|  | INDIANA DEPARTMENT OF CHILD SERVICES CHILD WELFARE POLICY | |
| | Chapter 8: Out-Of-Home Care | Effective Date: September 1, 2020 |
| | Section 49: Funeral and Burial Services for a Child In Out-of-Home Care | Version: 3 |

STATEMENTS OF PURPOSE

The Indiana Department of Child Services (DCS) will ensure the death of a child is handled within [acceptable standards](#) and the wishes of the family are considered when the child is adjudicated a Child In Need Of Services (CHINS) and is placed in out-of-home care. This includes any death that is sudden or unexpected, and deaths due to a medical condition.

If Child Abuse or Neglect (CA/N) is suspected to be the cause of death, a report should be immediately made to the DCS Child Abuse Hotline (Hotline) and to the Local Law Enforcement Agency (LEA).

DCS will notify the parents and siblings (if appropriate) on the day of the child's death or as soon as reasonably possible, regardless of whether the death occurs on a week day or weekend. If possible, this notification should be coordinated with the LEA and the Coroner. Notification should occur in person. If the biological parents and/or siblings live in another county or state, DCS will request immediate assistance from the specific county or state to make face-to-face contact with the child's parents.

Note: If Termination of Parental Rights (TPR) has been ordered, notification to the family is not required. However, if it is determined to be in the best interest of the surviving siblings and family, the biological parents, siblings, and/or extended family may be notified of the child's death when TPR has been ordered. To the extent possible, the family should also be notified in person.

DCS will notify the court in writing of the child's death as soon as reasonably possible, but no later than one (1) business day following the death or the first business day following a weekend or holiday.

DCS will work with the biological family regarding funeral, burial, and/or cremation arrangements and expenses. If the biological family is willing and able to assume responsibility for the funeral, burial, and/or cremation, they should be encouraged to do so. See [Practice Guidance](#) for additional information regarding Medicaid eligible funeral and burial benefits.

If the biological family is unable to assume responsibility for the funeral, burial, and/or cremation, DCS may provide financial assistance to the family and/or contact local funeral homes and cemeteries to provide a basic service and burial. DCS will consider the wishes of the biological family in making arrangements for the child's burial. DCS will explore resources such as insurance policies and Medicaid to assist with fees associated with funeral, burial, or cremation prior to offering any financial assistance. See [Practice Guidance](#) for information regarding DCS assistance and information regarding Medicaid eligible funeral and burial benefits.
