

I am writing to formally request commission approval for the acceptance of my out-of-state Elevator Mechanic licenses.

I currently hold a Class IIIR (or equivalent) license in both Georgia and Alabama. In addition, I have performed commercial state inspections in Georgia and Ohio. I am also scheduled to sit for the Georgia Class I examination on April 15, 2026.

I bring over three years of industry experience, including sales, inspections, installation, and service of chairlifts, vertical platform lifts (VPLs), and elevators.

I respectfully request your consideration and approval based on my qualifications and experience. Please let me know if any additional documentation or information is needed.

Thank you for your time and consideration.

With Great Respect
