

# Children's Bureau Virtual National Adoption Month Celebration 2020

Please join us as we celebrate National Adoption Month! This virtual event will showcase our new national adoption recruitment campaign PSAs, recognize the 2020 Adoption Excellence Award honorees, and feature successful stories of adoptive parents and teens adopted from foster care.

This year's National Adoption Month theme, "**Engage Youth: Listen and Learn,**" highlights the importance of listening to youth and learning from them to support their path to permanency.

We hope you are able to join us online for this celebration at [hhs.gov/live](https://hhs.gov/live).

**Tuesday, November 17, 2020**

**1:00 p.m.–2:30 p.m. eastern time**
