

# TITLE 290 DEPARTMENT OF HOMELAND SECURITY

NOTE: Under P.L.22-2005, SECTION 60, the name of the State Emergency Management Agency is changed to the Department of Homeland Security, effective April 15, 2005.

## ARTICLE 1. STATE DISASTER RELIEF FUND

### Rule 1. Public Assistance Grants Eligibility; Application Procedures

#### 290 IAC 1-1-0.5 Purpose

Authority: IC 10-14-4

Affected: IC 10-14-4

Sec. 0.5. The state disaster relief fund is established to:

(1) provide financial assistance to eligible entities for the costs of repairing, replacing, or restoring public facilities or individual residential real or personal property damaged or destroyed by a disaster; and

(2) assist eligible entities in paying for the response costs incurred by an eligible entity during a disaster.

#### 290 IAC 1-1-1 Definitions

Authority: IC 10-14-4-11

Affected: IC 10-14-3-1; IC 10-14-3-17; IC 10-14-4; IC 10-19-2-1; IC 10-19-3-1

Sec. 1. (a) The definitions in this section apply throughout this rule.

(b) "Active disaster" means any damaging event currently under consideration by the department for funding under the state disaster relief fund.

(c) "Applicant" means any:

(1) county;

(2) city;

(3) town; or

(4) township;

whose executive submits an application for a grant under IC 10-14-4.

(d) "Applicant's agent" means the person who is authorized by the executive of the applicant to act on behalf of the applicant for a grant.

(e) "County emergency management director" means the individual as described in IC 10-14-3-17(d)(2).

(f) "Damage assessment" means a comprehensive assessment of all damages to public facilities to include verifiable estimates of repair or replacement costs.

(g) "Department" means the Indiana department of homeland security established under IC 10-19-2-1.

(h) "Director" means the executive director of the department appointed under IC 10-19-3-1.

(i) "Disaster" has the meaning as set forth in IC 10-14-3-1.

(j) "Disaster response costs" means the additional expenses incurred by an eligible entity during a disaster for debris removal deposited within the public right of way and equipment costs at the rates contained in the department's state public assistance plan, as in effect on the date of the disaster. The term also includes the costs incurred for state verification surveys conducted by the state or a local unit of government at the written direction of the department.

(k) "State public assistance plan" means the plan prepared by the public assistance branch of the response and recovery division of the department, which plan contains the current equipment usage rates approved by the Federal Emergency Management Agency.

(l) "Uninsured loss" means a financial loss to an eligible public assistance applicant due to the costs of repair, restoration, or other actions relating to an eligible category of damages under section 5 of this rule to property that is owned by, maintained by, or operated by or on behalf of an eligible applicant, and which financial loss is not compensated by insurance. The term does

not include a deductible amount the insured applicant must pay before any insurance proceeds are paid. **290 IAC 1-1-2 Application procedures**

Authority: IC 10-14-4-11

Affected: IC 10-14-4

Sec. 2. (a) Eligible local government applicants suffering disaster damages shall apply for a state disaster relief fund public assistance grant as follows:

- (1) Meet the eligibility requirements as set forth in section 3 of this rule.
- (2) Complete the state disaster relief fund grant application form provided by the department including the following information:

- (A) The name and title of the person who will act as the applicant's agent.
- (B) A description of the damages and verifiable repair costs by category, as set forth in section 5 of this rule.
- (C) The physical address of the applicant.
- (D) The mailing address of the applicant.
- (E) The office phone number of the applicant.
- (F) The amount and scope of insurance coverage held by the applicant.
- (G) Identify any costs of services or refunds, or both, that were or will be provided at no cost or recouped, such as expected or actual insurance settlements and donations of services or materials, or both.
- (H) A signed statement by the applicant's executive that the damaged public facility is the responsibility of the applicant.
- (I) Other information as required by the department to make eligibility and award determinations.

- (3) Submit the application to the department within ninety (90) days following the governor's declaration of the state of disaster emergency.

(b) As provided in section 2.5 of this rule, the grant ordinarily will be provided on a reimbursement basis. If the applicant believes that it will need a working capital advance to be able to cover its expected disbursement needs during the initial stages of its rebuilding and recovery projects, the applicant may request a working capital advance. If the applicant is requesting a working capital advance, the applicant must include the following information in its grant application:

- (1) The amount of the working capital advance being requested.
- (2) The bases for this amount.
- (3) Information sufficient to demonstrate that it will not be able to proceed with the project unless a working capital advance is provided.

(c) Not more than fifty percent (50%) of the estimated project total may be advanced. (*Department of Homeland Security; 290 IAC 1-1-2; filed Jan 25, 2001, 11:15 a.m.: 24 IR 1609; readopted filed Sep 25, 2007, 9:07 a.m.: 20071010-IR-290070492RFA; filed Jan 3, 2011, 12:54 p.m.: 20110202-IR-290100481FRA; readopted filed Jun 23, 2017, 9:50 a.m.: 20170719-IR-290170254RFA*)

**290 IAC 1-1-2.5 Grant award**

Authority: IC 10-14-4-11

Affected: IC 4-21.5-3-5; IC 4-21.5-3-7; IC 10-14-4-7; IC 10-14-4-8

Sec. 2.5. (a) Applications will be reviewed and acted upon by the department. The decision to grant or deny, in whole or part, the application for a state disaster relief fund public assistance grant shall not be made until it is determined whether the applicant will be eligible to receive federal public assistance disaster funds.

(b) The decision granting or denying, in whole or in part, the application for a state disaster relief fund public assistance grant shall be issued by the department in accordance with the requirements of IC 4-21.5-3-5. If a petition for review is

subsequently granted under IC 4-21.5-3-7, the department shall conduct the resulting administrative proceeding.

(c) State disaster relief fund public assistance grants will be made in the following manner:

(1) After all applications have been received for a specific disaster, the department will determine the amount of public assistance state disaster relief funds available to provide grants for the disaster. The amount shall not exceed forty percent (40%) of the total amount in the state disaster relief fund as of the date of the governor's disaster declaration. If there is more than one (1) active disaster, the department may apportion the available public assistance state disaster relief funds among the active disasters.

(2) The grant amount to each applicant shall also not exceed the amount determined using the formula specified in IC 10-14-4-7 or IC 10-14-4-8, whichever is applicable. If the total of all of these grants would exceed the amount of public assistance disaster relief funds allocated for the specific disaster, each grant shall be reduced by an equal percentage so that the total of all the grants equals the amount of public assistance state disaster relief funds allocated to provide grants for the specific disaster.

(d) The state disaster relief fund public assistance grant will be provided to a grantee on a reimbursement basis unless the applicant has applied for and the department has approved a working capital advance for the project. If the department does provide the grantee with a working capital advance for the project, any further payment of the grant funds shall be reimbursements of the grantee's actual disbursements. (*Department of Homeland Security; 290 IAC 1-1-2.5; filed Jan 3, 2011, 12:54 p.m.: 20110202-IR-290100481FRA; readopted filed Jun 23, 2017, 9:50 a.m.: 20170719-IR-290170254RFA*)

#### **290 IAC 1-1-3 Public assistance eligibility requirements**

Authority: IC 10-14-4-11

Affected: IC 10-14-3-29; IC 10-14-4

Sec. 3. (a) Applicants must comply with the requirements of IC 10-14-4 and meet all of the following eligibility requirements for the state disaster relief fund:

(1) Maintain an emergency management program or be incorporated into a county emergency management program that is established before the disaster.

(2) Maintain a current applicable emergency operations plan, which shall have been implemented in a timely manner at the beginning of the disaster.

(3) Declare a state of local disaster emergency in the applicant jurisdiction in accordance with IC 10-14-3-29 and have transmitted a copy of the declaration to the department not more than seventy-two (72) hours after the local disaster emergency has been declared.

(4) Verify the commitment of local resources by means of a signed statement by the applicant's executive.

(5) Conduct a local damage assessment, including verifiable repair costs, transmitting the results, in writing, to the department through the county emergency management director not more than twenty-one (21) days after the date of the local disaster emergency declaration.

(6) Must have damage in one (1) or more of the categories listed in section 5 of this rule in an amount equal to or greater than one hundred percent (100%) of the FEMA Public Assistance Per Capita Indicator as published in 44 CFR Part 206 as in effect on the date of the declaration described in subdivision (4).

(b) An applicant that is eligible to receive federal public assistance disaster funds pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act (referred to as the Stafford Act - 42 U.S.C. 5721 et seq.) is not eligible to receive a state disaster relief fund public assistance grant. #### **290 IAC 1-1-4 Inspection and returned funds**

Authority: IC 10-14-4-11

Affected: IC 10-14-4

Sec. 4. (a) Inspections of the projects funded by the state disaster relief fund may be made by a representative of the

department at any time. The department may request an audit by the state board of accounts of any grant. Both the department and the applicant shall maintain records of all grant applications and grant files for three (3) years after completion of the project or projects funded by the grant to enable such an audit to be completed.

(b) Grant funds found by the department to have been spent in a manner inconsistent with the specific purpose for which the applicant originally applied:

(1) shall be refunded by the applicant and returned to the state disaster relief fund; and

(2) the department may, in addition to the amount of the inappropriately spent grant funds, seek reimbursement for all costs associated with the collection of the inappropriately expended grant funds.

### **290 IAC 1-1-5 Available categories of public assistance**

Authority: IC 10-14-4-11

Affected: IC 10-14-4-5

Sec. 5. (a) State disaster relief fund assistance is available to provide financial assistance to assist eligible entities in paying for the costs of repair, restoration, or actions relating to the following categories of damages owned by, maintained by, or operated by or on behalf of an eligible applicant:

(1) For response costs incurred by an eligible public assistance entity during a disaster for debris removal, deposited within the public right-of-way and equipment costs at the rates contained in the department's state public assistance plan, as in effect on the date of the disaster.

(2) For publicly-owned transportation systems, roads, streets, highways, bridges, and other public ways and their necessary appurtenances.

(3) For publicly-owned buildings and structures.

(4) For publicly-owned water control facilities, dams, levees, dikes, ditches, and other drainage or flood control, or both, devices.

(5) For publicly-owned recreation facilities, parks, and recreation facilities.

(6) For publicly-owned utilities:

(A) sanitary sewer systems, storm sewers, lift stations, or wastewater treatment facilities; and

(B) water treatment, water storage, or water distribution facilities.

(7) For other infrastructure owned by or operated by or on behalf of an eligible public assistance applicant.

(b) Any costs relating to snow removal are not eligible.

(c) Financial assistance to an eligible public assistance entity is limited to uninsured losses for the available categories of public assistance.

(d) In accordance with IC 10-14-4-5, the state disaster relief fund is available to allow the department to pay for disaster response costs, including state verification surveys conducted by the state or a local unit of government at the written direction of the department. *(Department of Homeland Security; 290 IAC 1-1-5; filed Jan 25, 2001, 11:15 a.m.: 24 IR 1609; readopted filed Sep 25, 2007, 9:07 a.m.: 20071010-IR-290070492RFA; filed Jan 3, 2011, 12:54 p.m.: 20110202-IR-290100481FRA; readopted filed Jun 23, 2017, 9:50 a.m.: 20170719-IR-290170254RFA)*

### **290 IAC 1-1-6 Duplication of benefits prohibited**

Authority: IC 10-14-4-11

Affected: IC 10-14-4

Sec. 6. Any damage costs recouped or services or materials, or both, provided at no cost, such as any insurance settlements and donations of services or materials, will be considered in the evaluation of an application to ensure that a grant from the fund is not duplicating benefits received from other sources. The following are examples of benefits that must be identified on the application form:

- (1) Insurance settlements.
- (2) Donations of services or materials.

Authority: IC 10-14-4-11

Affected: IC 10-14-3; IC 10-14-4-5

Sec. 6. (a) Individual financial assistance is available for the repair of, replacement of, restoration of, or actions relating to the following categories of damages to property owned or rented by an eligible applicant:

- (1) Home repairs, building materials, electrical, plumbing and plumbing materials, floors and floor coverings, paint, hardware, and wall coverings.
  - (2) Essential furnishings, such as living room furniture, bedroom furniture, and kitchen furnishings. Debris removal is allowed for damaged carpet, furniture, furnishings, appliances, and disaster generated debris on the home site.
  - (3) Appliances, such as a cooking range, refrigerator, water heater, and furnace. Space heaters or portable heaters may be counted only if they are the sole source of heat for the room in the house. Air conditioners, either central units or window units, may be counted if there is a medical condition for which the appliances are required by a physician. Window fans or any other fans to move air that is used for cooling or drying wet surfaces are allowed.
  - (4) Uninsured medical expenses to cover medical devices such as the following:
    - (A) Eyeglasses or contact lenses.
    - (B) Dentures.
    - (C) Wheelchairs.
    - (D) Crutches.
    - (E) Leg braces.
    - (F) Prosthetic devices.
    - (G) Motorized chairs.
  - (5) Essential transportation motor vehicle repair (two (2) estimates are required). The motor vehicle must be used and essential for employment or medical care, a current license and registration to the applicant or coapplicant is required, and the motor vehicle shall be covered by the minimum motor vehicle insurance required by the state of Indiana. If the immediate need for the family is essential transportation, the entire amount of financial assistance may be used for that purpose.
  - (6) Essential tools and equipment that are needed for employment shall be verified by the applicant's employer on company letterhead, with a listing of what tools or equipment are needed for the employee's job. The applicant's employer's letter shall include a statement concerning the need for tools or equipment for the performance of the job.
  - (7) Most immediate need to the family/individual, that is, the individual or household, may determine how the financial assistance is to be allocated among eligible items when the value of the damage or loss to more than one (1) of the eligible items equals or exceeds the total amount of the financial assistance.
- (b) Individual financial assistance shall not be used for costs of any of the following:
- (1) Medical care.
  - (2) Injuries from the disaster.
  - (3) Prescription medicines.
  - (4) Allergies.

(5) Removal of mold or mildew.

(c) In accordance with IC 10-14-4-5, the state disaster relief fund is available to allow the department to pay for disaster response costs. **290 IAC 1-2-7 Duplication of benefits prohibited**

Authority: IC 10-14-4-11

Affected: IC 10-14-4

Sec. 7. Duplication of benefits is prohibited. Any damage costs recouped or services or materials, or both, provided at no cost, such as any insurance settlements or donations of services or materials, will be considered in the evaluation of an application to ensure that financial assistance from the fund is not duplicating benefits received from other sources. The following are examples of benefits that must be identified on the application form:

(1) Insurance settlements.

(2) Donations of services or materials.
