STATEMENTS OF PURPOSE

The Indiana Department of Child Services (DCS) will proceed to a Child in Need of Services (CHINS) [Fact-Finding Hearing](#) when either parent or another named party contests the facts alleged in the DCS CHINS Petition.

DCS will provide notice of any Fact-Finding Hearing to all parties to the case and the resource parent or other caretaker with whom the child has been placed for temporary care. See policy [6.4 Providing Notice](#) for further details.

DCS will request separate hearings for the parents, guardians, or custodians when appropriate due to safety concerns and will protect the confidentiality of information shared during court proceedings. See [Practice Guidance](#) for examples.

PROCEDURE

The Family Case Manager (FCM) will:

1. Obtain the date, time, and location of the [Fact-Finding Hearing](#) from the DCS Staff Attorney;

Note: The [Fact-Finding Hearing](#) will be held within 60 calendar days from the date the CHINS petition was filed or the CHINS case will be dismissed by the Court. A pretrial conference may be ordered by the court, and under some limited circumstances an additional 60 calendar days is allowed. See [Related Information](#) for further details.

2. Meet with the DCS Staff Attorney to prepare to for the [Fact-Finding Hearing](#). (e.g., prepare to testify and assist the attorney in gathering information, exhibits, and a list of witnesses);
3. Request separate hearings be held for the alleged domestic violence victim and alleged domestic violence offender, when appropriate;

4. Attend the scheduled hearing;

Note: If Reasonable Efforts to Prevent Removal (RE) or Responsibility for Placement and Care (PC) findings are issued for the first time at this hearing, ensure the information is entered in the case management system. See policy [15.1 Eligibility Overview for Field and Legal Staff](#) for further details.

5. Enter court hearing data and any future hearings scheduled in the case management system; and

Note: If the court determines the child is a CHINS, the case will proceed to the appropriate hearing. If the court determines the child is not a CHINS, the case will be dismissed.

6. If the court determines that the child is not a CHINS, consult with the DCS Staff Attorney and FCM Supervisor to determine if action is needed regarding any substantiation based on the same facts and circumstances as the [Fact-Finding Hearing](#).

The FCM Supervisor will:

1. Assist the FCM, whenever necessary, to ensure all [Fact-Finding Hearing Requirements](#) have been met. See policy [6.4 Providing Notice](#) for additional information;
2. Assist the DCS Staff Attorney with hearing preparation, including ensuring the FCM is prepared to provide testimony during the [Fact-Finding Hearing](#);
3. If the court determines the child is not a CHINS, consult with the DCS Staff Attorney and FCM to determine if action is needed regarding any substantiation based on the same facts and circumstances as the [Fact-Finding Hearing](#); and

Note: The attorney is responsible for contacting the FCM to establish communication and coordinate planning for the trial.

2. If the court determines the child is not a CHINS, meet with the FCM and FCM Supervisor to review any substantiation based on the same facts as the [Fact-Finding Hearing](#) to determine if a reversal is warranted. If the only basis for the court's determination that the child is not a CHINS is a failure to prove coercive intervention of the court is necessary and the court clearly makes that finding in its order or on the record, then the substantiation may not need to be reversed; and

Note: Any reversal must occur within 10 business days of the fact finding decision being issued [IC 31-33-26-15](#).

3. Appropriately prepare for the [Fact-Finding Hearing](#), including preparing witnesses to testify, if needed.

Fact-Finding Hearing

The Fact-Finding Hearing is the setting in which DCS must prove that the condition of the child is as set forth in the Indiana Code (IC) under [IC 31-34-1-1](#) through [IC 31-34-1-11](#). DCS must show the situation meets one (1) or more of the CHINS definitions and that coercive intervention of the court is necessary to protect the child. See [Tool 6.B: Statutory Definition of CHINS](#) for further details.

Fact-Finding Hearing Requirements

The juvenile court will complete a [Fact-Finding Hearing](#) not more than 60 calendar days after a petition alleging that a CHINS is filed. The juvenile court may extend the time to complete a Fact-Finding Hearing for an additional 60 calendar days if all parties in the action consent to the additional time.

If the [Fact-Finding Hearing](#) is not held immediately after the Detention and Initial Hearing, DCS will provide notice of any [Fact-Finding Hearing](#) to each party and resource parent or other caretaker with whom the child has been placed for temporary care unless the court provided written notice at a previous hearing. The court will provide each person who is required to be notified an opportunity to be heard at the [Fact-Finding Hearing](#).
