465 IAC 2-1.5-19 requires, in part, a foster parent to schedule a child to be examined by a physician within 10 days of admission to the foster family home, except under certain circumstances. Pursuant to Section 13(B) of Executive Order 20-05, dated March 19, 2020, the Indiana Department of Child Services will be modifying this 10-day requirement to a 45-day requirement. DCS will be following up and prioritizing as much as we can to work towards fulfilling this requirement. This summary and guidance is hereby published in accordance with Section C of Executive Order 20-05.

Indiana children will live in safe, healthy and supportive families and communities.
