

Indiana Center for **PREVENTION** of Youth Abuse & Suicide

Indiana Law requires any individual who has reason to believe that a child (youth under age 18) is a victim of physical or sexual abuse or neglect to immediately make a report to either Indiana Department of Child Services (DCS) or local law enforcement. Failure to report is a misdemeanor crime.

Call to make a report:

Indiana Department of Child Services: 1.800.800.5556

Local Enforcement for Arcadia, Atlanta, Carmel, Cicero, Fishers, Hamilton County, and Sheridan: 317.773.1282

Westfield & Noblesville Police: 317.773.1300

Indianapolis Metro Police: 317.327.3811

If you encounter images of possible child sexual abuse or exploitation online, make a report at **www.CyberTipLine.org** or by calling 1.800.THE.LOST.

What will I need to provide when making a report?

When you call to make a report, you will be asked for information about the individuals involved and the specific reasons (i.e. behaviors or statement of the child or caregiver) you made the call. You do not need all of the following information in order to make a call, but the more information you can provide will be helpful. Information you may be asked to provide includes:

1. Child name, age, address, current location, person caring for the child, and whether the child needs or is receiving medical care for an injury.
2. Parent/Guardian name, address, and phone number.
3. Alleged perpetrator name, address, phone number, relation to the child, and whether they have access to other children.
4. What is the nature of your suspicions (i.e. what you saw, heard, or what the child said.)
