<p>Thanks for the notice – just curious as to why the short response time? Most RFPs allow at minimum 45 days to respond as is the case with HB Casework RFP which is due on 2/21/13.....</p>	<p>IDOA requires 30 day minimum to allow in responding to a RFP. Any timelines outside of this 30 days is set by the program. Many things go into a program deciding a timeline for an RFP.</p> <p>Historically many RFPs have been for state-wide services. This factor typically leads to longer timelines.</p>
<p>I have noticed there are 2 providers, are you just looking for one provider and if so what area would that cover, all of Region 5 or parts of Region 5. If there is any information you can share it would be greatly appreciated as we are thinking through this process.</p>	<p>Region 5 historically has had two CP providers. Region 5 will decide based upon proposals received if the region will continue to use two providers or one provider to cover the Region.</p>
