Doug and Justin,

I have removed everyone else from this email other than Robin so as to avoid any Open Door Law issues. Shad Paul, President of the Indiana Association of Building Officials, has asked me to represent IABO on this exploratory committee. I accept his nomination and would like to be forwarded to the Commission for consideration. Additionally, Joshua Frost of the Zionsville Fire Department contacted me to volunteer as the fire service representative.

Thank you,

Mike Popich

Subject: Fire Prevention and Building Safety Commission Code Update

Members of Commission and Staff:

As the maker of the motion to move forward with the study committee for code updates, I am willing to serve on the committee as the architect representative and as a representative of the Commission if that is acceptable to others.

Respectfully,

Scott Pannicke, AIA
