3. Secure a recent (i.e., within the past six (6) months) color photo of the child or arrange for a photo to be taken; See Related Information for information on obtaining a photo.

Note: If the child has been previously referred to the Indiana Adoption Program, speak with the Regional Adoption Liaison to determine if a recent color photograph of the child is needed and/or an updated Child Social Summary. See separate policy, 10.11 Child Social Summary.

4. Complete and forward the Child Registration: Indiana Special Needs Adoption Program (SNAP) Picture Book and Website Form (SF 11840/CW 1440) and Child Social Summary, to the Regional Adoption Liaison for each child.

5. Any child 14 years of age or older must sign the Indiana Adoption Program Informed Consent for Recruitment (SF 54901) form and designate which forms of media they would like to be featured in; See policy 10.7 Adoption Services.

Note: Children whose parents’ rights have not yet been terminated may be featured on the private portion of the website, accessible by other adoption professionals for recruitment purposes.
