

WELCOME to NYTD

{ Pronounced "Knighted" }

As a part of the NYTD community you can take the NYTD Youth Outcomes Survey! It only takes about 5 minutes and you will get a \$25 gift card for taking the survey plus you MAY be selected to be surveyed in the future for another \$150 in gift cards by the time you're 21 years old. Your voice matters and we want to hear it!

Your case manager will help you get the survey completed this year (you only get 45 days after your birthday)!! But be expecting to hear from Pink Leaf so we know where to send your gift card. We've got lots of fun things planned for you in the next few years and are excited to get to know you!
