

FSSA MISSION AND VISION

Mission statement:

We are steadfast in our mission to break the cycle of poverty by providing Hoosiers with the health care, social services and support necessary to achieve lasting economic independence. Through thoughtfully designed and fiscally sustainable programs, we equip individuals and families with the resources and opportunities they need to build stability, reclaim dignity and secure long-term success.

Vision statement:

We strive to be a high-performing, integrated agency that efficiently utilizes its resources to provide consistent, reliable services while ensuring responsible stewardship of state and federal funding.
