Oklahoma State Statutes are very specific as to what Child Welfare Services information maintained by the Oklahoma Department of Human Services can be released. Such records may only be made available when a current child abuse and neglect investigation is being conducted on an individual(s) by a child protective services agency, a district attorney's office, or a public law enforcement agency.

															Otherwise a court order rendered in Oklahoma is required for release of child abuse and neglect information. Requests for history for any other purpose, including foster care and placement will be sent a response letter stating the above information.
