

**Drainage Board Meeting
April 7, 2026**

Present: Jim Seiler, Heather Gries, Mac Webb, Auditor Melissa Bunner, and Surveyor Tyler Daming.

Location: Commissioners Meeting Room, 2nd Floor, Courthouse

The meeting was called to order by President Webb at 2:45 P.M.

Minutes

Seiler made a motion to approve the minutes for March 3, 2026. Gries seconded the motion. Motion carried.

Surveyors Report

There was a complaint about jams along the Ira Tower drain, located in the Baker Creek watershed which currently has \$90,776.48. This will be a smaller project, so the plan is to gather three (3) bids instead of holding a formal pre-bid meeting and bid opening.

The last of the binders of Cornerstone Verifications will be scanned this week. There are still several steps that will need to be complete before anything can be uploaded into GIS. The next step will be a quote from GIS when the files are ready to be uploaded.

Daming will be looking into some complaints from a landowner of a log jam near 245 & Highway 70. It is not in a watershed.

There is a meeting on Friday with Clint at Midwest to discuss creating new watersheds.

Jim Morley Jr with Morley & Associates is requesting approval for the drainage plan that was established for the Reo Dental office located on Highway 66. Daming has reviewed and approved the plan contingent no water moves westward. **Seiler motioned to approve the plan. Gries seconded the motion. Motion carried.** (Jim stated the water will drain NE.)

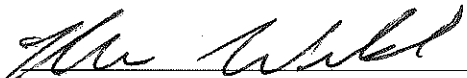

Old Business

No Report

New Business

No Report

**Gries made a motion to adjourn. Seiler seconded the motion. Motion carried.
The meeting was adjourned at 2:51 P.M.**

President
Attest:

Auditor, Melissa L. Bunner
