#### PROCEDURE

The Indiana Department of Child Services (DCS) will fund the IFYA. The IFYA is available for Child in Need of Services (CHINS), Older Youth Case Management, and Juvenile Delinquent/Juvenile Status (JD/JJS) youth 14 to 23 years of age in foster care and former foster youth 18 to 23 years of age who were in foster care for a period of at least six (6) months with a Case Plan/Prevention Plan identifying the need for Older Youth Services (OYS).

The following youth are eligible for membership on the IFYA:

1. Youth 14 to 23 years of age who are in foster care as a CHINS or JD/JJS;
2. Youth 14 to 23 years of age who were formerly in foster care as a CHINS or JD/JJS between 14 to 18 years of age that were returned to their own homes and remain a CHINS or JD/JJS with a Case Plan/Prevention Plan establishing the need for OYS;
3. Youth 18 to 23 years of age who were formerly in foster care on their 18<sup>th</sup> birthday as a CHINS or JD/JJS and had a Case Plan/Prevention Plan establishing the need for OYS;
4. Youth 18 to 23 years of age who would otherwise meet the eligibility criteria above and who were in the custody of another state or were a "ward of another state" through the Interstate Compact for the Placement of Children (ICPC) if there is a verification of wardship and all eligibility criteria from the state of jurisdiction are met;
5. Youth 16 to 23 years of age who were adopted or placed in a guardianship at or after age 16 and were wards of DCS prior to adoption or guardianship;
6. Youth 18 to 19 years of age who are participating in CC;
7. Youth 14 to 15 years of age who have received approval from the youth's parent, guardian, or custodian and Child and Family Team (CFT) members may participate in the IFYA with special consideration/approval from IFYA board members and the Independent Living (IL) Specialist; and
8. Youth receiving Education and Training Voucher (ETV) funds may serve on the IFYA until age 23.

**Note:** The IFYA is an inclusive environment for all older youth regardless of race, ethnicity, gender, religion, creed, nationality, disability, sexual orientation, sexual identity, or gender identity (see the Youth Advisory Board Service Standards).

The Family Case Manager (FCM) or Older Youth Case Manager (OYCM) will:

1. Assist eligible youth, who demonstrate the desire and willingness to voice their opinion on foster care related matters and participate in public speaking opportunities, in submitting an Indiana Youth Advisory Board Application (see the Indiana Youth Advisory Board website);
2. Complete the recommendation section in the Indiana Youth Advisory Board Application, or assist the youth in obtaining a recommendation from a service provider or current member of the IFYA; and
3. Assist youth in removing any transportation barriers.

The interested youth must submit the completed Indiana Foster Youth Alliance Application to the IFYA Adult Facilitator. The IFYA will review the applications and determine if the applicants meet the IFYA eligibility requirements. Applications are subject to the approval of the IFYA and the DCS Local Office Director (LOD) for the county of wardship or the youth's current residence if the youth is no longer a ward.

## PRACTICE GUIDANCE- DCS POLICY 11.04

*Practice Guidance is designed to assist DCS staff with thoughtful and practical direction on how to effectively integrate tools and social work practice into daily case management in an effort to achieve positive family and child outcomes. Practice Guidance is separate from Policy.*

### **Benefits of Participation in the Indiana Foster Youth Alliance (IFYA)**

It is expected that participation in the IFYA will:

1. Balance the youth's need for support and empowerment;
2. Accommodate a broad range (type and intensity) of youth participation;
3. Demonstrate clear, concrete, and sincere appreciation of youth contributions;
4. Assist youth in assuming roles traditionally reserved for adults for which they have no prior experience;
5. Allow for consistent opportunities to give structured feedback regarding the quantity and quality of services and supports provided to youth in care and after they have aged out;
6. Facilitate the development of personal responsibility;
7. Initiate opportunities for youth leadership and service development;
8. Develop coordination with the Workforce Investment Act Youth Councils (for further information, see Chapter 2 sections 126-129 of the Workforce Investment Act);
9. Provide an opportunity to learn from youth what is really important to them;
10. Improve the quality of Older Youth Services (OYS) by obtaining direct input and feedback from youth members receiving services;
11. Assist with the opportunity to develop or change public policy; and
12. Provide an opportunity to gain leadership and advocacy experience (e.g., serve on regionally or state-based boards or committees as needed or requested by local communities).

### **Youth Development**

The IFYAs are designed to provide a forum for youth 14 to 23 years of age to develop an agenda related to services and areas of interest the youth believe would be beneficial in assisting foster and former foster youth in reaching their full potential as the youth move into adulthood.
