Streamlining Communication

We have heard your concerns about the volume of email sent to county emergency managers. In an effort to keep your email inboxes more clear, IDHS will be posting more information to the Emergency Management page of the IDHS website, and sending an "EMA Roundup" to keep you up-to-date.

New Surveys Posted

Two surveys have been posted to the Emergency Management page

- **2019 Emergency Management CPG 101 and NIMS Survey** - Information within this survey is required. **Survey responses are due by November 30.**
- **NIMS Resource Types** - Information within this survey has been requested to assist the State Qualification Review Committee with NIMS typed resources across the state. **Survey responses are requested by October 31.**
