

NYTD Service Elements: Indiana DCS Services Standards/Examples

ATTACHMENT L

Revised: April 22, 2025

FEDERAL TERMINOLOGY	FEDERAL DEFINITION	INDIANA DCS SERVICES STANDARDS/EXAMPLES
Independent Living Needs Assessment	An independent living needs assessment is a <u>systematic procedure to identify a youth's basic skills, emotional and social capabilities, strengths, and needs to match the youth with appropriate independent living services</u> . An independent living needs assessment may address knowledge of basic living skills, job readiness money management abilities, decision making skills, goal setting, task completion, and transitional living needs.	<ul style="list-style-type: none"> • Youth Thrive life skills Assessment with the youth (and their caregiver for wards if possible) to identify the youth's strengths and needs. • A written plan, which is strengths-based, developmentally appropriate, based on the life skills assessment which involves the youth and significant persons in its development and builds on the young person's positive behaviors and personal strengths.
Academic Support	Academic supports are services designed to help a youth complete high school or obtain a General Equivalency Degree (GED). Such services include the following: Academic counseling; preparation for a GED, including assistance in applying for or studying for a GED exam; tutoring; help with homework; study skills training; literacy training; and help accessing educational resources. Academic support does NOT include a youth's general attendance in high school.	<ul style="list-style-type: none"> • Working with the youth to identify connections for transitions between grade levels and school systems. • Assist youth in assessing and sustaining tutoring services • Partner with the youth, using tools that can be accessed through the school system or other reputable public access assessment resources, to assess specific strengths, needs, interests and barriers • Assist youth with how to obtain education records • Partnering with school academic counselor or other academic counseling services • TASC or HSE Preparation • Secondary Literacy Training • Secondary Study Skills Training • Support with Driver's Education
Post-secondary Educational Support	Post-secondary educational support are services designed to help a youth enter or complete a post-secondary education and include the following: Classes for test preparation, such as the Scholastic Aptitude Test (SAT); counseling about college; information about financial aid	<ul style="list-style-type: none"> • Helping the youth transition from high school to post-secondary education and/or training • Facilitate visits to institutions of higher education, including colleges • Expose youth to available educational opportunities • Take youth to College Goal Sunday or another similar activity

	<p>and scholarships; help completing college or loan applications; or tutoring while in college.</p>	<ul style="list-style-type: none"> • Ensure that a Twenty-first Century Scholars application has been submitted for the youth and ensure that the name and address is up to date with the Twenty-first Century Scholar office • Assist youth in accessing systems of financial support including accessing and providing information for: FAFSA, ETV and if applicable Twenty-first Century Scholars monies • Provide education on proprietary/private schools and costs/benefits/consequences of such schools • Provide initial support in educational planning • Connect youth to college readiness/student services program on college campus, if available • Assist youth with obtaining vital documents
Career Preparation	<p>Career preparation services focus on developing a youth's ability to find, apply for, and retain appropriate employment. Career preparation includes the following types of instruction and support services: Vocational and career assessment, including career exploration and planning, guidance in setting and assessing vocational and career interests and skills, and help in matching interests and abilities with vocational goals; job seeking and job placement support, including identifying potential employers, writing resumes, completing job applications, developing interview skills, job shadowing, receiving job referrals, using career resource libraries, understanding employee benefits coverage and securing work permits; retention support, including job coaching; learning how to work with employers and other employees; understanding workplace values such as timeliness and appearance; and understanding authority and customer relationships.</p>	<ul style="list-style-type: none"> • Expose youth to available educational opportunities • Facilitate visits to institutions of higher education, including vocational/technical schools, beauty/barber colleges and administrative schools, apprenticeship/internship programs • Provide initial support in educational planning • Assist the youth in creating and maintaining a copy of the following: <ul style="list-style-type: none"> ○ resume ○ cover letter ○ application cheat sheet ○ reference list ○ other necessary career documents based upon the youth's specific situation • Assist the youth with translating how life experiences can apply to various positions and how to include such experiences in a resume. • Assist youth to maintain a job search log, including contact information for potential employers. • Assist youth in navigating how to search and apply for employment online, in person, through professional networks, etc. • Give opportunities to practice completing sample and real applications • Provide training standards of professional conduct prior to and throughout employment. • Provide training on and examples of making employment (uniforms, travel, etc.) • Plan and prepare youth for practice interview and arrange a practice interview, including preparing questions to ask the employer during the interview • Provide training on and examples of appropriate interviewing skills

		<ul style="list-style-type: none"> • Assist youth in identifying their experiences and skills and help them translate those into potential employment • Provide opportunities for youth to participate in credible, formal assessments and inventories to assist in identifying potential career paths • Assist youth with a thorough exploration of their strengths, interests and abilities and how those might lead to a career or job • Help youth identify level of education required to meet short- and long-term employment goals • Provide opportunities for youth to explore internship and apprenticeship options available in several career fields • Provide opportunities for youth to explore positive and negative past experiences and explore lessons learned from those experiences.
Employment Programs or Vocational Training	<p>Employment programs and vocational training are designed to build a youth's skills for a specific trade, vocation, or career through classes or on-site training. Employment programs include a youth's participation in an apprenticeship, internship, or summer employment program and do not include summer or after-school jobs secured by the youth alone. Vocational training includes a youth's participation in vocational trade programs and the receipt of skills as cosmetology, auto mechanics, building trades, nursing, computer science, and other current or emerging employment sectors.</p>	<ul style="list-style-type: none"> • Assist youth in obtaining an apprenticeship, internship, or voluntary activity • Linking youth to an employment program • Linking youth to vocational training program <i>Note:</i> Youth must be actively participating in the service.
