

## CHILD ADVOCACY CENTER CONTRACT

CONTRACT # [REDACTED]

This Contract (“this Contract”), entered into by and between Indiana Department of Child Services (the “State” or “DCS”) and [REDACTED] (the “Contractor” or “CAC”), is executed pursuant to the terms and conditions set forth herein. In consideration of those mutual undertakings and covenants, the parties agree as follows:

### **Background.**

Child Advocacy Centers (each, a “CAC”) address the needs of victims of child abuse and neglect, particularly for children whose cases involve sexual abuse, exploitation, severe physical abuse, disabilities or serious health-related problems. Children who have disclosed abuse are interviewed by a forensic interviewer at such centers. Each CAC provides a child-appropriate facility consisting of high-quality accommodations and equipment, which maintains focus on the child and helps to ensure that systems designed to protect children are able to do so effectively and through culturally competent policies and practices. The purpose of DCS’ engagement of the CAC is to enhance the response to suspected child abuse and neglect cases and to minimize trauma to victims by combining the expertise and professional knowledge of various investigative agencies and other professionals. Those involved in the CAC share a core philosophy that child abuse is a multifaceted community problem and that no single agency, individual or discipline has the necessary knowledge, skills or resources to serve the needs of children and their families.

The CAC facilitates a multidisciplinary team (“MDT”) approach to the assessment of allegations of child abuse and neglect. Pursuant to Indiana Code § 31-33-3, *et. seq.*, the MDT includes law enforcement, DCS personnel, prosecutors, medical and mental health professionals, guardians ad litem, Court Appointed Special Advocates, and/or other providers of services to children and families. The MDT members work together to conduct interviews and make team decisions about investigation, treatment, and management of cases. The multidisciplinary approach to child abuse assessments is designed with the intention of reducing the secondary trauma associated with the disclosure and subsequent investigation of abuse.

The CAC must be a Non Profit entity with 501(c)(3) status or a government entity, such as a Prosecutor’s Office. The CAC with the Non Profit status may be a standalone CAC, a CAC under an umbrella agency, or a CAC under a Prosecutor’s Office.

### **1. Duties of Contractor.**

A In accordance with (a) the State’s Request for Proposals to Provide Child Advocacy Center/Children’s Justice Act Services (the “RFP”) and the Contractor’s written response thereto submitted to the State as provided in the RFP (the “Contractor’s Response”), which are incorporated herein by reference, and (b) any applicable DCS’ Service Standards regarding CACs, which are also incorporated herein by reference, the Contractor (sometimes hereinafter referred to as “CAC”) shall provide the following services:

- (1) Provide and maintain a child-appropriate facility consisting of high-quality accommodations and equipment.
- (2) Perform and record interviews of child abuse victims in safe, child-friendly surroundings and in a manner so as to avoid multiple interviews, reduce the trauma of disclosure, and preserve statements for court purposes.

- (a) Interviews shall consist of one or a series of developmentally appropriate, forensic interviews by a specially trained forensic interviewer, whether a DCS staff person or another member of the team, who builds trust and rapport with the child while taking care not to suggest words or answers that are not the child's own.
  - (b) Other professionals may observe interviews and participate as appropriate by using a one-way glass window, bug-in-the-ear system, remote camera/television or some similar method of communication.
  - (c) Recorded interviews or activities shall qualify under the assessment, law enforcement agency ("LEA") or prosecutors privilege pursuant to IC § 31-33-8, *et. seq.*
- (3) Provide copies of the recorded interview(s) and written interview report(s) of the forensic interview to local DCS office, upon request. In cases of prosecution and an ongoing LEA investigation, reports shall be provided to local DCS offices at a time mutually agreed to by DCS and the LEA.
  - (4) Schedule the interviews within the time frame given by DCS in order to meet statutory obligations.
  - (5) Make the CAC facility available to DCS on a 24 hours per day/7 days per week basis and comply with DCS' decisions with respect to who will interview DCS clients, whether DCS or a **specific** CAC staff member.
  - (6) Assure that any contact between the victim and the perpetrator shall be driven by the LEA or DCS and confirm permission from DCS prior to advising a DCS client to contact an alleged perpetrator.
  - (7) In the event of a disagreement between DCS and the LEA or prosecutor regarding the child interview or other case decision, Contractor shall consult DCS' Service Standards regarding CACs. The service standards are modified/updated from time to time by DCS but always available in their most current form at the following link (or any designated successor website):  

<http://www.in.gov/dcs/3338.htm>.
  - (8) Perform any and all other services as provided in the RFP, the Contractor's Response, and the DCS' Service Standards, pursuant to DCS request.
  - (9) Promptly communicate to DCS any information concerning an issue related to services hereunder (including client or staff complaints), whether related to employees or subcontractors who serve or might serve DCS clients.
- B. Notwithstanding anything expressed or implied from the Contract to the contrary, Contractor shall obtain a signed release from the parent/guardian of the DCS client in order to receive case information from DCS. The release shall be in a form agreed upon and approved by DCS.
- C. The CAC shall accept and recognize the forensic interview training methods utilized by the State, including without limitation the nationally-recognized program known as "Finding Words," as well as "DCS Forensic Interviewing."
- D. The CAC may not distribute, publish, or use in any manner written, recorded, or otherwise memorialized interviews, child records, or discussions nor information obtained from interviews, child records, or discussions for any purpose other than preparation of reports required by the DCS Service Standards, MDT training purposes, or for reporting purposes required for compliance with national accreditation standards.
- E. The MDT members work together to conduct interviews and make team decisions regarding investigations, management of cases, and services needed by the child and the family on a routine basis. The MDT will discuss and share information regarding the investigation, case status, and treatment.

Prior to sharing information, the Contractor shall be required to obtain a signed release from the parent/guardian of the DCS client in order to receive case information from DCS.

F. The Contractor agrees that the services provided under this Contract may require it to appear in court or appeals hearings, as well as miscellaneous administrative hearings and/or require its participation in deposition(s) (hereinafter referred to as “Appearance(s)” or “Appear(s)”).

(1) As part of these services, the Contractor shall:

- (a) Require Appearance(s) of its employees, former employees (if applicable), and subcontractors (the “Contractor’s Staff”) as required by DCS. DCS will make a reasonable effort to provide the Contractor with at least seven days’ notice, by a subpoena or written request (including email).
- (b) Immediately contact DCS regarding subpoena/correspondence received, including notification of any correspondence addressed to a former employee, leased employee, or subcontractor relating to or arising from the services provided under this Contract;
- (c) Provide contact information for those subpoenaed, if available;
- (d) Provide a substitute witness as requested by DCS;
- (e) Timely copy and provide records and documentation; and
- (f) Arrange for documentation of chain of custody on tests administered to clients as part of the Contractor’s services, if requested by DCS.

(2) DCS will attempt to provide adequate prior notice for required court/hearing testimony and/or deposition(s) and will pay for Appearances it requires and for which the Contractor’s Staff Appears (in accordance with the specifications set forth below).

(3) Releases: The Contractor shall be required to have current releases for all DCS’ clients and JD/JS clients for whom the Contractor’s Staff provides or has provided services pursuant to this Contract. If the Contractor is unable to obtain a release from the parent, guardian, or custodian, then the Contractor shall, in accordance with Section 50 [Reports and Records Concerning Services] herein, document the reason (i.e. parent refused, parent is the alleged perpetrator, etc.) such a release was not obtained.

- (a) The release must be signed by the appropriate parent and/or guardian of the DCS client. If a parent and/or guardian is not reasonably available, declines to act, and/or existence is unknown, the Contractor shall immediately notify DCS so a court order can be obtained.
- (b) The release should have an expiration tied to the completion of the investigation, treatment, or closure of any resulting hearing or case. If a case begins as an informal adjustment (IA), the expiration should be tied to a reasonable expiration date to cover the later of potential appearance requests or the closure of any successor case. It is Contractor’s responsibility to monitor the expiration dates of the releases and obtain subsequent, signed releases for all DCS’s clients and JD/JS clients throughout the entire resulting case.
- (c) If the Contractor is planning on filing a motion to quash or requesting any hearings relating to its testimony that must take place prior to a court/trial date, the Contractor must provide DCS and any relevant counsel for JD/JS clients with adequate advance notice of such motion and/or request for a hearing prior to such court/trial date. DCS shall determine, in its discretion, whether such advance notice is adequate in any given circumstance. Notice will be considered inadequate if it would require a delay in any finding or permanency hearing.
- (d) If the Contractor is planning on filing a motion to quash or requesting any hearings relating to its testimony that must take place prior to a court/trial date, the Contractor must provide DCS and any relevant counsel for DCS clients with adequate advance notice of such motion and/or request for a hearing prior to such court/trial date. DCS shall determine, in its discretion, whether such advance notice is adequate in any given circumstance. Notice will

be considered inadequate if it would require a delay in any fact finding or permanency hearing.

- (4) The Contractor agrees to cooperate with the DCS local office attorney (or other authorized representative of DCS) during case preparation. Furthermore, the Contractor agrees to be prepared for all Appearances/Testimony.
- G. The CAC may conduct professional training and in-house educational programs for the MDT. The CAC must request permission of the DCS and parent/guardian to utilize recorded interviews and written reports (or otherwise memorialized) for such training purposes. Contractor shall be required to obtain a signed authorization for release of information by the DCS and parent/guardian for the CAC to use the recorded interview by the MDT at the local CAC for training purposes. Additionally, all recordings are held in confidence and only utilized by the MDT for interview training sessions and presentations. The child's identity shall be protected by blurring or blocking identifying features, or by other video/audio technique designed to protect identity. The release shall be valid for a period of three (3) years from the date of signature. Any use of the confidential information beyond three (3) years will require the execution of a new release.
- H. The Contractor acknowledges that it may provide other services to DCS clients under a separate contract. The information obtained from interviews, child records, or discussions pursuant to the purpose of this Contract shall not be utilized or shared for such services, other than forensic interviewing, as referenced in DCS' Service Standards and this Contract.

  - (2) The Contractor agrees that the State has the right to make recommendations and findings in connection with any financial monitoring or audit of the Contractor's operations, and the Contractor agrees to comply with any corrective actions specified by the State, within the time limits established by the State.

## 10. Compliance with Laws. [Modified]

- A. The Contractor shall comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, including any disaster plan protocol (Title IV-E and Title IV-B), and all provisions required thereby to be included herein are hereby incorporated by reference. Thus, if the Contractor has unpaid unemployment insurance or unpaid taxes to the State, this Contract will be held until these issues are resolved.
- D. The Contractor certifies by entering into this Contract that neither it nor its principal(s) is presently in arrears in payment of taxes, permit fees or other statutory, regulatory or judicially required payments

to the State of Indiana. The Contractor agrees that any payments currently due to the State of Indiana may be withheld from payments due to the Contractor. Additionally, further work or payments may be withheld, delayed, or denied and/or this Contract suspended until the Contractor is current in its payments and has submitted proof of such payment to the State.

- E. The Contractor warrants that it has no current, pending or outstanding criminal, civil, or enforcement actions initiated by the State, and agrees that it will immediately notify the State of any such actions. During the term of such actions, the Contractor agrees that the State may delay, withhold, or deny work under any supplement, amendment, change order or other contractual device issued pursuant to this Contract. In the event of DCS' receipt of a report (verbal or written) of criminal or potentially criminal activity by a member of the Contractor's staff (including any of the Contractor's subcontractors and their staff) that potentially threatens/endangers the life, health, or safety of any DCS' ward(s), DCS may immediately require a temporary suspension of such member of the Contractor's staff (including any of the Contractor's subcontractors and their staff) pending an investigation into the report.
- F. If a valid dispute exists as to the Contractor's liability or guilt in any action initiated by the State or its agencies, and the State decides to delay, withhold, or deny work to the Contractor, the Contractor may request that it be allowed to continue, or receive work, without delay. The Contractor must submit, in writing, a request for review to the Indiana Department of Administration ("IDO") following the procedures for disputes outlined herein. A determination by IDOA shall be binding on the parties. Any payments that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest, except as permitted by IC § 5-17-5, *et. seq.*
- G. The Contractor warrants that the Contractor and its subcontractors, if any, shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Contract and grounds for immediate termination and denial of further work with the State.
- H. The Contractor affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.
- I. As required by IC § 5-22-3-7:

  - (2) The Contractor and any principals of the Contractor certify that an affiliate or principal of the Contractor and any agent acting on behalf of the Contractor or on behalf of an affiliate or principal of the Contractor, except for de minimis and nonsystematic violations,
    - (A) has not violated the terms of IC § 24-4.7 in the previous three hundred sixty-five (365) days, even if IC § 24-4.7 is preempted by federal law; and

**12. Confidentiality of State Information.** The Contractor understands and agrees that data, materials, and information disclosed to the Contractor may contain confidential and protected information. 1. Furnish phase-in, phase-out services for up to two (2) months after this Contract expires; and
  2. Negotiate in good faith a plan with a successor to determine the nature and extent of phase-in, phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the State's approval. The Contractor shall provide sufficient experienced personnel during the phase-in, phase-out period to ensure that the services called for by this Contract are maintained at the required level of proficiency.
- C. The Contractor shall allow as many personnel as practicable to remain on the job to help the successor maintain the continuity and consistency of the services required by this Contract. The Contractor also shall disclose necessary personnel records and allow the successor to conduct on-site interviews with these employees. If selected employees are agreeable to the change, the Contractor shall release them at a mutually agreeable date and negotiate transfer of their earned fringe benefits to the successor.
- D. The Contractor shall be reimbursed for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after contract expiration or termination that result from phase-in, phase-out operations).

**14. Debarment and Suspension.** [Modified]

- A. The Contractor certifies by entering into this Contract that neither it nor its principals nor any of its subcontractors are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Contract means an officer, director, owner, partner, key employee or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Contractor.
- B. The Contractor certifies that it has verified the state and federal suspension and debarment status for all subcontractors receiving funds under this Contract, including a review of information included at <http://www.oig.hhs.gov/> and <https://www.sam.gov/portal/public/SAM/> (and any designated successor websites), and shall be solely responsible for any recoupment, penalties or costs that might arise from use of a suspended or debarred subcontractor. The Contractor shall immediately notify the State if any subcontractor becomes debarred or suspended, and shall, at the State's request, take all steps required by the State to terminate its contractual relationship with the subcontractor for work to be performed under this Contract.

**15. Default by State.** If the State, sixty (60) days after receipt of written notice, fails to correct or cure any material breach of this Contract, the Contractor may cancel and terminate this Contract and institute measures to collect monies due up to and including the date of termination.

**16. Disputes.**

- A. Should any disputes arise with respect to this Contract, the Contractor and the State agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the

Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the State or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no claim against the State for such costs.

- C. If the parties are unable to resolve a contract dispute between them after good faith attempts to do so, a dissatisfied party shall submit the dispute to the Commissioner of the Indiana Department of Administration for resolution. The dissatisfied party shall give written notice to the Commissioner and the other party. The notice shall include (1) a description of the disputed issues, (2) the efforts made to resolve the dispute, and (3) a proposed resolution. The Commissioner shall promptly issue a Notice setting out documents and materials to be submitted to the Commissioner in order to resolve the dispute; the Notice may also afford the parties the opportunity to make presentations and enter into further negotiations. Within 30 business days of the conclusion of the final presentations, the Commissioner shall issue a written decision and furnish it to both parties. The Commissioner's decision shall be the final and conclusive administrative decision unless either party serves on the Commissioner and the other party, within ten business days after receipt of the Commissioner's decision, a written request for reconsideration and modification of the written decision. If the Commissioner does not modify the written decision within 30 business days, either party may take such other action helpful to resolving the dispute, including submitting the dispute to an Indiana court of competent jurisdiction. If the parties accept the Commissioner's decision, it may be memorialized as a written Amendment to this Contract if appropriate.
- D. The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for the Contractor to terminate this Contract, and the Contractor may bring suit to collect these amounts without following the disputes procedure contained herein.
- E. With the written approval of the Commissioner of the Indiana Department of Administration, the parties may agree to forego the process described in subdivision C. relating to submission of the dispute to the Commissioner.
- F. This paragraph shall not be construed to abrogate provisions of IC § 4-6-2-11 in situations where dispute resolution efforts lead to a compromise of claims in favor of the State as described in that statute. In particular, releases or settlement agreements involving releases of legal claims or potential legal claims of the state should be processed consistent with IC § 4-6-2-11, which requires approval of the Governor and Attorney General.

False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Contract is in excess of \$25,000.00, the Contractor certifies and agrees that it will provide a drug-free workplace by:

- D. Notifying the State in writing within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;
- E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and

The Contractor is not required to participate should the E-Verify program cease to exist. Additionally, the Contractor is not required to participate if the Contractor is self-employed and does not employ any employees.
- B. The Contractor shall not knowingly employ or contract with an unauthorized alien. The Contractor shall not retain an employee or contract with a person that the Contractor subsequently learns is an unauthorized alien.

The Contractor shall require his/her/its subcontractors, who perform work under this Contract, to certify to the Contractor that the subcontractor does not knowingly employ or contract with an unauthorized alien and that the subcontractor has enrolled and is participating in the E-Verify program. The Contractor agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor.

The State may terminate for default if the Contractor fails to cure a breach of this provision no later than thirty (30) days after being notified by the State.

- C. If the State determines at any time during the term of this Contract (including any extensions thereto) that it would be in the State’s best interest to hire an employee of the Contractor, the Contractor will release the selected employee from any non-competition agreements that may be in effect within thirty (30) days of receiving a request for such release from the State. This release will be at no cost to the State or the employee.

**20. Force Majeure.**

In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a “Force Majeure Event”), the party who has been so affected shall immediately or as soon as is reasonably possible under the circumstances give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. **29. Key Person(s).** [Deleted]

**30. Licensing Standards.** [Modified]

- A. The Contractor, its employees and subcontractors shall comply with all applicable licensing standards, certification standards, accrediting standards and any other laws, rules, or regulations governing services to be provided by the Contractor pursuant to this Contract. The State will not pay the Contractor for any services performed when the Contractor, its employees, or subcontractors are not in compliance with such applicable standards, laws, rules, or regulations. If any license, certification, or accreditation expires or is revoked, or any disciplinary action is taken against an applicable license, certification, or accreditation, the Contractor shall notify the State immediately and the State, at its option, may immediately terminate this Contract.
- B. If the required license of any of the Contractor's employees or subcontractors expires or is revoked, the Contractor will immediately prohibit such employee or subcontractor from providing any services that are subject to this Contract, unless the employee or subcontractor is granted a provisional license or is otherwise authorized to continue to provide services. The State may, at its option, terminate this Contract if the Contractor fails to comply with this requirement.
- C. The Contractor explicitly agrees that it shall only accept referrals requesting services for which it has adequate and properly credentialed staff at the time of the referral. The Contractor agrees that its staff shall provide services and supervision appropriate to their level of training and will document time accordingly.

**31. Merger & Modification.** [Modified]

This Contract constitutes the entire agreement between the parties. No understandings, agreements, or representations, oral or written, not specified within this Contract will be valid provisions of this Contract. Except as provided herein, this Contract may not be modified, supplemented, or amended, except by written agreement signed by all necessary parties.

As described in the **Background** section of this Contract, the purpose of the State's engagement of the CAC is to enhance the response to suspected child abuse and neglect cases and to minimize trauma to victims by combining the expertise and professional knowledge of various investigative agencies and other professionals. Those involved in the CAC share a core philosophy that child abuse is a multifaceted community problem and that no single agency, individual or discipline has the necessary knowledge, skills, or resources to serve the needs of children and their families. In order to address this multifaceted community problem, the parties anticipate that there may be certain changes that may affect the service/program array which the Contractor is available to offer and that such changes may require an update to Section 1, Duties of Contractor. Therefore, pursuant to I.C. 5-22-20, DCS reserves the right to make unilateral changes in the work within the Scope of the Contract. Should the State (on its own or after it considers a request of the Contractor) determine that such change in program availability and/or service code and/or service component and/or their associated rates require modification and such modification requires a revision to the information included in Section 1, Duties of Contractor, such changes shall not require the execution of a formal amendment to this Contract, but may be accomplished by written notice from the State to the Contractor with an accompany Attachment 1, if necessary. This written notice shall become part of the Contractor and will be available for review, upon request, at the Indiana Department of Child Services, 302 W. Washington State, Room E306, Indianapolis, IN 46204, until such time as it is posted electronically on the internet.

**32. Minority and Women's Business Enterprises Compliance.** [Deleted]

**33. Nondiscrimination.**

Pursuant to the Indiana Civil Rights Law, specifically including IC § 22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the Contractor covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions or privileges of employment or any matter directly or indirectly related to employment, because of the employee’s or applicant’s race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law (“Protected Characteristics”). Contractor certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this paragraph may be regarded as a material breach of this Contract, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the State and any applicant or employee of the Contractor or any subcontractor.

The State is a recipient of federal funds, and therefore, where applicable, Contractor and any subcontractors shall comply with requisite affirmative action requirements, including reporting, pursuant to 41 CFR Chapter 60, as amended, and Section 202 of Executive Order 11246 as amended by Executive Order 13672.

Any inconsistency or ambiguity in this Contract shall be resolved by giving precedence in the following order: (1) this Contract, (2) attachments prepared by the State, (3) the most current form of DCS' Service Standards (as provided in Section 1 [Duties of Contractor] of this Contract); Request for Proposal to Provide: Child Advocacy Center/Children's Justice Act Services, (4) Contractor's response to Request for Proposal to Provide: Child Advocacy Center/Children's Justice Act Services, and (5) attachments prepared by the Contractor. All attachments and all documents referred to in this paragraph, are hereby incorporated fully by reference.

**36. Ownership of Documents and Materials.** [Modified]

- A. All documents, records, programs, applications, data, algorithms, film, tape, articles, memoranda, and other materials (the "Materials") not developed or licensed by the Contractor prior to execution of this Contract, but specifically developed under this Contract shall be considered "work for hire" and the Contractor hereby transfers and assigns any ownership claims to the State so that all Materials will be the property of the State. If ownership interest in the Materials cannot be assigned to the State, the Contractor grants the State a non-exclusive, non-cancelable, perpetual, worldwide royalty-free license to use the Materials and to use, modify, copy and create derivative works of the Materials.
- B. Use of the Materials, other than related to contract performance by the Contractor, without the prior written consent of the State, is prohibited. During the performance of this Contract, the Contractor shall be responsible for any loss of or damage to the Materials developed for or supplied by the State and used to develop or assist in the services provided while the Materials are in the possession of the Contractor. Any loss or damage thereto shall be restored at the Contractor's expense. The Contractor shall provide the State full, immediate, and unrestricted access to the Materials and to Contractor's work product during the term of this Contract.
- C. The Contractor shall grant the State shared access to all documents, including child files, records, programs, data, film, tape, articles, memoranda, and other materials related to this Contract. The Contractor shall provide the State full, immediate, and unrestricted access to such documents and materials during the term of this Contract and as necessary thereafter.
- D. During the performance of this Contract, the Contractor shall be responsible for any loss of or damage to any of the above-referenced Materials developed for or supplied by the State and/or used to develop or assist in the services provided while the Materials are in the possession of the Contractor. Any loss or damage thereto shall be restored at the Contractor's expense. The Contractor shall also be responsible for preserving and protecting the ownership and property rights of the State in all work in progress and other property to which the State is entitled hereunder, while the property is in the control or custody of the Contractor.

**37. Payments and Fiscal Requirements.** [Modified]

- A. All payments shall be made 35 days in arrears in conformance with State fiscal policies and procedures and, as required by IC § 4-13-2-14.8, the direct deposit by electronic funds transfer to the financial institution designated by the Contractor in writing unless a specific waiver has been obtained from the Indiana Auditor of State. No payments will be made in advance of receipt of the goods or services that are the subject of this Contract except as permitted by IC § 4-13-2-20. If the Contractor prefers not to have any interest calculated on payments made by the State as permitted by Indiana law and referenced below in Section 37 [Penalties/Interest/Attorney's Fees] of this Contract, the Contractor may send a letter indicating such preference to the Indiana Auditor of State with a copy to DCS.

- B. The Contractor shall submit invoices/claim forms and such invoice/claim documentation as may be required by DCS for payment pursuant to this Contract. **The Contractor's invoices/claim forms shall include detailed billing in order to enable DCS to decipher which funding sources to utilize, including itemization of the following billing components: personnel (coordinating activities), personnel (Forensic Interview), rent and utilities, telephone and postage, materials and supplies, equipment (purchased or leased), travel, translation services, court costs and training.** DCS will notify the Contractor of any change in invoice/claim procedure, and the Contractor shall use whatever invoice/claim forms and documentation are required by DCS' then current procedure and shall submit the appropriate invoices/claim forms and documentation to DCS, as directed. Invoices/claim forms may be submitted monthly for services performed during the calendar month(s) preceding the date of the invoice. Payment will be due not later than thirty-five (35) days after the date Contractor's invoice is received by DCS, together with a properly prepared invoice/claim voucher and any required documentation as approved by DCS. However, the payment due date shall not apply to any invoice/claim that is disapproved or returned to the Contractor by DCS for revision or additional documentation, within thirty-five (35) days after the date it is received by DCS. The Contractor's invoice must be dated no earlier than the later of (a) the first date the Contractor is entitled to submit an invoice/claim for payment under the applicable provision of this Contract, or (b) one day before the date the invoice and accompanying claim documentation is delivered or mailed to DCS.
- C. An invoice will not be deemed to be properly prepared as required above in paragraph B if it is not received within ten (10) business days of the date included on the invoice (the "Invoice Date"). Any invoices submitted more than ten (10) business days after the Invoice Date will be deemed improperly prepared and will not be paid. DCS shall return such improperly prepared invoices to the Contractor for revision and such invoices must be resubmitted by the Contractor with a current Invoice Date in order to be processed for payment.
- D. At a minimum and unless otherwise directed by DCS or otherwise required by this Contract and the relevant service standard, all claims submitted by the Contractor must be submitted with appropriate documentation attached showing completion of the service units for which the Contractor is requesting payment under this Contract and the applicable referral form. Documentation should specify the program and services provided for each client for whom the claim is submitted, the dates on which the services were provided, and the payment rate applicable to the program, and services provided based on the rates established and approved for the particular program services as provided in the Contract (including any exhibits/attachments thereto or web links referenced therein).
- E. As described in Section 2 [Consideration] of this Contract, the Contractor must bill any available payment source, including, but not limited to, Medicaid, Medicare, and/or private insurance, prior to submitting a properly prepared invoice/claim to DCS.
- F. A properly prepared invoice/claim must be submitted to DCS within sixty (60) calendar days after the date services are provided or costs incurred pursuant to this Contract. DCS may elect to deny payment of any invoices/claims that are not timely submitted as required in this paragraph. In the event the Contractor delays submitting a claim for which it expects third-party reimbursement, the Contractor may submit a written explanation to DCS as to why the claim was not timely submitted. If the claim was delayed because of billing Medicaid for reimbursement that was denied, the explanation must include the specific reason(s) for denial. If DCS deems that such written explanation described above is satisfactory, DCS shall pay otherwise valid claims. In the event that Medicaid has denied reimbursement because the Contractor failed to provide adequate documentation for an otherwise reimbursable claim, DCS will only be liable to pay the amount it would have paid had Medicaid approved the claim.

- G. Approval and payment of final invoices/claims will be conditioned upon receipt and approval of all State-required documentation. As State claiming or recordkeeping systems change, the Contractor may need to modify its systems to be compatible with State systems. The State will provide reasonable prior notice of any such changes.
- H. If Contractor is being paid in advance for the maintenance of equipment and/or software. Pursuant to IC § 4-13-2-20(b)(14), Contractor agrees that if it fails to perform the maintenance required under this Contract, upon receipt of written notice from the State, it shall promptly refund the consideration paid, pro-rated through the date of non-performance.

### **38. Penalties/Interest/Attorney's Fees.**

The State will in good faith perform its required obligations hereunder and does not agree to pay any penalties, liquidated damages, interest or attorney's fees, except as permitted by Indiana law, in part, IC § 5-17-5, IC § 34-54-8, IC § 34-13-1 and IC § 34-52-2-3.

Notwithstanding the provisions contained in IC § 5-17-5, any liability resulting from the State's failure to make prompt payment shall be based solely on the amount of funding originating from the State and shall not be based on funding from federal or other sources.

**39. Progress Reports.** Covered in Section 50 [Reports and Records Concerning Services].

### **40. Public Record.**

The Contractor acknowledges that the State will not treat this Contract as containing confidential information, and will post this Contract on the transparency portal as required by Executive Order 05-07 and IC § 5-14-3.5-2. Use by the public of the information contained in this Contract shall not be considered an act of the State.

### **41. Renewal Option.**

This Contract may be renewed under the same terms and conditions, subject to the approval of the Commissioner of the Department of Administration and the State Budget Director in compliance with IC § 5-22-17-4. The term of the renewed contract may not be longer than the term of the original contract.

### **42. Severability.**

The invalidity of any section, subsection, clause, or provision of this Contract shall not affect the validity of the remaining sections, subsections, clauses, or provisions of this Contract.

### **43. Substantial Performance.**

This Contract shall be deemed to be substantially performed only when fully performed according to its terms and conditions and any written amendments or supplements.

### **44. Taxes.**

The State is exempt from most state and local taxes and many federal taxes. The State will not be responsible for any taxes levied on the Contractor as a result of this Contract.

#### **45. Termination for Convenience.**

This Contract may be terminated, in whole or in part, by the State, which shall include and is not limited to the Indiana Department of Administration and the State Budget Agency whenever, for any reason, the State determines that such termination is in its best interest. Termination of services shall be effected by delivery to the Contractor of a Termination Notice at least thirty (30) days prior to the termination effective date, specifying the extent to which performance of services under such termination becomes effective. The Contractor shall be compensated for services properly rendered prior to the effective date of termination. The State will not be liable for services performed after the effective date of termination. The Contractor shall be compensated for services herein provided but in no case shall total payment made to the Contractor exceed the original contract price or shall any price increase be allowed on individual line items if canceled only in part prior to the original termination date. For the purposes of this paragraph, the parties stipulate and agree that the Indiana Department of Administration shall be deemed to be a party to this agreement with authority to terminate the same for convenience when such termination is determined by the Commissioner of IDOA to be in the best interests of the State.

#### **46. Termination for Default and Termination or Suspension for Additional Reasons. [Modified]**

##### **A. Termination for Default**

1. With the provision of thirty (30) day notice to the Contractor, the State may terminate this Contract in whole or in part if the Contractor fails to:
  - (a) Correct or cure any breach of this Contract; the time to correct or cure the breach may be extended beyond thirty (30) days if the State determines progress is being made and the extension is agreed to by the parties;
  - (b) Deliver the supplies or perform the services within the time specified in this Contract or any extension;
  - (c) Make progress so as to endanger performance of this Contract; or
  - (d) Perform any of the other provisions of this Contract.
2. If the State terminates this Contract in whole or in part, it may acquire, under the terms and in the manner the State considers appropriate, supplies or services similar to those terminated, and the Contractor will be liable to the State for any excess costs for those supplies or services. However, the Contractor shall continue the work not terminated.
3. The State shall pay the contract price for completed supplies delivered and services accepted. The Contractor and the State shall agree on the amount of payment for manufacturing materials delivered and accepted and for the protection and preservation of the property. Failure to agree will be a dispute under the Disputes clause. The State may withhold from these amounts any sum the State determines to be necessary to protect the State against loss because of outstanding liens or claims of former lien holders.
4. The rights and remedies of the State in this clause are in addition to any other rights and remedies provided by law or equity or under this Contract.

- ##### **B. Termination for Endangering Life, Health, or Safety of Any Person.** If the State determines that any breach of this Contract by the Contractor endangers the life, health, or safety of any person, the State may terminate this Contract by verbally notifying the Contractor of the termination, followed by the mailing of written notification thereof within three (3) business days. Termination pursuant to this paragraph shall become effective at the time of the verbal notification.

- C. Termination for Certain Business Changes, Assignments, and Bankruptcy. The Contractor agrees that the State may terminate this Contract immediately if the Contractor (1) ceases doing business; (2) assigns, transfers or delegates any of its duties and responsibilities for performance of this Contract to any other person or entity without prior written approval of the State; (3) changes or reorganizes its business in a manner which substantially impairs the ability of the Contractor to perform the services described in this Contract and its exhibits/attachments; (4) attempts to assign, transfer, convey or encumber this Contract in any way except as expressly authorized pursuant to the conditions of this Contract; and/or (5) if an order for relief is entered upon a voluntary or involuntary petition by or against the Contractor under any provision of Title 11, United States Code, and the trustee or debtor-in-possession does not timely assume all obligations of this Contract to be performed by the Contractor, as provided in 11 U.S.C. § 365, or in the event of appointment of a receiver for the Contractor or execution of an assignment for the benefit of creditors of the Contractor. Any notice of termination pursuant to this paragraph shall be provided in writing to the Contractor.
- D. Termination for Change in Legal Status. The Contractor shall provide written notice to the State of any change in the Contractor's legal name or legal status including, but not limited to, a sale or dissolution of the Contractor's business. **When possible, DCS requests such notice ninety (90) days prior to the change in legal status in order to reduce the risk of an interruption in services occurring.** The State reserves the right to terminate this Contract should the Contractor's legal status change in any way. Termination pursuant to this paragraph shall be effective from the date of the change in the Contractor's legal status.
- E. Termination for Additional Reasons Stated in this Contract. This Contract is also subject to termination or suspension as stated in any other Section of this Contract, including, but not limited to: Section 7 [Audits and Monitoring]; Section 10 [Compliance with Laws]; Section 15 [Default by State]; Section 17 [Drug-Free Workplace Certification]; Section 18 [Employment Eligibility Verification]; Section 20 [Force Majeure]; Section 21 [Funding Cancellation]; Section 23 [HIPAA Compliance]; Section 26 [Indiana Veteran's Business Enterprise Compliance]; Section 27 [Information Technology Enterprise Architecture Requirements]; Section 28 [Insurance]; Section 30 [Licensing Standards]; Section 32 [Minority and Women's Business Enterprises Compliance]; Section 33 [Nondiscrimination]; Section 45 [Termination for Convenience]; Section 50 [Reports and Records Concerning Services]; and Section 52 [Criminal and Background Checks].
- F. State Only Liable for Payment for Services Properly Provided Prior to Termination. If this Contract is terminated for any reason, the State shall only be liable for payment for services properly provided prior to the effective date of termination with the exception, as set forth above in Section 13 [Continuity of Services] of this Contract and only if applicable, that the State shall reimburse the Contractor for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after contract expiration and/or termination that result from phase-in, phase-out operations). The State shall not be liable for any costs incurred by the Contractor in reliance upon this Contract subsequent to the effective date of termination except as provided in Section 13 [Continuity of Services] of this Contract.

#### **46. Travel.** [Modified]

The only expenses for travel that will be reimbursed by the State are those travel expenses specifically permitted under the scope of services or consideration provisions as set forth in Section 1 [Duties of Contractor] and Section 2 [Consideration] of this Contract. If properly invoiced, as set forth in Section 2 [Consideration] and Section 37 [Payments] of this Contract, permitted expenses will be reimbursed at the rate paid by the State and in accordance with the Budget Agency's *Financial Management Circular – Travel Policies and Procedures* in effect at the time the expenditure is made. Out-of-state travel requests must be reviewed by the State for availability of funds and for conformance with *Circular* guidelines.

Out-of-state travel requests must be reviewed by the State for availability of funds and for appropriateness per Circular guidelines.

determined by IDOA.

**48. Waiver of Rights.** [Modified]

No right conferred on either party under this Contract shall be deemed waived, and no breach of this Contract excused, unless such waiver is in writing and signed by the party claimed to have waived such right. Neither the State's review, approval or acceptance of, nor payment for, the services required under this Contract shall be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and the Contractor shall be and remain liable to the State in accordance with applicable law for all damages to the State caused by the Contractor's negligent performance of any of the services furnished under this Contract. No waiver by the State of any breach of any provision of this Contract shall constitute a waiver of any prior, concurrent, or subsequent breach of the same or any other provisions hereof.

**49. Work Standards.** [Modified]

The Contractor shall execute its responsibilities by following and applying at all times the highest professional and technical guidelines and standards applicable to the services it provides pursuant to this Contract. The Contractor is responsible for ensuring that its employees, agents, and any subcontractors conform to the professional and technical guidelines and standards applicable to all services and programs that the Contractor provides under this Contract. If the State becomes dissatisfied with the work product of or the working relationship with those individuals assigned to work on this Contract and/or those individuals assigned to provide any of the services pursuant to this Contract, the State may request in writing the replacement of any or all such individuals, and the Contractor shall grant such request.

**50. Reports and Records Concerning Services.** [Added]

A. In addition to any reports and case record documentation required by any previous provisions of this Contract, the Contractor shall prepare, maintain, and timely provide to the State, upon request, any statistical reports, program reports, other reports, or other information requested by the State relating to the services provided by the Contractor pursuant to this Contract in the format designed by the Contractor and approved by the State or in the format requested by the State, including, but not limited to, reports/information incident to monitoring or evaluating performance by the Contractor of the services specified in this Contract, and/or any statistical and program reports as are required by any laws, regulations, or polices of the United States or the state of Indiana that are applicable to the use of funds paid to the Contractor pursuant to this Contract.

In order to comply with this paragraph A, the Contractor shall, if requested by DCS, be required to submit reports in accordance with whatever frequency is requested by DCS (monthly, quarterly, or more or less frequently), with respect to services provided to a child or family referred to the Contractor for provision or delivery of services pursuant to this Contract or with respect to any other services performed or any other issues pertinent to this Contract. These reports must contain all of the information requested by the State and must conform to the format and content of the reporting procedure specified by the State.

B. This Section 50 (including all of its subsections) applies to any services that the Contractor provides pursuant to this Contract, including, but not limited to, all services to a particular child or family referred to the Contractor pursuant to this Contract, including (if applicable) any services related to probation.

- C. The Contractor shall cooperate with the State in any utilization review and shall, if requested, conduct or submit to any audit(s) requested by the State in addition to the audit following expiration or termination of this Contract required under Section 7 [Audits and Monitoring] of this Contract.
- D. Prompt compliance by the Contractor with a request by the State to submit program and financial documentation during the term of this Contract is critical to this Contract. A failure of the Contractor to comply with any such request could result in immediate suspension of payments hereunder or termination of this Contract by the State.
- E. In the event the contents of any report is considered deficient by the State, the State will so notify the Contractor in writing, not later than thirty (30) days after receipt of the report. The notice will specify the nature of the deficiency and the corrective action or information needed. The Contractor shall submit to the State any revised or supplemental report within thirty (30) days after the date of the deficiency notice.
- F. The Contractor shall maintain records as necessary or appropriate to document services provided pursuant to this Contract. Those records shall include, but not be limited to, documentation relating to, or the time and place of meeting with, persons served by the Contractor and the persons who attended those meetings and copies of any reports or other materials representing the work product of any services provided by the Contractor pursuant to this Contract.

**51. Delivery of Documents, Files, Data, Studies, or Reports to the State Upon Termination or Expiration of this Contract.** [Added]

Upon expiration or termination of this Contract, all documents, files, data, studies or reports prepared by the Contractor or any subcontractor pursuant to this Contract, and any supplies purchased by the Contractor or any subcontractor with funds received through this Contract, shall be delivered to the State. The State may require the transfer of records, documents, or supplies to its own offices or to a designated successor.

**52. Criminal and Background Checks.** [Added]

- A. This Section applies to all directors/chief executive officers, facility managers, licensing applicants and other heads of agencies, by whatever title, and each employee or volunteer (including interns) of the Contractor or any subcontractor or subcontractor's employee who performs any service or activity pursuant to this Contract ("Covered Personnel"). The Contractor (referred to in this Section as Provider) shall be responsible for performing and ensuring Covered Personnel undergo all checks of local criminal records and backgrounds required by law, this Contract, Administrative Letter, and applicable DCS policies found at <https://www.in.gov/dcs/2354.htm> (or successor website) ("Required Checks"). Any person who might serve as a substitute for a Covered Personnel position, even in emergency circumstances, shall undergo the Required Checks for that position. All Required Checks must be completed and all outstanding issues resolved *prior* to the Covered Personnel commencing contractual duties. The Provider has an ongoing obligation to conduct Required Checks for employees, volunteers, interns, subcontractors, and subcontractor's employees who join the Provider or subcontractor(s) after this Contract begins. Such persons may not provide any services that involve children or their records before the requisite checks have been completed and all outstanding issues resolved.
- B. The Required Checks will be conducted in the same manner as required for licensed residential child caring institutions, with respect to IC § 31-27-3-3, subsections (e)(1) and (f). As applicable laws and DCS' policies and practices are updated periodically, the Provider shall comply with the

most current laws and DCS' policies. Upon written request, DCS will furnish the Provider with information on updates and any changes in policy or procedure.

- C. The Provider shall maintain records of information it gathers and receives on Covered Personnel checked pursuant to this Section, and such records shall be provided to the DCS or be made available for inspection by authorized representatives of the DCS upon request.
- D. At the time the Contractor submits this Contract for signature, and annually upon the anniversary of the effective date of this Contract, the Provider shall collect and verify all documentation demonstrating the Required Checks of Covered Personnel have been completed and are compliant with the then-existing law and DCS policy. The Provider shall furnish such documentation related to these Required Checks as DCS requests.
- E. National fingerprint-based criminal history checks relating to Covered Personnel are required to be conducted through DCS' approved fingerprint vendor in accordance with the terms and conditions stated in IC §§ 10-13-3-38.5 and 39. The results of the national fingerprint-based criminal history checks will be returned to DCS as an authorized entity to receive the results. DCS will inform the Provider whether the report it receives concerning the subject of a check shows any record that would be grounds for denial of his/her ability to provide services and/or perform activities pursuant to this Contract. If any Covered Personnel receive a response of conditionally disqualified or disqualified, further follow up is required. If the result is disqualified, then the individual may be eligible for a waiver. The Provider should contact the DCS Central Office Background Check Unit to determine if the individual is eligible and to apply for the waiver. DCS will not release to the Provider any criminal history record information contained in any report that it receives from the Federal Bureau of Investigation through the Indiana State Police. If the Provider requests a waiver of criminal history, DCS will inform the Provider of the decision on the waiver request.
- F. In the event a criminal history or background check required herein produces any record concerning the subject of a check that would be a ground for denial of his or her ability to provide services and/or perform activities pursuant to this Contract and the Provider chooses to retain such employee or volunteer, that decision may be considered a material breach of this Contract.
- G. The Provider will be responsible for payment of all fees required to be paid for conducting any check required under this Section, whether the check is conducted by the Provider or by DCS. Any fees paid by DCS on behalf of the Provider may be offset against any claim for payment submitted by the Provider under this Contract.
- H. Upon request, DCS will assist the Provider in clarifying the requirements of this Section.

**53. Environmental Tobacco Smoke.** [Added]

The Contractor agrees to comply with all provisions of 20 U.S.C. § 6081 *et seq.*, and any regulations promulgated thereunder. In particular, the Contractor agrees that it will require that smoking be prohibited in any portion of an indoor facility, other than a private residence, regularly used for the provision of services to children under the age of eighteen (18), and that it will comply with all applicable requirements of the statute and regulations. The Contractor further agrees that it will require the language of this condition to be included in any subcontracts which contain provisions for services to children.

**54. Lobbying Activities.** [Added]

- A. Pursuant to 31 U.S.C. § 1352, and any regulations promulgated thereunder, the Contractor hereby assures and certifies, to the best of its knowledge and belief, that no federally appropriated funds have been paid, or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress, in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement.
- B. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Contract, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying". If the Contractor is required to submit Standard Form-LLL, the form and instructions for preparation of the form may be obtained from the State.
- C. The Contractor shall require that the language of this certification be included in any subcontracts and that all subcontractors shall certify and disclose accordingly.
- D. The foregoing certification is a material representation of fact upon which reliance was or will be placed when entering into this Contract and any transactions with the State. Submission of this certification is a prerequisite for making or entering into any transaction as imposed by 31 U.S.C. § 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000.00 and not more than \$100,000.00 for each such failure.

**55. Religious or Political Activities.** [Added]

- A. The State and the Contractor agree that services provided pursuant to this Contract shall be non-sectarian in nature and that religious activities shall not be included in any activities to be conducted hereunder. The Contractor agrees that, if it otherwise conducts religious activities as part of its organization, any inherently religious activities must be offered separately, in time or location, from the programs or services funded with direct federal financial assistance and participation must be voluntary for beneficiaries of the programs or services funded with such assistance.
- B. The Contractor certifies that any funding provided by the State pursuant to this Contract shall not be used to further any type of political or voter activity.

**56. Buy American.** [Added]

The State and the Contractor agree that, to the greatest extent applicable, all equipment and products purchased with funds provided by the State pursuant to this Contract shall be American-made.
