Message Body:

Why have you'll not talked about Gov. Mitch.his comment of 1 billion with a B from the sale of our toll road for

3.8 billions for our part the east end bridge.

Why have we let Kentucky dictate what we have to pay to put a tunnnle on the Ky.side sure they will let us pay by toll which will be 75%of the cost.

Gov.Mitch has went along cause if he ever runs forPresident he has have the support of Mitch Mc Mconnell,who has never been for the east bridge because he knows would cost a lot of politial support for him.Hope speak to this. Nova 812 256 6824 my E Mail is right
