at this in the prior filing, the reason had to do with moving from the previously applied rating factors to the more restrictive ACA-compliant rating factors. However, since the prior filing would have reflected these ACA-compliant factors, we would not have expected such a wide range between minimum and maximum increases for 2015. Please explain.

The wide variation between the estimated minimum rate increase of (41%) and maximum rate increase of 118% reflects the impact of groups moving from non-ACA compliant policies to ACA compliant policies during 2015.

Assuming all groups enroll in 2014 plans where the ACA rating rules apply, the minimum and maximum rate changes are estimated to be approximately (7%) and 35%, respectively. The variation in rate changes is primarily driven by the way groups were mapped from their policies during the experience period to 2014 and 2015 ACA compliant policies. Of the total membership impacted by this rating change, approximately 90% will see rate changes of between 0% and 16%.

Rate increases approach the 35% maximum when the renewal rates are based on groups enrolling in 2015 policies that are priced higher than their assumed 2014 policies. An example of such a situation would be groups transitioning from the Envision network to the Landmark Combined network, since the Envision network will no longer be offered in 2015.

2014 ACA compliant policies are subject to deductible limits that will not apply in 2015. When mapping groups, it was assumed that groups enrolled in higher deductible plans during the experience period would be required to transition to lower deductible plans in 2014, but may then elect to enroll in higher deductible plans in 2015 as they are reintroduced. Rate increases approach the (7%) minimum when such a situation is assumed to occur.

DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

- ~~1. An individual who is eligible to be a Participant may not enroll as a Dependent.~~
- ~~2.1.~~ Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.
2. Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.
3. [Working Spouse Rule: The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.
 - a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.
 - b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days after the Effective Date. The Effective Date of coverage for eligible Employees and Dependents enrolled during the initial open enrollment period will be _____. Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.
2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption. ~~+~~
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

E. Misstatement of Age If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.

F. Incontestability The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a

Formatted: Font: Bold

covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.

- | G. **Health Insurance Portability and Accountability Act of 1996** This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

“Actively Working” means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer. For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO’s discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a physiatrist or licensed physician overseeing the care on staff.

“Agreement” means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

“Alternative Health Benefits Plan” means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

“Appeals Hearing Committee” means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger’s disorder, Pervasive developmental disorder, Rett’s disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

| **"Centers of Excellence"** means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

| **"Clean Claim"** means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance

Formatted: Normal, Justified, Indent: Left: 0.5", No widow/orphan control, Tab stops: 0.5", Left + 1.5", Left + 2", Left + 2.5", Left + 3", Left + 3.5", Left + 4", Left + 4.5", Left + 5", Left + 5.5", Left + 6", Left + 6.5", Left

reasons; (4) performed in the most cost-effective setting appropriate for the injury or illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or "PCP" means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or "SNF" means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and **have** satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must- be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

▮

Formatted: Indent: Left: 1"

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- • In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
 - (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

Formatted: Indent: Left: 1.5", Hanging: 0.06"

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the ~~vertical~~vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions ~~relevant~~applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or —injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - Federally funded; or
 - Sponsored by FDA; or
 - A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- National Institutes of Health
- Centers for Disease Control
- Agency for Healthcare Research Quality
- Centers for Medicare and Medicaid Services
- Department of Defense
- Veterans Administration; or the
- Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from ~~Our Home Infusion Therapy~~ Administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

Formatted: Normal, Space After: 12 pt

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

Formatted: Normal

~~L. [Pediatric Dental Essential Benefit~~

Formatted: Indent: Left: 0.5", No bullets or numbering

~~The Health Plan provides Coverage for pediatric dental benefits as mandated under the ACA and further described in a separate point of service agreement made available to Enrollees.. Pediatric dental benefits are provided until the Child attains age 19.]~~

~~M. [Treatment of Morbid Obesity~~

Formatted: Indent: Left: 0.5", No bullets or numbering

The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.

9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. ~~Major~~ Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.
14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft ~~palate~~ palate. Covered Benefits also include anesthesia and hospital services for dental care for an

Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.

- 22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
- 23. The cost of durable medical equipment, except as provided in this Agreement.
- 24. The cost of prosthetic devices except as provided in this Agreement.
- 25. The cost of medical supplies except as provided in this Agreement.
- 26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.
- 27. Reversal of voluntary sterilization.
- 28. Genetic counseling.
- 29. Sex therapy and counseling.
- 30. Vocational rehabilitation.
- 31. Family or marriage counseling.
- 32. Blood tests required in order to obtain a marriage license.
- 33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
- 34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
- 35. Chiropractic or manipulative services except as provided in this Agreement.
- 36. Speech therapy, except as provided for in this Agreement.

37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.
42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services,

drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.

51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.
- 53:54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
- 54:55. ~~Abortion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.~~
- 55:56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.

2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for medically acceptable treatments for the condition otherwise covered by the Health Plan.
3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided.

If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have

Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:

- (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
- (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time).
- (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
- (4) The medical benefits coverage in group, group-type, and individual automobile "no-fault" and traditional "fault" type contracts.
- (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
- (6) Medical care components of long term care contracts, such as skilled nursing care.
- (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period

commencing on the anniversary of Employer's Coverage under this Health Plan.

- e. **"Primary" or "Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary" or "Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.

- (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
- (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
- (a) the Plan of the parent with custody of the Child is Primary;
 - (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
 - (c) the Plan of the parent without custody of the child is the last Plan to be Primary.

If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.

- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the

other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.

- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law,

rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.

3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment

applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

~~SIHO will notify the Employee and Employer in the event SIHO terminates Coverage under this Subsection.~~

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;

4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in ~~the Employer's~~this summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without

limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.

4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider,

within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. Claim Forms. Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.

3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);
5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.

- a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.

Formatted: Normal, Indent: Left: 0.44", First line: 0", Space After: 12 pt

- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.
- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.

- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.
- 2. Urgent Care Grievances. In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
- 3. Other Grievances. In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

- 1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
- 2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
- 3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";
8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.

3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.
7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.

10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.

2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461
Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.
2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.

- a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate, SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.
3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.

4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

Bartholomew	Marion
Brown	Martin
Cass	Monroe
Clark	Morgan
Crawford	Ohio
Daviess	Orange
Dearborn	Owen
Decatur	Perry
Dubois	Pike
Floyd	Posey
Franklin	Ripley
Gibson	Rush
Greene	Scott
Harrison	Shelby
Jackson	Spencer
Jefferson	Switzerland
Jennings	Vanderburgh
Johnson	Warrick
Knox	Washington
Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR:_____
ADDRESS:_____
PHONE NUMBER:(_____-_____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$__, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
[Biotech or Specialty Injectable Drugs other than insulin and anti neoplasm drugs [10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does [not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]	
[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited] [Rx defined as 1 to 30 day supply]	

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.}]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered. Affected Enrollees will be notified of the Step Therapy Program prior to it's effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee’s current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee’s Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

SCHEDULE OF BENEFITS
PEDIATRIC VISION ESSENTIAL BENEFIT

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
VISION CARE SERVICES	
Vision Examination	Covered in Full
VISION CARE MATERIALS	
Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees** Materials	Covered in Full Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)
---	--

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

| There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

D. Effective Date of Coverage	4
E. Misstatement of Age If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.	6
F. Incontestability The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.	6
G. Health Insurance Portability and Accountability Act of 1996 This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.	6

DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

1. Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.
2. Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.
3. [**Working Spouse Rule:** The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.
 - a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.
 - b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).

c.

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days

after the Effective Date. The Effective Date of coverage for eligible Employees and Dependents enrolled during the initial open enrollment period will be _____ . Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.

2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption.
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

- E. Misstatement of Age** If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.
- F. Incontestability** The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.
- G. Health Insurance Portability and Accountability Act of 1996** This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

"Actively Working" means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer. For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO’s discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a physiatrist or licensed physician overseeing the care on staff.

"Agreement" means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

"Alternative Health Benefits Plan" means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

"Appeals Hearing Committee" means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger’s disorder, Pervasive developmental disorder, Rett’s disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

"Centers of Excellence" means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

"Clean Claim" means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance reasons; (4) performed in the most cost-effective setting appropriate for the injury or

illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or "PCP" means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or "SNF" means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and have satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- • In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
- (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - Federally funded; or
 - Sponsored by FDA; or
 - A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- National Institutes of Health
- Centers for Disease Control
- Agency for Healthcare Research Quality
- Centers for Medicare and Medicaid Services
- Department of Defense
- Veterans Administration; or the
- Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from our home infusion therapy administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

[Treatment of Morbid Obesity

The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.
9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.

14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft palate. Covered Benefits also include anesthesia and hospital services for dental care for an Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.
22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
23. The cost of durable medical equipment, except as provided in this Agreement.
24. The cost of prosthetic devices except as provided in this Agreement.
25. The cost of medical supplies except as provided in this Agreement.
26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.

27. Reversal of voluntary sterilization.
28. Genetic counseling.
29. Sex therapy and counseling.
30. Vocational rehabilitation.
31. Family or marriage counseling.
32. Blood tests required in order to obtain a marriage license.
33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
35. Chiropractic or manipulative services except as provided in this Agreement.
36. Speech therapy, except as provided for in this Agreement.
37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.

42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services, drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.
51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.

54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
55. Abortion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.
56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.
2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for

medically acceptable treatments for the condition otherwise covered by the Health Plan.

3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided. If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.
- c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:
 - (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
 - (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance

Programs, of the United States Social Security Act, as amended from time to time).

- (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
- (4) The medical benefits coverage in group, group-type, and individual automobile “no-fault” and traditional “fault” type contracts.
- (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
- (6) Medical care components of long term care contracts, such as skilled nursing care.
- (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

- d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period commencing on the anniversary of Employer's Coverage under this Health Plan.
- e. **"Primary"** or **"Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary"** or **"Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.
 - (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
 - (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
 - (a) the Plan of the parent with custody of the Child is Primary;

- (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
- (c) the Plan of the parent without custody of the child is the last Plan to be Primary.

If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.

- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law, rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.
3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any

Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;
4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in this summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.
4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to

prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider, within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. **Claim Forms.** Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.
3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of

its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);

5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.

- a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.
- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.

- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.
- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.

2. **Urgent Care Grievances.** In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
3. **Other Grievances.** In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available

is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";

8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.
3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members

throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.

7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.
10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.
2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

H. Department of Insurance

Questions regarding your policy or coverage should be directed to:

SIHO Insurance Services
417 Washington St.
Columbus, IN 47203
(812) 378-7070

If you need the assistance of the governmental agency that regulates insurance; or have a complaint you have been unable to resolve with your insurer, you may contact the Department of Insurance by mail, telephone or email:

State of Indiana Department of Insurance
Consumer Services Division
311 West Washington Street, Suite 300
Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461

Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special

communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or

Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.

2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.
 - a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate,

SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.

3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.
4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

[Bartholomew	Marion
Brown	Martin
Cass	Monroe
Clark	Morgan
Crawford	Ohio
Daviess	Orange
Dearborn	Owen
Decatur	Perry
Dubois	Pike
Floyd	Posey
Franklin	Ripley
Gibson	Rush
Greene	Scott
Harrison	Shelby
Jackson	Spencer
Jefferson	Switzerland
Jennings	Vanderburgh
Johnson	Warrick
Knox	Washington]
Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR:_____
ADDRESS:_____
PHONE NUMBER:(_____)-_____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
---------	--

Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
-------------	--

[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$__, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
------------	---

[Biotech or Specialty Injectable Drugs other than insulin and anti neoplasm drugs
[10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does
[not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]

[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited]

[Rx defined as 1 to 30 day supply]

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered.

Affected Enrollees will be notified of the Step Therapy Program prior to its effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee's current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee's Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

SCHEDULE OF BENEFITS
PEDIATRIC VISION ESSENTIAL BENEFIT

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
VISION CARE SERVICES	
Vision Examination	Covered in Full
VISION CARE MATERIALS	
Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees**	Covered in Full
Materials	Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

**RE: JUNE 3, 2014 SMALL GROUP FILING OBJECTION QUESTIONS (SERFF TRACKING
NUMBER: SEIH-129537816)**

Dear Rick:

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This correspondence responds to the questions about the rate filing sent by the Indiana Department of Insurance to you on June 3, 2014. The questions from the Indiana Department of Insurance appear in bold italic font below and are followed by our responses.

LIMITATIONS

The letter is subject to the terms and conditions of the Consulting Services Agreement between SIHO and Milliman dated January 1, 2004. This letter has been prepared for the use of SIHO. We understand that this letter will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of this letter may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

In performing this analysis, we relied on data and other information provided by SIHO. We have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of our analysis may likewise be inaccurate or incomplete. We performed a limited review of the data used directly in our analysis for reasonableness and consistency and have not found

material defects in the data. If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of our assignment.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

RESPONSES

1) The Medical Experience Workbook should show 2014 projections both with and without rate increase. Please include those calculations.

Both the Medical Experience Workbook and Attachment 3 Exhibit 1 of SIHO's small group rate filing have been updated to show the 2015 projections both with and without the rate increase. Please note that the premium with rate revision from January 2015 to December 2015 has changed slightly due to the removal of the Tobacco Rating Factor in the updated rate filing.

2) Rate Review Detail shows an overall rate increase of 8.3% yet when you compare the Annualized PMPM for the Requested Rate to the Prior Rate it shows a 21% increase.

The change in the Premium Rate PMPM from 2014 to 2015 of approximately 21% differs from the estimated 8.3% average 12 month rate increase because they are for different time periods.

The approximately 21% increase in calendar year Premium Rate PMPM reflects that 2013 rates will continue until each group's renewal in 2014, then 2014 rates will continue until each group's renewal in 2015 when 2015 rates will become effective. It therefore reflects a weighted average of 2015 and 2014 rates in comparison to a weighted average of 2013 and 2014 rates.

The estimated 8.3% average 12 month rate increase measures the change in premiums PMPM effective 1Q2015 versus premiums PMPM effective 1Q2014. It therefore only reflects 1Q2015 rates in comparison to 1Q2014 rates.

The approximately 21% increase in calendar year Premium Rate PMPM is greater than the estimated 8.3% average 12 month rate increase because many groups renewed in late 2013 at lower premium rates (reflecting the impact of medical underwriting) than they would have renewed in 1Q2014 (without medical underwriting).

3) The small group claims experience shown in Exhibit 2 is slightly off from the incurred claims experience shown in the URRT. Is there any reason for this?

The small group claims experience shown in Exhibit 2 of Attachment 3 includes the net impact of private reinsurance. The incurred claims experience shown in the URRT does not include the net impact of private reinsurance as instructed in section 1 page 10 of the URRT instruction manual.

4) Please provide some additional information on the 9.37% Morbidity Changes assumption and how that was estimated.

The adjustment due to morbidity changes reflects the morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity underlying the experience period. The adjustment has two components:

(A) The morbidity of 2013 small groups in comparison to the morbidity underlying the experience period (SIHO's combined large group and small group point-of-service experience for the 12 months ending December 2013); and

(B) The morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity of small groups effective in January 2013.

The adjustments are based upon an analysis of 2013 calibrated claims experience, *i.e.* 2013 claims experience after calibration for area, age, and benefits. The (B) adjustment is based upon SIHO small groups that continued and did not continue on non-ACA compliant policies in January 2014, and also reflects that we anticipate continued migration of small groups to ACA compliant policies during the remainder of 2014 and in 2015.

The 1.0937 morbidity adjustment factor is the composite of 1.125 for medical and 0.930 for drug, which are presented in the table below.

	Medical	Drug
PMPM* for 2013 Small Groups	\$174.48	\$41.03
PMPM* for Experience Period	<u>\$186.40</u>	<u>\$39.60</u>
(A) Adjustment	0.936	1.036
PMPM* for Anticipated 2015 ACA-Compliant Small Groups	\$211.27	\$36.99
PMPM* for Small Groups Effective January 2013	<u>\$175.98</u>	<u>\$41.13</u>
(B) Adjustment	1.201	0.899
Morbidity Adjustment Factor = (A) * (B)	1.124	0.932
Morbidity Adjustment Factor, Rounded	1.125	0.930

* PMPMs are 2013 Calibrated Claims PMPMs.

Mr. Rick Kramer
June 23, 2014
Page 4

5) For reporting purposes, the Indiana Dept. of Insurance is interested in the composite trend. We have your trend assumptions for medical and pharmacy separately which is appreciated but could you also provide a composite trend?

As noted in section 6 of the Actuarial Memorandum, the composite medical and pharmacy annual claim trend is approximately 8.0%.

SOUTHEASTERN INDIANA HEALTH ORGANIZATION

Health Maintenance Organization Small Group Product Actuarial Memorandum Forms POS 97-03.052014 and QHP SG-05.2014

A. INTRODUCTION

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This actuarial memorandum has been prepared in accordance with Indiana insurance laws, specifically Section 27-8-15, and ACA Market Rating Rules. The purpose of this actuarial memorandum is to present the premium rates for SIHO's medical and prescription drug plans for small groups to be effective in the first quarter of 2015. This material should not be used for any other purpose.

This actuarial memorandum has been prepared for the use of SIHO. We understand that the actuarial memorandum will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of the actuarial memorandum may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

The rating factors were developed from information published in the Milliman Health Cost Guidelines, and applicable state and federal regulations, as well as from information provided by SIHO. The memorandum does not guarantee that the rates will be adequate. Rather, the filing shows that the rates will be adequate if the assumptions underlying their development are realized.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

B. STATE OF INDIANA 8.0 (A) AND 8.0 (B) SMALL GROUP RATE REQUIREMENTS

1. Benefit Structure

This is a group medical expense service agreement offered as a point of service or a health maintenance organization product. It provides for hospital, medical, and surgical expenses resulting from an eligible illness or injury. It also provides for prescription drug expenses and certain preventive care services. It is subject to various managed care provisions as described in the group certificate.

This policy provides for coverage of medical expenses with applicable member cost sharing, *i.e.*, co-payments, deductibles, and coinsurance amounts. Various benefit provisions are

available under this policy form. Covered benefits and copayment schedules have been included with the group certificates.

Attachment 1 provides a summary of benefit provisions for the benefit plan designs that are the subject of this actuarial memorandum. Complete descriptions of covered benefits and cost sharing arrangements are contained in the group certificates.

The benefit plan designs included in this rate filing will be sold to small employer groups in Indiana. All plans will be offered off-exchange. Four qualified health plans (QHPs), as noted below, will be offered on-exchange.

Pediatric dental services are no longer covered; rather the required pediatric dental services will be covered via a rider. There are no other changes in covered services from the most recent filing.

Cost-sharing amounts have been adjusted and several benefit plan designs will no longer be offered in order to comply with federal laws and regulations. New benefit plan designs, including QHPs, are also introduced. The QHPs are included in Exhibits 6 and 7 of Attachment 1. All will be offered off-exchange. In addition, the following QHPs will be offered on-exchange:

- QHP HMO HSA \$1,300/10%;
- QHP HMO \$3,500/0%;
- QHP HMO HSA \$2,000/20%; and
- QHP HMO HSA \$5,000/30%.

The prior SERFF tracking number was SEIH-129096393.

Covered services include the Indiana essential health benefits, inclusive of state mandated benefits. The following supplemental benefits are also covered:

- Diabetes education;
- Nutrition counseling; and
- An additional 3 chiropractic visits.

2. Current Rates

Section B.3 of the actuarial memorandum for the most recently approved rate filing describes the steps and factors used to determine group premiums. The most recently approved rate filing is included in SERFF tracking number SEIH-129096393.

3. Proposed Rates

a. Premium Rate Revision

The proposed premium rating factors are estimated to generate an average premium rate change of approximately 8.3% versus previously filed rates for first quarter 2014 effective dates. The proposed premium rating factors reflect the following significant adjustments:

- Trend, *i.e.*, medical inflation and increased utilization;
- The exclusion of pediatric dental services;
- The morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015; and
- A reduction in retention components.

b. Premium Rate Calculation

Consumer Adjusted Premium Rates are calculated as the product of three factors:

- i. Plan Adjusted Index Rate (Calibrated);
- ii. Geographic rating area factor; and
- iii. Age factor.

Monthly Premium Rates to be charged to a specific individual group are determined by summing the Consumer Adjusted Premium Rates for each member of the group, provided at most three child dependents under age 21 for each family are taken into account. For groups electing composite rating, a composite premium will be calculated for members age 21 and older by averaging the Consumer Adjusted Premium Rates for each member age 21 and older. Similarly, a composite premium will be calculated for members under age 21 by averaging the Consumer Adjusted Premium Rate for all covered members under age 21. The composite premium will be applicable to members under age 21, provided at most three child dependents for each family are taken into account.

i. Plan Adjusted Index Rate (Calibrated)

A Plan Adjusted Index Rate (Calibrated) is the estimated cost to provide coverage under a given benefit plan design for a member with a geographic rating area factor and an age factor of 1.00. The Plan Adjusted Index Rates (Calibrated) are provided in Exhibit 1 of Attachment 2. The actuarial value, as calculated using the CMS Actuarial Value (AV) calculator, and metal tier for each plan are also shown in this exhibit.

ii. Geographic Rating Area Factors

The geographic rating area factor is based on the region of the employer's principal business location. The regions are defined by IDOI Bulletin 197, dated March 22, 2013. The geographic rating area factors are provided in Exhibit 2 of Attachment 2.

iii. Age Factors

Age factors are based upon each member's age as of the premium rate effective date. The HHS Default Standard Age Curve is used for the age factors and is provided in Exhibit 3 of Attachment 2.

c. Administration Fees

SIHO also provides, at the option of the policyholder, certain administrative services to groups that are not insurance related. These fees represent service fees unrelated to the insurance risk and will be charged in addition to the monthly premium rates.

Groups electing to have SIHO provide administration of COBRA provisions are charged a monthly per subscriber administration fee.

4. Projected Experience with Requested Rate Change

SIHO's anticipated experience for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3. The values reflect that rate changes occur on each group's renewal date during the year. We have assumed that premium rates will be increased quarterly in 2015 since we intend to submit quarterly rate filings.

5. Projected Experience without Requested Rate Change

The requested rate change is required in order to comply with federal laws and regulations effective January 2015. However, SIHO's anticipated experience without the requested rate change for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3.

6. Assumptions

The premium rates for this filing are based upon SIHO's recent and anticipated experience. SIHO's combined large group and small group point-of-service experience for the 12 months ending December 2013, representing 125,498 member months, provided the basis for the premium rates proposed in this filing. 2013 incurred claims PMPM were estimated to be \$329.92.

The following table illustrates how the point-of-service experience was adjusted for cost sharing changes, additional benefits, morbidity changes, reinsurance, and trend to estimate incurred claims for the 12 months beginning the first quarter of 2015 (1Q2015).

2013 Incurred Claims PMPM	\$329.92
Net Impact of Reinsurance	x 1.0147
Withhold	x 0.9784
Additional Benefits	x 1.0028
Population and Benefit Changes	x 1.0138
Morbidity Changes	x 1.0937
Trend	x 1.1776
Subtotal	\$428.84
Pediatric Vision	<u>\$0.75</u>
Estimated Incurred Claims PMPM for 1Q2015 Effective Dates	\$429.59

Note: Values have been rounded.

The net impact of reinsurance includes the estimated gross cost of specific stop loss and quota share reinsurance, less estimated recoveries. The net impact of reinsurance is not reflected in the 2013 incurred claims PMPM starting point.

The withhold adjustment removes the provider withhold from the experience period. A withhold is only incurred if SIHO achieves favorable operating performance.

Additional Benefits not covered during the experience period include private duty nursing and Temporomandibular joint disorder. Pediatric vision services are covered under a capitation agreement effective January 2015. Please note that pediatric dental services will not be covered within the policy beginning in 2015.

The adjustment due to population and benefit changes includes the impact of differences in age, area, and plan design between the projected population, which is SIHO's April 2014 small group book of business, and the experience period.

The adjustment due to morbidity changes reflects the morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity underlying the experience period. The adjustment factor is based upon an analysis of calibrated claims experience for SIHO small groups that continued and did not continue on non-ACA compliant policies in January 2014. The adjustment factor reflects that we

anticipate continued migration of small groups to ACA compliant policies during the remainder of 2014 and in 2015.

Net incurred annual trend of approximately 8.0% was applied for a total of 25.5 months to estimate claims experience for 1Q2015 effective dates. The 8.0% annual trend is the composite of medical trend of approximately 7.0% and prescription drug trend of approximately 14.3%. SIHO provided the medical trend estimate based upon anticipated changes in their provider contracts and a review of recent experience. The prescription drug trend estimate was developed using 2014 and 2015 projected trends from SIHO's pharmacy benefit manager for its health plan book of business and experience from 2010 to 2013 as reported by the pharmacy benefit manager for its health plan book of business and for SIHO. Prescription drug trend is expected to increase in comparison to our prior estimate due to rising utilization and unit price inflation for generic, brand, and specialty drugs, as well as the introduction of new specialty drugs.

The following table shows the adjustments made to the estimated incurred claims for 1Q2015 effective dates to estimate the required revenue.

<i>Estimated Incurred Claims PMPM for 1Q2015 Effective Dates</i>	<i>\$429.59</i>
Administrative Expense Load	\$48.58
Profit and Risk Load	\$63.24
Taxes and Fees	<u>\$8.48</u>
<i>Required Revenue PMPM</i>	<i>\$549.88</i>

Note: Values have been rounded.

The administrative expense load includes amounts for commissions, network access fees, and operating expenses. SIHO's small group commission schedule and network access fees are on a per employee per month (PEPM) basis. The PEPMs were applied to SIHO's small group membership as of April 2014, which is the basis for the projected membership. The resulting average PEPM was converted to a PMPM for the table above.

SIHO provided a PMPM assumption plus a percent of premium assumption for operating expenses. These estimates were developed by SIHO by applying anticipated changes in operating expenses to 2013 operating expenses and estimates of 2014 operating expenses. Operating expenses are expected to be lower on a PMPM basis in 2015 because SIHO affiliated companies have achieved economies of scale.

The proposed rates reflect a 6.0% profit and a 5.5% risk charge load converted to a PMPM for the table above. These loads were provided by SIHO and are applied to all products and plans.

The following taxes and fees are reflected in the table above:

- \$3.67 PMPM for the Federal Transitional Reinsurance Program;
- \$2.12 Per Member Per Year for the Patient Centered Outcomes Research Institute Fee;
- \$0.96 Per Member Per Year for the Risk Adjustment User Fee;

- \$0.43 PMPM for the Indiana Department of Insurance audit fees; and
- 0.75% for the Health Insurer Fee.

7. Premium Guarantee Provision

The policies are guaranteed renewable and will be sold on a guarantee of issue basis for group sizes of 2 – 50 lives.

8. Rating Factors

a. Rate Structure

The calculation of monthly premiums and the rating factors, including geographic rating area and age factors, were described in Section 3 above.

b. Non-benefit Expenses

Non-benefit expenses are included in the Plan Adjusted Index Rates (Calibrated) discussed in section 3 of this memorandum. The non-benefit expenses include amounts for administrative and other expenses, sales and marketing expenses, net cost of private reinsurance, taxes, fees, risk margin, and profit.

c. Impact of Contractual Arrangement

Contractual agreements with health care providers and administrators are expected to result in medical cost and premium changes in line with market averages.

9. Historical Experience

SIHO does not have business outside of Indiana so the information in this actuarial memorandum represents both Indiana and nationwide. SIHO's historical experience for policies under this form is provided in Exhibit 2 of Attachment 3.

a. Three Year Rate Change History

The three year rate change history for this form is shown in the table below.

Effective Date	Average Premium Rate Change versus Previously Filed Rates
January 2012	(3%)
January 2013	18%
January 2014	8%

b. Rate Changes Indicated and Requested

The requested rate change effective January 2015 for small group policies under this form is 8.3%. The requested rate change includes the impact of benefit plan changes required to comply with federal laws and regulations, such as changes to cost-sharing provisions, and the exclusion of pediatric dental services. The estimated impact of these benefit plan changes is 0.1%. The rate change indicated to achieve the target retention levels is the same as the change requested.

The maximum and minimum rate changes for a group are estimated to be approximately 118% and approximately -41%, respectively. Since most groups have not yet transitioned to plans where the ACA rating rules apply, the estimated rate changes reflect the change in rating rules in 2014 due to ACA. Under the rating methodology applicable to grandfathered plans, SIHO applies underwriting discretion factors ranging from 0.65 to 1.35, group size factors ranging from 1.0 to 1.2, and industry factors ranging from 0.95 to 1.05 to calculate premiums. Rate increases approach the 118% maximum rate increase when current rates are based on underwriting discretion factors, group size factors, and industry factors at the lower end of the ranges listed above coupled with increased demographic and benefit factors. Rate increases approach the -41% minimum when current rates are based on underwriting discretion factors, group size factors, and industry factors at the upper end of the ranges listed above coupled with decreased demographic factors.

SIHO does not target a specific loss ratio. Rather, retention components are established consistent with SIHO's administrative expense structure and its target underwriting margin. The retention components are added to the claim cost estimates in order to determine the total premium need. This approach does not result in a constant loss ratio target. The retention components as applied to SIHO's anticipated book of business for the 12 months beginning January 2015 result in an estimated effective target loss ratio of approximately 78.1%. This target loss ratio assumes that all groups renew 1Q2015 and it therefore reflects only 2015 rates and benefits. The target loss ratio has increased versus the prior filing primarily due to the reduction in SIHO's operating expenses.

10. Projection of Lifetime Target Loss Ratio

This section is not applicable to group HMO business.

11. Company Financial Position

SIHO's risk-based capital ratio as of December 31, 2013 was 472.8%.

C. CERTIFICATION AND ATTESTATIONS

I am a Consulting Actuary with the firm of Milliman, Inc. SIHO engaged me to provide this actuarial memorandum.

Guidelines issued by the American Academy of Actuaries require actuaries to include their professional qualifications in all actuarial communications. I am a member of the American Academy of Actuaries, and I meet its qualification standards to perform the analysis and render the actuarial opinion contained herein.

I believe this rate filing is in compliance with all applicable state and federal insurance statutes and regulations and with applicable actuarial standards of practice. I am familiar with the applicable statutory provisions of small group health insurance premium rating restrictions as contained in Indiana Code 27-8-15 and believe that this rate filing is in compliance with it.

I attest that the same premium rate is being charged without regard to whether the plan is offered through an Exchange, or whether the plan is offered directly from SIHO or through an agent.

This memorandum should not be interpreted as a guarantee that the rates will be adequate. The rates will be adequate if the assumptions underlying their development are realized. The adequacy of the rates will be dependent on numerous factors, many of which are not subject to management control (*e.g.*, medical care cost trends in the community, demographic characteristics of the enrollees, etc.).

In developing the rating factors and other values in this actuarial memorandum, I relied on data, other information, and assumptions provided by SIHO. I have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of the analysis may likewise be inaccurate or incomplete. I performed a limited review of the data used directly in the analysis for reasonableness and consistency and have not found material defects in the data. If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of my assignment.

DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

1. Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.
2. Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.
3. [**Working Spouse Rule:** The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.
 - a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.
 - b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days after the Effective Date. The Effective Date of coverage for eligible Employees

and Dependents enrolled during the initial open enrollment period will be _____ . Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.

2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption.
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

E. Misstatement of Age

If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days.

F. Incontestability

The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.

G. Health Insurance Portability and Accountability Act of 1996

This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

"Actively Working" means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer. For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO's discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a physiatrist or licensed physician overseeing the care on staff.

"Agreement" means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

"Alternative Health Benefits Plan" means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

"Appeals Hearing Committee" means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger's disorder, Pervasive developmental disorder, Rett's disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

"Centers of Excellence" means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

"Clean Claim" means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance reasons; (4) performed in the most cost-effective setting appropriate for the injury or

illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or "PCP" means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or "SNF" means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and have satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
 - (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - Federally funded; or
 - Sponsored by FDA; or
 - A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- National Institutes of Health
- Centers for Disease Control
- Agency for Healthcare Research Quality
- Centers for Medicare and Medicaid Services
- Department of Defense
- Veterans Administration; or the
- Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from our home infusion therapy administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

L. [Treatment of Morbid Obesity

The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.
9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.

14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft palate. Covered Benefits also include anesthesia and hospital services for dental care for an Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.
22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
23. The cost of durable medical equipment, except as provided in this Agreement.
24. The cost of prosthetic devices except as provided in this Agreement.
25. The cost of medical supplies except as provided in this Agreement.
26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.

27. Reversal of voluntary sterilization.
28. Genetic counseling.
29. Sex therapy and counseling.
30. Vocational rehabilitation.
31. Family or marriage counseling.
32. Blood tests required in order to obtain a marriage license.
33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
35. Chiropractic or manipulative services except as provided in this Agreement.
36. Speech therapy, except as provided for in this Agreement.
37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.

42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services, drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.
51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.

54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
55. Abortion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.
56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.
2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for

medically acceptable treatments for the condition otherwise covered by the Health Plan.

3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided. If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.
- c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:
 - (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
 - (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance

Programs, of the United States Social Security Act, as amended from time to time).

- (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
- (4) The medical benefits coverage in group, group-type, and individual automobile “no-fault” and traditional “fault” type contracts.
- (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
- (6) Medical care components of long term care contracts, such as skilled nursing care.
- (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

- d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period commencing on the anniversary of Employer's Coverage under this Health Plan.
- e. **"Primary"** or **"Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary"** or **"Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.
 - (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
 - (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
 - (a) the Plan of the parent with custody of the Child is Primary;

- (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
- (c) the Plan of the parent without custody of the child is the last Plan to be Primary.

If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.

- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law, rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.
3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any

Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;
4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in this summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.
4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to

prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider, within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. **Claim Forms.** Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.
3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of

its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);

5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.

- a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.
- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.

- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.
- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.

2. **Urgent Care Grievances.** In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
3. **Other Grievances.** In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available

is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";

8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.
3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members

throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.

7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.
10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.
2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

H. Department of Insurance

Questions regarding your policy or coverage should be directed to:

SIHO Insurance Services
(812) 378-7070

If you need the assistance of the governmental agency that regulates insurance; or have a complaint you have been unable to resolve with your insurer, you may contact the Department of Insurance by mail, telephone or email:

State of Indiana Department of Insurance
Consumer Services Division
311 West Washington Street, Suite 300
Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461
Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.

2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.
 - a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate, SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If

Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.

3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.
4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

Bartholomew	Marion
Brown	Martin
Cass	Monroe
Clark	Morgan
Crawford	Ohio
Daviess	Orange
Dearborn	Owen
Decatur	Perry
Dubois	Pike
Floyd	Posey
Franklin	Ripley
Gibson	Rush
Greene	Scott
Harrison	Shelby
Jackson	Spencer
Jefferson	Switzerland
Jennings	Vanderburgh
Johnson	Warrick
Knox	Washington
Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR:_____
ADDRESS:_____
PHONE NUMBER:(_____)-_____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
---------	---

Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
-------------	---

[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$__, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
------------	--

[Biotech or Specialty	Injectable Drugs other than insulin and anti neoplasm drugs [10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does [not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]
-----------------------	--

[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited]

[Rx defined as 1 to 30 day supply]

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered.

Affected Enrollees will be notified of the Step Therapy Program prior to its effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee's current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee's Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

SCHEDULE OF BENEFITS
PEDIATRIC VISION ESSENTIAL BENEFIT

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
VISION CARE SERVICES	
Vision Examination	Covered in Full
VISION CARE MATERIALS	
Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees**	Covered in Full
Materials	Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

DECLARATIONS

A. Agreement to Offer Plan

Employer agrees to offer SIHO's Health Plan to Employees and Dependents.

B. Term

The term of this Agreement begins on the Effective Date of coverage agreed upon between the employer and SIHO.

C. Eligibility

The eligibility of Employees and Dependents to enroll in the Health Plan will be defined in terms of the eligibility requirements in Article II subject to the following limitations:

~~1. An individual who is eligible to be a Participant may not enroll as a Dependent.~~

~~2.1.~~ Employer will provide SIHO with a description of its eligibility requirements prior to the execution of this Agreement. SIHO deems Employer's composition and eligibility requirements on the effective date of this Agreement as material to the execution of this Agreement. During the term of this Agreement, no changes in Employer's eligibility requirements are permitted to affect eligibility or enrollment in the Health Plan unless SIHO and the Employer agree to the change.

~~2.~~ Each person making application outside of open enrollment to be a Participant is required to provide evidence of a qualifying event for coverage, excluding newborns and adopted children.

~~3. **[Working Spouse Rule: The purpose of the Working Spouse Rule is to share the costs of the medical expenses with other plans or insurance carriers when the spouse of an Employee is eligible for medical coverage where the spouse is employed.**~~

~~a. If a spouse of an eligible Employee is employed with a company which offers group medical insurance coverage and that spouse is eligible for that plan, that spouse will not be eligible for this Plan.~~

~~b. If the spouse is employed with a company that does not offer group medical coverage or is ineligible to be enrolled, the spouse may be enrolled in this Plan at the current applicable rate. (A statement from the spouse's employer that verifies they have no coverage available with that employer will be required).~~

D. Effective Date of Coverage

1. Open Enrollment Period Periodic Open Enrollment periods will be held each year prior to the Effective Date of Coverage. The Open Enrollment Period will commence forty-five (45) days prior to the Effective Date and end thirty (30) days after the Effective Date. The Effective Date of coverage for eligible Employees and Dependents enrolled during the initial open enrollment period will be _____. Annual Open Enrollment Periods may be held at different time intervals as mutually agreed upon by the parties.
2. New Hires A newly hired employee will become a Participant in the Health Plan on the 1st day of the month following the date on which the Employee satisfies the eligibility requirements in Article II.
3. Newborn & Adopted Child Coverage is automatic for newborn children and newly adopted children during the first 31 days of their eligibility. Coverage for newborns and newly adopted children will continue beyond the first 31 days as long as they are enrolled within 31 days of becoming eligible, the applicable enrollment fees have been paid, and other provisions of this Agreement have been met. Newborn children will be treated as Dependents from birth. Legally adopted children will be treated as Dependents from the earlier of the date of placement for the purpose of adoption; or the date of the entry of an order granting the adoptive Participant custody of the Child for purposes of adoption. ~~---~~
4. Special Enrollment If an individual does not enroll himself or dependents in the Health Plan during open enrollment, the individual may be eligible to enroll himself and his dependents in the Health Plan in a special enrollment if he or his dependents experience a qualifying life event, such as marriage, divorce, or involuntary loss of coverage. To qualify for this special enrollment, the individual must submit an enrollment form within 30 days after the other health coverage ends and provide sufficient information to establish that the individual lost the other health coverage involuntarily, if applicable. The effective date of coverage for special Enrollees is the eligible date of the qualifying life event. If an individual or his Dependents lose coverage under Medicaid or a state child health program the individual has 60 days after the coverage ends to enroll in the Health Plan.
5. Late Enrollment If an individual fails to enroll during an open enrollment period or within 31 days of becoming newly eligible, the individual must wait for an open enrollment period to enroll unless the individual qualifies for special enrollment.

- E. Misstatement of Age** If premium fees and/or benefits are based upon age, and a misstatement of age is discovered, the corrected benefits and premium fees will be adjusted retroactively for 60 days. ~~---~~

- F. Incontestability** The validity of the policy may not be contested, except for nonpayment of premiums, after the policy has been in force for 2 years. No statement made by a

Formatted: Font: Bold

covered person, relating to the covered person, will be used in contesting the validity of the coverage unless the statement is in written form and signed by the covered person.

- | G. **Health Insurance Portability and Accountability Act of 1996** This policy complies with the provisions of HIPAA and provides portability and guaranteed renewability as described in this federal regulation.

Formatted: Font: Not Bold

I. GENERAL PROVISIONS

A. Definitions

Wherever used in this document, the following words and terms, when capitalized, have the following meanings, unless a different meaning is clearly indicated by the context.

“ACA” means the Patient Protection and Affordable Care Act, as amended (including the amendments contained in the Health Care and Education Affordability Reconciliation Act of 2010), and all applicable regulations issued hereunder.

“Actively Working” means working on a regular, (full-time as determined in accordance with the ACA) basis, performing customary duties of a job for Employer .For purposes of this definition work can be performed at Employer's regular place of business, or at any location where the individual is required to travel for the job, and any day of regular paid vacation or any non-working holiday may be considered as a regular day of work. (See the definition of “Coverage During a Leave of Absence” for information specifically to employees who are not Actively Working and on a leave of absence.) At SIHO’s discretion small business owners may be considered Actively Working full-time with fewer hours than defined under the ACA. If the Employer imposes a waiting period for participation in the Plan, then for purposes of determining when an individual's Coverage begins, the individual will be considered Actively Working if the individual is absent from work due to any health factor.

“Acute Rehabilitation Hospital” means a licensed and accredited institution which provides professional services to those needing intensive therapies to regain normal body function. Services include: physical, occupational, pulmonary and speech therapies. Services must be delivered by a licensed therapist for a minimum of 3 hours per day, and the institution must have 24 hour nursing by a licensed nurse under the direction of a full-time RN, complete medical records for each patient, utilization review and discharge plan, and a psychiatrist or licensed physician overseeing the care on staff.

“Agreement” means this Employer Certificate of Coverage, including all attachments, endorsements, amendments, and addenda.

“Alternative Health Benefits Plan” means any health benefits plan or plans that Employer designates as an alternative to the Health Plan set forth in this Agreement.

“Appeals Hearing Committee” means a committee designated by SIHO to investigate appeals of decisions on Grievances.

“Autism Spectrum Disorder (ASD)” means a group of developmental brain disorders including: classic Autism, Asperger’s disorder, Pervasive developmental disorder, Rett’s disorder, and Childhood disintegrative disorder. ASD is diagnosed according to the most current guidelines listed in the Diagnostic and Statistical Manual of Mental Disorders.

| **"Centers of Excellence"** means a specialized network of providers that have expertise in the transplantation of human organs and tissues with whom SIHO has a contract to provide transplant services to Enrollees. Networks considered to be Centers of Excellence are determined by SIHO and/or its reinsurance carrier.

"Child" or **"Children"** means any of the following individuals age 25 or under:

- a. A Participant's natural born child;
- b. A Participant's stepchild;
- c. A Participant's legally adopted child, from the earlier of the date of placement for adoption or the date of entry of an order granting the Participant custody of the child for the purpose of adoption;
- d. Any child for whom the Participant is subject to legal guardianship or legal custody
- e. Any child for whom the Participant is legally responsible for Medical Care by a qualified medical child support order, as defined in ERISA.

"Claim" means any claim for benefits under the Health Plan, including Urgent Care Claims, Concurrent Care Claims, Pre-Service Claims and Post-Service Claims.

| **"Clean Claim"** means a claim received by SIHO with all the information needed to complete the review of the claim and apply the appropriate benefit or exclusion provision. SIHO will pay or deny a clean claim within 30 days of submission if filed electronically or 45 days of submission if filed via paper.

"COBRA" means the health continuation coverage provisions of the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended from time to time.

"Coinsurance" means the percentage of covered charges for which an Enrollee is responsible under the terms of this Agreement.

"Concurrent Care Claim" means any Claim with respect to an ongoing course of treatment provided over a period of time or number of treatments that SIHO has approved.

"Consulting Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is not a Participating Provider, but who or which has entered into a contractual arrangement with SIHO to provide services within the range of a designated specialty area of practice.

"Continuation Coverage" means Coverage provided under this Agreement in accordance with the provisions of Article XI.

"Contributory Coverage" means Coverage for which Employer may require Participants to make contributions.

"Copayment" means a specific amount as set forth in Article IV that an Enrollee must pay in connection with the receipt of services.

"Coverage" means coverage for an Enrollee under the Health Plan.

"Coverage During a Leave of Absence" means that medical coverage in place for a Participant may continue for 12 weeks from the last date worked. Once this is exhausted, the Participant and applicable Dependents are terminated from the plan and could be offered COBRA or an Individual Continuation of Benefits plan (see Articles X and XI).

"Covered Benefits" means the Medical Care specified in this Agreement for which benefits will be provided. In order to be considered a Covered Benefit, charges for the Medical Care must be incurred while the Enrollee's Coverage is in force.

"Custodial Care" means care or service that is primarily designed to assist an Enrollee in the activities of daily living or is provided in order to maintain the Enrollee's state of health and cannot be expected to improve a medical condition. Custodial Care can be performed by individuals without professional skills. Custodial Care includes, but is not limited to:

- a. Administration of medicines, dressings or therapies that can be self-administered;
- b. Routine monitoring of vital signs; and
- c. Help in walking, getting in and out of bed, bathing, dressing, and eating.

"Deductible" means the specified dollar amount of covered charges that an Enrollee must pay before benefits that are subject to the Deductible will be paid.

"Delegated Network" means an organization contracted with SIHO to provide a network of health care providers. Designated as "in-network" with respect to the Health Plan.

"Dependent" means a Child or spouse of a Participant who meets the Dependent eligibility requirements of this Agreement, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Designated Representative" means an individual who represents and acts on behalf of an Enrollee, and may be, without limitation, a provider. As used in Article XIII, Procedures for Claiming Benefits, all references to an Enrollee or claimant will also include the Enrollee's or claimant's Designated Representative.

“Eligible Charges” for services provided by a Participating Provider shall mean the lesser of billed charges or the contracted rates between the provider and SIHO for Covered Benefits. For services provided by Non-Participating Providers, eligible Charges shall mean the lesser of the providers’ billed charges or the most recently published Medicare reimbursement rates for the Covered Benefits provided, except for emergency services which are calculated as described in Article IV.

"Emergency Accident" or "Emergency Illness" means a medical condition of such an acute nature that a prudent person, with average knowledge of medicine and health, would believe that the absence of immediate medical attention could result in serious medical complications, loss of life, serious impairment of bodily functions, or serious dysfunction of any bodily organ or part.

"Employee" means an individual who is employed by the Employer (other than as a temporary employee) and receives compensation from the Employer that the Employer initially reports on a Federal Wage and Tax Statement (Form W-2).

"Employer" means the entity that signs this Agreement and any affiliated entity that has adopted the Health Plan.

"Enrollee" means any Participant or Dependent.

“Evidenced Based Pharmacy Plan (EBPP)” means a prescription drug benefit plan available to Enrollees with specified chronic medical conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.

"Experimental" or "Investigational" means any treatment, equipment, technology, drug, procedure or supply that does not satisfy all of the following requirements:

- a. The treatment, equipment, technology, drug, procedure or supply has received final approval from the appropriate governmental regulatory bodies;
- b. Scientific evidence permits conclusions concerning the effect of the treatment, equipment, technology, drug, procedure or supply on health outcomes;
- c. The treatment, equipment, technology, drug, procedures or supply improves the net health outcome;
- d. The improvement is attainable outside the research setting; and
- e. The treatment, equipment, technology, drug, procedure or supply is generally accepted as standard medical treatment of the condition being treated.

In addition, clinical trials for which the law requires coverage are not considered “Experimental” or “Investigational.”

"Grievance" means an expression of dissatisfaction, either oral or written, regarding the availability, delivery, appropriateness, or quality of Medical Care; handling or payment of claims for health care services; or matters pertaining to the contractual relationship between the Participant and the Health Plan.

"Health Plan" means the SIHO group health care delivery plan as set forth in this Agreement.

"Health Plan Medical Director" means the physician(s), or his appointee, designated by SIHO to provide clinical oversight of SIHO's medical management.

"Health Plan Enrollee Services" means the SIHO office that is primarily responsible for responding to the concerns and questions of Enrollees about Health Plan Coverage and procedures and for handling Claims.

"Individual Health Care Provider" means an individual licensed to provide health services.

"Inherited Metabolic Disease" means a disease caused by inborn errors of amino acid, organic acid, or urea cycle metabolism and treatable by the dietary restriction of one or more amino acids.

"Inpatient Rehabilitation Services" means those services that are part of a separate and distinct inpatient program that provides highly skilled rehabilitation care.

"Institutional Health Care Provider" means a facility licensed to provide health services.

"Long Term Acute Care Hospital (LTACH) Services" means comprehensive inpatient services in a licensed acute care hospital for patients who require specialized, complex services, and are stable enough to move to an LTACH. These services require daily physician monitoring and intensive nursing care, generally with a length of stay of twenty-five (25) days or more. Examples include ventilator dependent patients and patients requiring wound care management, IV therapy, dialysis, and telemetry. Intensive Care Unit days are not considered LTACH Services.

"Medical Food" means a formula that is intended for the dietary treatment of a disease or condition for which nutritional requirements are established by medical evaluation and formulated to be consumed or administered entirely under the direction of a physician.

"Medically Necessary" means Medical Care that is (1) consistent with the diagnosis of and prescribed course of treatment for the Enrollee's illness or injury; (2) required to treat the Enrollee's illness or injury; (3) not provided solely for the convenience of the Enrollee or provider and not required solely for Custodial Care or for comfort or maintenance

Formatted: Normal, Justified, Indent: Left: 0.5", No widow/orphan control, Tab stops: 0.5", Left + 1.5", Left + 2", Left + 2.5", Left + 3", Left + 3.5", Left + 4", Left + 4.5", Left + 5", Left + 5.5", Left + 6", Left + 6.5", Left

reasons; (4) performed in the most cost-effective setting appropriate for the injury or illness; (5) not Experimental or Investigational; (6) appropriate treatment according to generally accepted medical standards and rendered at the frequency that is accepted in the medical community; (7) likely to be effective in treating the injury or illness; and (8) not excessive in scope, duration, or intensity to provide safe, adequate, and appropriate treatment to the Enrollee. The fact that a physician prescribes, orders, recommends, or approves the Medical Care does not necessarily mean that the Medical Care is Medically Necessary.

"Medical Care" means the services and supplies that Individual Health Care Providers or Institutional Health Care Providers provide within the scope of their licenses and any of the medical supplies and ancillary services listed in Article IV.

"Medicare" means the program of medical care benefits for the aged and disabled described in Title XVIII of the federal Social Security Act of 1965, as amended.

"Morbid Obesity" means (1) a body mass index of at least 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes; or (2) a body mass index of at least 40 kilograms per meter squared without comorbidity.

"Network Benefit" means a Covered Benefit provided by a Participating Provider or, with prior written authorization from the Health Plan Medical Director, by a Consulting Provider or Non-Participating Provider.

"Never Events" mean serious reportable adverse events as defined by the National Quality Forum (NQF), or other national bodies, including but not limited to Health and Human Services (HHS). Medical errors that should never happen.

"Non-Network Benefit" means a Covered Benefit rendered by a Consulting Provider or Non-Participating Provider, without prior written authorization from the Health Plan Medical Director.

"Non-Participating Provider" means any Individual Health Care Provider or Institutional Health Care Provider who or which is neither a Participating Provider nor a Consulting Provider.

"Participant" means an individual who is an Employee, has enrolled in the Health Plan, and has paid (and SIHO has received) the enrollment fee required by this Agreement.

"Participating Physician" means a doctor of medicine, osteopathy, or oral surgery who is a Participating Provider.

"Participating Provider" means an Individual Health Care Provider or an Institutional Health Care Provider who or which, at the time care is rendered to an Enrollee, has a provider agreement in effect with SIHO or its Delegated Network.

"Post-Service Claim" means any Claim for benefits under the Health Plan that is not a Pre-Service Claim, Urgent Care Claim or Concurrent Care Claim.

"Precertification" means the process used to determine that Medical Care is Medically Necessary before it is provided to the Enrollee. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification.

"Pregnancy" means the condition of being pregnant and includes childbirth, spontaneous abortion, or miscarriage.

"Pre-Service Claim" means any Claim for benefits under the Health Plan for which the Health Plan requires Precertification.

"Prevailing Rates" means the rates generally prevailing in the Service Area for medical, surgical, hospital and related health care services.

"Preventive Health Benefits Guidelines" means the guidelines established by SIHO in accordance with the ACA that describe the schedules for receiving preventive health care services in accordance with the Agreement.

"Primary Care Physician" or **"PCP"** means a Participating Physician specializing in general practice, family practice, internal medicine, or pediatrics.

"Service Area" means the geographic area set forth in Attachment A.

"SIHO" means Southeastern Indiana Health Organization, Inc., an Indiana corporation operating as a health maintenance organization under Indiana Code § 27-13-1-1 et seq.

"Skilled Nursing Facility" or **"SNF"** means a licensed institution, as defined in Medicare, 42 U.S.C. § 1395x (j), that is primarily engaged in providing skilled nursing facility services and related services. "Skilled Nursing Facility" does not mean a facility that operates primarily for the aged, alcoholics, or drug addicts, for treatment of nervous disorders or mental disease, or for rest, educational, or Custodial Care purposes. It also does not include a community-based residential treatment facility or a community re-entry program.

"Urgent Care Claim" means any Claim, if processing the Claim within the Health Plan's normal time frames (1) could seriously jeopardize an Enrollee's life, health, or ability to regain maximum function; or (2) in the opinion of a physician with knowledge of the Enrollee's medical condition, would subject the Enrollee to severe pain that cannot be adequately managed without the Medical Care requested in the Claim.

B. Rules of Construction

1. Words used in the masculine gender will be construed to include the feminine gender, where appropriate, and vice versa.

2. Words used in the singular will be construed to include the plural, where appropriate, and vice versa.
3. The headings and subheadings in this Agreement are inserted for convenience of reference only and are not to be considered in the construction of any provision of the Agreement.
4. If any provision of this Agreement or the Health Plan is held to violate any state or federal law or to be invalid for any other reason, that provision will be deemed to be null and void. The invalidation of a provision will not otherwise impair or affect the remainder of the Agreement.
5. The Agreement will be construed and governed in all respects under and by the internal laws of the State of Indiana.
6. As an HMO, SIHO operates primarily on the basis of arranging for network services on a negotiated rate, direct service basis rather than an indemnity basis. This Agreement will be interpreted with this prepaid, direct service nature of SIHO's services in mind.

II. ELIGIBILITY

Unless SIHO and Employer agree otherwise, the following eligibility rules apply:

A. Participant Eligibility

To enroll as a Participant an individual must reside in the Service Area and must be Actively Working for the Employer and **have** satisfied the Employer's applicable waiting period and other criteria for eligibility established by the Employer.

B. Dependent Eligibility

To enroll as a Dependent an individual must- be:

1. The spouse of a Participant, except a divorced spouse; or
2. A Child

A Dependent Child's Coverage will terminate when the Child attains the age of 26, unless the Child has a mental or physical disability that manifested itself prior to the age of 26 and renders the Child incapable of self-sustaining employment and the Child depends upon the Participant for support and maintenance.

The Participant must furnish SIHO with proof of the Dependent's incapacity within 120 days of the date the Child attained the age of 26 and at each subsequent open enrollment period. SIHO may continue to require such proof at

reasonable times each year except that, after the first two years, SIHO may not request proof more than once a year.

Formatted: Indent: Left: 1"

C. Other Rules of Eligibility

1. No one will be denied enrollment or re-enrollment in the Health Plan because of health status, requirements for Medical Care, or the existence of a pre-existing physical or mental condition.
2. No one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A3, for failure to furnish information or furnishing incorrect or incomplete information, or under Article IX, Section A4, for misuse of identification card. Also, no one may re-enroll in the Health Plan if his Coverage has been terminated under Article IX, Section A5, for failure to pay certain amounts due unless the amounts have been fully paid subsequent to the termination and re-enrollment is approved by SIHO in its discretion.
3. If there is Contributory Coverage, Participants must agree to make the required contributions.
4. The conversion privilege described in Article XI is not available if this Agreement has been terminated.
5. A Participant may not enroll the spouse or dependent of a Child as a Dependent in the Health Plan.

D. Enrollment

Employees and their family members who meet the requirements of this Article II may enroll by completing SIHO's enrollment applications and submitting them to Employer. Employer must forward the completed applications to SIHO before applicants will be considered for enrollment. If Employer imposes a waiting period for new Employees to obtain Coverage, Employer must forward to SIHO an Employee's enrollment application before the expiration of the waiting period.

E. Conditions of Employer's Offering

Employer agrees to make Coverage available under this Agreement to all eligible individuals on the same terms and conditions that Employer makes coverage under any Alternative Health Benefits Plan available to eligible individuals. If Employer offers Coverage under this Agreement on less favorable terms, Employer will be in breach of this Agreement.

III. MANAGED CARE

The goal of managed care is to reduce the cost of Medical Care while maintaining or improving the quality of those services. Managed care methods include, but are not limited to, utilizing Primary Care Physicians to manage the Enrollee's health care, Precertification, case management, disease management, and utilization review.

A. Non-Network Benefits: Out-of-Plan Deductibles and Higher Coinsurance.

If an Enrollee receives Medical Care from a Consulting Provider or Non-Participating Provider without a written authorization from the Health Plan Medical Director, the Covered Benefits will be subject to higher Deductibles and Coinsurances. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

B. Non-Network Benefits: Non-Participating Provider Reimbursement

If an Enrollee receives Medical Care from a Non-Participating Provider, SIHO will pay the Non-Participating Provider no more than the most recently published Medicare reimbursement rates for those services. The Non-Participating Provider may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates, if applicable. These provisions may not apply to coverage for Emergency Accident or Emergency Illness.

C. Precertification

Precertification ensures that the Medical Care an Enrollee will receive is covered by the Health Plan. The description of Covered Benefits in Article IV and the Schedule of Benefits indicate the types of Medical Care that require Precertification. If an Enrollee needs Precertification of Medical Care, the Enrollee or someone on the Enrollee's behalf (such as a family member or PCP) needs to call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card. See Article XV for additional information regarding Precertification.

D. Individual Case Management

The goal of case management is to ensure that an Enrollee receives appropriate care in the most cost-effective setting. If an Enrollee has a catastrophic injury or illness or otherwise needs long-term medical care, SIHO will work with the Enrollee, the Enrollee's PCP or specialist, and the Enrollee's family members, if appropriate, to develop a treatment plan. As part of the treatment plan, SIHO may provide benefits for services that are not otherwise covered by the Health Plan. SIHO must approve and arrange for all customized services and alternative care arrangements. Coverage for alternative care is subject to the same maximums, Deductibles, Coinsurances and Copayments that apply to Medical Care being replaced.

E. Chronic Disease Management

If an Enrollee has a chronic disease, SIHO will work with the Enrollee and the Enrollee's PCP or specialist to whom the Enrollee is properly referred to develop an appropriate treatment plan in a cost-effective manner. Examples of chronic diseases include, but are not limited to, diabetes, asthma, and heart disease.

F. Medical Necessity, Experimental or Investigational Determinations and Utilization Review

The Health Plan Medical Director, or his designee, is responsible for determining whether Medical Care is Medically Necessary, Experimental or Investigational and for making all other medical benefit determinations. Whenever a benefit determination is based on a decision of whether the service is Medically Necessary, the decision is subject to utilization review by a member of a qualified panel appointed by SIHO.

G. Qualifications of Medical Provider

The Health Plan Medical Director, or his designee, has discretion to decide whether certain Medical Care must be provided by a physician or may be provided by other appropriately licensed health professionals.

IV. BENEFITS AND COVERAGE

This Article describes the Medical Care that will be covered by the Health Plan. The Schedule of Benefits attached indicates the extent of Coverage that will be provided, including any Deductible, Copayment, or Coinsurance requirements and maximum Coverage limitations. Article V lists any exclusions and limitations applicable to the services or supplies described in this Article. All Medical Care must be Medically Necessary and provided in accordance with the provisions of this Agreement. SIHO may change the benefits described in this Article IV and the Schedule of Benefits in accordance with any changes in applicable federal or state law.

A. Inpatient Hospitalization and Surgery (Requires Precertification)

Room and Board: semi-private room.

Note: If an Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private hospital room, unless use of a private room is Medically Necessary or the hospital only has private rooms.

Room and board: ancillary charges.

Specialty care units such as intensive care, cardiac care, and burn care units.

Surgery services including diagnostic services and therapy services directly related to the covered surgery, x-rays, assistant surgery services, and other physician or specialist fees.

Anesthesia, including local and general anesthesia.

Inpatient medical visits.

Pregnancy services and supplies, including examination and testing of newborns

Coverage for the Inpatient postpartum stay for you and your newborn child in a Hospital will be, at a minimum, 48 hours for a vaginal delivery and 96 hours for a cesarean section. Coverage will be for the length of stay recommended by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists in their Guidelines for Prenatal Care. Coverage for a length of stay shorter than the minimum period mentioned above may be permitted if your attending Physician determines further Inpatient postpartum care is not necessary for you or your newborn child, provided the following are met and the mother concurs:

- In the opinion of your attending Physician, the newborn child meets the criteria for medical stability in the Guidelines for Perinatal Care prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists that determine the appropriate length of stay based upon evaluation of:
 1. the antepartum, intrapartum, and postpartum course of the mother and infant;
 2. the gestational stage, birth weight, and clinical condition of the infant;
 3. the demonstrated ability of the mother to care for the infant after discharge; and
 4. the availability of post-discharge follow-up to verify the condition of the infant after discharge.

Hospital ancillary services, including diagnostic services.

Human organ and tissue transplants when provided by a Center of Excellence as follows:

1. Precertification Requirement for Transplant Evaluation

Expenses incurred in connection with the evaluation of an Enrollee for any human organ or tissue transplant will be covered but only after Precertification through SIHO has occurred. The Enrollee or his physician should contact SIHO for Precertification of the evaluation process.. SIHO will assign a case manager to work with the Enrollee closely through the transplant process.

2. Precertification Requirement for Transplant Procedure

After the evaluation by a Health Plan-designated transplant physician has occurred, the Enrollee or the transplant physician should contact the case manager. Medical information about the Enrollee's condition and the proposed

transplant protocol will be requested for review. The case manager will coordinate the review of the medical information for coverage determination and to determine whether the transplant is Medically Necessary. The case manager will communicate the determination to the Enrollee and transplant physician.

3. Definitions

- a. **"Covered Transplant Procedures"** means any of the following human organ and tissue transplant procedures determined to be Medically Necessary:
 - (1) Heart
 - (2) Liver
 - (3) Bone Marrow (related or unrelated)
 - (4) Lung
 - (5) Kidney
 - (6) Cornea
 - (7) Simultaneous Pancreas/Kidney
 - (8) Simultaneous Heart/Lung
 - (9) Intestinal
 - (10) Simultaneous Intestinal/Liver
 - (11) Simultaneous Intestinal/Pancreas
- b. **"Transplant Services"** means any services directly related to a Covered Transplant Procedure and performed at a Center Of Excellence including, but not limited to, inpatient and outpatient hospital services, physician services for diagnosis, treatment, and surgery for a Covered Transplant Procedure, diagnostic services, and procurement of an organ or tissue, including services provided to a living donor of an organ or tissue for procurement of an organ or tissue, as well as surgical, storage and transportation costs incurred and directly related to the successful acquisition of an organ or tissue used in a Covered Transplant Procedure. Transplant Services also includes, but is not limited to, durable medical equipment rental outside of the hospital, prescription drugs including immunosuppressive, surgical supplies and dressings, and home health care.

Note: Transportation and lodging are covered, as approved by the Plan, up to a \$10,000 benefit limit per transplant. Unrelated donor searches for bone marrow/stem cell transplants for a Covered Transplant Procedure are covered, as approved by the Plan, up to a \$30,000 benefit limit.

Formatted: Indent: Left: 1.5", Hanging: 0.06"

4. Specific Exclusions for Organ/Tissue Transplants

There are no benefits for:

- a. Services and supplies of any provider located outside the United States of America, except for procurement services which will be limited to those nations which share the same protocols, standards and registry with the United States.
- b. Services and supplies which are eligible to be repaid under any private or public research fund, whether or not such funding was applied for or received.
- c. Implant of an artificial or mechanical heart or part thereof. This does not include replacement of a heart valve.
- d. Services for non-human organ transplants.
- e. All other exclusions, limitations or conditions set forth in this Health Plan shall apply to Transplant Services unless otherwise provided in this Transplant Services section.

B. Physician Services and Outpatient Services

Physician office and home visits.

Physical examinations as set forth in the Preventive Health Benefits Guidelines

Well baby care, including immunizations and infant screening tests, as set forth in the Preventive Health Benefits Guidelines.

Specialist care/consultation.

Pregnancy services including prenatal and postnatal care.

X-ray, lab, and diagnostic services.

Breast cancer screening Coverage includes:

- a. One mammography for female Enrollees age 35 to 39;

- b. One mammography per year for female Enrollees under age 40 who are considered "at risk." An Enrollee is considered "at risk" if she meets one of the following criteria:
 - (1) The Enrollee has a personal history of breast cancer;
 - (2) The Enrollee has a personal history of breast cancer that was proven benign by biopsy;
 - (3) The Enrollee's mother, sister, or daughter has had breast cancer; or
 - (4) The Enrollee is at least 30 years old and has not given birth.
- c. One mammography per year for female Enrollees age 40 or older; and
- d. Any additional mammography and ultra sound services that are Medically Necessary

Breast reconstruction and prosthesis following a mastectomy

Colorectal cancer screening Coverage includes:

- 1. Testing for Enrollees age 50 or older; and
- 2. Testing for Enrollees under age 50 that is considered at high risk for colorectal cancer according to the most recent published guidelines at the American Cancer Society.

Prostate cancer screening Coverage includes:

- 1. One screening per year for male Enrollees age 50 or older; and
- 2. One screening per year for male Enrollees under age 50 who are considered at high risk for prostate cancer according to the most recent published guidelines of the American Cancer Society.

Outpatient surgery (Requires Precertification)

Radiation therapy for the treatment of disease by x-ray, radium or radioactive isotopes (Requires Precertification)

Chemotherapy for the treatment of disease by chemical or biological antineoplastic agents (Requires Precertification)

Dialysis treatment for acute renal failure or chronic irreversible renal insufficiency for removing waste materials from the body. Dialysis requires Precertification. Please review the Schedule of Benefits for specific limits.

Respiratory inhalation therapy for the introduction of dry or moist gases and water vapor into the lungs.

Family planning, infertility screening, diagnostic testing, and counseling to determine infertility. Covered Benefits may include treatment or surgical procedures for infertility/fertility conditions. Please refer to the Schedule of Benefits.

Chiropractic and other manipulative services to treat structural imbalance or to remove nerve interference in connection with distortion, misalignment or subluxation of or in the ~~vertical~~vertebral column. Chiropractic and other manipulative services are subject to an annual maximum.

Routine vision screening (Snellen eye chart) by Primary Care Physician during an office visit.

Routine hearing screening (Audiometric testing) by Primary Care Physician during an office visit.

Physical medicine therapies, which include the following:

Physical therapy, hydrotherapy, heat or similar therapies, and therapies using physical agents or bio-mechanical and neuro-physiological methods. The therapies must be designed to relieve pain, restore function, and prevent disability following disease, injury, or loss of body part.

Speech therapy for speech impairment resulting from disease, surgery or injury. Speech therapy does not include language training for educational, psychological or developmental speech delays. Benefits will not be provided for speech therapy provided by schools.

Occupational therapy for the treatment of physically disabled Enrollees. The therapies must be designed to restore the Enrollee's ability to perform ordinary tasks of daily living.

Note: The Health Plan covers a limited number of visits for physical medicine therapies. Please review the Schedule of Benefits for specific limits.

Immunizations as set forth in the Preventive Health Benefits Guidelines.

Cardiac rehabilitation, which is an individually prescribed exercise program for cardiac patients. Cardiac rehabilitation is designed for Enrollees who have had bypass surgery, stable angina pectoris, or acute myocardial infarction within the past twelve months. Home exercise programs, on-going conditioning and maintenance are not covered.

Note: The Health Plan covers a limited number of visits for cardiac rehabilitation. Please review the Schedule of Benefits for specific limits.

Treatment for Autism Spectrum Disorder as prescribed by a Participating Physician in a treatment plan for the Enrollee. Treatment is subject to the same Coinsurance, Copayments and Deductibles as other primary health care services and benefits.

Note: Exclusions and limitations contained elsewhere in the Health Plan do not apply to the treatment of Autism Spectrum Disorder.

C. Mental Illness and Substance Abuse. (Requires Precertification)

Inpatient, outpatient and physician office services for treatment of mental health disorders and substance abuse. Services covered include:

- Inpatient services
- Individual psychotherapy
- Psychological testing
- Family counseling to assist in diagnosis and treatment of Enrollee
- Convulsive therapy, including electroshock treatments and convulsive drug therapy
- Partial hospitalization/intensive outpatient therapy
- Outpatient services

Please review the Schedule of Benefits for specific limits.

D. Other Benefits and Services.

Ambulance Services; Local transportation by a vehicle designed, equipped and used only to transport the sick and injured. The following services, if Medically Necessary, are covered: (1) transportation from the home of the Enrollee, the scene of the accident or the scene of the medical emergency to a hospital, (2) transportation between hospitals, (3) transportation between a hospital and a Skilled Nursing Facility, and (4) transportation from a hospital or skilled nursing facility to the home of the Enrollee. Ambulance trips must be made to the closest local facility that can give Covered Services appropriate for the condition.

Emergency care services received at a hospital or other health care provider facility for an Emergency Accident or Emergency Illness.

Note: Benefits for emergency care services performed by Non-Participating Providers will be calculated by the greater of:

- The amount negotiated with Participating Providers for emergency care services;
- The amount for emergency care services as calculated elsewhere in this Agreement for Non-Participating Providers, but substituting cost sharing provisions ~~relevant~~applicable to a Participating Provider

- Applicable Medicare reimbursement

Allergy testing and treatment.

Certain reconstructive services required to correct a deformity caused by disease, trauma, congenital anomalies, or previous therapeutic process are covered. Reconstructive services required due to prior therapeutic process are payable only if the original procedure would have been a Covered Benefit under this Plan. Covered Benefits are limited to the following:

- Necessary care and treatment of medically diagnosed congenital defects and birth abnormalities of a newborn child.
- Breast reconstruction resulting from a mastectomy.
- Hemangiomas, and port wine stains of the head and neck areas for children ages 18 years of age or younger;
- Limb deformities such as club hand, club foot, syndactyly (webbed digits), polydactyly (supernumerary digits), macrodactylia;
- Otoplasty when performed to improve hearing by directing sound in the ear canal, when ear or ears are absent or deformed from trauma, surgery, disease, or congenital defect;
- Tongue release for diagnosis of tongue-tied;
- Congenital disorders that cause skull deformity such as Crouzon's disease;
- Cleft lip;
- Cleft palate.

Prescription drugs limited to those medicines requiring a prescription under federal law (Experimental or Investigational drugs are not included), insulin, and insulin syringes. The Health Plan does not provide Coverage for vitamins. The Health Plan will provide Coverage for pre-natal vitamins if pregnancy services and supplies are otherwise covered. The Health Plan may provide Coverage for other categories of drugs. Please refer to the Schedule of Benefits for specific exclusions.

Note: Coverage is provided for "off label drug treatment" to the extent required by Indiana law.

Medical supplies received during a primary or specialty care office visit or on an inpatient basis. The supplies must be primarily and customarily used to serve a medical purpose and generally not useful to an individual in the absence of an illness or —injury.

Medical aids, including prosthetic devices, durable medical equipment, and orthotic appliances. Precertification is required for all rentals of medical aids and for purchases of medical aids that cost more than \$200.

Covered Benefits for prosthetic devices are limited to the initial purchase, fitting, repair and replacement of fitted devices that replace body parts or perform bodily functions. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for durable medical equipment are limited to the rental, repair and replacement of equipment that is appropriate for home use and manufactured mainly to treat the injured or ill. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Covered Benefits for orthotic appliances are limited to the initial purchase, fitting, repair, and replacement of braces, splints, and other appliances, used to support or restrain a weak or deformed part of the body. Covered Benefits do not include foot support devices, such as arch supports and corrective shoes (unless they are an integral part of a leg brace), and standard elastic stockings, garter belts, and other supplies not specifically made or fitted. Routine maintenance is not a Covered Benefit and charges for deluxe items are limited to the cost of standard items.

Diabetes treatment, supplies, equipment, and self-management training.

Eyeglasses after cataract surgery. Limited to one initial pair of eyeglasses after cataract surgery is performed.

Medical Food that is Medically Necessary and prescribed for an Enrollee by a physician for treatment of the Enrollee's Inherited Metabolic Disease.

Medical Services for treatment of victims of abuse.

Covered Benefits for Clinical Trials

Routine patient care costs that are covered:

- That payer would cover for a patient not enrolled in a clinical trial
- Services required for the provision of the investigational item or service
- Services needed for reasonable and necessary care arising from the provision of the investigational item or service.

Routine patient care costs that are not covered:

- Investigational item, device, or service, itself;

- Items and services that are provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient; or
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.

In order to be considered a Covered Benefit the following criteria must be met:

- A physician must determine and document that the member is appropriate for a clinical trial; and
- The member must meet the eligibility criteria of the trial.
- The trial must be:
 - o Conducted for the prevention, detection or treatment of cancer or other life threatening disease or condition; **and is**
 - o Federally funded; or
 - o Sponsored by FDA; or
 - o A drug trial exempt from Investigational New Drug (IND) requirements.

A trial is considered federally funded if it is approved and funded by one or more of these agencies:

- o National Institutes of Health
- o Centers for Disease Control
- o Agency for Healthcare Research Quality
- o Centers for Medicare and Medicaid Services
- o Department of Defense
- o Veterans Administration; or the
- o Department of Energy.

E. Alternative Care Facilities. (Requires Precertification)

Skilled Nursing Facility (SNF).

Room and board.

Note: If the Enrollee chooses a private room, the Enrollee is responsible for paying any amount in excess of the Prevailing Rate for the average semi-private SNF room unless use of a private room is Medically Necessary or the SNF has only private rooms. In those cases the private room is covered subject to the same Deductible, Copayment and Coinsurance as a semi-private room.

Note: The Health Plan covers a limited number of days in a SNF. Please review the Schedule of Benefits for the specific limits.

Ancillary services including diagnostic services.

Home Health Care for home confined Enrollees referred to a home health care agency by a Participating Physician and approved by the Health Plan Medical Director. Covered Benefits are for non-custodial medical and nursing care. Home infusion therapy will be paid only if you obtain prior approval from ~~Our Home Infusion Therapy~~ Administrator (if applicable). Benefits for home infusion therapy include a combination of nursing, durable medical equipment and pharmaceutical services which are delivered and administered intravenously in the home. Home IV therapy includes but is not limited to: injections (intra-muscular, subcutaneous, continuous subcutaneous), Total Parenteral Nutrition (TPN), Enteral nutrition therapy, Antibiotic therapy, pain management and chemotherapy. Covered Benefits also include nutritional counseling.

Note: The Health Plan may cover a limited number of days of Home Health Care. Please review the Schedule of Benefits for any specific limits.

Hospice Care

Note: Requires a physician's statement of life expectancy less than 6 months.

F. Acute Inpatient Rehabilitation Facility. (Requires Precertification)

Note: To be eligible for Acute Inpatient Rehabilitation Services, an Enrollee must be able to participate in a comprehensive level of rehabilitation services. The services will include a minimum of three hours of therapy treatments per day with goals that can be accomplished through hospitalization. These services must happen immediately following inpatient hospital services.

Note: The Health Plan covers a limited number of days in an Acute Inpatient Rehabilitation Facility. Please review the Schedule of Benefits for specific limits.

G. Long Term Acute Care Hospital (LTACH) Services (Requires Precertification)

Note: The Health Plan covers a limited number of days for LTACH Services. Please review the Schedule of Benefits for specific limits.

H. Preventive Health Services

The Health Plan provides Coverage for well-baby care, regular periodic health evaluations for adults and children, periodic health screenings, and routine immunizations appropriate to the age and sex of the Enrollee. All of the preventive health services are described in the Preventative Health Benefits Guidelines, which SIHO makes available to Enrollees.

I. Treatment of Dental Conditions Caused by Accidental Injuries

The Health Plan provides Coverage for the treatment of dental conditions caused by accidental injuries. The injuries must have occurred after the effective date of the Enrollee's Coverage. Benefits will be denied if the dental condition was not caused by an accidental injury. Enrollees must report the date of the accident and may be asked to supply other information about the accident before accidental dental benefits will be provided. Covered Benefits do not include damage to teeth or gums resulting from chewing or biting in the normal course of day-to-day activity

.Note: The Health Plan provides an annual maximum of \$3,000 dollars for the treatment of dental conditions for the repair of fractures, dislocations, and other injuries of the mouth and jaw as related to Dental Conditions Caused by Accidental Injury.

J. Temporomandibular Joint Disorder

The Health Plan provides Coverage for Temporomandibular Joint Disorder (TMJ) if medically necessary.

Formatted: Normal, Space After: 12 pt

K. Pediatric Vision Essential Benefit

The Health Plan provides Coverage for pediatric vision as mandated under the ACA. Pediatric vision benefits are provided until the Child attains age 19. Refer to Attachment C for the schedule of benefits.

Formatted: Normal

~~L. [Pediatric Dental Essential Benefit~~

Formatted: Indent: Left: 0.5", No bullets or numbering

~~The Health Plan provides Coverage for pediatric dental benefits as mandated under the ACA and further described in a separate point of service agreement made available to Enrollees. Pediatric dental benefits are provided until the Child attains age 19.]~~

~~M. [Treatment of Morbid Obesity~~

Formatted: Indent: Left: 0.5", No bullets or numbering

The Health Plan provides Coverage for nonexperimental, surgical treatment of Morbid Obesity if the Enrollee's Morbid Obesity satisfies the following: (1) the condition has persisted for at least five years, and (2) physician supervised, nonsurgical treatment of the Morbid Obesity has been unsuccessful for at least 6 consecutive months. The Health Plan will not provide Coverage for surgical treatment of Morbid Obesity for an Enrollee who is less than 21 years of age unless two licensed physicians determine the surgery is necessary to save the life of the Enrollee or restore the Enrollee's ability to maintain major life activity and each physician documents such determination in the Enrollee's medical records.]

V. EXCLUSIONS AND LIMITATIONS ON BENEFITS

A. Exclusions

SIHO's obligations under this Agreement are subject to the following exclusions. (Note: these exclusions do not apply to the treatment of Autism Spectrum Disorder, as prescribed by a Participating Physician in a treatment plan for the Enrollee.)

1. Institutional care in a hospital or other facility primarily for domiciliary, convalescent or Custodial Care purposes.
2. Court ordered services unless Medically Necessary and approved by the Health Plan Medical Director.
3. Personal comfort items such as televisions, telephones, private rooms, housekeeping services, meals or special diets, except as specifically provided in this Agreement.
4. Medical Care to treat injury or sickness caused by or related to an act of declared or undeclared war; serving in the military forces of any country, which includes serving in a non-military unit that supports such forces; the Enrollee's committing, attempting to commit, or participating in a civil battery, illegal act, or any other crime; and taking part in a riot.
5. Medical Care for disabilities related to military service if the Enrollee is legally entitled to receive services from the Veterans Administration and adequate facilities are reasonably available to the Enrollee in SIHO's Service Area.
6. Care for conditions for which state or local law requires treatment in a public facility.
7. Hospital admission from Friday 8:00 p.m. through Monday 12:01 a.m. unless surgery is performed on that day or because of an Emergency Accident or Illness.
8. Cosmetic or plastic surgery primarily intended to improve appearance. Benefits are provided for care or treatment intended to restore bodily function or correct a deformity that results from disease, accidental injury, birth defects, or medical procedures. The medical procedure must have been a Covered Benefit. The Health Plan covers reconstructive surgery as required under the Women's Health and Cancer Rights Act of 1998.

9. Sclerotherapy, for the treatment of varicose veins of the extremities.
10. Services and supplies rendered to treat hair loss or to promote hair growth, including but not limited to hair transplants and wigs, except as mandated under the Affordable Care Act.
11. Medical, surgical or other health care procedures deemed Experimental or Investigational by the Health Plan.
12. ~~Major~~ Organ transplants deemed Experimental by the Health Plan.
13. Medical Care rendered on behalf of a donor or prospective donor when the recipient of an organ transplant is not a Health Plan Enrollee.
14. Care for mental illness, alcoholism, and drug addiction, except as provided in this Agreement.
15. Developmental treatment and education for mental retardation and mental deficiency to the extent not Medically Necessary.
16. Routine eye examinations or refraction for eyeglasses or contact lenses and furnishing, fitting, installation or use of eyeglasses or contact lenses except those pediatric essential vision benefits described in Article IV.
17. Radial keratotomy, corneal modulation, refractive keratoplasty, or any similar procedure.
18. Furnishing, fitting, installation or use of hearing aids. Surgical implantation and cochlear stimulating devices.
19. Routine injection of drugs and immunizations, except as otherwise provided in this Agreement.
20. Transportation services, unless Medically Necessary and authorized by SIHO or necessitated by an Emergency Accident or Emergency Illness.
21. Dental or oral surgical services or devices for teeth and gums. Covered Benefits include, however, oral surgical procedures related to the following: (a) excision of tumors and cysts of the jaw and mouth; (b) repair of fractures, dislocations, and other injuries of the mouth and jaw, as described in Article IV under the heading "Treatment of Dental Conditions Caused by Accidental Injuries "; (c) treatment of oral and facial cancer; (d) external incisions and drainage of cellulitis; (e) incision of accessory sinuses, salivary glands and ducts; (f) repair and treatment of congenital defects and birth abnormalities including dental treatment involved in the management of birth defects known as cleft lip and cleft ~~palate~~palate. Covered Benefits also include anesthesia and hospital services for dental care for an

Enrollee whose mental or physical condition requires dental treatment to be rendered in a hospital or an ambulatory outpatient surgical center.

- 22. Over-the-counter medications, except for those for which the Enrollee has a prescription and for which coverage is required under the ACA.
- 23. The cost of durable medical equipment, except as provided in this Agreement.
- 24. The cost of prosthetic devices except as provided in this Agreement.
- 25. The cost of medical supplies except as provided in this Agreement.
- 26. Transsexual surgery and related services, except in those instances when Medically Necessary due to congenital defects.
- 27. Reversal of voluntary sterilization.
- 28. Genetic counseling.
- 29. Sex therapy and counseling.
- 30. Vocational rehabilitation.
- 31. Family or marriage counseling.
- 32. Blood tests required in order to obtain a marriage license.
- 33. Diagnosis and treatment of:
 - a. weak, strained, unstable or flat feet which includes supportive devices for the feet such as corrective shoes and arch supports; or
 - b. any tarsalgia, metatarsalgia or bunion; except for surgeries which involve the exposure of bones, tendons or ligaments; or
 - c. trimming of corns, calluses, or nails, other than the removal of nail matrix or roots; or
 - d. superficial lesions of the feet, such as corns, calluses and hyperkeratoses.

Note: Treatment will be provided to Enrollees with neurovascular conditions or diabetes to prevent foot ulcerations.
- 34. Acupuncture, biofeedback, hypnotherapy, sleep therapy, and behavioral training.
- 35. Chiropractic or manipulative services except as provided in this Agreement.
- 36. Speech therapy, except as provided for in this Agreement.

37. Expenses resulting from or relating to premarital exams, infertility or impotency, except as otherwise provided in the Agreement.
38. Surgical procedures performed for the purpose of correcting myopia, (nearsightedness), hyperopia (farsightedness), astigmatism and expenses related to such procedures.
39. Biomicroscopy, field charting, aniseikonic investigation, orthoptic or visual training.
40. Drugs considered Experimental or Investigational.
41. Health exams except those resulting from an accidental injury or sickness and those covered under the Preventive Health Benefits Guidelines.
42. Medical care which SIHO determines is not Medically Necessary or does not meet its medical or benefit policy guidelines.
43. Medical care required while incarcerated in a penal institution or while in custody of law enforcement authorities.
44. Charges arising out of or in the course of any employment or occupation for wage or profit if benefits are available under any Workers Compensation Act or similar law. If Workers Compensation Act benefits are not available then this Exclusion does not apply.
45. Charges in excess of SIHO's Prevailing Rates.
46. Medical care received in an emergency room which is not related to an Emergency Accident or Emergency Illness, except as specified elsewhere in this Agreement.
47. Medical costs associated with artificial or mechanical hearts and/or atrial assist devices related to a heart condition or for subsequent services and supplies for a heart condition as long as any of the devices remain in place. This exclusion does not apply to left ventricular assist devices when used as a bridge to a heart transplant.
48. Supplies, devices or medications with over the counter equivalents and any supplies, devices, or medications that are therapeutically comparable to an over the counter supply, device, or medication.
49. Human organ and tissue transplants performed by a provider not affiliated with a Center of Excellence.
50. Charges incurred outside the United States (a) if the Enrollee traveled to a location outside of the United States for the primary purpose of obtaining medical services,

drugs or supplies or (b) if the drugs or supplies were delivered to the Enrollee from a location outside of the United States.

51. Charges arising out of any Never Events or other conditions acquired during a stay at an Institutional Health Care Provider, that are present at discharge.
52. Complications directly related to a service or treatment that is determined to be Experimental/Investigational or non-Medically Necessary. Directly related means that the service or treatment occurred as a direct result of the Experimental/Investigational or non-Medically Necessary service and would not have taken place in the absence of the Experimental/Investigational or non-Medically Necessary service.
53. Massage Therapy care and treatment whether or not performed by a massage therapist unless part of a physical treatment plan.
- 53-54. For any services or supplies provided to a person, whether covered under this Plan or not, in connection with a surrogate pregnancy (including, but not limited to, the bearing of a child by another woman for an infertile couple).
- 54-55. ~~Abortion services, supplies, care or treatment unless the life of the mother is endangered by the continued pregnancy or the pregnancy is the result of rape or incest.~~
- 55-56. [Treatment for weight loss, including but not limited to gastric bypass; gastric stapling or balloon catheterization; liposuction or reconstructive surgery; diet, health or exercise programs; health club dues; weight reduction medications; or weight reduction clinics. Nonexperimental, surgical treatment of Morbid Obesity is covered to the extent required by law. Please review Article IV for a description of Coverage provided for treatment of Morbid Obesity.]

B. Limitations.

The rights of Enrollees and obligations of SIHO and Participating Providers are subject to the following limitations:

1. Circumstances Beyond Health Plan's Control. Neither SIHO nor any Participating Provider will be responsible for providing Covered Benefits if circumstances outside SIHO's control render the provision of Covered Benefits impracticable. These circumstances include, but are not limited to, unplanned computer system or power outages, labor unrest, complete or partial destruction of facilities, major disaster, epidemic, war, riot, civil insurrection, disability of a significant part of Participating Provider's personnel, or similar causes. SIHO will make a good faith effort to arrange for alternative methods to provide the Covered Benefits.

2. Refusal of Treatment. Certain Enrollees may, for personal reasons, refuse to accept procedures or treatment recommended by Participating Providers. A Participating Provider may regard Enrollee's refusal as incompatible with continuing the provider-patient relationship and an obstruction of proper Medical Care. If an Enrollee refuses to accept treatment or procedures recommended by a Participating Provider, the Enrollee may consult with another Participating Provider of his or her choosing. If, after having adequate time to consider treatment alternatives, the Enrollee refuses to accept that Participating Provider's recommended course of treatment or procedures and both the Participating Providers and SIHO believe that no medically acceptable alternative exists, the Enrollee will be so advised. If the Enrollee still refuses to accept a recommended treatment or procedure, then neither the Participating Providers nor SIHO will have further responsibility to provide or arrange for treatment of the condition. This provision does not affect the Health Plan's obligation to provide Coverage for medically acceptable treatments for the condition otherwise covered by the Health Plan.
3. Medical Non-Compliance It is expected that the Enrollee will follow the advice of the Provider rendering or arranging services. If the Enrollee is receiving health services in a harmful or abusive quantity or manner or with harmful frequency, as determined by SIHO, the Enrollee may be required to select a single Participating Physician and a single Participating Hospital (with which the single Participating Physician is affiliated) to provide and coordinate all future health services. If the Enrollee fails to make the required selection of a Participating Physician and a single Participating Hospital within thirty-one (31) days of written notice of the need to do so, then SIHO shall designate the required single Participating Physician and Participating Hospital for the Enrollee. In the case of a medical condition which, as determined by SIHO, either requires or could benefit from special services, the Enrollee may be required to receive covered health services through a single Participating Provider designated by SIHO. Following selection or designation of a single Participating Provider, coverage is contingent upon all health services being provided by or through written referral of the designated Participating Provider.
4. Failure to Render Services. If a Participating Provider fails to or is unable to render Medical Care to an Enrollee, SIHO will arrange for another Participating Provider to provide the Medical Care.

VI. OTHER PARTY LIABILITY

A. Subrogation.

If SIHO provides benefits under this Agreement for an illness or injury caused by a third party's alleged wrongdoing and the Enrollee recovers on a claim against the third party, SIHO has a right to be reimbursed for the reasonable cash value of the benefits provided.

If the Enrollee does not recover the full value of his claim, SIHO will be reimbursed out of the recovery on a pro rata basis. SIHO may take whatever legal action it sees fit against the third party to recover any benefits provided under this Agreement. SIHO's exercise of this right will not affect the Enrollee's right to pursue other forms of recovery, unless the Enrollee or his legal representative consents otherwise.

SIHO has the right to the Enrollee's full cooperation in any case involving the alleged wrongdoing of a third party. The Enrollee is obligated to provide SIHO with whatever information, assistance, and records SIHO needs to enforce its rights under this provision, including, but not limited to, any consents, releases, and assignments.

B. Coordination of the Agreement's Benefits with other Benefits (COB).

1. Applicability.

This Coordination of Benefits ("COB") section applies when an Enrollee has health care coverage under more than one "Plan," as defined below. The Order of Benefit Rules in Subsection 3 determines whether the benefits of this Health Plan are determined before or after those of another Plan. If the Order of Benefit Rules determines that this Health Plan is the "Primary Plan," as defined below, then the benefits of this Health Plan will not be reduced. If the Order of Benefit Rules determines that this Health Plan is the "Secondary Plan," as defined below, then the benefits of this Health Plan may be reduced.

2. Definitions.

The following definitions apply throughout this Article VI, Section B, but do not apply to the rest of this Agreement:

- a. **"Allowable Expense"** means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by one or more Plans covering the individual for whom the claim is made. The difference between the cost of a private hospital room and the cost of a semi-private hospital room is not considered an Allowable Expense unless the patient's stay in a private hospital room is Medically Necessary. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered will be considered both an Allowable Expense and a benefit paid. When benefits are reduced under a Primary Plan because a covered individual does not comply with the plan provisions, the amount of the reduction will not be considered an Allowable Expense. Examples of such provisions are those related to second surgical opinions, precertification of admissions or services, and preferred provider arrangements.
- b. **"Claim Determination Period"** means a calendar year. However, it does not include any part of a year during which an individual does not have

Coverage under this Health Plan, or any part of a year before the date this COB provision or a similar provision takes effect.

c. **"Plan"** means this Health Plan and any of the following arrangements that provide benefits or services for, or because of, medical or dental care or treatment:

- (1) Employer insurance or Employer-type coverage, whether insured or uninsured. This includes prepayment, Employer practice or individual practice coverage. It also includes coverage other than school accident-type coverage.
- (2) Coverage under a governmental plan or coverage required or provided by law. This does not include a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time).
- (3) Coverage under an individual health or HMO policy, excluding accident only, specified disease, limited benefit plan, fixed indemnity, or Medicare supplement plans.
- (4) The medical benefits coverage in group, group-type, and individual automobile "no-fault" and traditional "fault" type contracts.
- (5) Any other coverage which, as defined by the Employee Retirement Income Security Act of 1974, is a union welfare plan, an employee organization plan, a labor management trustee plan, or an employee benefit organization.
- (6) Medical care components of long term care contracts, such as skilled nursing care.
- (7) Any other coverage provided because of membership in or sponsorship by any other union, association, or similar organization.

Each arrangement described above is a separate plan. Also, if an arrangement has two parts and COB rules apply only to one of the two, each of the parts is a separate plan.

d. **"Plan Year"** means, for the initial Plan Year, the twelve-month period commencing with the date that Employer's coverage under this Health Plan becomes effective. Thereafter, it means the twelve-month period

commencing on the anniversary of Employer's Coverage under this Health Plan.

- e. **"Primary"** or **"Primary Plan"** means the Plan that provides benefits for an individual before another Plan that covers the same individual. If this Health Plan is Primary to another Plan, this Health Plan's benefits will be determined before those of the other Plan without considering the other Plan's benefits.
- f. **"Secondary"** or **"Secondary Plan"** means the Plan that provides benefits for an individual after another Plan that covers the same individual. If this Health Plan is Secondary to another Plan, this Health Plan's benefits will be determined after those of the other Plan and may be reduced as a result of benefits provided by the other Plan.

3. Order of Benefit Rules.

- a. General. If there is a basis for benefits under this Health Plan and another Plan, this Health Plan is the Secondary Plan unless (1) the other Plan has rules coordinating its benefits with those of this Health Plan, and (2) the rules of this Health Plan and the other Plan require this Health Plan to be the Primary Plan.
- b. Specific Rules. The following rules will be applied in the order they appear to determine whether this Health Plan is Primary or Secondary to another Plan:
 - (1) Non-Dependent/Dependent. The Plan that covers the individual as an active employee or inactive employee (i.e., laid-off or retired) rather than as a dependent is the Primary Plan except in the following situation. The Plan that covers the individual as a dependent is Primary to the Plan that covers the individual as an employee if the individual is also a Medicare beneficiary, and, as a result of the rule established by Title XVIII of the Social Security Act and implementing regulations, Medicare is Secondary to the Plan covering the individual as a dependent and Primary to the Plan covering the individual as an employee.
 - (2) Medicare Election. For Medicare eligible individuals, the order of benefits and benefits paid will be determined presuming the eligible individual has enrolled in both Medicare Part A and Medicare Part B, irrespective of whether the individual has in fact enrolled in both parts. This provision does not apply if Medicare coverage is Secondary to this Plan based on the size of the Employer Group.

- (3) Dependent Child/Parents not Separated or Divorced. If two Plans cover the same child as a dependent of his parents, the Plan of the parent whose birthday falls earlier in a calendar year will be Primary. If both parents have the same birthday, then the Plan that has covered one parent longer will be the Primary Plan. However, if the other Plan has a rule based on gender instead of this birthday rule and, as a result, the Plans do not agree on the order of benefits, then the rule in the other Plan will determine the order of benefits.
- (4) Dependent Child/Separated or Divorced. If two or more Plans cover the same child as a dependent of divorced or separated parents the following rules apply unless a qualified medical child support order ("QMCSO"), as defined in ERISA, specifies otherwise:
- (a) the Plan of the parent with custody of the Child is Primary;
 - (b) the Plan of the spouse of the parent with custody of the child is the next Plan to be Primary; and
 - (c) the Plan of the parent without custody of the child is the last Plan to be Primary.
- If a QMCSO states that a parent is responsible for the health care expense of a child, that parent's Plan is Primary as long as the administrator of the Plan has actual knowledge of the QMCSO. The plan of the other parent is the Secondary Plan. Until the plan administrator has actual knowledge of the QMCSO, then the rules stated in (a), (b), and (c) above apply for any Claim Determination Period or Plan Year during which benefits are paid or provided.
- (5) Joint Custody. If a court order states that a child's parents have joint custody of the child but does not specify that one parent is responsible for the health care expenses of the child, the order of benefit rules in Paragraph b(3), Dependent Child/Parents not Separated or Divorced will apply.
- (6) Active/Inactive Employee. A Plan that covers an individual as an active employee is Primary to a Plan that covers the individual as an inactive employee (i.e., laid-off or retired). This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (7) Dependent of Active/Inactive Employee. A Plan that covers an individual as a dependent of an active employee is Primary to a Plan that covers an individual as a dependent of an inactive employee (i.e., laid-off or retired). This rule will be ignored if the

other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.

- (8) Continuation Coverage. If an individual has Continuation Coverage under this Health Plan and also has coverage under another Plan as an employee or dependent, the other Plan is Primary to this Health Plan. This rule will be ignored if the other Plan does not have this rule and, as a result, the Plans do not agree on the order of benefits.
- (9) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan that has covered the individual longer will be Primary to the Plan that has covered the individual for a shorter term.

4. Effect on the Benefits of this Agreement.

- a. Application. This Subsection 4 applies when the Order of Benefit Rules above determine that this Health Plan is Secondary to one or more other Plans.
- b. Reduction of Health Plan's Benefits. This Health Plan's benefits will be reduced when the sum of (1) and (2) below exceeds the Allowable Expenses in a Claim Determination Period:
 - (1) The benefits that would be payable for the Allowable Expenses under this Health Plan in the absence of this COB provision; and
 - (2) The benefits that would be payable for the Allowable Expenses under the other Plans, in the absence of COB provisions like this Health Plan's COB provisions, whether or not a claim is made.

The benefits of this Health Plan will be reduced so that they and the benefits payable under the other Plans do not exceed the Allowable Expenses. Each benefit will be proportionally reduced and then charged against any applicable benefit limit of this Health Plan.

5. Facility of Payment.

If another Plan provides a benefit that should have been paid or provided under this Health Plan, SIHO may reimburse the Plan for the benefit. SIHO may then treat the amount as if it were a benefit provided under this Agreement and will not be responsible for providing that benefit again. This provision applies to the payment of benefits as well as to providing services. If services are provided, then SIHO will reimburse the other Plan for the reasonable cash value of those services.

6. Right of Recovery.

If this Health Plan provides a benefit that exceeds the amount of benefit it should have provided under the terms of these COB provisions, SIHO may seek to recover the excess of the amount paid or the reasonable cash value of services provided from the following:

- a. The individuals SIHO has paid or for whom SIHO has provided the benefit;
- b. Insurance Companies; or
- c. Other Organizations.

C. Worker's Compensation.

If an Enrollee is entitled to a benefit under this Health Plan that is also covered by workers' compensation laws, occupational disease laws, or other similar laws, then the benefit provided by this Health Plan will be reduced by the amounts payable under the other laws. This Health Plan will not provide benefits for services denied by the worker's compensation or other similar carrier due to the Enrollee's noncompliance with that carrier's policies, procedures, or medical provider's recommended treatment plan.

D. Right of Recovery.

If SIHO provides a benefit that, according to the terms of this Agreement, should not have been provided, SIHO may recover the reasonable cash value of the benefit provided or payment made from the recipient or other appropriate party. SIHO may recover under this Section, even if the benefit provided was the result of SIHO's error. If SIHO makes an incorrect payment to an Enrollee, SIHO may deduct the payment from future payments to be made to or on the behalf of the Enrollee.

E. Releasing or Obtaining Information.

Unless otherwise required by law, SIHO may release to or obtain from any other company, organization, or individual any information that SIHO deems necessary to apply this Article without obtaining the consent of or providing notice to the individuals involved. Any individual claiming benefits under this Health Plan must furnish SIHO with all of the information that SIHO deems necessary to implement the provisions of this Article VI.

VII. RELATIONS AMONG PARTIES AFFECTED BY THIS AGREEMENT

A. Health Plan and Participating, Consulting and Non-Participating Providers.

Participating Providers and Consulting Providers are independent contractors with respect to SIHO and the Health Plan. They are not employees or agents of SIHO. Non-Participating Providers do not have any contractual relationship with SIHO. They are not independent contractors, employees or agents of SIHO. SIHO is not liable for any act, error or omission of any Participating Provider, Consulting Provider, Non-Participating Provider, or any employee or agent thereof. Without limiting the foregoing, it is expressly understood and agreed that neither SIHO nor the Health Plan is engaged in the practice of medicine by virtue of providing for the payment of benefits hereunder, and all medical decisions are made solely by Enrollees and their medical providers.

B. Employer and Health Plan.

Employer is not liable for any act, error or omission of SIHO. SIHO is not liable for any act, error or omission of Employer.

VIII. ENROLLMENT FEES

A. Enrollment Fees.

Employer or its designated agent will pay SIHO the enrollment fees set forth in the Declarations. Employer will make arrangements with its Participants to pay any applicable Contributory Coverage. An Enrollee is not entitled to Coverage until SIHO receives an initial Enrollment Fee for the Enrollee. Thereafter, an Enrollee's Coverage will terminate if SIHO does not receive the monthly enrollment fee for the Enrollee by the time specified in the Declarations. If an Enrollee's Coverage is terminated for non-payment of the Enrollment Fee, the Coverage may be reinstated in accordance with the renewal application and re-enrollment provisions of this Agreement.

B. Changes in Enrollment Fees.

1. SIHO has the right to change the enrollment fees on or after the renewal date of this Agreement and annually thereafter, upon 30 days prior notice. SIHO reserves the right to change the enrollment fees as of any date, upon 30 days prior notice, if the expected medical risks of the Employer changes significantly during the term of this Agreement.
2. SIHO has the right to change the enrollment fees as of any date if the extent or nature of the risk under this Agreement is changed by (1) amendment, (2) inaccurate or incomplete information provided by an Employee on an enrollment application, questionnaire, form or statement for himself or his Dependents as described in Article IX, Section A3, (3) termination or (4) by a change in the law,

rule, regulation or any governmental program (including the Medicare Program). SIHO will notify Employer prior to the date that a rate change will be effective.

3. If the State of Indiana or any other taxing authority imposes on SIHO a new or additional tax or fee based on SIHO's census or enrollment fees or gross receipts, SIHO may charge Employer a pro rata amount, rounded to the nearest cent, of the additional tax or fee, over the remaining period of this Agreement.

C. Other Charges.

Enrollees will be required to pay Copayments, Deductibles and Coinsurance for services in the amounts indicated in the Schedule of Benefits.

D. Change in Benefits.

SIHO reserves the right to increase the benefits provided by the Health Plan without Employer's express written consent as long as the increase in benefits does not increase Employer's enrollment fees during the contract period. SIHO will notify Employer of any increase in benefits.

IX. TERMINATION OF BENEFITS

A. Termination of Benefits.

1. Loss of Eligibility.

If an Enrollee ceases to meet the eligibility requirements of Article II, then (subject to the continuation of coverage provisions of Article X), Coverage under this Agreement for the Enrollee terminates automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer and Enrollee must notify SIHO immediately if the Enrollee ceases to meet the eligibility requirements.

2. Disenrollment.

If a Participant enrolls in an Alternative Health Benefits Plan or other benefit plan for health coverage offered through Employer, then Coverage for the Participant and Participant's Dependent(s) will terminate automatically at midnight of the last day of the billing period during which SIHO receives notice of the termination as provided by the Employer. Employer agrees to notify SIHO immediately when a Participant elects alternative coverage.

3. Failure to Furnish or Furnishing Incorrect or Incomplete Information.

To enroll in the Health Plan, each Employee must represent to the best of his knowledge and belief that all information provided SIHO in the enrollment

applications, questionnaires, forms or statements for himself and his Dependents is true, correct and complete. If an Employee fails to furnish SIHO with information required under this Agreement or furnishes SIHO with false or misleading information, SIHO may (1) revise the enrollment fees to the amount that SIHO would have charged had it been provided complete and accurate enrollment information and (2) if the Employer refuses to pay the revised rate, SIHO will pursue all legal means available to collect the owed and unpaid premium. If an Employee's failure to furnish SIHO with information required under this Agreement or the furnishing of false or misleading information is determined to be fraudulent or intentional misrepresentation of material fact, SIHO may also terminate all rights and benefits provided to the Employee and his Dependents under the Health Plan retroactive to the date the Employee failed to furnish the information or furnished false or misleading information. The Employee will be responsible for reimbursing SIHO for its cost of any benefits provided after the effective date of the termination. SIHO's costs will be based on the Prevailing Rates charged for the services in the community less any Copayments or enrollment fees paid by the Employee and his Dependents. SIHO will notify the Employee and Employer in the event SIHO terminates Coverage for the Employee and/or his Dependents under this Subsection.

~~SIHO will notify the Employee and Employer in the event SIHO terminates Coverage under this Subsection.~~

4. Misuse of Identification Card.

Participant shall not permit another individual to use the Participant's or his Dependent's Health Plan identification card to obtain services, nor shall the Participant use an invalid identification card to obtain services. If Participant violates this provision, SIHO will terminate the Coverage of the Participant and his Dependents effective immediately upon written notice to the Participant. Any Participant involved in the misuse of a Health Plan identification card will be liable to SIHO for the Prevailing Rates of any services rendered in connection with the misuse. If a Participant's card is lost or stolen, contact SIHO immediately to obtain a new card. SIHO reserves the right to charge a fee for any replacement card.

5. Nonpayment.

If a Participant fails to pay or make satisfactory arrangements to pay SIHO or any Participating Providers any amounts due under this Agreement, including any Contributory Coverage or Copayments, SIHO may terminate the Coverage of the Participant and his Dependents effective immediately upon SIHO's written notice to Participant and Employer.

6. Termination of Agreement.

If this Agreement is terminated, then the rights of all Enrollees (except any rights to continuation of benefits specifically provided by this Agreement) will terminate on the termination date of the Agreement. Notwithstanding the termination for any of the reasons described in this Section IX.A., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

B. Cancellation.

This Agreement will continue in effect for the term indicated in the Declarations subject to the following:

1. Default in Payment.

Employer will have a grace period of 31 days to pay SIHO any enrollment fees due under the Agreement after the due date of the enrollment fees. If Employer fails to pay SIHO the enrollment fees by the due date or within 31 days thereafter, all benefits provided under the Health Plan will terminate at the end of the period for which the enrollment fees have been paid. SIHO may deem Employer's failure to pay the enrollment fees as an action by Employer to cancel this Agreement and will notify Employer and Enrollees of the effective date that this Agreement is canceled. If Enrollees receive services under this Agreement during the 31-day grace period and cancellation follows, the Enrollees and Employer will be jointly and severally liable to SIHO for the Prevailing Rates, less any Copayments made, for any services provided during that 31-day grace period. SIHO may hold Claims incurred and received within the grace period until premiums are received before the end of the grace period.

2. Fraud.

If Employer performs an act or practice that constitutes fraud or an intentional misrepresentation of a material fact in connection with any Coverage under the Health Plan, SIHO may terminate all rights and benefits provided to Enrollees under the Health Plan. SIHO will notify Employer and Enrollees of the effective date of the Agreement's cancellation for fraud and will return any unused enrollment fees. Notwithstanding the termination for any of the reasons described in this Section IX.B.2., payments for enrollment fees or other amounts due to SIHO are due for the full month during which the termination occurred without pro-rata adjustment.

3. Violation of Participation Rules and Participants' Movement Outside Service Area.

In accordance with the Health Insurance Portability and Accountability Act of 1996, SIHO may terminate all rights and benefits hereunder if Employer fails to comply with a material Agreement provision relating to the participation of Employer or Enrollees in this Agreement or if no Enrollees live, reside or work in the Service Area.

4. Discontinuance of Product.

SIHO reserves the right to discontinue offering this Health Plan to all employers in Employer's market. If SIHO discontinues the Health Plan, SIHO will notify Employer in writing at least 90 days before the discontinuance and will provide Employer with the option to choose coverage under an alternative health care delivery product offered by SIHO in Employer's market.

5. Discontinuance of Health Care Coverage in Market.

SIHO reserves the right to discontinue offering all health care coverage in Employer's market. If SIHO discontinues all health care coverage, SIHO will notify Employer and Enrollees in writing at least 180 days before the discontinuance.

6. Association Membership Ceases.

If coverage is through an association, coverage will terminate on the date membership in the association ends.

C. Reinstatement.

1. Enrollee.

To reinstate Coverage after termination, an Enrollee must complete a reinstatement application unless termination resulted from inadvertent clerical error. No Enrollee's Coverage shall be adversely affected due to Employer's clerical error. However, Employer is liable to SIHO if SIHO incurs financial loss as a result of Employer's clerical error.

2. Employer.

If this Agreement is canceled under the terms of this Article IX, SIHO has sole discretion to reinstate Employer.

D. Continuation of Coverage After Termination by Health Plan.

Upon termination of this Health Plan, inpatient Covered Benefits provided by a hospital for an Enrollee who is hospitalized on the effective date of termination will continue until the earliest of:

1. The date the Enrollee is discharged from the Hospital;
2. The passage of 60 days after the effective date of termination;
3. The date the Enrollee acquires health care coverage from another carrier that includes the coverage provided under the Health Plan;

4. The date SIHO terminates the Enrollee's Coverage because the Enrollee knowingly provided false information to SIHO, the Enrollee failed to comply with the terms of this Agreement, or the Employer failed to pay an enrollment fee;
5. The date the Enrollee terminates Coverage.

The provisions of this Section D do not apply to the termination of Coverage as a result of the receivership of SIHO.

X. CONTINUATION COVERAGE

In accordance with the federal law known as COBRA, Enrollees may have the opportunity to continue their Coverage under the Plan temporarily at their own cost, but at Employer rates in certain instances in which their Coverage would otherwise terminate. COBRA continuation rights are described in ~~the Employer's~~this summary plan description. Enrollees will receive a written notice about Continuation Coverage at the time their Continuation Coverage begins. Enrollees may obtain additional copies of the notice from their local benefits representative. Employers that normally employ fewer than 20 employees on a typical business day are not subject to COBRA.

XI. INDIVIDUAL CONTINUATION OF BENEFITS

If Employer is a "small employer" under the Indiana Insurance Code 27-8-15, continuation of Coverage will be provided Enrollees as follows:

1. If a Participant loses Coverage under the Health Plan as a result of termination of employment or reduction in hours, then the Participant may convert to individual health coverage as provided by SIHO. The Participant must request the individual health coverage within 30 days of losing the group Coverage. The Participant may obtain individual health coverage for himself and his family Participants without furnishing evidence of insurability and without regard to health status or requirements for health care services. Conversion is not available if the Participant lost Coverage because this Agreement was terminated.
2. If a Dependent loses Coverage under the Health Plan as a result of a divorce, the death of the Participant, a termination of the Participant's employment, a reduction in the Participant's hours of employment, or attainment of a limiting age, then the Dependent may convert to individual health coverage as provided by SIHO. The Dependent must apply for the individual health coverage within 30 days of losing the group Coverage. The Dependent may convert to individual health coverage without furnishing evidence of insurability and without regard to health status or requirements for health care services.
3. Conversion under this Article is subject to the rules, regulations and limitations governing conversions as set forth in Indiana Code 27-8-15, including without

limitation the minimum employment and coverage periods set forth therein, as well as the terms of SIHO's individual health coverage.

4. An Enrollee's conversion under this Article will be retroactively effective to the date Coverage under the Health Plan terminated, subject to the payment of any applicable enrollment fees due for the 30-day notice period.
5. If an Enrollee otherwise eligible for conversion under this Article elects not to convert, the Enrollee must pay SIHO the Prevailing Rates, less any Copayments, for any health services provided under this Agreement during the 30-day election period.

XII. RECORDS

SIHO will keep enrollment and eligibility records of each Enrollee. Employer must send SIHO information, in the form requested by SIHO, reflecting any changes in an Enrollee's enrollment or eligibility by the due date for the applicable monthly enrollment fee. SIHO is not liable under this Agreement in connection with any enrollment or eligibility changes until SIHO receives accurate information about the changes. If Employer supplies SIHO with incorrect or incomplete information, SIHO will not be liable in connection with the information until SIHO receives correct and complete information. Employer and SIHO will take appropriate action to prevent SIHO from incurring any financial loss as a result of incorrect or incomplete information supplied by Employer or an Enrollee. If SIHO incurs a financial loss as a result of such incorrect or incomplete information, then SIHO has the right to seek reimbursement for the loss from Employer or the Enrollee. An Enrollee's Coverage will not be affected by Employer's clerical error in reporting information about the Enrollee's enrollment and eligibility to SIHO. All of Employer's records relating to an Enrollee's enrollment or eligibility are open for SIHO's inspection at any reasonable time.

SIHO will comply with the privacy requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and its implementing regulations applicable to SIHO in handling health information protected by HIPAA. SIHO will not use or disclose an Enrollee's health information without authorization, except to the extent permitted or required under HIPAA. SIHO will not disclose health information protected by HIPAA to the Employer except to the extent required or permitted by law or authorized by the Enrollee.

XIII. PROCEDURES FOR CLAIMING BENEFITS

A. Claim Filing.

If an Enrollee receives a bill directly from a provider, is required to pay for services at the time they are provided, or assigns his or her right to reimbursement to a provider with the consent of SIHO, the Claim may be submitted to SIHO for payment. In order to be eligible for payment, the Claim must be submitted with receipts within 90 days of the date the services were rendered or, in the case of a Consulting or Participating Provider,

within the timeframe for submitting claims set forth in the provider agreement in effect between the Consulting or Participating Provider and SIHO. Non-Participating Providers must submit claims to SIHO within 90 days of the date services were provided to be eligible for payment. If SIHO approves the Claim, SIHO will reimburse the Enrollee or provider, as appropriate, for Covered Benefits less any applicable Copayments, Deductible, Coinsurance, penalty, and any amounts that SIHO has already paid to the Enrollee or the provider prior to receiving the Claim. The Claim should describe the occurrence, character, and extent of the Medical Care provided by the provider. Notwithstanding anything herein to the contrary, Enrollees may not assign any claims or other rights to receive Benefits hereunder to any Non-Participating Provider without the prior approval of SIHO. In the absence of such prior approval, SIHO reserves the right to pay Claims or other Benefits directly to the Enrollee, and such payment shall fully discharge SIHO's obligation under this Agreement with respect to such Claims or other Benefits. In such a case, the Enrollee is responsible for all payments that may be due to the Non-Participating Provider.

1. Claim Forms. Submission of claims by an Enrollee must be accompanied by a claim form. These forms can be obtained from SIHO via mail, email or website.

B. Claim Determination.

1. Pre-Service Claims. With respect to a Pre-Service Claim, SIHO will notify the claimant of its decision within 15 days of receipt of the Claim.
 - a. This 15-day period may be extended for an additional 10 days if SIHO determines that an extension is necessary due to matters beyond the Health Plan's control and notifies the claimant of the circumstances requiring the extension of time and the date by which SIHO expects to render a decision.
 - b. If an extension is necessary because the claimant has not submitted information necessary to decide the Claim, SIHO will provide the claimant with a notice of extension which will specifically describe the additional information required. If the extension is necessary because the Claim does not properly identify the individual requesting a benefit, specify the medical condition or symptom, and the specific treatment, service, or product for which approval is requested, SIHO will provide the notice of extension and an explanation of the proper procedures to be followed in filing a Claim. Any notice of extension may be oral, unless the claimant requests a notice in writing. The claimant will have at least 45 days to provide any requested information.
2. Precertification of Urgent Care Claims. In the case of a request for Precertification of an Urgent Care Claim, SIHO will notify the claimant of its determination by the earlier of seventy-two hours or two business days after its receipt of the request and all information necessary to make a determination.

If the claimant has not provided sufficient information for SIHO to determine the request for Precertification of an Urgent Care Claim, SIHO will notify the claimant within 24 hours after receiving the request of the specific information that must be submitted for SIHO to complete the processing of the Claim. The claimant will have at least 48 hours in which to provide the additional information. SIHO will notify the claimant of its decision within 24 hours after it receives the additional information, or, if the claimant does not provide the requested information, 24 hours after the end of the period of time that the claimant was given to provide the information.

3. Concurrent Care Claims. With respect to a Concurrent Care Claim, if SIHO reduces or terminates benefits for a course of treatment (for reasons other than amendment or termination of the Health Plan) before the end of the period of time or number of treatments, the claimant must be notified sufficiently in advance of the reduction or termination to allow the claimant to appeal and obtain a determination on review of SIHO's decision before it becomes effective. The claimant may request the Health Plan to extend the course of treatment beyond the already approved time or number of treatments. SIHO will notify the claimant of its decision within 24 hours of its receipt of the request, provided that the claimant makes the request at least 24 hours prior to the expiration of the prescribed period of time or number of treatments, and within 72 hours of its receipt if the request is received less than 24 hours prior to the expiration of the prescribed period or number of treatments.

C. Grievances.

An Enrollee may initiate a Grievance procedure by contacting us verbally or in writing. Enrollees have the right to appoint a Designated Representative to act on their behalf with respect to the Grievance by filing a signed form that may be obtained from SIHO upon request; provided, that if a provider files a Grievance relating to precertification of an Urgent Care Claim, then SIHO will treat such provider as a Designated Representative with respect to that matter even without the submission of a signed form.

SIHO will accept oral or written comments, documents or other information relating to the Grievance from the Enrollee or his/her Designated Representative by telephone, mail or other reasonable means. Enrollees are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the Grievance.

Enrollees may obtain information regarding SIHO's Grievance procedures by calling the toll-free number on the back of the Enrollee's identification card during normal business hours.

Once a Grievance has been initiated by an Enrollee, SIHO will respond within 3 business days to acknowledge its receipt of the Grievance. Such response will be in writing, unless the Grievance was received orally, in which case the response may be oral. Grievances will be resolved within 20 business days after they are filed if all information needed to complete a review is available. If additional information is needed and the Grievance does not involve Precertification matters, SIHO may notify you before the 19th business day of its election to take an additional 10 business days to receive information and address the Grievance.

If an Enrollee's Grievance is denied in whole or in part, SIHO will notify the claimant, in writing or electronically, and the notice will include the following:

1. the specific reason or reasons for the denial;
2. reference to specific Health Plan provisions on which the denial is based;
3. a description of any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination (or a statement that the information will be provided free of charge upon request);
4. an explanation of any scientific or clinical judgment on which the denial is based (or a statement that the explanation will be provided free of charge upon request);
5. a description of any additional material or information that the claimant may need to provide with an explanation as to why the material or information is necessary;
6. an explanation of the claimant's right to appeal under the Health Plan's appeal procedures, and the claimant's right to bring a civil action in federal court; and
7. the name, address, and phone number of a SIHO representative who can provide the claimant with more information about the decision and the right to appeal.

SIHO may provide the above information to the claimant orally, provided that a written notice is furnished to the claimant within 3 days after the oral notification.

D. Appeal Procedures.

If SIHO's Grievance decision is satisfactory to the Enrollee, then the matter is concluded. If, however, the Enrollee is unsatisfied with SIHO's decision, the Enrollee may initiate an appeal of the Grievance in accordance with this Section.

1. General.
 - a. The claimant will have 180 days from the receipt of SIHO's decision to appeal.

Formatted: Normal, Indent: Left: 0.44", First line: 0", Space After: 12 pt

- b. The claimant may submit an appeal verbally or in writing. Any SIHO employee who has been unable to resolve the Grievance may take the appeal information.
- c. All written notices requesting an appeal will be forwarded to an appeals coordinator.
- d. All verbal requests must be documented by the SIHO associate who is assisting the claimant. Upon request, the notice will be forwarded to the appeals coordinator.
- e. An acknowledgement notice will be sent to the claimant within 3 business days of receipt of the written or verbal appeal request.

2. Claimant's Rights on Appeal.

- a. The claimant will have the opportunity to submit written comments, documents, or other information relating to the Grievance. All such information must be submitted by the enrollee or provider within 180 days of receipt.
- b. Upon request and free of charge, the claimant will be provided with reasonable access to and copies of all documents, records and other information relevant to the Grievance.
- c. The review will take into account all comments, documents, records and other information the claimant submits, whether or not presented or considered in the initial determination.
- d. No deference will be afforded to the initial determination.
- e. The review will be conducted by a person or persons different from the person who made the initial determination and who is not the original decision-maker's subordinate.
- f. If the decision is made on the grounds of a medical judgment, SIHO will consult with a health care professional with appropriate training and experience. The health care professional will not be the individual who was consulted during the initial determination or that person's subordinate.
- g. SIHO will provide the claimant with the name of any medical or vocational expert who advised SIHO with regard to the Grievance.

3. Appeals Hearing Committee.

- a. The appeals coordinator will investigate the issue and gather the data needed to review the circumstances surrounding the appeal.

- b. The appeals coordinator will convene an Appeals Hearing Committee consisting of at least one person. None of the Committee will have been involved in any of the previous determinations, or involved in a direct business relationship with the Enrollee or health care provider whose care is at issue.
- c. The appeals coordinator will send notice of the hearing date, time, and location to the claimant, at least 72 hours in advance of the hearing. The hearing process will make any reasonable accommodations to convenience the claimant, including arranging for a teleconference in situations where the claimant is unable to attend.
- d. If the claimant attends the appeal hearing or participates via teleconference, the claimant may present his case. The hearing provides an opportunity for the claimant to explain his position as well as allow the Appeals Hearing Committee members to ask the claimant any pertinent questions they may have.

E. Notification of Resolution of Appeal.

- 1. Pre-Service Grievances. In the case of a Grievance not involving urgent care, SIHO will notify the claimant of its decision within 30 days after it receives the request for review and sufficient information to make its determination.
- 2. Urgent Care Grievances. In the case of a Grievance that relates to an Urgent Care matter, SIHO will notify the claimant of its decision within 48 hours after it receives the request for review and sufficient information to make its determination.
- 3. Other Grievances. In the case of all other Grievances, SIHO will notify the claimant within 30 days after it receives the written request for review and sufficient information to make its determination.

F. Expedited Appeals.

- 1. A claimant may request an expedited appeal or SIHO may independently determine that the process should be expedited. The expedited process is considered a stand-alone procedure and is in lieu of the standard appeal procedure.
- 2. The claimant may request an expedited appeal orally or in writing. All information, including SIHO's decision, may be transmitted between the claimant and SIHO by telephone, facsimile, or other available similar method.
- 3. Resolution of the expedited appeal will be made as expeditiously as the appellant's health warrants but will occur no later than 48 hours after the filing of the appeal.

G. Notice of Decision on Appeal.

If an appeal is denied, SIHO will notify the claimant, in writing or electronically. The notice will contain the following information:

1. the specific reason(s) for SIHO's denial;
2. a reference to the specific Health Plan provision(s) on which the denial is based;
3. a statement disclosing any internal rule, guideline, protocol or similar criterion relied on in making the adverse determination;
4. an explanation of any scientific or clinical judgment on which the denial is based;
5. a statement that the claimant is entitled to receive, upon request and without charge, reasonable access to and copies of all documents, records or other information relevant to the appeal;
6. a statement describing the voluntary appeal procedures via the external review offered by the Health Plan and the claimant's right to obtain information about the procedures;
7. the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency";
8. a statement describing the claimant's right to bring a civil suit under federal law; and
9. the name, address and telephone number of the appeals coordinator whom the claimant may contact for more information.

H. External Review of Appeals Process.

1. If the claimant is dissatisfied with the Appeal Hearing Committee's resolution, and the matter involves (i) an adverse determination of appropriateness, (ii) an adverse determination of Medical Necessity, (iii) a determination that the proposed service is Experimental or Investigational, or (iv) a rescission of coverage by SIHO, he or she may file a written request to initiate an External Review Appeal. This request must be filed no later than 120 days after the claimant is notified of the resolution of the Appeal Hearing Committee's decision. External Review Appeal is not available for matters other than those specified in this paragraph.
2. The claimant may not file more than one (1) External Review Appeal request on the same appeal.

3. Upon receipt of the request for External Review Appeal, the appeals coordinator will select an independent review organization that is certified to perform external review in the State of Indiana.
4. The external review organization will assign a medical review professional who is board certified in the applicable specialty for resolution of the appeal.
5. The external review organization and the medical review professional conducting the external review may not have a material professional, familial, or financial, or other affiliation with SIHO; any officer, director, or management employee of SIHO; the physician or the physician's medical group that is proposing the service; the facility at which the service would be provided; or the development or manufacture of the principal drug, device, procedure, or other therapy that is proposed by the treating physician. However, the medical review professional may have an affiliation under which the medical review professional provides health care services to Enrollees of SIHO and may have an affiliation that is limited to staff privileges at the health facility if the affiliation is disclosed to the claimant and to SIHO before commencing the review and neither the claimant nor SIHO objects to the affiliation.
6. A claimant who files an appeal under this final alternative is not subject to retaliation for exercising his or her right to an appeal by an external review organization. The claimant may be permitted to utilize the assistance of other individuals, including physicians, attorneys, friends, and family members throughout the external review process. The claimant shall be permitted to submit additional information relating to the proposed service throughout the review process and may cooperate with the external review organization by providing any requested medical information or authorizing the release of necessary medical information.
7. SIHO shall cooperate with the external review organization by promptly providing any information requested by the external review organization.
8. The external review organization shall make a determination to uphold or reverse SIHO's appeal resolution based on information gathered from the claimant, SIHO, the treating physician, or any additional information that the external review organization considers necessary and appropriate. For standard appeals, the determination shall be made within 15 business days from the filing date of the request for external review. For expedited appeals, the determination shall be made within 72 hours after the external review request is filed.
9. When making the determination of the resolution of the appeal, the external review organization shall apply the standards of decision making that are based on objective clinical evidence and the terms of the appellant's benefit contract.

10. The external review organization shall notify SIHO and the claimant of the determination made under this section within 72 hours after making the determination. For expedited appeals, the notification will occur within 24 hours of the determination. The result of the determination is binding on SIHO.
11. If at any time during the external review process the claimant submits information to SIHO that is relevant to SIHO's previous appeal resolution and was not considered by SIHO during the appeals hearing phase, SIHO shall reconsider the previous resolution under the appeals hearing process. The external review organization shall cease the external review process until the reconsideration by SIHO is completed.
12. If additional information from the claimant results in SIHO's reconsideration of the appeal at the hearing level, SIHO will notify the claimant of its decision within 15 days after the information is received. If the appeal is related to an Urgent Care Claim, SIHO will make a determination within 72 hours of receipt of the additional information.
13. If the reconsideration determination made by SIHO is adverse to the claimant, the claimant may request that the external review organization resume the external review.

XIV. MISCELLANEOUS

A. Agreement Generally.

Employer agrees to make Coverage available to all individuals who are eligible under Article II, subject to any limitations set forth in the Declarations. SIHO and Employer may amend, modify, or terminate this Agreement in accordance with any applicable termination provisions or by mutual agreement between them without the consent of Enrollees. All Enrollees or their legal representatives (if the Enrollees are incapable of contracting) must agree to all the terms, conditions and provisions of this Agreement.

B. Applications, Questionnaires, Forms and Statements.

1. Enrollees and applicants for enrollment in the Health Plan must complete all applications, medical review questionnaires, and other forms or statements that SIHO reasonably requests. Enrollees must represent to the best of their knowledge and belief that all information contained in the applications, questionnaires, forms, or statements submitted to SIHO are true, correct, and complete. All rights to benefits under the Health Plan are subject to the truth and accuracy of an Enrollee's representations. Any misrepresentation may cause SIHO to terminate the Enrollee's Coverage. If an Enrollee is eligible for Medicare and fails to submit the documents requested under this Agreement, the Enrollee must pay for services received at Prevailing Rates.

2. SIHO reserves the right to receive from the Employer all reports and other information as may be reasonably requested in order to verify eligibility, participation, or any other matter.
3. If this Agreement is provided in electronic format, the Employer may request a paper copy to distribute to a Participant.

C. Identification Cards.

The identification cards that SIHO issues to Enrollees are for identification only. Possession of a Health Plan identification card confers no rights to services or other benefits under this Agreement. To be entitled to benefits under the Health Plan, the holder of the card must, in fact, be an Enrollee on whose behalf all applicable enrollment fees, Copayments, Deductibles and Coinsurance amounts have been paid. SIHO will charge any individual who receives benefits under the Health Plan to which the individual is not entitled the Prevailing Rates for the services.

D. Policies, Procedures, Rules and Interpretations.

SIHO may adopt reasonable policies, procedures, rules and interpretations to promote the orderly and efficient administration of this Agreement.

E. Liability Prior to Effective Date.

SIHO will not be liable for fees and bills for Medical Care received by an Enrollee prior to the effective date of the Enrollee's Coverage.

F. Authority to Change Agreement on Behalf of SIHO.

No agent or other person, except an officer of SIHO, has the authority to waive any conditions or restrictions of this Agreement; to extend the time for making payment; or to bind SIHO by making any promise or representation, or by giving or receiving information. No change to this Agreement will be valid unless Employer and SIHO agree to a written amendment and an officer of SIHO signs the amendment.

G. Mailing of Notices.

Any notice under this Agreement must be sent by United States mail, first class, postage prepaid, addressed as follows:

1. If to SIHO, to the address appearing on page one of this Agreement;
2. If to an Enrollee, to the Enrollee's last address known to SIHO.

H. Department of Insurance

Questions regarding your policy or coverage should be directed to:

Formatted: Normal, Indent: First line: 0.5"

SIHO Insurance Services
[417 Washington St.](#)
[Columbus, IN 47203](#)
(812) 378-7070

If you need the assistance of the governmental agency that regulates insurance; or have a complaint you have been unable to resolve with your insurer, you may contact the Department of Insurance by mail, telephone or email:

State of Indiana Department of Insurance
Consumer Services Division
311 West Washington Street, Suite 300
Indianapolis, Indiana 46204

Consumer Hotline: (800) 622-4461
Complaints can be filed electronically at www.in.gov/idoi

I. Dissemination of Notices.

Employer agrees to disseminate all notices regarding matters material to this Agreement to Participants in Employer's next regular communication to employees or in a special communication to Participants within 30 days after Employer receives the material information.

J. Entire Agreement.

This Agreement and the individual enrollment applications of Enrollees constitute the entire agreement between the parties and, as of the effective date of this Agreement, supersede all other agreements between the parties.

K. Invalid Provisions.

If any provision of this Agreement is held to violate Indiana law or applicable federal law or be illegal or invalid for any other reason, that provision will be deemed to be void, but the invalidation of that provision will not otherwise impair or affect the rest of the Agreement.

L. Legal Actions.

No legal action may be filed to recover under the policy before 60 days after a claim is filed, and not later than 3 years after the claim is required to be filed.

M. Examination

SIHO reserves the right to have an Enrollee examined (including by autopsy) by a medical provider of SIHO's choice to assist in the evaluation of the appropriateness of a Claim, Precertification request, appeal or any other matter related to this agreement.

XV. NETWORK AND NON-NETWORK SERVICES

A. Network Services.

An Enrollee is entitled to receive Network Services in the Service Area subject to the Deductibles, Coinsurance and Copayments described in Article IV. It is the Enrollee's responsibility to secure proper Precertification of such services, if required under this Agreement.

[Coverage for Network Services may vary based on whether the treating Provider participates in the Tier 1 or Tier 2 provider network. The applicable Deductibles, Coinsurance, and Copayments for each Tier are described in Attachment B, Schedule of Benefits. SIHO will make available to all enrollees a provider directory that specifies which Participating Providers participate in the Tier 1 or Tier 2 network.]

B. Emergency Accident or Emergency Illness Services.

1. An Enrollee who is temporarily outside of the Service Area and who cannot access a Participating Provider, may receive treatment of an Emergency Accident or Emergency Illness from a Non-Participating Provider, subject to the Deductibles, Coinsurance and Copayments described in Article IV.
2. If the Enrollee is admitted to a Non-Participating Provider hospital as the result of an Emergency Accident or Emergency Illness, Enrollee or his representative must contact SIHO or their Delegated Network within 48 hours of admission to obtain Precertification of any further inpatient services.

C. Non-Network Services.

A Non-Network Benefit is a Covered Benefit (other than treatment for an Emergency Accident or Emergency Illness) provided by a Non-Participating Provider, without the prior written approval of the Health Plan Medical Director. Non-Network Benefits are subject to the Deductible, Coinsurance and Copayments described in Article IV and to the Precertification requirements described in this Section C, below. Non-Participating Providers will be paid no more than the most recently published Medicare reimbursement rates and may bill the enrollee for any difference between their billed charges and the Medicare reimbursement rates if applicable.

D. Precertification.

The Health Plan Medical Director or his designee must precertify all inpatient care, outpatient surgery, and durable medical equipment, and other services identified in the Health Plan and the Schedule of Benefits.

1. Procedures to Request Precertification.

- a. For elective care an Enrollee or his physician must send a Precertification request to SIHO by mail, at least 14 working days before the services/equipment are provided. If the need for services/equipment is unforeseen, the Enrollee or his physician must call SIHO (812-378-7050 or 800-553-6027) at least one working day before the services/equipment is provided to request Precertification.
 - b. For maternity admissions the Enrollee or her physician should call SIHO to request Precertification on the second or fourth day after admission, respectively, if the inpatient admission is expected to exceed two days for a vaginal delivery or four days for a cesarean section. If the maternity admission is for reasons other than delivery, then the Enrollee or physician must call SIHO within one working day of the admission.
 - c. For other Precertification requests, the Enrollee or his physician should call SIHO or their Delegated Network at the number indicated on the Enrollee's identification card.
2. Precertification Decisions. If SIHO or their Delegated Network finds that proposed Medical Care is Medically Necessary and the setting is appropriate, SIHO or their Delegated Network will precertify the quantity and character of the Medical Care. SIHO will not precertify any extra inpatient days for tests that can be obtained on an outpatient basis before the Enrollee is admitted. If Precertification is obtained, SIHO will pay the benefits for the services as described in Article IV.
3. If Precertification has not been obtained, SIHO will reduce the benefits paid for the Medical Care as follows:
 - a. Medical Care that is not Medically Necessary. SIHO will not provide benefits for any Medical Care that is not Medically Necessary. Charges for such Medical Care will not apply toward any Health Plan Deductible or stop-loss limitations. If Precertification is denied, a Enrollee or his Participating Physician may request a review of the denial and may submit evidence to support Precertification as provided in the Health Plan's Claim Procedures.
 - b. Precertification not Requested. If Precertification is not obtained for Medical Care that is Medically Necessary and requires Precertification, SIHO will reduce the amount of benefits it will pay for the Medical Care to the lesser of 50% of the Prevailing Rates for the Medical Care or the applicable Medicare reimbursement rate for the Medical Care. This 50% reduction will not apply toward any plan Deductible or stop-loss limitations.

4. Precertification does not guarantee coverage for or payment of the service or procedure reviewed. For benefits to be paid, the Enrollee must be and remain eligible for benefits, all enrollment fees owed must be paid, and the service or procedure must be a Covered Benefit and not subject to an exclusion or limitation.

ATTACHMENT A

The following Indiana counties are part of Southeastern Indiana Health Organization's (SIHO) Service Area:

	[Bartholomew	Marion
	Brown	Martin
	Cass	Monroe
	Clark	Morgan
	Crawford	Ohio
	Daviess	Orange
	Dearborn	Owen
	Decatur	Perry
	Dubois	Pike
	Floyd	Posey
	Franklin	Ripley
	Gibson	Rush
	Greene	Scott
	Harrison	Shelby
	Jackson	Spencer
	Jefferson	Switzerland
	Jennings	Vanderburgh
	Johnson	Warrick
	Knox	Washington]
	Lawrence	

ATTACHMENT B
SCHEDULE OF BENEFITS

PRE-ADMISSION CERTIFICATION

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of 30% of the Prevailing Rate for the services provided. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use the Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____.

[If precertification is not requested and obtained prior to receiving Medical Services that require precertification, the benefits paid by SIHO will be reduced by a penalty of [%] of the Prevailing Rate for the services provided [, to a maximum of [\$500-\$5,000] per confinement]. The penalty will not be applied toward any Deductible or stop-loss limitations. It is important to note that this Agreement does not cover weekend admissions and any associated Medical Services unless they are Medically Necessary. To use this Pre-Admission Certification program, contact the Health Plan Medical Director of the designee at:_____]

ADMINISTRATOR:_____
ADDRESS:_____
PHONE NUMBER:(_____)-_____-_____

[Many individual services and benefits also require precertification in order to be included as Covered Services. Those services are identified in the Provider and Service Schedule portion of this Schedule of Benefits.]

ADDITIONAL FEATURES

Some additional general terms and limitations will have impact upon the Covered Services under this Agreement and need to be highlighted below. If the YES box next to the specific feature is checked, it will apply to this Agreement. If the NO box is checked, it will not apply to this Agreement. Read the Provider and Service Coverage portion of the Schedule of Benefits for a detailed explanation of all individual benefits and features, and how they are impacted by the following:

<u>YES</u>	<u>NO</u>	
☐	☐	Medicare Reimbursement Rates [plus an additional ____%] will be used as the limit for the Non-Network Service charges.
☐	☐	Network and Non-Network Service charges/payments combined for limitations.
☐	☐	[Tier 1 and Tier 2 charges/payments combined for limitations.]
☐	☐	In instances of Copayments, the <i>lesser</i> of the Copayment or billed charges will

apply.

[PRESCRIPTION DRUG BENEFITS:

[Eligible charges for prescription drug benefits will be limited to the cost of generic prescription drugs, wherever available.] [The following Prescription Drug Deductible will apply to coverage for Prescription Drugs]

[Combined Network and Non-Network Deductible per year:

Individual: \$0 to \$1,000

Family: \$0 to \$3,000]

[The following Copayments will apply to Coverage for prescription drugs:

Network	[\$0-\$50] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$75] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
---------	---

Non-Network	[\$0-\$100] per Generic Rx, [After Prescription Drug Deductible] [\$0-\$100] per Brand Rx [plus the difference between available Generic and chosen Brand] [After Prescription Drug Deductible]
-------------	---

[Formulary	[\$0-\$75] per non-Formulary compliance Rx [After Prescription Drug Deductible] [plus the minimum difference, not to be less than \$ __, between formulary Rx and non-formulary Rx chosen] [After Prescription Drug Deductible]
------------	--

[Biotech or Specialty Injectable Drugs other than insulin and anti neoplasm drugs
[10% to 40%] Coinsurance up to a maximum of [\$100 to 500] per Rx. Coinsurance does
[not] apply to the annual out-of-pocket maximum. Annual Benefit Maximum of [\$50,000 to Unlimited].]

[Annual Maximum \$5,000, \$10,000, \$15,000, Unlimited]

[Rx defined as 1 to 30 day supply]

[Evidence Based Pharmacy Plan (EBPP)

The Deductible, Coinsurance, or Copayment for selected maintenance medications will be waived or reduced for Enrollees identified with specific chronic conditions and who are actively participating, as determined by SIHO, in their Disease Management, Case Management, and/or other Medical Management programs.}]

[Step Therapy Programs

Use of a Generic drug in a given Class may be required before a Non-Preferred Brand Drug is Covered.

Affected Enrollees will be notified of the Step Therapy Program prior to it's effective date so that they can contact their physician and discuss a new prescription. Medical exceptions to the program may be granted based on clinical justification supplied by the Enrollee's physician.]

[Orally Administered Cancer Chemotherapy

As required by Indiana law, benefits for orally administered cancer chemotherapy will not be less favorable than the benefits that apply to coverage for cancer chemotherapy that is administered intravenously or by injection.]

[PRIMARY CARE PHYSICIAN:

An Enrollee must get approval from his Primary Care Physician to receive Network Services. Covered Services must be accessed through the Enrollee’s current Primary Care Physician in order to obtain any Coverage. Any Medical Services that are not provided, arranged, authorized, or approved by the Enrollee’s Primary Care Physician or the Health Plan Medical Director is excluded. This limitation does not apply to Medically Necessary emergency services.]

GEOGRAPHIC SERVICE AREA:

The geographic Service Area includes [the following counties:_____.] [the area represented by the following zip codes:_____.] [the area within a [25-60] mile radius of:_____.]

All Covered Services are subject to calendar year Deductible amounts UNLESS STATED OTHERWISE. All calendar year deductibles are applied [after, before] the applicable service Copayments. All plan payments accrue towards annual maximums.

	NETWORK SERVICES [LEVEL 1] [TIERS 1 AND 2]		NON-NETWORK SERVICES [LEVEL II] [TIER 3]	
	[Level I benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.] [Tier 1 and 2 benefits apply to Medical Care received from a Participating Provider or from a Non-Participating Provider with written authorization from the Health Plan Medical Director.]		[Level II benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director] [Tier 3 benefits apply to Medical Care received from a Non-Participating Provider without a written authorization from the Health Plan Medical Director.]

SCHEDULE OF BENEFITS
PEDIATRIC VISION ESSENTIAL BENEFIT

GENERAL

This Schedule list the vision care services and vision care materials to which Enrollees under the age of 19 are entitled, subject to any conditions, limitations and/or exclusions stated herein or in the Certificate of Coverage to which this is attached. Vision care services and vision care materials may be received from any licensed optometrist, ophthalmologist, or dispensing optician, who are Participating Providers.

Participating Provider are those doctors who have agreed to participate in VSP’s Choice Network, available at www.vsp.com.

When Covered Benefits are received from Participating Providers, benefits are applicable as stated below.

COVERED BENEFIT	PARTICIPATING PROVIDER BENEFIT
-----------------	--------------------------------

VISION CARE SERVICES

Vision Examination	Covered in Full
--------------------	-----------------

VISION CARE MATERIALS

Lenses	
Single Vision	Covered in Full*
Bifocal	Covered in Full*
Trifocal	Covered in Full*
Lenticular	Covered in Full*

Frames	Covered in Full from a Pediatric Exchange Collection
--------	--

CONTACT LENSES

Necessary Professional Fees and Materials	Covered in Full
---	-----------------

Elective Professional Fees** Materials	Covered in Full Covered in full with the following service limitations: Standard (one pair annually) = 1 contact lens per eye (total 2 lenses) Monthly (six-month supply) = 6 lenses per eye (total 12 lenses) Bi-weekly (3 month supply) = 6 lenses per eye (total 12 lenses) Dailies (one month supply) = 30 lenses per eye (total 60 lenses)
---	--

Necessary Contact Lenses are a Covered Benefit when specific benefit criteria are satisfied and when prescribed by a Participating Provider or Non-Participating Provider. Prior review and approval by VSP are not required to be eligible for Necessary Contact Lenses.

*Coverage includes lenses in polycarbonate, plastic or glass, scratch resistant or UV coatings also covered.

**15% discount applies to Participating Provider’s usual and customary professional fees for contact lens evaluation and fitting.

COPAYMENT

| There shall be no Copayment for the examination or materials payable to the Participating Provider at the time services are rendered.]

SOUTHEASTERN INDIANA HEALTH ORGANIZATION

Health Maintenance Organization Small Group Product Actuarial Memorandum Forms POS 97-03.052014 and QHP SG-05.2014

A. INTRODUCTION

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This actuarial memorandum has been prepared in accordance with Indiana insurance laws, specifically Section 27-8-15, and ACA Market Rating Rules. The purpose of this actuarial memorandum is to present the premium rates for SIHO's medical and prescription drug plans for small groups to be effective in the first quarter of 2015. This material should not be used for any other purpose.

This actuarial memorandum has been prepared for the use of SIHO. We understand that the actuarial memorandum will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of the actuarial memorandum may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

The rating factors were developed from information published in the Milliman Health Cost Guidelines, and applicable state and federal regulations, as well as from information provided by SIHO. The memorandum does not guarantee that the rates will be adequate. Rather, the filing shows that the rates will be adequate if the assumptions underlying their development are realized.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

B. STATE OF INDIANA 8.0 (A) AND 8.0 (B) SMALL GROUP RATE REQUIREMENTS

1. Benefit Structure

This is a group medical expense service agreement offered as a point of service or a health maintenance organization product. It provides for hospital, medical, and surgical expenses resulting from an eligible illness or injury. It also provides for prescription drug expenses and certain preventive care services. It is subject to various managed care provisions as described in the group certificate.

This policy provides for coverage of medical expenses with applicable member cost sharing, *i.e.*, co-payments, deductibles, and coinsurance amounts. Various benefit provisions are

available under this policy form. Covered benefits and copayment schedules have been included with the group certificates.

Attachment 1 provides a summary of benefit provisions for the benefit plan designs that are the subject of this actuarial memorandum. Complete descriptions of covered benefits and cost sharing arrangements are contained in the group certificates.

The benefit plan designs included in this rate filing will be sold to small employer groups in Indiana. All plans will be offered off-exchange. Four qualified health plans (QHPs), as noted below, will be offered on-exchange.

Pediatric dental services are no longer covered; rather the required pediatric dental services will be covered via a rider. There are no other changes in covered services from the most recent filing.

Cost-sharing amounts have been adjusted and several benefit plan designs will no longer be offered in order to comply with federal laws and regulations. New benefit plan designs, including QHPs, are also introduced. The QHPs are included in Exhibits 6 and 7 of Attachment 1. All will be offered off-exchange. In addition, the following QHPs will be offered on-exchange:

- QHP HMO HSA \$1,300/10%;
- QHP HMO \$3,500/20%;
- QHP HMO HSA \$2,000/20%; and
- QHP HMO HSA \$5,000/30%.

The prior SERFF tracking number was SEIH-129096393.

Covered services include the Indiana essential health benefits, inclusive of state mandated benefits. The following supplemental benefits are also covered:

- Diabetes education;
- Nutrition counseling; and
- An additional 3 chiropractic visits.

2. Current Rates

Section B.3 of the actuarial memorandum for the most recently approved rate filing describes the steps and factors used to determine group premiums. The most recently approved rate filing is included in SERFF tracking number SEIH-129096393.

3. Proposed Rates

a. Premium Rate Revision

The proposed premium rating factors are estimated to generate an average premium rate change of approximately 8.3% versus previously filed rates for first quarter 2014 effective dates. The proposed premium rating factors reflect the following significant adjustments:

- Trend, i.e., medical inflation and increased utilization;
- The exclusion of pediatric dental services;
- The morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015; and
- A reduction in retention components.

b. Premium Rate Calculation

Consumer Adjusted Premium Rates are calculated as the product of four factors:

- i. Plan Adjusted Index Rate (Calibrated);
- ii. Geographic rating area factor;
- iii. Age factor; and
- iv. Tobacco status factor.

Monthly Premium Rates to be charged to a specific individual group are determined by summing the Consumer Adjusted Premium Rates for each member of the group, provided at most three child dependents under age 21 for each family are taken into account. For groups electing composite rating, a composite premium will be calculated for members age 21 and older by averaging the Consumer Adjusted Premium Rates, prior to application of the tobacco status factor, for each member age 21 and older. Similarly, a composite premium will be calculated for members under age 21 by averaging the Consumer Adjusted Premium Rate for all covered members under age 21. The composite premium will be applicable to members under age 21, provided at most three child dependents for each family are taken into account. For members that use tobacco, the composite premium applicable to the member will be multiplied by the tobacco status factor applicable to the member's age.

i. Plan Adjusted Index Rate (Calibrated)

A Plan Adjusted Index Rate (Calibrated) is the estimated cost to provide coverage under a given benefit plan design for a member with a geographic rating area factor, an age factor, and a tobacco status factor of 1.00. The Plan Adjusted Index Rates (Calibrated) are provided in Exhibit 1 of Attachment 2. The actuarial value, as calculated using the CMS Actuarial Value (AV) calculator, and metal tier for each plan are also shown in this exhibit.

ii. Geographic Rating Area Factors

The geographic rating area factor is based on the region of the employer's principal business location. The regions are defined by IDOI Bulletin 197, dated March 22, 2013. The geographic rating area factors are provided in Exhibit 2 of Attachment 2.

iii. Age Factors

Age factors are based upon each member's age as of the premium rate effective date. The HHS Default Standard Age Curve is used for the age factors and is provided in Exhibit 3 of Attachment 2.

iii. Tobacco Status Factors

Tobacco status factors are based on each member's age and tobacco user status as of the premium rate effective date. Members whom do not use tobacco have a tobacco status factor of 1.00. The tobacco status factors for members that use tobacco are provided in Exhibit 3 of Attachment 2.

c. Administration Fees

SIHO also provides, at the option of the policyholder, certain administrative services to groups that are not insurance related. These fees represent service fees unrelated to the insurance risk and will be charged in addition to the monthly premium rates.

Groups electing to have SIHO provide administration of COBRA provisions are charged a monthly per subscriber administration fee.

4. Projected Experience with Requested Rate Change

SIHO's anticipated experience for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3. The values reflect that rate changes occur on each group's renewal date during the year. We have assumed that premium rates will be increased quarterly in 2015 since we intend to submit quarterly rate filings.

5. Projected Experience without Requested Rate Change

The requested rate change is required in order to comply with federal laws and regulations effective January 2015. As such, this section is not applicable for this rate filing since federal laws and regulations require changes.

6. Assumptions

The premium rates for this filing are based upon SIHO's recent and anticipated experience. SIHO's combined large group and small group point-of-service experience for the 12 months ending December 2013, representing 125,498 member months, provided the basis for the premium rates proposed in this filing. 2013 incurred claims PMPM were estimated to be \$329.92.

The following table illustrates how the point-of-service experience was adjusted for cost sharing changes, additional benefits, morbidity changes, reinsurance, and trend to estimate incurred claims for the 12 months beginning the first quarter of 2015 (1Q2015).

2013 Incurred Claims PMPM	\$329.92
Net Impact of Reinsurance	x 1.0147
Withhold	x 0.9784
Additional Benefits	x 1.0028
Population and Benefit Changes	x 1.0138
Morbidity Changes	x 1.0937
Trend	x 1.1775
Subtotal	\$428.85
Pediatric Vision	<u>\$0.75</u>
Estimated Incurred Claims PMPM for 1Q2015 Effective Dates	\$429.60

Note: Values have been rounded.

The net impact of reinsurance includes the estimated gross cost of specific stop loss and quota share reinsurance, less estimated recoveries. The net impact of reinsurance is not reflected in the 2013 incurred claims PMPM starting point.

The withhold adjustment removes the provider withhold from the experience period. A withhold is only incurred if SIHO achieves favorable operating performance.

Additional Benefits not covered during the experience period include private duty nursing and Temporomandibular joint disorder. Pediatric vision services are covered under a capitation agreement effective January 2015. Please note that pediatric dental services will not be covered within the policy beginning in 2015.

The adjustment due to population and benefit changes includes the impact of differences in age, area, and plan design between the projected population, which is SIHO's April 2014 small group book of business, and the experience period.

The adjustment due to morbidity changes reflects the morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity underlying the experience period. The adjustment factor is based upon an analysis of calibrated claims experience for SIHO small groups that continued and did not continue on non-ACA compliant policies in January 2014. The adjustment factor reflects that we

anticipate continued migration of small groups to ACA compliant policies during the remainder of 2014 and in 2015.

Net incurred annual trend of approximately 8.0% was applied for a total of 25.5 months to estimate claims experience for 1Q2015 effective dates. The 8.0% annual trend is the composite of medical trend of approximately 7.0% and prescription drug trend of approximately 14.3%. SIHO provided the medical trend estimate based upon anticipated changes in their provider contracts and a review of recent experience. The prescription drug trend estimate was developed using 2014 and 2015 projected trends from SIHO's pharmacy benefit manager for its health plan book of business and experience from 2010 to 2013 as reported by the pharmacy benefit manager for its health plan book of business and for SIHO. Prescription drug trend is expected to increase in comparison to our prior estimate due to rising utilization and unit price inflation for generic, brand, and specialty drugs, as well as the introduction of new specialty drugs.

The following table shows the adjustments made to the estimated incurred claims for 1Q2015 effective dates to estimate the required revenue.

<i>Estimated Incurred Claims PMPM for 1Q2015 Effective Dates</i>	<i>\$429.60</i>
Administrative Expense Load	\$48.56
Profit and Risk Load	\$63.24
Taxes and Fees	<u>\$8.48</u>
<i>Required Revenue PMPM</i>	<i>\$549.90</i>

The administrative expense load includes amounts for commissions, network access fees, and operating expenses. SIHO's small group commission schedule and network access fees are on a per employee per month (PEPM) basis. The PEPMs were applied to SIHO's small group membership as of April 2014, which is the basis for the projected membership. The resulting average PEPM was converted to a PMPM for the table above.

SIHO provided a PMPM assumption plus a percent of premium assumption for operating expenses. These estimates were developed by SIHO by applying anticipated changes in operating expenses to 2013 operating expenses and estimates of 2014 operating expenses. Operating expenses are expected to be lower on a PMPM basis in 2015 because SIHO affiliated companies have achieved economies of scale.

The proposed rates reflect a 6.0% profit and a 5.5% risk charge load converted to a PMPM for the table above. These loads were provided by SIHO and are applied to all products and plans.

The following taxes and fees are reflected in the table above:

- \$3.67 PMPM for the Federal Transitional Reinsurance Program;
- \$2.12 Per Member Per Year for the Patient Centered Outcomes Research Institute Fee;
- \$0.96 Per Member Per Year for the Risk Adjustment User Fee;
- \$0.43 PMPM for the Indiana Department of Insurance audit fees; and
- 0.75% for the Health Insurer Fee.

7. Premium Guarantee Provision

The policies are guaranteed renewable and will be sold on a guarantee of issue basis for group sizes of 2 – 50 lives.

8. Rating Factors

a. Rate Structure

The calculation of monthly premiums and the rating factors, including geographic rating area, age, and tobacco status factors were described in Section 3 above.

b. Non-benefit Expenses

Non-benefit expenses are included in the Plan Adjusted Index Rates (Calibrated) discussed in section 3 of this memorandum. The non-benefit expenses include amounts for administrative and other expenses, sales and marketing expenses, net cost of private reinsurance, taxes, fees, risk margin, and profit.

c. Impact of Contractual Arrangement

Contractual agreements with health care providers and administrators are expected to result in medical cost and premium changes in line with market averages.

9. Historical Experience

SIHO does not have business outside of Indiana so the information in this actuarial memorandum represents both Indiana and nationwide. SIHO's historical experience for policies under this form is provided in Exhibit 2 of Attachment 3.

a. Three Year Rate Change History

The three year rate change history for this form is shown in the table below.

Effective Date	Average Premium Rate Change versus Previously Filed Rates
January 2012	(3%)
January 2013	18%
January 2014	8%

b. Rate Changes Indicated and Requested

The requested rate change effective January 2015 for small group policies under this form is 8.3%. The requested rate change includes the impact of benefit plan changes required to comply with federal laws and regulations, such as changes to cost-sharing provisions, and the exclusion of pediatric dental services. The estimated impact of these benefit plan changes is 0.1%. The rate change indicated to achieve the target retention levels is the same as the change requested.

The maximum and minimum rate changes for a group are estimated to be approximately 118% and approximately -41%, respectively. Since most groups have not yet transitioned to plans where the ACA rating rules apply, the estimated rate changes reflect the change in rating rules in 2014 due to ACA. Under the rating methodology applicable to grandfathered plans, SIHO applies underwriting discretion factors ranging from 0.65 to 1.35, group size factors ranging from 1.0 to 1.2, and industry factors ranging from 0.95 to 1.05 to calculate premiums. Rate increases approach the 118% maximum rate increase when current rates are based on underwriting discretion factors, group size factors, and industry factors at the lower end of the ranges listed above coupled with increased demographic and benefit factors. Rate increases approach the -41% minimum when current rates are based on underwriting discretion factors, group size factors, and industry factors at the upper end of the ranges listed above coupled with decreased demographic factors.

SIHO does not target a specific loss ratio. Rather, retention components are established consistent with SIHO's administrative expense structure and its target underwriting margin. The retention components are added to the claim cost estimates in order to determine the total premium need. This approach does not result in a constant loss ratio target. The retention components as applied to SIHO's anticipated book of business for the 12 months beginning January 2015 result in an estimated effective target loss ratio of approximately 78.1%. This target loss ratio assumes that all groups renew 1Q2015 and it therefore reflects only 2015 rates and benefits. The target loss ratio has increased versus the prior filing primarily due to the reduction in SIHO's operating expenses.

10. Projection of Lifetime Target Loss Ratio

This section is not applicable to group HMO business.

11. Company Financial Position

SIHO's risk-based capital ratio as of December 31, 2013 was 472.8%.

C. CERTIFICATION AND ATTESTATIONS

I am a Consulting Actuary with the firm of Milliman, Inc. SIHO engaged me to provide this actuarial memorandum.

Guidelines issued by the American Academy of Actuaries require actuaries to include their professional qualifications in all actuarial communications. I am a member of the American Academy of Actuaries, and I meet its qualification standards to perform the analysis and render the actuarial opinion contained herein.

I believe this rate filing is in compliance with all applicable state and federal insurance statutes and regulations and with applicable actuarial standards of practice. I am familiar with the applicable statutory provisions of small group health insurance premium rating restrictions as contained in Indiana Code 27-8-15 and believe that this rate filing is in compliance with it.

I attest that the same premium rate is being charged without regard to whether the plan is offered through an Exchange, or whether the plan is offered directly from SIHO or through an agent.

This memorandum should not be interpreted as a guarantee that the rates will be adequate. The rates will be adequate if the assumptions underlying their development are realized. The adequacy of the rates will be dependent on numerous factors, many of which are not subject to management control (e.g., medical care cost trends in the community, demographic characteristics of the enrollees, etc.).

In developing the rating factors and other values in this actuarial memorandum, I relied on data, other information, and assumptions provided by SIHO. I have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of the analysis may likewise be inaccurate or incomplete. I performed a limited review of the data used directly in the analysis for reasonableness and consistency and have not found material defects in the data. If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of my assignment.

Jill S. Herbold, FSA, MAAA
Consulting Actuary

SOUTHEASTERN INDIANA HEALTH ORGANIZATION

Health Maintenance Organization Small Group Product Actuarial Memorandum Forms POS 97-03.052014 and QHP SG-05.2014

A. INTRODUCTION

Milliman, Inc. (Milliman) was retained by Southeastern Indiana Health Organization (SIHO) to develop a small group rate filing with on-exchange and off-exchange plans to be filed with the Indiana Department of Insurance for effective dates in the first quarter of 2015. This actuarial memorandum has been prepared in accordance with Indiana insurance laws, specifically Section 27-8-15, and ACA Market Rating Rules. The purpose of this actuarial memorandum is to present the premium rates for SIHO's medical and prescription drug plans for small groups to be effective in the first quarter of 2015. This material should not be used for any other purpose.

This actuarial memorandum has been prepared for the use of SIHO. We understand that the actuarial memorandum will be provided to the Indiana Department of Insurance and its subcontractors to assist in the review of SIHO's small group rate filing. No portion of the actuarial memorandum may be provided to any other party without Milliman's prior written consent. Milliman does not intend to benefit or create a legal duty to any third party recipient of its work.

The rating factors were developed from information published in the Milliman Health Cost Guidelines, and applicable state and federal regulations, as well as from information provided by SIHO. The memorandum does not guarantee that the rates will be adequate. Rather, the filing shows that the rates will be adequate if the assumptions underlying their development are realized.

Differences between our projections and actual amounts depend on the extent to which future experience conforms to the assumptions made for this analysis. It is certain that actual experience will not conform exactly to the assumptions used in this analysis. Actual amounts will differ from projected amounts to the extent that actual experience deviates from expected experience.

B. STATE OF INDIANA 8.0 (A) AND 8.0 (B) SMALL GROUP RATE REQUIREMENTS

1. Benefit Structure

This is a group medical expense service agreement offered as a point of service or a health maintenance organization product. It provides for hospital, medical, and surgical expenses resulting from an eligible illness or injury. It also provides for prescription drug expenses and certain preventive care services. It is subject to various managed care provisions as described in the group certificate.

This policy provides for coverage of medical expenses with applicable member cost sharing, *i.e.*, co-payments, deductibles, and coinsurance amounts. Various benefit provisions are

available under this policy form. Covered benefits and copayment schedules have been included with the group certificates.

Attachment 1 provides a summary of benefit provisions for the benefit plan designs that are the subject of this actuarial memorandum. Complete descriptions of covered benefits and cost sharing arrangements are contained in the group certificates.

The benefit plan designs included in this rate filing will be sold to small employer groups in Indiana. All plans will be offered off-exchange. Four qualified health plans (QHPs), as noted below, will be offered on-exchange.

Pediatric dental services are no longer covered; rather the required pediatric dental services will be covered via a rider. There are no other changes in covered services from the most recent filing.

Cost-sharing amounts have been adjusted and several benefit plan designs will no longer be offered in order to comply with federal laws and regulations. New benefit plan designs, including QHPs, are also introduced. The QHPs are included in Exhibits 6 and 7 of Attachment 1. All will be offered off-exchange. In addition, the following QHPs will be offered on-exchange:

- QHP HMO HSA \$1,300/10%;
- QHP HMO \$3,500/20%;
- QHP HMO HSA \$2,000/20%; and
- QHP HMO HSA \$5,000/30%.

The prior SERFF tracking number was SEIH-129096393.

Covered services include the Indiana essential health benefits, inclusive of state mandated benefits. The following supplemental benefits are also covered:

- Diabetes education;
- Nutrition counseling; and
- An additional 3 chiropractic visits.

2. Current Rates

Section B.3 of the actuarial memorandum for the most recently approved rate filing describes the steps and factors used to determine group premiums. The most recently approved rate filing is included in SERFF tracking number SEIH-129096393.

3. Proposed Rates

a. Premium Rate Revision

The proposed premium rating factors are estimated to generate an average premium rate change of approximately 8.3% versus previously filed rates for first quarter 2014 effective dates. The proposed premium rating factors reflect the following significant adjustments:

- Trend, i.e., medical inflation and increased utilization;
- The exclusion of pediatric dental services;
- The morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015; and
- A reduction in retention components.

b. Premium Rate Calculation

Consumer Adjusted Premium Rates are calculated as the product of four factors:

- i. Plan Adjusted Index Rate (Calibrated);
- ii. Geographic rating area factor;
- iii. Age factor; and
- iv. Tobacco status factor.

Monthly Premium Rates to be charged to a specific individual group are determined by summing the Consumer Adjusted Premium Rates for each member of the group, provided at most three child dependents under age 21 for each family are taken into account. For groups electing composite rating, a composite premium will be calculated for members age 21 and older by averaging the Consumer Adjusted Premium Rates, prior to application of the tobacco status factor, for each member age 21 and older. Similarly, a composite premium will be calculated for members under age 21 by averaging the Consumer Adjusted Premium Rate for all covered members under age 21. The composite premium will be applicable to members under age 21, provided at most three child dependents for each family are taken into account. For members that use tobacco, the composite premium applicable to the member will be multiplied by the tobacco status factor applicable to the member's age.

i. Plan Adjusted Index Rate (Calibrated)

A Plan Adjusted Index Rate (Calibrated) is the estimated cost to provide coverage under a given benefit plan design for a member with a geographic rating area factor, an age factor, and a tobacco status factor of 1.00. The Plan Adjusted Index Rates (Calibrated) are provided in Exhibit 1 of Attachment 2. The actuarial value, as calculated using the CMS Actuarial Value (AV) calculator, and metal tier for each plan are also shown in this exhibit.

ii. Geographic Rating Area Factors

The geographic rating area factor is based on the region of the employer's principal business location. The regions are defined by IDOI Bulletin 197, dated March 22, 2013. The geographic rating area factors are provided in Exhibit 2 of Attachment 2.

iii. Age Factors

Age factors are based upon each member's age as of the premium rate effective date. The HHS Default Standard Age Curve is used for the age factors and is provided in Exhibit 3 of Attachment 2.

iii. Tobacco Status Factors

Tobacco status factors are based on each member's age and tobacco user status as of the premium rate effective date. Members whom do not use tobacco have a tobacco status factor of 1.00. The tobacco status factors for members that use tobacco are provided in Exhibit 3 of Attachment 2.

c. Administration Fees

SIHO also provides, at the option of the policyholder, certain administrative services to groups that are not insurance related. These fees represent service fees unrelated to the insurance risk and will be charged in addition to the monthly premium rates.

Groups electing to have SIHO provide administration of COBRA provisions are charged a monthly per subscriber administration fee.

4. Projected Experience with Requested Rate Change

SIHO's anticipated experience for the 12 months subsequent to the proposed rate revision for small group policies under this form is provided in Exhibit 1 of Attachment 3. The values reflect that rate changes occur on each group's renewal date during the year. We have assumed that premium rates will be increased quarterly in 2015 since we intend to submit quarterly rate filings.

5. Projected Experience without Requested Rate Change

The requested rate change is required in order to comply with federal laws and regulations effective January 2015. As such, this section is not applicable for this rate filing since federal laws and regulations require changes.

6. Assumptions

The premium rates for this filing are based upon SIHO's recent and anticipated experience. SIHO's combined large group and small group point-of-service experience for the 12 months ending December 2013, representing 125,498 member months, provided the basis for the premium rates proposed in this filing. 2013 incurred claims PMPM were estimated to be \$329.92.

The following table illustrates how the point-of-service experience was adjusted for cost sharing changes, additional benefits, morbidity changes, reinsurance, and trend to estimate incurred claims for the 12 months beginning the first quarter of 2015 (1Q2015).

2013 Incurred Claims PMPM	\$329.92
Net Impact of Reinsurance	x 1.0147
Withhold	x 0.9784
Additional Benefits	x 1.0028
Population and Benefit Changes	x 1.0138
Morbidity Changes	x 1.0937
Trend	x 1.1775
Subtotal	\$428.85
Pediatric Vision	<u>\$0.75</u>
Estimated Incurred Claims PMPM for 1Q2015 Effective Dates	\$429.60

Note: Values have been rounded.

The net impact of reinsurance includes the estimated gross cost of specific stop loss and quota share reinsurance, less estimated recoveries. The net impact of reinsurance is not reflected in the 2013 incurred claims PMPM starting point.

The withhold adjustment removes the provider withhold from the experience period. A withhold is only incurred if SIHO achieves favorable operating performance.

Additional Benefits not covered during the experience period include private duty nursing and Temporomandibular joint disorder. Pediatric vision services are covered under a capitation agreement effective January 2015. Please note that pediatric dental services will not be covered within the policy beginning in 2015.

The adjustment due to population and benefit changes includes the impact of differences in age, area, and plan design between the projected population, which is SIHO's April 2014 small group book of business, and the experience period.

The adjustment due to morbidity changes reflects the morbidity of small groups anticipated to elect to be enrolled in ACA-compliant policies during 2015 in comparison to the morbidity underlying the experience period. The adjustment factor is based upon an analysis of calibrated claims experience for SIHO small groups that continued and did not continue on non-ACA compliant policies in January 2014. The adjustment factor reflects that we

anticipate continued migration of small groups to ACA compliant policies during the remainder of 2014 and in 2015.

Net incurred annual trend of approximately 8.0% was applied for a total of 25.5 months to estimate claims experience for 1Q2015 effective dates. The 8.0% annual trend is the composite of medical trend of approximately 7.0% and prescription drug trend of approximately 14.3%. SIHO provided the medical trend estimate based upon anticipated changes in their provider contracts and a review of recent experience. The prescription drug trend estimate was developed using 2014 and 2015 projected trends from SIHO's pharmacy benefit manager for its health plan book of business and experience from 2010 to 2013 as reported by the pharmacy benefit manager for its health plan book of business and for SIHO. Prescription drug trend is expected to increase in comparison to our prior estimate due to rising utilization and unit price inflation for generic, brand, and specialty drugs, as well as the introduction of new specialty drugs.

The following table shows the adjustments made to the estimated incurred claims for 1Q2015 effective dates to estimate the required revenue.

<i>Estimated Incurred Claims PMPM for 1Q2015 Effective Dates</i>	<i>\$429.60</i>
Administrative Expense Load	\$48.56
Profit and Risk Load	\$63.24
Taxes and Fees	<u>\$8.48</u>
<i>Required Revenue PMPM</i>	<i>\$549.90</i>

The administrative expense load includes amounts for commissions, network access fees, and operating expenses. SIHO's small group commission schedule and network access fees are on a per employee per month (PEPM) basis. The PEPMs were applied to SIHO's small group membership as of April 2014, which is the basis for the projected membership. The resulting average PEPM was converted to a PMPM for the table above.

SIHO provided a PMPM assumption plus a percent of premium assumption for operating expenses. These estimates were developed by SIHO by applying anticipated changes in operating expenses to 2013 operating expenses and estimates of 2014 operating expenses. Operating expenses are expected to be lower on a PMPM basis in 2015 because SIHO affiliated companies have achieved economies of scale.

The proposed rates reflect a 6.0% profit and a 5.5% risk charge load converted to a PMPM for the table above. These loads were provided by SIHO and are applied to all products and plans.

The following taxes and fees are reflected in the table above:

- \$3.67 PMPM for the Federal Transitional Reinsurance Program;
- \$2.12 Per Member Per Year for the Patient Centered Outcomes Research Institute Fee;
- \$0.96 Per Member Per Year for the Risk Adjustment User Fee;
- \$0.43 PMPM for the Indiana Department of Insurance audit fees; and
- 0.75% for the Health Insurer Fee.

7. Premium Guarantee Provision

The policies are guaranteed renewable and will be sold on a guarantee of issue basis for group sizes of 2 – 50 lives.

8. Rating Factors

a. Rate Structure

The calculation of monthly premiums and the rating factors, including geographic rating area, age, and tobacco status factors were described in Section 3 above.

b. Non-benefit Expenses

Non-benefit expenses are included in the Plan Adjusted Index Rates (Calibrated) discussed in section 3 of this memorandum. The non-benefit expenses include amounts for administrative and other expenses, sales and marketing expenses, net cost of private reinsurance, taxes, fees, risk margin, and profit.

c. Impact of Contractual Arrangement

Contractual agreements with health care providers and administrators are expected to result in medical cost and premium changes in line with market averages.

9. Historical Experience

SIHO does not have business outside of Indiana so the information in this actuarial memorandum represents both Indiana and nationwide. SIHO's historical experience for policies under this form is provided in Exhibit 2 of Attachment 3.

a. Three Year Rate Change History

The three year rate change history for this form is shown in the table below.

Effective Date	Average Premium Rate Change versus Previously Filed Rates
January 2012	(3%)
January 2013	18%
January 2014	8%

b. Rate Changes Indicated and Requested

The requested rate change effective January 2015 for small group policies under this form is 8.3%. The requested rate change includes the impact of benefit plan changes required to comply with federal laws and regulations, such as changes to cost-sharing provisions, and the exclusion of pediatric dental services. The estimated impact of these benefit plan changes is 0.1%. The rate change indicated to achieve the target retention levels is the same as the change requested.

The maximum and minimum rate changes for a group are estimated to be approximately 118% and approximately -41%, respectively. Since most groups have not yet transitioned to plans where the ACA rating rules apply, the estimated rate changes reflect the change in rating rules in 2014 due to ACA. Under the rating methodology applicable to grandfathered plans, SIHO applies underwriting discretion factors ranging from 0.65 to 1.35, group size factors ranging from 1.0 to 1.2, and industry factors ranging from 0.95 to 1.05 to calculate premiums. Rate increases approach the 118% maximum rate increase when current rates are based on underwriting discretion factors, group size factors, and industry factors at the lower end of the ranges listed above coupled with increased demographic and benefit factors. Rate increases approach the -41% minimum when current rates are based on underwriting discretion factors, group size factors, and industry factors at the upper end of the ranges listed above coupled with decreased demographic factors.

SIHO does not target a specific loss ratio. Rather, retention components are established consistent with SIHO's administrative expense structure and its target underwriting margin. The retention components are added to the claim cost estimates in order to determine the total premium need. This approach does not result in a constant loss ratio target. The retention components as applied to SIHO's anticipated book of business for the 12 months beginning January 2015 result in an estimated effective target loss ratio of approximately 78.1%. This target loss ratio assumes that all groups renew 1Q2015 and it therefore reflects only 2015 rates and benefits. The target loss ratio has increased versus the prior filing primarily due to the reduction in SIHO's operating expenses.

10. Projection of Lifetime Target Loss Ratio

This section is not applicable to group HMO business.

11. Company Financial Position

SIHO's risk-based capital ratio as of December 31, 2013 was 472.8%.

C. CERTIFICATION AND ATTESTATIONS

I am a Consulting Actuary with the firm of Milliman, Inc. SIHO engaged me to provide this actuarial memorandum.

Guidelines issued by the American Academy of Actuaries require actuaries to include their professional qualifications in all actuarial communications. I am a member of the American Academy of Actuaries, and I meet its qualification standards to perform the analysis and render the actuarial opinion contained herein.

I believe this rate filing is in compliance with all applicable state and federal insurance statutes and regulations and with applicable actuarial standards of practice. I am familiar with the applicable statutory provisions of small group health insurance premium rating restrictions as contained in Indiana Code 27-8-15 and believe that this rate filing is in compliance with it.

I attest that the same premium rate is being charged without regard to whether the plan is offered through an Exchange, or whether the plan is offered directly from SIHO or through an agent.

This memorandum should not be interpreted as a guarantee that the rates will be adequate. The rates will be adequate if the assumptions underlying their development are realized. The adequacy of the rates will be dependent on numerous factors, many of which are not subject to management control (e.g., medical care cost trends in the community, demographic characteristics of the enrollees, etc.).

In developing the rating factors and other values in this actuarial memorandum, I relied on data, other information, and assumptions provided by SIHO. I have not audited or verified this data and other information. If the underlying data or information is inaccurate or incomplete, the results of the analysis may likewise be inaccurate or incomplete. I performed a limited review of the data used directly in the analysis for reasonableness and consistency and have not found material defects in the data. If there are material defects in the data, it is possible that they would be uncovered by a detailed, systematic review and comparison of the data to search for data values that are questionable or for relationships that are materially inconsistent. Such a review was beyond the scope of my assignment.

Jill S. Herbold, FSA, MAAA
Consulting Actuary
