### Report Description

This report uses data collected at the end of the current report month. The graphs and numbers for historical months also use data from the end of the historical month listed. This report looks at CHINS children from CHINS cases that were open on the last day of the report month. It also collects where that child is located (in their own home or in substitute care). For the purpose of this report, children with non-custodial parents are considered to be in their own home.

**IA Count** – This is the number of children that have an open Informal Adjustment case on the last day of the report month.

**Total CHINS Count** – This is the number of children that have an open CHINS case on the last day of the report month.

**IA and In Home** – This section has data regarding children that have an open IA case or CHINS case on the last day of the month and are in their own home.

**Count-** This is the number of children that have an open IA or CHINS case on the last day of the month and are in their own home.

**Percent-** This is the number of children that have an open IA or CHINS case on the last day of the month and are in their own home divided by the total number of children that have an open IA or CHINS case on the last day of the month.

**IA, In Home or Relative Care** – This section has data regarding children that have an open IA case or CHINS case on the last day of the month and are in their own home or in relative care.

**Count-** This is the number of children that have an open IA or CHINS case on the last day of the month and are in their own home or in relative care.

**Percent-** This is the number of children that have an open IA or CHINS case on the last day of the month and are in their own home or in relative care divided by the total number of children that have an open IA or CHINS case on the last day of the month.

**Target (At or Above) %** – The target for the percent of the number of children that have an open IA or CHINS case on the last day of the month and are in their own home or in relative care to the total number of children that have an open IA or CHINS case on the last day of the month is 50% or higher.

**Non Relative Foster Care** – This section has data for children that have an open CHINS case on the last day of the month and are not in their own home or in relative care.

**Count-** This is the number of children that have an open CHINS case on the last day of the month and are not in their own home or in relative care.

**Percent-** This is the number of children that have an open CHINS case on the last day of the month and are not in their own home or in relative care divided by the total number of children that have an open IA or CHINS case on the last day of the month.

**Target (At or below) %** – The target for the percent of the number of children that have an open CHINS case on the last day of the month and are not in their own home or in relative care to the total number of children that have an open IA or CHINS case on the last day of the month is 50% or higher.
