

# Reportable Condition Reporting Guidance

Infectious Disease  
Epidemiology &  
Prevention Division

**Condition Name:**  
**Leptospirosis**

**Condition Name in NBS:**  
**Leptospirosis**

**Reporting Timeframe:**  
**Within One Working Day**

## TO REPORT:

- NBS users: Report conditions via Morbidity Report in **NBS**
- Non-NBS users: Report with **this** form

## Associated Reportable Laboratory Results

- *Leptospira* organisms from a clinical specimen
- *Leptospira* agglutination titer by MAT in serum specimen
- Detection of *Leptospira* DNA, IgM, or demonstration of *Leptospira* or *Leptospira* antibodies in a clinical specimen

## Condition Specific Reporting Details

- Clinical, Epidemiologic, Lab Report, and Treatment information sections within the NBS Morbidity Report

## Additional Documentation to Include

- Applicable lab results (culture, IgM, MAT, PCR, or other supporting labs)
- Applicable patient medical records (if available)
- Any noted exposure history, including animal and water exposures and travel
