To the Board for Firefighting Personnel Standards and Education:

I ask the Board to consider a variance allowing two of my personnel, Travis S. Drescher (PSID 4073-1121) and Bryan C. Hutchinson (PSID 7969-6603), to teach the new D/O Program, (minus Mobile Water Supply), using their current, yet older, certifications, their considerable work experience and active involvement in training personnel.

Both Instructors have been active in instructing new engineers on both our aerial apparatus, instruction for and during our annual internal licensing program for all drivers, have ten (10) plus years assigned the aerial (from Firefighter, to Engineer, to Officer) and have the certifications in the desired courses and as Instructors, as shown below:

Lead Instructor

Bryan C. Hutchinson (7969-6603)

Certification:	Issue date:	Expiration date:
Instructor I	2/15/2008	3/19/2020
Instructor II/III	3/19/2008	3/19/2020
D/O Pumper	6/13/2008	n/a
D/O Aerial	8/18/2008	n/a

Lead Evaluator

Travis S. Drescher (4073-1121)

Certification:	Issue date:	Expiration date:	IFSAC issued:
Instructor I	8/30/2005	9/16/2019	4/2/2012
Instructor II/III	2/22/2006	9/16/2019	4/2/2012
D/O Pumper	3/1/2004		4/2/2012
D/O Aerial	9/3/2008		4/2/2012

Additionally, I would mention that Bryan C. Hutchinson is a Sergeant and currently assigned to the main aerial, Truck 1(100' platform), as the primary driver, and as such is EXTREMELY familiar with its operation, as well as the back-up unit, Truck 2 (75' stick). Travis S. Drescher is a Battalion Chief, is currently stationed at Headquarters, along with the aerial, is part of our new apparatus committee and this past January, was the Department's representative 'test driver' for our new E-One aerial at the plant in Ocala, FL.

Both of these Instructors are diligent and take their responsibilities seriously as they help develop our personnel at the Bloomington Fire Department. Should the Board have any questions or concerns regarding this variance request, please do not hesitate to ask me.

Respectfully,

Tania Daffron
Battalion Chief
