STATEMENTS OF PURPOSE

Minimum Contacts with Children Placed in Indiana
The Indiana Department of Child Services (DCS) will have monthly face-to-face contact with children placed in Indiana through an approved Interstate Compact on the Placement of Children (ICPC) program. The location of the monthly visits may alternate, with one (1) visit in the child’s home and the next visit at a designated location, such as the child’s school or daycare. The Family Case Manager (FCM) will make himself or herself available to meet with the sending state interstate worker when he or she comes for a visit with the child placed in Indiana.

Minimum Contacts with Indiana Children Placed Out of State
DCS will have face-to-face contact once every four (4) months with Indiana children placed out of state through the ICPC program, and DCS will request that the receiving state visit the child in the off-months. The FCM should notify the receiving state interstate worker of the intent to visit.

PROCEDURE

For contacts with ICPC children placed in Indiana
The FCM will:
1. Contact the resource parent to schedule the visit with the child;
2. Conduct the visit with the child in his or her home or other designated location;
3. Send an email to the sending state interstate worker, informing him or her of the date the visit occurred as well as a brief overview of the visit. The email should include any questions or concerns the child and/or resource home has as well as any concerns noted by the FCM;

Note: New allegations of Child Abuse and/or Neglect (CA/N) observed by or reported directly to the FCM who is on the scene and immediately (i.e., prior to leaving the scene) initiates an assessment (through face-to-face contact with all alleged child victims), are reported to the DCS Child Abuse Hotline (Hotline) within 24 hours of leaving the scene (see Practice Guidance). The FCM will also notify the DCS ICPC Office of the allegations.

4. Enter the information from the face-to-face contact in the case management system; and
5. Provide a completed Interstate Compact on the Placement of Children (ICPC) Supervision Report (SF 54335) to the DCS ICPC Office as often as requested on the
Interstate Compact on the Placement of Children Request (SF 106), but no less than every three (3) months. See separate policy, 9.09 Placement Updates and Supervision Reports.

The FCM Supervisor will:
1. Ensure all children placed in Indiana through the ICPC are seen in their homes or a designated location monthly;
2. Ensure the FCM enters all face-to-face contacts in the case management system timely; and
3. Ensure the Interstate Compact on the Placement of Children (ICPC) Supervision Report (SF 54335) is completed and sent to the DCS ICPC Office timely. See separate policy, 9.09 Placement Updates and Supervision Reports.

For Contacts with Indiana Children Placed Out of State
The FCM will:
1. Contact the resource parent to schedule the visit with the child;
2. Contact the interstate worker in the receiving state, informing him or her of when he or she plans to visit with the child;
3. Obtain approval for out of state travel and contact DCS Travel Services to make travel arrangements. See separate policy, 9.11 Transportation Costs;
4. Email the interstate worker if he or she does not attend the visit, informing him or her of the date the visit occurred as well as a brief overview of the visit; and
5. Enter the contact information in the case management system upon returning from the visit.

The FCM Supervisor will:
1. Assist the FCM with obtaining out of state travel approval and travel arrangements; and
2. Ensure the information from face-to-face contacts are entered in the case management system timely.

PRACTICE GUIDANCE

If there are concerns about the frequency of visitation by the receiving state, the FCM should contact the DCS ICPC Office for assistance. If the concerns persist, it is the responsibility of the local office to ensure the child is seen as required.

Initiation of an Assessment Prior to Reporting the Allegations of CA/N to the DCS Hotline
When an FCM becomes aware of new CA/N allegations while on the scene and immediately (i.e., prior to leaving the scene) initiates an assessment, the FCM will report the allegations to the DCS Hotline within 24 hours of leaving the scene. An assessment is considered initiated upon face-to-face contact with all alleged child victims. See separate policy, 4.38 Assessment Initiation for additional information regarding initiation.

Note: If the FCM is unable to ensure safety through face-to-face contact with one (1) or more victims prior to leaving the scene, the FCM must report the allegations to the DCS Hotline immediately.

All new allegations of CA/N must be reported to the Hotline, per State reporting statutes, and may not be handled as part of the case. See separate policy, 4.36 Linking Child Abuse or Neglect (CA/N) Reports to Open Assessments for more information regarding
the receipt of an additional 310 during an open assessment.

The FCM must specify in the report to the Hotline that the assessment has already been initiated. The exact date and time the FCM became aware of the allegations and initiated the assessment must also be specified. The FCM may report the new allegations to the Hotline by emailing or faxing the completed 310 form, emailing equivalent information (e.g., time initiated, parent names, child victim names, description of concerns, etc.), or by calling to report equivalent information. The 310 or equivalent information may be submitted via email to: DCSHotlineReports@dcs.in.gov, via fax to: 317-234-7595 or 317-234-7596, or via phone to: 1-800-800-5556.
