Here are Coast Guard's comments on the project. Please include this in the meeting documentation and send me a response for Mr. Studt. Thanks

Subject: Comments May 26th SEIS Coord Meeting

Ms. Osadczyk:

Eric Washburn, Bridge Administrator, Eighth Coast Guard District (obr),
1222 Spruce Street, St. Louis, MO 63103. I reviewed the CD provided with Mr. Vlach's letter.
My comments/questions: Is Harrods Creek a waterway which the project will cross? In a map
of the project area it appears that the Gene Snyder (I-265) extension to the Ohio River may
cross it. Also is there any reference to the Migratory Bird Treaty Act of 1918 in the SEIS
material? This may have been covered in the U.S.
Fish & Wildlife treatment but not mentioned.
