

Med Assessment for MRO

Location: Office or Home Based

Client: Parent/Child/Family

Duration: Short Term – Assessment Only

Payer: MRO

Summary:

This standard includes an initial assessment in the home or office and redetermination. A client should only receive ONE referral for any of these assessments at any given time.

ASSESSMENT:

The purpose of this initial assessment is to have the following completed and summarized in a report:

- DMHA approved assessment
- Bio-psychosocial assessment and
- Diagnosis (if applicable)
- Summary of CMHC Recommended Services

Face-to face contact in a MCO approved setting is preferred.

- CMHC will respond with a report in 7 calendar days from date of referral approval. If Prior Authorization is required, the CMHC will notify DCS and will respond with a report in 17 days.
- The report will include the DMHA approved assessment, a Biopsychosocial assessment, the child's diagnosis (if applicable), and the MRO Service Package or authorized services.

REDETERMINATION:

Redetermination Services are associated with the DMHA approved assessment required to determine level of need, assign an MRO service package and make changes to the Individualized Integrated Care Plan. The DMHA assessment tool must be completed at least every six (6) months for the purpose of determining the continued need for MRO services. Reassessment may occur when there is a significant event or change in consumer status.
